CERTIFICATION

4. Fixed Band Method.

- a. If the eligible list contains fewer than five eligibles, the eligibles on the list shall be certified to the appointing authority; however, the appointing authority shall not be required to appoint from the eligible list.
- b. The Executive Director shall certify all names in the highest band from the appropriate list so that in making appointments to a position in the class, the appointing authority has a choice of at least five eligibles. If fewer than five names appear in the highest band, the Executive Director shall certify names from subsequent bands so that at least five eligibles are certified. In the event the highest band may be exhausted prior to the completion of the appointment process, the Executive Director may certify additional names from subsequent bands as necessary to insure that the appointing authority may select from among at least five eligibles.
- c. For the Police Officer and Firefighter classifications, eligibles may be certified only after they have successfully completed the City polygraph, and their background file has been reviewed by Commission staff. Eligibles from these two lists are to be certified in accordance with section (b) above, except that eligibles in higher bands with list effective dates later than those in the lower bands are not required to be included in the fewer-than-five count when attempting to certify eligibles in lower bands with an earlier list effective date.
- d. The appointing authority shall appoint to the vacant position one of the individuals whose name is certified.
- e. For each four appointments made from an eligible list, an appointing authority may request that the Commission omit from future certifications to such appointing authority up to two individuals who have been considered four or more times, but not appointed. For each four conditional offers made from an eligible list, an appointing authority may request that the Commission omit from future certifications to such appointing authority up to four individuals who have been considered four or more times, but not selected. Upon application of the eligible and the appointing authority, the name of an eligible removed due to four considerations may be certified for one additional certification.
- f. Eligibles who are certified to an appointing authority for consideration for appointment shall be notified in writing by the Commission.

REVISED RULE VIII

ELIGIBLE LISTS

C. Addition by Reinstatement

1. Upon written request, the name of an individual may be reinstated to an eligible list for any classification in which the employee served or for any lower class in the same class series, if all of the following apply:
 - a. the individual previously received an original, promotional, or noncompetitive appointment to a position in the class or to a position in a higher class in the same series,

- b. for individuals who have left City employment, the request is made within three years from the date of separation; and
- c. any separation of the individual from service and/or the position was without fault and in good standing.

If a question arises as to whether the individual separated from the service in good standing or was reduced in rank without fault, the Executive Secretary shall investigate the cause and circumstances surrounding the separation or reduction and determine eligibility for reinstatement. An individual who resigned in lieu of disciplinary action shall be deemed not to have resigned in good standing. At the request of the Public Safety Director, the limitation identified in subsection (C)(1)(a) above may be waived for a former police officer who resigned in good standing if the officer was continuously employed full time as a sworn officer in a governmental law enforcement agency during the interim.

All individuals reinstated to a list will be designated as such, and in accordance with Rule IX(C)(2), are not to be counted in determining the number of eligibles to be certified, or in determining whether the eligible list contains a sufficient number of names to require appointment.
