WHEREAS, it has been shown that practicing preventive health care can lead to earlier diagnosis and treatment of potential illnesses before they become more severe; including healthy eating, a balanced diet low in sodium, exercise and a wide-range of additional activities; and

WHEREAS, The Ohio State University Medical Center is one of the founding members of the P4 Medicine Institute, the country’s only non-profit research organization dedicated to accelerating the emergence and adoption of health care that is predictive, preventive, personalized and participatory (P4 Medicine) and its impact on our society; and

WHEREAS, The Ohio State University has an exemplary nutrition component in their wellness program, which helps faculty and staff learn about and make healthy lifestyle choices and become more knowledgeable about their health, leading to a healthier workforce; and

WHEREAS, The Ohio State University has taken a leadership role in our city, our state and the nation in promoting healthy lifestyle choices and preventive health care; now, therefore

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF COLUMBUS:

To request Congress to Reform the Clean Water Act Sewer Overflow Policy to Achieve Sustainable Long-Term Goals.

WHEREAS, the City of Columbus is committed to providing customers superior and dependable drinking water and sewer services that fully meet all regulations and set an industry standard for excellence; and

WHEREAS, the City of Columbus has established a Long-Term Control Plan (LTCP) to comply with two consent decrees with the Environmental Protection Agency (EPA) based on Clean Water Act requirements; and

WHEREAS, approximately 772 other cities in the United States will be required to establish legally-binding
Long-Term Control Plans (LTCPs) to comply with the Federal Clean Water Act regulations involving Combined Sewer Overflows and Sanitary Sewer Overflow/CSOs/SSOs) over the current and next decade; and

WHEREAS, these LTCPs will involve the establishment of new infrastructure to reduce the discharge of untreated sewerage and/or untreated storm water into local receiving waters; and the new infrastructure options available for this purpose involve major capital investments and recurring increases in user charges for the construction of new treatment facilities or additional treatment capacity at existing facilities, new sewer lines to convey wet weather overflows to the new treatment facilities, underground storage facilities, additional monitoring, reporting and compliance costs, additional operations and maintenance costs to municipalities; and

WHEREAS, the U.S. EPA is reluctant to exercise the flexibility it adopted in the U.S. EPA CSO Control Policy and U.S. EPA CSO-Guidance for Financial Capability Assessment and Schedule Development concerning affordability, compliance schedules, volume and frequency of annual overflows necessary to comply with the Clean Water Act water-quality standards, and inclusion of green infrastructure as part of the city’s LTCP; and

WHEREAS, the capital cost - estimated at $2.5 billion in 2005 - the City of Columbus must bear to comply with the CSO policy is among the single most costly public works projects in its history; and

WHEREAS, the environmental benefits associated with the U.S. EPA’s interpretation of requirements under the CSO Central Policy often do not balance with local economic goals and create a cost-disincentive for commerce and industry; thus, adversely impacting jobs, local income and the local tax revenue and income of taxpayers to support the investments required to finance the LTCP; and

WHEREAS, the U.S. Conference of Mayors unanimously adopted Resolution 43, which urges, in part, that Congress amend the Clean Water Act to create a true federal-local partnership whereby the federal government provides at least fifty percent of the cost of compliance with all regulations established under the Act; now, therefore

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF COLUMBUS:

That we join the U.S. Conference of Mayors in requesting Congress to “Reform the Clean Water Act Sewer Overflow Policy to Achieve Sustainable Long-Term Goals”.

BE IT FURTHER RESOLVED, that the City Clerk be and hereby is authorized and directed to provide a copy of this resolution to the Honorable David J. Berger, Mayor of the City of Lima, 50 Town Square, Lima, OH 45801-4900.

BACKGROUND: The purpose of this legislation is to authorize the Director of Public Utilities to pay Columbus Southern Power dba American Electric Power (AEP) for pole attachment rental fees in accordance with an agreement signed in 2002 and to modify said agreement to reflect amended terms and conditions.

The City of Columbus, Division of Power and Water and AEP own and operate electric transmission and distribution system facilities throughout Franklin County. Each party owns certain poles which have facilities owned by the other party attached to such poles. An agreement signed in 2002 between Columbus Southern Power and the City of Columbus authorized the terms, conditions and rates to be paid for the joint use of poles. The payment terms of said agreement provided a setoff of the amounts Columbus Southern Power would otherwise owe the City under Section 910 for right-of-way permit fees. In December 2008, it was determined that the joint use fees would no longer be deducted from AEP's Right-of-Way Permit fees and that AEP would be allowed to bill the Division of Power and Water directly for its joint pole usage. A pending invoice from AEP for annual rental fees in the amount not exceeding $229,488.00 for the period of 8/7/10 through 12/31/2011 is forthcoming.

For annual rental fees going forward, the contract modification provides that funds will be approved annually by ordinance of City Council.

Columbus Southern Power dba American Electric Power's contract compliance number is 314154203, expires 02/01/12.
Emergency action is requested in order to process payment in a timely manner.

FISCAL IMPACT: There is sufficient budget authority for this expense in the Electricity Operating Fund for this expenditure. In 2010 $256,580.75 was paid for service dates from 1/01/09 through 8/6/2010.

To authorize the Director of Public Utilities to pay Joint Use of Poles Rental Fees to Columbus Southern Power dba American Electric Power in accordance with the terms of an existing agreement and to modify said agreement, in accordance with the sole source provisions of Columbus City Code, to authorize the expenditure not exceeding $229,488.00 from the Electricity Operating Fund, and to declare an emergency. ($229,488.00)

WHEREAS, the Division of Power and Water and Columbus Southern Power dba American Electric Power (AEP) own and operate electric transmission and distribution system facilities throughout Franklin County; and
WHEREAS, each party owns certain poles which have facilities owned by the other party attached to such poles; and
WHEREAS, an agreement signed in 2002 between Columbus Southern Power and the City of Columbus authorized the terms, conditions and rates to be paid for the joint use of poles; and
WHEREAS, it is necessary to authorize an expenditure to pay AEP for joint use of poles rental fees for the period of 8/7/10 through 12/31/11; and
WHEREAS, it is also necessary to modify the aforesaid agreement to reflect amended terms and conditions; and
WHEREAS, AEP, as owner and operator of said poles, is the sole provider for the required services and therefore this legislation is being submitted in accordance with the sole source provisions of Columbus City Code Section 329.07(e); and; now therefore
WHEREAS, an emergency exists in the usual daily operation of the Division of Power and Water, Department of Public Utilities, in that it is immediately necessary to authorize the Director of Public Utilities to pay AEP for Joint Use of Poles Rental Fees in a timely manner and to modify the existing agreement for the immediate preservation of public health, peace, property and safety; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 3. That this Council finds it in the best interest of the City of Columbus to pass this legislation in accordance with the Sole Source provisions of Columbus City Code Section 329.07 (e).

SECTION 4. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same. BACKGROUND: The City's current real estate portfolios, real property inventory and leases, are administered in a web-based, fully supported, secure, and fully redundant hosted software service (Harbor Flex) that was originally authorized by Council in December 2006 to replace an inflexible, outdated, hardware-based system that had frequent maintenance issues and was not serving the City's needs. The City's current Service Agreement with Lease Harbor LLC for Harbor Flex hosted software services has no remaining renewal options. Therefore, a new service agreement is now required. The cost of Harbor Flex hosted services has remained unchanged since 2006. Again this year, research and analysis of available real estate and lease management software was conducted. Several products (Asset Management Technologies, Virtual Premise, and ProLease) were explored and compared with Lease Harbor LLC's Harbor Flex hosted software services. The Harbor Flex product remains the only product that effectively and cost-efficiently meets the City's requirements to retain, manage, monitor, analyze, and administer its real property and lease information in a single data source.

This ordinance authorizes the Director of Finance & Management to enter into a new Service Agreement with Lease Harbor LLC to provide hosted real estate and lease management software services, support, and related services for a one-year term and with four (4) automatic renewal options, each one-year in length and subject to appropriation of funds by City Council and certification of funds availability by the City Auditor.

Lease Harbor LLC, has a Contract Compliance Number of 36-4352999 that expires 9/28/13.

This service agreement is in accordance with the provisions of Sole Source Procurement, Section 329.07 of the Columbus City Codes.

Fiscal Impact: Funds were budgeted and are available within the Finance and Management 2010 General Fund Budget.

To authorize the Finance and Management Director to enter into a service agreement with Lease Harbor LLC for the provision of hosted software services, support, and related services for the administration of the City's real property and lease portfolios in accordance with sole source provisions of the Columbus City Codes; and
to authorize the expenditure of $23,000.00 from the Department of Finance and Management General Fund ($23,000.00).

WHEREAS, this legislation authorizes the Finance and Management Director to enter into a service agreement with Lease Harbor LLC for the provision of hosted software, support, and related services for the administration of the City's real property and lease portfolios for a one-year term and with four (4) automatic renewal options, each one-year in length and subject to the appropriation of funds by City Council and certification of funds availability by the City Auditor; and

WHEREAS, this hosted software system will allow for the continued storage of records, tracking, and reporting of the City's real property data and leases and provide the necessary tools in relation to meeting the asset management goals of the City; and

WHEREAS, funding is available in the Department of Finance and Management General Fund Budget for this service lease of a database management software system, support, and related services; and

WHEREAS, in accordance with sole source provisions of the Columbus City Codes [329.07 (e)], only Lease Harbor LLC, can provide necessary services; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the of the Finance and Management Director be and is hereby authorized to enter into a service agreement with Lease Harbor LLC for the continued provision of web-based database management software, support, and related services for the administration of the City's real property and lease portfolios for a one-year term beginning December 15, 2011 and contain four (4) automatic one-year renewal options, each subject to appropriation of funds by City Council and certification of funds availability by the City Auditor.

