Version: 1

Matter Type: Resolution

BACKGROUND: The purpose of this resolution is to support Franklin County, in partnership with Wagenbrenner Development, Inc., in conjunction with a Clean Ohio Revitalization Fund (CORF) Round 12 grant application, of up to \$3 million, it intends to submit to the Ohio Department of Development for site cleanup at the former Dublin Road Landfill located near the Southeast corner of Dublin Road and Grandview Avenue.

The former Dublin Road Landfill site is approximately 36 acres and historically began use as a sand and gravel quarry in the 1920's before conversion to use as a landfill in 1948. Landfill operations ceased in 1967 and the property has not been used since. The site is situated in two municipal jurisdictions with 25.95 acres in the City of Columbus and 4.87 acres in the City of Grandview.

The site was recently acquired by Wagenbrenner Development, Inc. who plans to clean the site and construct a mixed use development to include both retail and medical/professional office. Preliminary plans are underway.

As the site exists in both Columbus and Grandview, a third party, Franklin County, must sponsor the CORF grant application in accordance with Clean Ohio policy rules. Grandview is offering a resolution of support for the CORF application, as well.

This legislation is submitted as an emergency to meet the Clean Ohio Program Round 12 grant application deadline of January 20, 2012.

FISCAL IMPACT: There are no costs to the City of Columbus associated with a resolution of support for Clean Ohio grant funding.

To resolve to support Franklin County, in partnership with Wagenbrenner Development, Inc., in their efforts to obtain Round 12 Clean Ohio grant funding for use in the environmental cleanup and redevelopment of the former Dublin Road Landfill; and to declare an emergency.

WHEREAS, the State of Ohio, Clean Ohio Program will award up to \$3 million per project to communities throughout Ohio for the purpose of clean up and redevelopment of contaminated or abandoned properties known as "brownfields"; and

WHEREAS, the City of Columbus contains brownfield properties which may qualify for Clean Ohio cleanup and redevelopment grant funding; and

WHEREAS, the Columbus Department of Development has been involved with brownfield redevelopment since 1999 through its administration of the Columbus Brownfields Redevelopment Program; and

WHEREAS, Clean Ohio grant funding will greatly complement the efforts of the Columbus Department of Development in helping to clean up and redevelop brownfield properties in Columbus; and

WHEREAS, the Columbus Department of Development has identified a brownfield property in the City of Columbus which may be eligible for Clean Ohio Program Round 12 grant funding at the site formerly known as the Dublin Road Landfill and that Wagenbrenner Development, Inc. has agreed to partner with Franklin County to clean up and redevelop the site for retail and medical/professional office use, and

WHEREAS, an emergency exists in the usual daily operation of City Council in that it is immediately necessary to express its support for the application described herein to meet the Clean Ohio Program Round 12 grant application deadline of January 20, 2012, all for the preservation of public health, peace, property, safety and welfare; **Now, Therefore,**

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. The Columbus City Council hereby supports Franklin County, in partnership with Wagenbrenner Development, Inc., in their efforts to obtain Round 12 Clean Ohio grant

funding for the purpose of incentivizing the cleanup and redevelopment of the former Dublin Road Landfill.

Section 2. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this resolution is hereby declared to be an emergency measure and shall take effect and be in force from and after its adoption and approval by the Mayor or ten days after adoption if the Mayor neither approves nor vetoes the same.

Version: 1

Matter Type: Ordinance

BACKGROUND: This legislation authorizes the Director of Finance and Management to enter into a contract with Fluid Conservation Systems for the purchase of one Leak Detection Correlator System for the Division of Power and Water (Water). This unit will be used by our Distribution Maintenance crews for leak detection in the City of Columbus water lines.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation SA004133). Twenty (20) vendors (20