SECTION 2. That this service agreement contract is in accordance with Section 329.07 (Sole Source Procurement) of the Columbus City Codes.

SECTION 3. That the expenditure of $23,000.00 or so much thereof as may be necessary is hereby authorized to be expended from the Department of Finance and Management, Administrative Division, Division No. 45-51, Fund 010, OCA 450037, Object Level One 03, Object Level Three 3367.

SECTION 4. That the City Auditor is authorized to make any accounting changes necessary to ensure that this contract is properly accounted for and recorded accurately on the City's financial record. The City Auditor is authorized to make any changes to revise the funding source for any contract or contract modification associated with this ordinance.

SECTION 5. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.
1. BACKGROUND
This ordinance provides $41,892.60 to prevent inspection deficits for projects within the Department of Public Utilities and Recreation and Parks Capital Improvement Program. Construction Inspection funding is normally authorized in construction legislation and available throughout the project.

The amount for inspection is generally estimated by taking a percentage of the construction cost and occasionally, the funds set up for this cost are not sufficient to cover the inspection of the project through completion. It is then necessary to request additional funding for the remaining inspection costs. This ordinance authorizes an additional amount of $41,892.60 to establish funding to prevent inspection deficits in various projects. Inspection Funding for the following projects makes up this $41,892.60.

Background: This legislation amends Sections 2551.06 and 2251.08 of the Columbus City Codes, 1959, which deals with restrictions on the use of city streets for the transportation of hazardous materials and regulations concerning the operation of vehicles carrying hazardous material. The purpose of this legislation is to update the hazardous material transportation law so as to better protect life, property and the environment in our community. The crux of the amendment is giving the Division of Police enforcement powers to require truckers carrying hazardous materials to travel the Interstate 270 outerbelt. The amendment also clarifies that the list of prohibited routes is not only Interstate 70 and Interstate 71 but also includes I 670, US Route 33, State Route 161, State Route 315, Broad Street and High Street. Lastly, for the purpose of hazardous material
transportation, the Western boundary of "Downtown" is clarified as State Route 315. Failure to adhere to this requirement would allow the Division of Police to cite the violator for a Misdemeanor of a First Degree.

FISCAL IMPACT: There is no funding required for this legislation.

To amend Sections 2551.06 and 2551.08 of the Columbus City Codes, 1959, by providing the Division of Police with enforcement powers to require truckers carrying hazardous materials to travel the Interstate 270 outerbelt and to clarify the list of prohibited routes and the western boundary of the downtown area for the purpose of hazardous material transportation.

WHEREAS, there is a need to amend Sections 2551.06 and 2551.08 of the Columbus City Codes, 1959, which deals with restrictions on the use of city streets for the transportation of hazardous material and regulations concerning the operation of vehicles carrying hazardous material; and

WHEREAS, this amendment will update the hazardous materials transportation law so as to better protect life, property and the environment in our community; and

WHEREAS, the crux of the amendment is giving the Division of Police enforcement power to require truckers carrying hazardous materials to travel the Interstate 270 outerbelt instead of driving through the heart of our community; and

WHEREAS, this legislation also clarifies that the list of prohibited routes is not only Interstate 70 and Interstate 71 but, also includes I 670, U.S. Route 33, State Route 161, State Route 315, Broad Street and High Street; and

WHEREAS, for the purpose of hazardous material transportation, this ordinance also clarifies that the Western boundary of "Downtown" is State Route 315, now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

This legislation authorizes the Director of the Department of Technology (DoT), on behalf of the Department of Public Utilities (DPU), to enter into an agreement for maintenance and technical support services for the Primavera P6 Level 4 Concurrent User Perpetual Data Migration with Oracle America, Inc. for the coverage period from September 29, 2009 through September 28, 2012. In 2010, the Department of Technology submitted ordinance number 0712-2010, passed 06/28/2010 for the maintenance and support service in the amount of $818.21 for the term period of September 29, 2009 through April 1, 2011 funded under AC#-031150. However, due to lack of response from the vendor, the contract could not be executed. Most recently, Oracle America, Inc. has responded and provided a revised quote for the previous term period through September 28, 2012. This agreement provides computer programming software maintenance, technical support services and obligates Oracle America, Inc. to provide upgrades, new releases, and maintain the work request and asset management system software licensed to the Department of Public Utilities. The amount of funds needed for this maintenance and support agreement is $1,709.01. Earlier this year (2011), the Department of Technology expended $63,585.84 (Ord. 0236-2011), $399,770.31 (Ord. 0237-2011) and $3,242.18 (Ord. 1261-2011) with Oracle America, Inc.

This ordinance also requests approval to continue services provided by Oracle America, Inc. in accordance with sole source procurement provisions, of Section 329 of the Columbus City Code; as it has been determined that Oracle software can be purchased from third party vendors, however, only Oracle can supply network license, maintenance and support.

EMERGENCY: Emergency action is requested to ensure that the needed services are not delayed; thus reducing the risk of potential outage and or interruption in services associated with the necessary services requested.

FISCAL IMPACT:
In 2009 and 2010, the Department of Technology legislated $436,757.63 and $449,86034, respectively, with Oracle America, Inc. for maintenance and technical support services. Upon passage of this ordinance, the auditors certificate AC#-031150 created under ordinance 0712-2010 for $818.21 will be cancelled. This ordinance will allow for authorizing $1,709.01 for the term period from September 29, 2009 through September 28, 2012 to cover the cost of the agreement for software maintenance and technical support services for the Primavera P6 Level 4 Concurrent User Perpetual Data Migration. SANITARY 2012

BACKGROUND

This ordinance authorizes an increase in sewer rates effective January 1, 2012 for the Division of Sewerage and Drainage.

The proposed rate configuration for 2012 recognizes that water and sewer charges disproportionately affect lower income groups and continues the Low Income Discount program that discounts participant's sewer commodity portion of their sewer bill by 20%.

Requested adjustments in rates result in a typical inside city residential sanitary sewer rate increase of 3%. When a water increase of 8% and a Stormwater decrease of 2% are considered the overall impact on a typical residential customer in the City of Columbus is 4.69% and for an outside city residential customer 5.38%.

In 2005, in Ordinance No.1904-2005, Passed November 28, 2005, Council created a Clean River Fee to
recover costs of construction of projects necessary to meet the requirements of the two consent orders that mandate elimination of wet weather flow from Combined Sewer Overflows and Sanitary Sewer Overflows. This charge was assessed based on each property’s measured impervious surface area. Since 2005, Council has approved across-the-board rate increases, including the Clean River Fee. In doing so, the Clean River Fee was not calibrated to pay for all wet weather construction costs. The Department of Public Utilities, with approval of SWAB, recommends that the Clean River Fee again be increased with an across-the-board rate increase. This will continue to allow wet weather construction projects to be paid for by a blend of the Clean Water Fee, based on ERU, and commodity charges.

The Division of Sewerage and Drainage charges industrial companies and extra strength charge. Extra strength charges are for the treatment of high strength wastewater generated by various industries that require additional treatment processes within the wastewater treatment plants. To address higher than normal extra strength charges and to stay economically competitive, the Department of Public Utilities with approval from SWAB are reducing the 2012 Extra Strength Charges by 10%.

The Sewer and Water Advisory Board met on October 12, 2011 and after reviewing the Department of Public Utilities projected expenditures for 2012, recommends to City Council an increase of 3% in sewer rates and reduce extra strength charges by 10%

FISCAL IMPACT: These rate increases will generate approximately $4.6 million in additional revenue in 2012.

To amend Chapter 1147 of the Columbus City Codes 1959, to enact new sanitary sewer service rates for the year beginning January 1, 2012, and to repeal the existing Sections being amended.

WHEREAS, it is necessary to establish new sewer sanitary services rates, effective January 1, 2012, for sewerage services to properties discharging into the sanitary sewerage system of the City of Columbus in order to recover the cost of rendering said sewerage services for the calendar year; and

WHEREAS, the City of Columbus, Department of Public Utilities, Division of Sewerage and Drainage requests a three percent (3%) increase in sewer rates for 2012 to pay for necessary ongoing operations and needed improvements; and

WHEREAS, the City of Columbus, Department of Public Utilities, Division of Sewerage and Drainage requests that the charges for industry Extra Strength rates be reduced by an amount of ten percent (10%), and

WHEREAS, in addition to the commodity rates, City Council finds it necessary to continue a Clean River Fee to fund the wet weather capital improvement projects required by the Consent Orders with the State of Ohio; and

WHEREAS, City Council finds that the most appropriate way to assess the Clean River surcharge is by correlating the surcharge to the amount of impervious surface, as the factor most closely associated with increased inflow and infiltration is impervious cover from urban development; and
WHEREAS, City Council recognizes that increased sewer rates disproportionately impact low income residents. Low income residents already pay a higher percentage of their household income in utility bills, and this percentage would increase with higher rates; and

WHEREAS, City Council further recognizes that past rate increases in the City have demonstrated that increasing rates leads to increased delinquencies among the City's customers; delinquencies rates are higher among low income residents. It is well recognized that increased delinquencies are expensive for the City and its customers; and

WHEREAS, City Council finds that continuing the discount rate for low income users at 20% is appropriate to assist those least able to manage the impacts of increased sewer and water rates; and

WHEREAS, the Sewer and Water Advisory Board has adopted recommendations that are consistent with the rates established in this legislation; and

WHEREAS, City Council finds that the rates and the low income discount established are equitable to all of the City's customers; now therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That effective January 1, 2012, Section 1147.11 of the Columbus City Codes, 1959, be and is hereby amended to read as follows:

1147.11 Rate Schedules.

(a) Charges Within Corporate Limits. For the purpose stated in Sections 1147.02 and 147.12 there is hereby charged to each user situated within the corporate limits of the city, having any active sewer connection with the sewerage system of such city or otherwise discharging sewerage, industrial wastes, water or other liquids, either directly or indirectly into the city's sewerage system, sewer charges as hereinbefore provided, and in the amount determinable as follows:

(1) For any such lot, parcel of land, building or premises having any connection with the city's sewerage system or otherwise discharging sanitary sewerage, industrial wastes, water or other liquids, either directly or indirectly into the city's sewerage system, such charge shall be based upon the quantity of water used therein as the same is measured by a water meter or meters there in use, as hereinafter described, and there shall be charged:

The charges as prescribed in the rate schedule as follows: SEE ATTACHED FILE

(b) Charges Outside Corporate Limits. For the purpose stated in Sections 1147.02 and 1147.12, there is hereby charged to each user situated outside the corporate limits of the city, having any active sewer connection with the sewerage system of such city or otherwise discharging sewage, industrial wastes, other liquids, either directly or indirectly into the city's sewerage system, sewer charges as hereinbefore provided, and in the amount determinable as follows:

(1) For any such lot, parcel of land, building or premises having any connection with the city's sewerage system or otherwise discharging sanitary sewage, industrial wastes, water or other liquids, either directly or indirectly into the city's sewerage system, such charge shall be based upon the quantity of water used thereon or therein as the same is measured by a water meter or meters there in use, as hereinafter described, and there
shall be charged:

The charges as prescribed in the rate schedule as follows: SEE ATTACHED FILE

SECTION 2. That effective January 1, 2012, existing Section 1147.11, (a) and (b) of the Columbus City Codes, 1959, be and are hereby repealed.

SECTION 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

STORMWATER - 2012

BACKGROUND:

This ordinance authorizes effective January 1, 2012, a decrease in Stormwater charges per Equivalent Residential Unit (ERU) from $4.57 to $4.48 per month for a typical Inside City residential customer.

The requested adjustment in rates results in a stormwater rate decrease of 2%. When a water increase of 8% and a sanitary sewer increase of 3% are considered the overall impact on a typical residential customer in the City of Columbus is 4.69%. Outside city customers do not pay stormwater charges.

This stormwater ERU charge is assessed based on each property's measured impervious surface area. Each Equivalent Residential Unit (ERU) is based on 2000 sq ft of impervious surface area. Residents are charged at one ERU per residence. All other customers are charged based on measured impervious area divided by 2000 sq ft to determine an ERU equivalent.

The Sewer and Water Advisory Board met on October 12, 2011 and after reviewing the Department of Public Utilities projected expenditures for 2012, recommends to City Council a decrease of 2% in stormwater rates.

FISCAL IMPACT: Though the 2012 rate structure results in a 2% decrease, the Stormwater enterprise fund will generate sufficient revenue to cover costs of the operating and capital budgets, approximately $37 million.

To amend Section 1149.08 of the Columbus City Codes, 1959, effective January 1, 2012, to decrease Stormwater fees, and to repeal the existing Section being amended.

WHEREAS, the Sewer and Water Advisory Board met on October 12, 2011 and after reviewing the Department of Public Utilities projected expenditures for 2012, recommends to City Council a decrease of 2%
WHEREAS, it is necessary to decrease the monthly Stormwater charges from $4.57 per Equivalent Residential Unit (ERU) to $4.48 per ERU to accurately match needed revenue to estimated program expenses; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That effective January 1, 2012, Section 1149.08(b) of the Columbus City Codes, 1959, be and is hereby amended to read as follows:

1149.08 Rate Structure

(b) The charge as prescribed in the rate schedule is as follows:

$0.1502 per day per Equivalent Residential Unit (ERU).

SECTION 2. That existing 1149.08(b) of the Columbus City Codes, 1959 is hereby repealed.

SECTION 3. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

BACKGROUND:
This ordinance authorizes an increase in water rates effective January 1, 2012 for the Division of Power and Water

The proposed rate configuration for 2012 recognizes that water and sewer charges disproportionately affect lower income groups and continues the Low Income Discount program that discounts participant's sewer commodity portion of their quarterly bill by 20%.

Requested adjustments in rates result in a typical inside city residential water rate increase of 8%. When a sewer increase of 3% and a Stormwater decrease of 2% are considered the overall impact on a typical residential customer in the City of Columbus is 4.69% and for an outside city residential customer 5.38%.

The proposed rate structure is necessary to continue to address the new Ohio EPA regulations regarding water supply, water treatment capacity and drinking water quality. This includes current and future water treatment plant expansions, plant water treatment process improvements, water supply and storage improvements and continuous water system rehabilitation and repair projects. The Sewer and Water Advisory Board met on October 12, 2011 and after reviewing the Department of Public Utilities projected expenditures for 2012, recommends to City Council an increase of 8% in water rates.

FISCAL IMPACT: The Division of Power and Water expects an increase of $9.7 million in water sales revenue.
To amend Chapter 1105 of the Columbus City Codes, 1959, to enact new water rates for the year beginning January 1, 2012, and to repeal the existing Sections being amended.

WHEREAS, it is necessary to establish new water services rates, effective January 1, 2012, for water service provided by the City of Columbus in order to recover the cost of rendering said water services; and

WHEREAS, the City of Columbus, Department of Public Utilities, Division of Power and Water requests an eight percent (8%) increase in water rates for 2012 to pay for necessary ongoing operations and needed improvements; and

WHEREAS, City Council recognizes that increased water rates disproportionately impact low income residents. Low income residents already pay a higher percentage of their household income in utility bills, and this percentage would increase with higher rates; and

WHEREAS, City Council finds that continuing a discounted rate for low income users is a recognized method for helping to alleviate the impacts of increased water rates; and

WHEREAS, the Sewer and Water Advisory Board has adopted recommendations that are consistent with the rates established in this legislation; and

WHEREAS, City Council finds that the rates and the low income discount established therein are equitable to all of the City's customers; now therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the existing Sections 1105.04 and 1105.041 of the Columbus City Codes, 1959, shall be and are hereby amended effective January 1, 2012 to read as follows:

The charges for Residential water supplied through meters to consumers within the corporate limits shall be based upon a service charge plus a commodity charge. The following rates shall apply to Residential water services within the city:

SEE ATTACHED FILE

SECTION 2. That the existing Section 1105.055A of the Columbus City Codes, 1959, shall be and is hereby amended effective January 1, 2012 to read as follows:

SECTION 3. That water rates herein established shall be applicable to all water used on or after January 1, 2012.

SECTION 4. That effective January 1, 2012, existing Section 1105.04; 1105.041 and 1105.055A of the Columbus City Codes, 1959, be and are hereby repealed.

SECTION 5. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Andritz Separation, Inc., All Items, Amount $1.00

SECTION 2. That the expenditure of $1.00 is hereby authorized from Mail, Print Services and UTC Fund Account, Organization Level 1: 45-01, Fund: 05-517, Object Level 3: 2270, OCA: 451130, to pay the cost thereof.

SECTION 3. That in accordance with Section 329.27 of the Columbus City Code, this Council finds the best interest of the City is served by waiving, and does hereby waive Sections 329.06 (Formal Competitive Bidding) of the Columbus City Code.

That for the reason stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This ordinance is for the option to establish a Universal Term Contract for Andritz D5LL Centrifuge Parts and Services for the Division of Sewerage and Drainage, the sole user. This contract will provide replacement parts and services for centrifuges in use at the Jackson Pike Wastewater Treatment Plant. The term of the proposed option contract would be two (2) years, expiring March 31, 2014, with the option to renew for one (1) additional year.

The Purchasing Office opened formal bids on September 22, 2011. The City advertised and solicited competitive bids in accordance with Section 329.06, Solicitation No. SA004095. Eighteen (18) bids were solicited: (M1A-0, F1-0, MBR-1). Two bids were received, but both bids were non-responsive as neither bidder submitted a price list as required and one bidder submitted additional terms and conditions with their bid. The Division of Sewerage and Drainage requested the Purchasing Office reject both bids, obtain the required price list, negotiate terms and conditions with the apparent low bidder on an informal basis, and waive the competitive bidding procedure to allow for award to the overall low bid received from Andritz Separation, Inc.

The Purchasing Office is recommending award to the lowest, responsible and best bidder as follows:

Andritz Separation, Inc., MAI, CC# 59-3773483 expires 05/19/2012, $1.00, All Items.

Total Estimated Annual Expenditure $75,000.00, Division of Sewerage and Drainage, the sole user.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.
This ordinance is being submitted as an emergency because, without emergency action, there would be a potential stoppage in needed wastewater treatment services.

FISCAL IMPACT: Funding to establish this option contracts is budgeted in the Mail, Print Services and UTC Fund Account. City Agencies will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

WHEREAS, the Purchasing Office advertised and solicited formal bids on September 22, 2011 and two bids were received but both deemed non-responsive; and

WHEREAS, it is necessary to waive bidding requirements in order to accept the overall lowest bid received; and

WHEREAS, in order to maintain a supply of Andritz D5LL Centrifuge Parts and Services, this is being submitted for consideration as an emergency measure; and

BACKGROUND: This legislation authorizes the Finance and Management Director to enter into a contract on behalf of the Office of Construction Management with Thomas & Marker Construction Co. for the renovation of the Columbus Police Property Room, 724 Woodrow Avenue. The Woodrow Avenue building was purchased several years ago as a future site of the Police Property Room and Crime Lab. The Police Division has outgrown the current Property Room on Fairwood Avenue which it occupies under a memorandum of understanding from the Department of Public Utilities, and has outgrown leased space on the campus of The Ohio State University for the Police Crime Lab. The Woodrow Avenue facility will allow both the Property Room and the Crime Lab to be located in the same facility, thereby saving time and space, and creating efficiencies with handling evidence. This contract renovates the portion of the building for the Property Room only, the Crime Lab will be designed and constructed under separate contracts. Formal bids were solicited and four companies submitted bids on September 29, 2011 as follows (0 FBE, 0 MBE):

- Thomas & Marker Construction Co. $11,059,200.00
- R W Setterlin Building Co. $11,197,500.00
- Gutknecht Construction Co. $11,252,500.00
- Messer Construction Co. $11,343,688.00

After review of all the bids received, the Office of Construction Management recommends the bid award to Thomas & Marker Construction Co. as the lowest, most responsive and responsible bidder.

BACKGROUND: The Division of Fire was awarded a grant from the Department of Homeland Security to purchase Weapons of Mass Destruction (WMD) and Improvised Explosive Devices (IED) equipment and training for the Bomb Squad. The total cost of this equipment and training will be $156,546.00, the payment of which will be issued by Franklin County, on behalf of the Department of Homeland Security and Ohio Emergency Management Agency. The City of Columbus and Franklin County entered into an Intergovernmental Agreement via Ordinance 1917-2005 to enable this type of purchase.
This legislation will authorize and direct the Director of Finance and Management to execute those documents necessary for the acquisition of this training.

**Bid Information:** The Division of Fire was approved for a State Homeland Security Grant to purchase Weapons of Mass Destruction (WMD) and Improvised Explosive Devices (IED) equipment and training for the Bomb Squad. The grant requirements are such that purchasing this equipment and training pursuant to section 329.06 (Formal Competitive Bidding) of the Columbus City Code is not possible due to the specialized nature of this equipment.

This specialized and proprietary equipment and training is unique and offered only by the aforementioned vendors. All equipment and training that is funded through US Homeland Security grants must be approved by the United States Homeland Security Office of Domestic Preparedness to be eligible for funding. There is no other approved equipment and training that meets Fire's requirement at this time. This equipment and training is specific for Bomb Squads, and is limited due to the sensitive nature and the small number of bomb squads in the United States.

These companies are not debarred according to the Excluded Parties listing of the Federal Government and is not listed in the Auditor of State database for Findings for Recovery.

**Emergency Designation:** The Division of Fire requests emergency legislation so that approval can occur prior to expiration of the grant period (February 2012).

**Fiscal Impact:** This ordinance authorizes the Director of Finance and Management to execute those documents necessary to procure equipment and training in the amount of $156,546.00 for the Division of Fire Bomb Squad using Homeland Security grant funds currently held by Franklin County. There is no fiscal impact to the General Fund.

To authorize and direct the Director of Finance and Management to execute those documents necessary to enter into contracts for the acquisition of equipment and training for the Division of Fire Bomb Squad, in accordance with sole source procurement with ITT Corporation and Sierra Nevada Corporation utilizing Homeland Security Grant funds; and to declare an emergency. **WHEREAS,** the Division of Fire needs to acquire Weapons of Mass Destruction (WMD) and Improvised Explosive Devices (IED) equipment and training for the Bomb Squad; and

**WHEREAS,** the Division of Fire has been awarded a grant from the Department of Homeland Security to purchase said equipment and training; and

**WHEREAS,** this acquisition is being made in accordance with Sole Source Provisions; and

**WHEREAS,** an emergency exists in the usual daily operations of the Division of Fire, Department of Public Safety, in that it is immediately necessary to authorize and direct the Director of Finance and Management to execute those documents necessary for the acquisition of said equipment and training prior to the expiration of the grant period, for the preservation of the public health, peace, property, safety and welfare; Now, therefore

SECTION 2. There is no city related expenditure associated with this ordinance; grant funds from the Department of Homeland Security are being administered via Franklin County in the amount of $156,546.00.

SECTION 3. That this Council finds it is in the best interest of the City of Columbus that this acquisition be in accordance with the provisions of Sole Source Provisions of Section 329.07(e), of the Columbus City Codes.

SECTION 4. WHEREAS, the TIRC recommended that a letter be sent to Enterprise via certified mail requesting a
meeting to discuss the employment issues and a jobs plan for the project site within 30 days of receipt of the letter or the EZA will be dissolved. The 30-day window for response by Enterprise was October 6, 2011; and

WHEREAS, as Enterprise did not respond, the City of Columbus concurs with the TIRC recommendation and desires to dissolve the EZA as of December 31, 2009.

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this agreement in order for this dissolution to be legislated prior to the end of 2011 so that the dissolution of the EZA can be reported to the necessary local and state agencies prior to the end of calendar year 2011, and to preserve the public health, property, safety and welfare; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That Columbus City Council hereby dissolves the 274 First AGA, LLC Enterprise Zone Agreement (Agreement Number 023-00-09) which applies a 75%/10-year tax abatement to parcel numbers 010-255762 and 010-277009 within the City of Columbus Enterprise Zone as of December 31, 2009, with 2009 as the final tax year for the exemptions.

Section 2. That the Director of Development is hereby directed to notify the necessary local and state agencies of any changes to the 274 First AGA, LLC Enterprise Zone Agreement.

Section 3. For the reasons stated in the preamble hereto, which is made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten (10) days after passage if the Mayor neither approves nor vetoes this Ordinance.

BACKGROUND: Columbus City Council (Council), by Ordinance 0684-2010, passed May 10, 2010, authorized the City of Columbus (City) to enter into an Enterprise Zone Agreement (the Agreement) with 3MX Partners, LLC (Enterprise) for a tax abatement of seventy-five percent (75%) for a period of ten (10) years in consideration of $2,200,000 in real property investment to renovate a vacant commercial building of approximately 13,000 square feet located at 495 East Main Street in Columbus, Ohio and within the City of Columbus Enterprise Zone (Zone #023). Enterprise was to create seven (7) new permanent full-time jobs within three (3) years following the execution of the agreement with a payroll of $314,900. The project was expected to begin in July 2010 with all real property improvements expected to be completed by December 31, 2010. No exemption or credit was to commence prior to tax year 2012 nor to extend beyond tax year 2021. The Agreement was made and entered into to be effective June 3, 2010 (EZA# 023-10-04).

The 2011 Columbus Tax Incentive Review Council (TIRC) reviewed the 3MX Partners, LLC Enterprise Zone project on August 18, 2011. It was reported to the TIRC that the project had provided incomplete annual reporting information and so was in a state of non-compliance. Additionally, just prior to the TIRC, it was
reported to the City by the Franklin County Auditor that Enterprise was not the owner of record of the project site, as that following the purchase of the project site in April 2010 (date of conveyance April 21, 2010), Enterprise in turn conveyed the site to the Columbus-Franklin County Finance Authority on May 18, 2010. Being that the execution date of the Agreement was June 3, 2010, the question put forth was (1) is the Agreement valid being that Enterprise was not the owner of the project site at the time of Agreement execution, and (2) would new ownership have an interest in assuming the Agreement should that be a possibility.

The TIRC recommended that a letter be sent to the new ownership entity requesting that a meeting be held within 30 days of receipt of the letter to discuss interest in assuming the Agreement by the new ownership entity; if interested in assumption then full reporting must be made within 30 days of that meeting and that City staff will proceed with the assumption process; if no interest then dissolve the Agreement. A meeting was held within the first 30-day window and the new ownership entity expressed an interest in assumption, if possible. Additionally, full reporting was made within the second 30-day window. However, upon consultation with the office of the Columbus City Attorney, it is the opinion of the City Attorney that the Agreement is not valid and so no assumption is possible. As a matter of record, this legislation seeks to dissolve Agreement.

This legislation is presented as an emergency measure in order for this dissolution to be legislated prior to the end of 2011 so that the dissolution of the Agreement can be reported to the necessary local and state agencies prior to the end of calendar year 2011.

**FISCAL IMPACT:** No funding is required for this legislation.

To dissolve the Enterprise Zone Agreement between the City of Columbus and 3MX Partners, LLC; to direct the Director of the Department of Development to notify as necessary the local and state tax authorities; and to declare an emergency.

**WHEREAS,** the Columbus City Council approved the Enterprise Zone Agreement with 3MX Partners, LLC (the "EZA") on May 10, 2010 by Ordinance 0684-2010 and entered into effective June 3, 2010; and

**WHEREAS,** the EZA granted 3MX Partners, LLC a 75%/10-Year abatement on real property investment; and

**WHEREAS,** the EZA committed 3MX Partners to invest $2,200,000 in real property improvements and create 7 permanent full-time jobs with a commensurate payroll of $314,900, related to the renovation of a vacant commercial building of approximately 13,000 square feet located at 495 East Main Street; and

**WHEREAS,** the Tax Incentive Review Council (the "TIRC") met on August 18, 2011 and it was reported then that the project had provided incomplete annual reporting information and so was in a state of non-compliance; and

**WHEREAS,** it was also reported to the TIRC that just prior to the TIRC meeting it was reported to the City by the Franklin County Auditor that 3MX Partners, LLC was not the owner of record of the project site, as that following the purchase of the project site in April 2010 (date of conveyance April 21, 2010), 3MX Partners, LLC in turn conveyed the site to the Columbus-Franklin County Finance Authority on May 18, 2010; and
WHEREAS, the question was put forth to the TIRC that (1) is the EZA valid being that 3MX Partners, LLC was not the owner of the project site on the date the EZA was executed, and (2) would new ownership have an interest in assuming the EZA should that be a possibility; and

WHEREAS, the TIRC recommended that a letter be sent to the new ownership entity requesting that a meeting be held within 30 days of receipt of the letter to discuss interest in assuming the EZA by the new ownership entity; if interested in assumption then full reporting must be made within 30 days of that meeting and that City staff will proceed with the assumption process; if no interest then dissolve the EZA; and

WHEREAS, a meeting was held within the first 30-day window and the new ownership entity expressed an interest in assumption, if possible. Additionally, full reporting was made within the second 30-day window; and

WHEREAS, that upon consultation with the office of the Columbus City Attorney, it is the opinion of the City Attorney that the EZA is not valid and so no assumption is possible. As a matter of record, this legislation seeks to dissolve the Agreement.

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this agreement in order for this dissolution to be legislated prior to the end of 2011 so that the dissolution of the EZA can be reported to the necessary local and state agencies prior to the end of calendar year 2011, and to preserve the public health, property, safety and welfare; NOW, THEREFORE

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That Columbus City Council hereby dissolves the 3MX Partners, LLC Enterprise Zone Agreement (Agreement Number 023-10-04) which applies a 75%/10-year tax abatement to parcel number 010-017929 within the City of Columbus Enterprise Zone as of June 3, 2010.

Section 2. That the Director of Development is hereby directed to notify the necessary local and state agencies of any changes to the 3MX Partners, LLC Enterprise Zone Agreement.

Section 3. For the reasons stated in the preamble hereto, which is made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten (10) days after passage if the Mayor neither approves nor vetoes this Ordinance.

Legislation Number: 1987-2011
Drafting Date: 11/7/2011
Current Status: Passed
Version: 1
Matter Type: Ordinance

BACKGROUND: Columbus City Council (Council), by Ordinance 1661-2000, passed July 10, 2000, authorized the City of Columbus (City) to enter into an Community Reinvestment Area (CRA) Agreement (the Agreement) with Schmidt Development LLC (Enterprise) for a tax abatement of fifty percent (50%) for a
period of ten (10) years in consideration of an approximately $20,000,000 total investment in real property improvements over a five year period beginning August 2000 (the Project), the employment of between 275 to 300 people with the first phase of the project to retain 65 jobs with an associated payroll of approximately $3,300,000 related to new construction and renovation of approximately 100,000 square feet of commercial space in seven buildings within the South Washington CRA (aka Market Exchange District), CRA No. 049-00960-01, in Columbus, Ohio. No exemption was to commence before tax year 2001 nor extend beyond tax year 2011. The Agreement was made and entered into to be effective September 27, 2000 (Agreement No. 00-001).

This Agreement was subsequently authorized by Council to be amended for the first time to (1) reduce the amount of real property improvement investment from approximately $20,000,000 over a five year period beginning August 2000 to an investment of approximately $13,466,000 over that same time frame, (2) change the employment obligation from the employment of between 275 to 300 people with the first phase of the project to retain 65 jobs with an associated payroll of approximately $3,300,000, to the project retaining approximately 210 jobs and creating approximately 65 new jobs with an annual new job payroll of approximately $3,300,000, (3) adding that the jobs located in the 515 East Main Street facility may be counted towards satisfying the job requirements of the Agreement, but only to the extent that the number of jobs at 515 East Main Street exceeds what is needed for 100% compliance with the 515 Partners, LLC Enterprise Zone Agreement, and (4) adding that Enterprise shall provide to the City annual information on the jobs, payroll and City income tax withholding of all tenants occupying facilities in the Project, as required by the City for monitoring and compliance, and school district compensation purposes by Ordinance 1789-2006, passed October 16, 2006, entered into and effective December 20, 2006.

The 2011 Columbus Tax Incentive Review Council (TIRC) reviewed the Schmidt Development LLC CRA project on August 18, 2011. At that time the City reported to the TIRC that as of December 31, 2010 the reported Project investment was $4,400,000 (33% attainment), retained jobs were reported to be 66 (31% attainment), new jobs were reported to be 16 (25% attainment) and new job payroll was reported to be $872,000 (26% attainment). The TIRC recommended that a letter be sent to Enterprise by certified mail requesting job and payroll reporting from all non-reporting tenants within 30 days of receipt of the letter by Enterprise; if Enterprise cannot show they have reached 75% compliance with new job and new job payroll commitments then amend the Agreement to reduce the abatement to 25% for the final year (report year 2011).

Enterprise received the certified letter on September 6, 2011 and the end of the 30-day window was determined to be October 6, 2011. As of that date, with three additional tenants reporting, the number of new jobs was 23 (35% attainment) and the new job payroll was $935,854.56 (28% attainment). With Enterprise not meeting the 75% threshold, this legislation seeks to follow the TIRC recommendation and amend the Agreement to reduce the abatement from 50% to 25% for the final year of the term of the Agreement, report year 2011.

This legislation is presented as an emergency measure in order for this amendment to be legislated prior to the end of 2011 so that this amendment to the Agreement can be reported to the necessary local and state agencies prior to the end of calendar year 2011.

**FISCAL IMPACT:** No funding is required for this legislation.

Main Street to count towards satisfying the requirements of the CRA Agreement to the extent that those jobs are in excess of the jobs needed to satisfy the requirements of the 515 Partners, LLC Enterprise Zone Agreement and to clarify that it is the responsibility of Schmidt Development LLC to provide the City of Columbus with annual information on tenant jobs and payroll by Ordinance No. 1789-2006, October 16, 2006, entered into and effective December 20, 2006; and

WHEREAS, the TIRC recommended that a letter be sent to Schmidt Development LLC by certified mail requesting job and payroll reporting from all non-reporting tenants within 30 days of receipt of the letter by Schmidt Development LLC; if Schmidt Development LLC cannot show they have reached 75% compliance with new job and new job payroll commitments then amend the CRA Agreement to reduce the abatement to 25% for the final year (report year 2011); and

WHEREAS, Schmidt Development LLC received the certified letter on September 6, 2011 and the end of the 30-day window was determined to be October 6, 2011; and

WHEREAS, as of that date, with three additional tenants reporting, the number of new jobs was 23 (35% attainment) and the new job payroll was $935,854.56 (28% attainment); and

WHEREAS, with Schmidt Development LLC not meeting the 75% threshold, this legislation seeks to follow the TIRC recommendation and amend the CRA Agreement to reduce the abatement from 50% to 25% for the final year of the term of the CRA Agreement, report year 2011; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this CRA Agreement in order for this amendment to be legislated prior to the end of 2011 so that this amendment to the CRA Agreement can be reported to the necessary local and state agencies prior to the end of calendar year 2011, and to preserve the public health, property, safety and
welfare; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of the Department of Development is hereby authorized to amend the Schmidt Development LLC Community Reinvestment Area Agreement (CRA Agreement) to amend the percentage term of the abatement of 50% as set forth in the CRA Agreement to 25% for the final year of the term of the CRA Agreement, report year 2011.

Section 2. For the reasons stated in the preamble hereto, which is made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten (10) days after passage if the Mayor neither approves nor vetoes this Ordinance.

BACKGROUND: Columbus City Council (Council), by Ordinance 0126-2005, passed January 31, 2005, authorized the City of Columbus (City) to enter into an Enterprise Zone Agreement (the Agreement) with Simpson Strong-Tie Co. (Enterprise) for a tax abatement of seventy-five percent (75%) for a period of ten (10) years in consideration of a $6,500,000 investment in real property improvements, a $2,150,000 investment in personal property, the retention of 166 permanent full-time jobs, and the creation of 6 permanent full-time jobs by related to the construction of an approximately 135,000 square foot addition to their facility on parcel number 560-212875 at 2600 International Street in Columbus, Ohio and within the City of Columbus Enterprise Zone. The Agreement was made and entered into to be effective May 20, 2005 (EZA# 023-05-03). This Agreement was subsequently authorized by Council to be amended for the first time to remove any and all language pertaining to personal property investment and tax abatements related to this personal property investment from the Agreement by Ordinance 0614-2009, passed May 11, 2009.

The 2010 Columbus Tax Incentive Review Council (TIRC) reviewed the Simpson Strong-Tie Co. Enterprise Zone project on August 19, 2010, and recommended that the Agreement be continued and that City send Enterprise a job creation warning letter and request a meeting with Enterprise to (1) discuss the job situation, (2) discuss likely job retention goals in light of the nature of employment needs, and (3) amend Agreement if need be to reflect revised job numbers. Both City and Enterprise have been compliant with the requests of the TIRC. The 2011 TIRC reviewed the project on August 18, 2011 and recommended that the Agreement be continued based on the pending status of legislation. This legislation seeks to authorize amendment of the Agreement to amend the job creation and job retention requirements as set forth in the Agreement, removing specific requirements for the creation and retention of jobs and replacing that with achieving and maintaining an overall job level of 122 jobs with a commensurate overall payroll of $5,080,000. It is anticipated that the company will be able to maintain good compliance in future years with the revised overall job level requirement. The terms of the property tax abatement are not modified by this amendment and it is expected to run through 2015.

This legislation is presented as an emergency measure in order for this amendment to be legislated prior to the end of 2011 so that this amendment to the Agreement can be reported to the necessary local and state agencies.
prior to the end of calendar year 2011.

**WHEREAS,** the TIRC recommended that the EZA be continued and that City of Columbus send Simpson Strong-Tie Co. a job creation warning letter and request a meeting with Simpson Strong-Tie Co. to (1) discuss the job situation, (2) discuss likely job retention goals in light of the nature of employment needs, and (3) amend the EZA if need be to reflect revised job numbers; and

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of the Department of Development is hereby authorized to amend the American Signature, Inc. & JAL Realty Co. Enterprise Zone Agreement (EZA) to amend the job retention requirement as set forth in the EZA to the retention of 126 jobs with a commensurate overall payroll of $5,400,000.

Section 2. For the reasons stated in the preamble hereto, which is made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten (10) days after passage if the Mayor neither approves nor vetoes this Ordinance.

BACKGROUND: The 2011 Columbus Tax Incentive Review Council (TIRC) reviewed the WB Sports of Columbus, LLC Enterprise Zone project on August 18, 2011, and recommended that the City dissolve the Enterprise Zone Agreement (EZA #023-09-02, hereinafter "Agreement") between the City and WB Sports of Columbus, LLC (hereinafter "Enterprise"). The City concurs with the recommendation of the TIRC.

Columbus City Council approved the Agreement by Ordinance 0872-2009, adopted July 6, 2009. The Agreement was entered into effective September 15, 2009 and granted a 75%/10-Year abatement on real property improvements with a commitment of $2,800,000 in real property investment and the creation of 33 new permanent full-time jobs within three years following the execution of the agreement with a payroll of $5,600,000 related to the construction of a new medical office facility of approximately 15,000 square feet on parcel number 610-213822 located at 8068 North High Street within the Columbus North Enterprise Zone (Zone #393 - Note: The Ohio Department of Development miscoded the zone number as "023" (City of Columbus Enterprise Zone) instead of "393"). The project was expected to begin September 2009 and all real property improvements were expected to be completed by December 31, 2010. Twelve (12) of the new full-time jobs were to be created by the end of 2011 and, twenty-one (21) more by year end 2012, for a total of thirty-three (33). No real property tax exemption was to commence after 2011 nor extend beyond 2020.

As of the TIRC review on August 18, 2011, the City reported that the real estate improvement investment time frame as set forth in the Agreement expired at the end of 2010, that no such investment has been undertaken, nor does Enterprise have any immediate plan to do so. Additionally, it was reported to the TIRC that as of the date of the TIRC, Enterprise was tax delinquent on their real property taxes in the amount of $89,069.48. No further reporting or communication was received from Enterprise prior to the TIRC. The TIRC found Enterprise to be out of compliance and tax delinquent.

The TIRC recommended that the Agreement be dissolved.

As application has not been made through the submittal of the Form DTE-24, Enterprise has derived no benefit from the abatement and thus there is no repayment of exempted or credited taxes from prior years to be sought by the City.
This legislation is presented as an emergency measure in order to meet the deadline under state law for City Council to vote on TIRC recommendations.

**FISCAL IMPACT:** No funding is required for this legislation.

**WHEREAS,** Columbus City Council approved an Enterprise Zone Agreement ("EZA") with WB Sports of Columbus, LLC ("Enterprise") by Ordinance 0872-2009 on July 6, 2009; and

**WHEREAS,** the EZA grants Enterprise a 75%/10-Year abatement on real property improvements; and

**WHEREAS,** the EZA requires Enterprise to invest $2,800,000 in real property improvements, and create 33 new full-time jobs with an annual payroll of $5,600,000 related to the construction of an approximately 15,000 square foot medical office facility at 8068 North High Street (parcel number 610-213822); and

**WHEREAS,** as per the review by the 2011 Columbus Tax Incentive Review Council (TIRC) on August 18, 2011, it was reported that the real estate improvement time frame as set forth in the Agreement had expired as of December 31, 2010 and that Enterprise had not undertaken and completed the agreed upon investment; and

**WHEREAS,** it was reported to the TIRC that Enterprise has no immediate plans to undertake this agreed upon real estate improvement investment; and

**WHEREAS,** it was also reported to the TIRC that as of the date of the TIRC, Enterprise was tax delinquent on their real property taxes in the amount of $89,069.48; and

**WHEREAS,** the TIRC found Enterprise to be tax delinquent and in a state of non-compliance in that Enterprise had missed the real estate investment deadline as set forth in the EZA with no immediate plans to fulfill that commitment; and

**WHEREAS,** the TIRC recommended that the EZA be dissolved; and

**WHEREAS,** the City concurs with the TIRC recommendation and desires to dissolve the EZA effective December 31, 2010; and

**WHEREAS,** an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this agreement in order for this dissolution to be legislated prior to the end of 2011 so that the dissolution of the EZA can be reported to the necessary local and state agencies prior to the end of calendar year 2011, and to preserve the public health, property, safety and welfare; NOW, THEREFORE,

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**
Section 1. That Columbus City Council hereby dissolves the WB Sports of Columbus, LLC Enterprise Zone Agreement as of December 31, 2010, with 2010 as the final tax year for any tax exemption.

Section 2. That the Director of Development is hereby directed to notify the necessary local and state agencies of any changes to the WB Sports of Columbus LLC Enterprise Zone Agreement.

Section 3. For the reasons stated in the preamble hereto, which is made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten (10) days after passage if the Mayor neither approves nor vetoes this Ordinance.

BACKGROUND: The 2011 Columbus Tax Incentive Review Council (TIRC) reviewed the Amamata LLC Enterprise Zone project on August 18, 2011, and recommended that the City dissolve the Enterprise Zone Agreement (EZA #023-02-08, hereinafter "Agreement") between the City and Amamata LLC (hereinafter "Enterprise"). The City concurs with the recommendation of the TIRC.

Columbus City Council approved the Agreement by Ordinance 0338-2010, adopted March 8, 2010. The Agreement was entered into effective May 11, 2010 and granted a 75%/10-Year abatement on real property improvements with a commitment of $1,500,000 in real property investment and the creation of 40 new permanent full-time jobs within three years following the execution of the agreement with a payroll of $1,400,000 related to the renovation of an approximately 50,000 square foot facility on parcel number 520-121657 located at 6400 East Broad Street within the City of Columbus Enterprise Zone (Zone #023). The project was expected to begin February 2010 and all real property improvements were expected to be completed by December 31, 2010. Two (2) of the new full-time jobs were to be created by the end of the first year the Agreement was in effect (year end 2011), eighteen (18) more by year end 2012, and twenty (20) more by year end 2013. No real property tax exemption was to commence after 2012 nor extend beyond 2021.

As of the TIRC review on August 18, 2011, the City reported that Enterprise had not submitted their annual report for Report Year 2010. Enterprise missed the March 31, 2011 reporting deadline. Enterprise had indicated difficulty in finalizing project financing following execution of the Agreement. Enterprise has missed the real property investment window (December 31, 2010) and no work has commenced on project and project cannot continue without the Agreement being amended. Enterprise has not provided the City with a formal request to amend or dissolve the Agreement despite repeated requests from the City. A certified letter was sent to Enterprise dated June 16, 2011 giving 30 day notice to report or the Agreement would be dissolved. This letter was received by Enterprise on or about June 22, 2011. No further reporting or communication was received from Enterprise prior to the TIRC. The TIRC found Enterprise to be out of compliance.

The TIRC recommended that the Agreement be dissolved.
As application has not been made through the submittal of the Form DTE-24, Enterprise has derived no benefit from the abatement and thus there is no repayment of exempted or credited taxes from prior years to be sought by the City.

This legislation is presented as an emergency measure in order to meet the deadline under state law for City Council to vote on TIRC recommendations.

FISCAL IMPACT: No funding is required for this legislation.

To dissolve the Enterprise Zone Agreement between the City of Columbus and Amamata LLC; to direct the Director of the Department of Development to notify as necessary the local and state tax authorities; and to declare an emergency.

WHEREAS, Columbus City Council approved an Enterprise Zone Agreement ("EZA") with Amamata ("Enterprise") by Ordinance No. 0338-2010 on March 8, 2010; and

WHEREAS, the EZA grants Enterprise a 75%/10-Year abatement on real property improvements; and

WHEREAS, the EZA requires Enterprise to invest $1,500,000 in real property improvements, and create 40 new full-time jobs with an annual payroll of $1,400,000 related to the renovation of an approximately 50,000 square foot facility at 6400 East Broad Street (parcel number 520-121657); and

WHEREAS, as per the review by the 2011 Columbus Tax Incentive Review Council (TIRC) on August 18, 2011, it was reported that Enterprise had not submitted the annual report for Report Year 2010; and

WHEREAS, it was reported to the TIRC that Enterprise has experienced difficulty in obtaining financing for the project and had missed the real property investment window and as such, no work has commenced on the project; and

WHEREAS, the project cannot continue without the EZA being amended and repeated attempts by the City to obtain communication from Enterprise prior to the TIRC to request the amending or dissolution of the Agreement proved unsuccessful; and

WHEREAS, the TIRC found Enterprise to be in a state of non-compliance in that Enterprise had missed the reporting deadline and had been unresponsive in follow-up requests for reporting and further information; and

WHEREAS, the TIRC recommended that the EZA be dissolved; and

WHEREAS, the City concurs with the TIRC recommendation and desires to dissolve the EZA effective December 31, 2010; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this agreement in order for this dissolution to be legislated prior to the end of 2011 so that the dissolution of the EZA can be reported to the necessary local and state agencies prior to
the end of calendar year 2011, and to preserve the public health, property, safety and welfare; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That Columbus City Council hereby dissolves the Amamata LLC Enterprise Zone Agreement as of December 31, 2010, with 2010 as the final tax year for any tax exemption.

Section 2. That the Director of Development is hereby directed to notify the necessary local and state agencies of any changes to the Amamata LLC Enterprise Zone Agreement.

Section 3. For the reasons stated in the preamble hereto, which is made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten (10) days after passage if the Mayor neither approves nor vetoes this Ordinance.

BACKGROUND: Columbus City Council (Council), by Ordinance 1372-2002, passed September 23, 2002, authorized the City of Columbus (City) to enter into an Enterprise Zone Agreement (the Agreement) with Columbus PaperBox (Enterprise) for a tax abatement of seventy-five percent (75%) for a period of ten (10) years in consideration of a $3,000,000 investment in real property improvements, an investment of up to $1,400,000 in personal property in the form of machinery and equipment and furniture and fixtures, and the relocation and retention of 30 full-time permanent jobs related to the construction of an approximately 50,000 square foot facility at 595 Van Buren Drive, parcel number 010-263052, in the West Edge Business Park, Columbus, Ohio and within the City of Columbus Enterprise Zone (Zone #023). The Agreement was made and entered into to be effective October 30, 2002 (EZA #023-02-05).

The Agreement was subsequently authorized by Council to be amended for the first time to eliminate part-time job language in the Agreement by Ordinance 1652-2007, passed November 12, 2007; and that this Agreement was subsequently authorized by Council to be amended for the second time to remove any and all language pertaining to personal property investment and tax abatements related to this personal property investment from the Agreement by Ordinance 0614-2009, passed May 11, 2009.

As per a Retention and Expansion visit conducted by City staff in April 2011, Enterprise indicated that the business was being dissolved due to poor economic conditions. According to Columbus PaperBox President Mr. William B. Reiber in a letter dated July 7, 2011, that effective April 15, 2011, Columbus PaperBox sold the folding carton portion of the operation. Unwanted machinery was to be liquidated and the building was to be sold and vacated. As such, the entity known as Columbus PaperBox and the project as described in the Agreement no longer exist and the Department of Development recommends that the Agreement be dissolved.
This legislation is presented as an emergency measure in order for this dissolution to be legislated prior to the end of 2011 so that this dissolution of the Agreement can be reported to the necessary local and state agencies prior to the end of calendar year 2011.

**FISCAL IMPACT:** No funding is required for this legislation.

To dissolve the Enterprise Zone Agreement with Columbus PaperBox; to direct the Director of the Department of Development to notify as necessary the local and state tax authorities; and to declare an emergency.

**WHEREAS,** the Columbus City Council (Council) approved the Enterprise Zone Agreement with Columbus PaperBox (the "EZA") on September 23, 2002 by Ordinance 1372-2002 and entered into effective October 30, 2002; and

**WHEREAS,** the EZA granted Columbus PaperBox a 75%/10-Year abatement on real property improvements and personal property investment; and

**WHEREAS,** the EZA committed Columbus PaperBox to an investment of $3,000,000 in real property improvements, up to $1,400,000 in personal property investment and the retention and relocation of 30 permanent full-time jobs related to the construction of an approximately 50,000 square foot facility at West Edge Business Park, Harmon Avenue, in Columbus, Ohio and within the City of Columbus Enterprise Zone; and

**WHEREAS,** the EZA was subsequently authorized by Council to be amended for the first time by Ordinance 1652-2007, passed November 12, 2007, on recommendation of the 2007 Tax Incentive Review Council to eliminate the part-time jobs in the EZA; and

**WHEREAS,** the EZA was subsequently authorized by Council to be amended for the second time by Ordinance 0614-2009, passed May 11, 2009, to eliminate any and all language from the EZA that pertained to personal property investment; and

**WHEREAS,** Columbus PaperBox indicated in April 2011 that the business would be dissolved due to poor economic conditions; and

**WHEREAS,** unwanted machinery was to be liquidated and the building was to be sold and vacated; and

**WHEREAS,** the Department of Development recommends the EZA be dissolved as the entity known as Columbus PaperBox and the project as described in the EZA has ceased to exist; and

**WHEREAS,** an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this agreement in order for this dissolution to be legislated prior to the end of 2011 so that the dissolution of the EZA can be reported to the necessary local and state agencies prior to the end of calendar year 2011, and to preserve the public health, property, safety and welfare; NOW, THEREFORE,
BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That Columbus City Council hereby dissolves the Columbus PaperBox Enterprise Zone Agreement (Agreement Number 023-02-05) which applies a 75%/10-year real property tax abatement to parcel number 010-263052 within the City of Columbus Enterprise Zone as of December 31, 2010, with 2010 being the final reporting year and the final year for the tax exemptions.

Section 2. That the Director of Development is hereby directed to notify the necessary local and state agencies of any changes to the Columbus PaperBox Enterprise Zone Agreement.

Section 3. For the reasons stated in the preamble hereto, which is made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten (10) days after passage if the Mayor neither approves nor vetoes this Ordinance.

BACKGROUND: The City of Columbus entered into a Job Creation Tax Credit Agreement and a Jobs Growth Incentive Agreement (hereinafter "Agreements") with Nexergy, Inc. effective November 14, 2008. Columbus City Council approved the Agreements by Ordinance 0838-2008, adopted June 9, 2008. The Job Creation Tax Credit Agreement granted a non-refundable tax credit allowed against the tax imposed under Article 9, Chapter 361 of the Columbus City Codes (the "City Tax Credit") of sixty-five percent (65%) of the new income tax revenue received by the City for a taxable year from New Employees, as that term was defined in Section 4 of the Agreements, commencing January 1, 2009 and for six (6) consecutive years. The Jobs Growth Incentive Agreement granted a cash incentive equal to an amount of twenty percent (20%) of the City of Columbus income tax withheld on the new payroll of employees for three (3) consecutive years based on an investment of $2.3 million in lease-hold improvements, including machinery and equipment, within the geographical boundaries of the City, the retention of 135 employees, and the creation of 75 (only those jobs paying over $12.00 an hour qualified for the incentive) new permanent full-time positions.

On October 28, 2010 International Components Corporation (ICC) and Nexergy, Inc. announced the merger of the two companies. On March 23, 2011, a letter was received from Nexergy, Inc's Chief Financial Officer indicating the intent to close the Columbus facility by the end of 2011 and relocate to Chicago. As a result of the merger and the relocation to Chicago, Nexergy is not eligible for the Job Creation Tax Credit and the Jobs Growth Incentive. This legislation is to dissolve the Agreements between the City of Columbus and Nexergy, Inc.

FISCAL IMPACT: No funding is required for this legislation.
Department of Development to notify as necessary the local and state tax authorities; and to declare an emergency.

**WHEREAS,** the Job Creation Tax granted a non-refundable tax credit allowed against the tax imposed under Article 9, Chapter 361 of the Columbus City Codes (the "City Tax Credit") of sixty-five percent (65%) of the new income tax revenue received by the City for a taxable year from New Employees commencing January 1, 2009 and for six (6) consecutive years, and

**WHEREAS,** the Jobs Growth Incentive granted a cash incentive payment equal to twenty percent (20%) of local income tax withholding of new full time permanent employees for a term of three (3) consecutive years; and

**WHEREAS,** the Agreements requires Nexergy, Inc. to make an investment of $2.3 million to expand its corporate headquarters within the geographical boundaries of the City, retain 135 employees, and create 75 new permanent full-time jobs (only those jobs paying $12.00 per hour qualified for the incentives); and

**WHEREAS,** on October 28, 2010 International Components Corporation and Nexergy, Inc. announced the merger of the two companies; and

**WHEREAS,** a letter was received on March 23, 2011 from Nexergy Inc's Chief Financial Officer stating the plans to close the Columbus facility by the end of 2011 and relocate to Chicago; and

**WHEREAS,** the company has not received the benefits of the Job Creation Tax Credit or the Jobs Growth Incentive; and

**WHEREAS,** an emergency exists in the usual daily operation of the Department of Development in that it is immediately necessary to take action on the agreements in order for the agreements to be dissolved, and to preserve the public health, property, safety and welfare; **NOW, THEREFORE,**

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**Section 1.** That Columbus City Council hereby dissolves the Nexergy, Inc. Job Creation Tax Credit and Jobs Growth Incentive Agreements effective January 1, 2011.

**Section 2.** For the reasons stated in the preamble hereto, which is made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten (10) days after passage if the Mayor neither approves nor vetoes this Ordinance.
BACKGROUND: Columbus City Council, by Ordinance 1209-2008, passed July 14, 2008, authorized the City to enter into a Jobs Growth Incentive Agreement (the Agreement) with JD Equipment, Inc. (Enterprise) for twenty-five percent (25%) for a period of five (5) years in consideration of a $3.8 million investment to purchase, renovate and equip a facility and for the relocation and retention of 17 full-time permanent jobs and the creation of 23 full-time permanent jobs related to property at 2745 Business Park Drive within the City of Columbus. The Agreement was made and entered into to be effective October 20, 2008.

As per the most recent reporting period ending December 31, 2010, Enterprise had not yet begun construction and no new jobs had been created. Enterprise has related through written communication with the City that market conditions have resulted in the inability to initiate construction and begin new employment at this facility as per the Agreement and that at this time Enterprise has no immediate plans to do so. As the Agreement is now out of compliance both the City and Enterprise have agreed to dissolve the Agreement.

This legislation is presented as an emergency measure.

FISCAL IMPACT: No funding is required for this legislation.

To authorize the Director of Development to dissolve the Jobs Growth Incentive Agreement with JD Equipment, Inc.; to direct the Director of the Department of Development to notify as necessary the local and state tax authorities; and to declare an emergency.

WHEREAS, the Columbus City Council approved the Jobs Growth Incentive Agreement with JD Equipment, Inc. (Agreement) on July 14, 2008 by Ordinance No. 1209-08 and entered into effective October 20, 2008; and

WHEREAS, the Agreement grants JD Equipment, Inc. a 25%/5-Year Jobs Growth Incentive; and

WHEREAS, the Agreement requires JD Equipment, Inc. to invest $3.8 million in real property, improvements, machinery and equipment and to relocate and retain 17 full-time permanent jobs and create 23 new full-time permanent jobs at an expanded facility at 2745 Business Park Drive; and

WHEREAS, an analysis of the Report Year 2010 Annual Report submitted to the City by Enterprise during the most recent reporting cycle indicated that the project had not yet begun in that property acquisition and improvements had not been started and completed within the parameters of the Jobs Growth Incentive Agreement and no new jobs had been created; and

WHEREAS, JD Equipment, Inc., by written communication, has reported that the company never pursued the option of moving the business to Columbus due to changes in the economic conditions; and

WHEREAS, the project is now out of compliance with the Agreement and as the City and Enterprise have discussed the situation, Enterprise has indicated that due to market conditions it has no immediate plans to bring the project into compliance and both the City and Enterprise desire to dissolve the Agreement; and
WHEREAS, an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this agreement in order for this amendment to be dissolved, and to preserve the public health, property, safety and welfare; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That Columbus City Council hereby dissolves the JD Equipment, Inc. Jobs Growth Incentive Agreement as of December 31, 2010, with 2010 being the final reporting year.

Section 2. For the reasons stated in the preamble hereto, which is made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten (10) days after passage if the Mayor neither approves nor vetoes this Ordinance.

BACKGROUND: This legislation authorizes the City Clerk to report to the Auditor of Franklin County in Ohio all charges which are due to the City of Columbus, Department of Development, and are certified for payment to said County Auditor in conformance with Sections 701.07 through 701.19 of the Columbus City Code for weed and solid waste removal. In the assessment period covered by this legislation (May 1st through October 31st, 2011), owners of 2033 properties within Columbus were notified to abate weed and solid waste nuisances. Those properties where violations were not abated were turned over to the Environmental Nuisance Weed and Solid Waste Program for compliance. Abatement was completed using the services of private and/or City contractors. This legislation provides for assessment of the costs associated with the weed and solid waste abatement process.

Emergency action is required so that assessments can be placed on the January 2012 tax duplicate as a future lien.

FISCAL IMPACT: No funding is required for this legislation. This legislation provides a mechanism for recovery of costs associated with the weed and solid waste abatement program.

To authorize assessments for weed and solid waste removal on properties in violation of weed and solid waste regulations as set forth in the Columbus City Code; and to declare an emergency.

Whereas, the owners of certain vacant lots and structures in the City of Columbus have allowed the growth of
noxious weeds, grasses and/or the accumulation of solid waste on their properties; and

Whereas, said owners have been duly notified of the requirements of the law in such circumstances; and

Whereas, said owners have failed to provide mowing services and solid waste removal as set forth in Section 701.07 through Section 701.19 of the Columbus City Code; and

Whereas, an emergency exists in the usual daily operation of the City of Columbus in that it is immediately necessary to authorize assessments for weed and solid waste removal on properties in violation of weed and solid waste regulations as set forth in the Columbus City Code so that assessments can be placed on the January 2012 tax duplicate as a future lien, all for the preservation of the public health, peace, property, safety, and welfare; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the assessment of the owners of certain lots and structures in the City of Columbus who have failed to provide the necessary mowing and solid waste removal services required by Sections 701.07 through 701.19 of the Columbus City Code, be and is hereby authorized in order to cover costs incurred by the City of Columbus, Department of Development, Code Enforcement Division, in carrying out the provisions of said sections.

Section 2. That the City Clerk shall report to the Franklin County Auditor all charges which are due to the City of Columbus, Department of Development, Code Enforcement Division, and are certified for payment to the County Auditor in conformance with Sections 701.07 through 701.19 of the Columbus City Code.

Section 3. That said funds, upon reimbursement from the Franklin County Auditor, shall be deposited in the General Fund, Fund No. 010 and the Community Block Grant Fund, Fund 248, to repay the costs incurred for weed mowing and solid waste abatement services.

Section 4. That for the reasons stated in the preamble thereto, which is hereby made a part hereof, this ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.
ordinance is required by the Ohio Revised Code (ORC) as enacted by the General Assembly of the State of Ohio. An annexation petition has been filed with Franklin County for this property. A service ordinance must be passed before the annexation meeting takes place before the Board of County Commissioners of Franklin County. Information regarding municipal services that would be available, should the subject site be annexed, has been compiled and is reflected in this ordinance. Should the petition be approved by the County Commissioners, a second City ordinance accepting the annexation will be required to complete the process. The time frames specified in the ORC require that this legislation be filed as emergency.

FISCAL IMPACT: The statement of municipal services and zoning conditions for a proposed annexation area has no fiscal impact. While provision of the stated services does represent cost to the city, current and anticipated uses of this property would result in significant revenue for Columbus.

To set forth a statement of municipal services and zoning conditions to be provided to the area contained in a proposed annexation (AN11-012) of 208.316± Acres in Hamilton Township to the city of Columbus as required by the Ohio Revised Code; and to declare an emergency.

WHEREAS, a petition for the annexation of certain territory in Hamilton Township was duly filed on behalf of Scioto Downs Inc. et al on November 4, 2011; and

WHEREAS, a hearing on said petition is scheduled before the Board of County Commissioners of Franklin County on December, 6, 2011; and

WHEREAS, the Ohio Revised Code requires that before said hearing the Municipal Legislative Authority shall adopt a statement indicating what services, if any, the municipal corporation will provide to the territory proposed for annexation upon annexation; and

WHEREAS, the Ohio Revised Code requires that before said meeting the Municipal Legislative Authority to adopt an ordinance stating zoning buffering conditions; and

WHEREAS, properties proposed for annexation are included within the Columbus Comprehensive Plan study area and within the South Central Accord planning area; and

WHEREAS, upon annexation, properties will have uniform access to City services as they become available; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development in that it is immediately necessary to present this ordinance to the Franklin County Board of Commissioners in accordance with the Ohio Revised Code all for the preservation of the public peace, property, health safety and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the City of Columbus will provide the following municipal services for 208.316± acres in Hamilton Township upon the annexation of said area to the city of Columbus:
**Public Safety:** The City of Columbus, Department of Public Safety will be able to provide the appropriate level of safety related services to the proposed annexation area. Such services will include police and fire protection as well as emergency medical service to the subject property.

While the petitioner for annexation may have proposed future development plans for the property in question, the Department of Public Safety requests that the City exercise its discretion in the coming development planning and review process to ensure any future development will be properly served by the Department of Public Safety. Discussions between the City and the present property owner or any future developers regarding post annexation changes in zoning or other changes to the property should include the Department of Public Safety and the Department of Development to ensure any proposed development of the annexation property may be adequately accommodated. Specific details for safety services are dependent upon the parameters of future development that is ultimately approved by the City.

**Sanitation:** Residential refuse collection services will be available upon annexation of the property.

**Transportation:** Maintenance will be available for any additional right-of-way that may be included in this annexation request. If this annexation contains existing signalized intersections, those intersections and signals are subject to Transportation Division Policy, which appeared in the December 6, 2003 Columbus City Bulletin, and any subsequent updates thereto.

**Water:** The proposed annexation site will receive additional water service from the Columbus Division of Power and Water via an existing 12” water main located within the right-of-way of US 23.

**Sewer:**

Sanitary Sewer: The site is currently served by an existing on-site 8-inch private sewer which connects to the Columbus system at a point approximately 225' east of the property's southeast corner.

Storm Sewer: All storm sewers necessary for development/redevelopment of the area shall be designed in accordance with design policy and zoning codes in effect at the time of development.

All sanitary and storm sewers required shall be constructed privately by the owners/developers at their own cost and expense with no cost to the city.

**Section 2.** If this 208.316 acre site is annexed and if the City of Columbus permits uses in the annexed territory that the City of Columbus determines are clearly incompatible with the uses permitted under current county or township zoning regulations in the adjacent land remaining within Hamilton Township, the Columbus City Council will require, in the zoning ordinance permitting the incompatible uses, the owner of the annexed territory to provide a buffer separating the use of the annexed territory and the adjacent land remaining within Hamilton Township. For the purpose of this section, "buffer" includes open space, landscaping, fences, walls, and other structured elements: streets and street right-of-way; and bicycle and pedestrian paths and sidewalks.

**Section 3.** That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approves nor vetoes the same.
This ordinance is necessary to comply with Ohio Administrative Rule 742-7-14, Recognition of Pick-Up of Contributions, (adopted by the Ohio Police and Fire Pension Fund Board of Trustees) to aid in the proper recognition of employer "pick-up" (or pre-tax) contributions.

To comply with Ohio Administrative Rule 742-7-14, Recognition of Pick-up of Contributions, for uniformed Division of Fire employees; and to declare an emergency.

WHEREAS, the eligible employees of the Department of Public Safety, Division of Fire participate in the Ohio Police and Fire Pension Fund ("OP&F"); and

WHEREAS, the Columbus Council has previously adopted a pick-up of the ten percent (10%) mandatory contributions required under Section 742.31 of the Ohio Revised Code for participating employees of the Department of Public Safety, Division of Fire, who are members of the OP&F; and

WHEREAS, OP&F has procedures for reporting picked up contributions in order to properly prepare 1099-R forms for its members; and

WHEREAS, the Columbus Council wishes to reaffirm and amend and restate its prior ordinance in order to continue the pick-up under the OP&F procedures; and

WHEREAS, an emergency exists in the usual daily operation of the City of Columbus in that it is immediately necessary to comply with Ohio Administrative Rule 742-7-14, Recognition of Pick-up of Contributions, (adopted by the Ohio Police and Fire Pension Fund Board of Trustees) to aid in the proper recognition of employer "pick-up" (or pre-tax) contributions and to avoid imposition of penalty and interest as outlined in Ohio Administrative Rule 742-7-14 thereby preserving the public health, peace, property, safety and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That effective upon passage of this ordinance, the Columbus City Council has determined to continue to pick-up, on a Salary Reduction Basis, a portion of the ten percent (10%) mandatory contributions by the employees who are members of the Ohio Police and Fire Pension Fund. That said remaining contributions shall be picked up, on a Fringe Benefit Basis, and, even though designated as employee contributions for state law purposes, are being paid by the City of Columbus, in lieu of said contributions by the employee.
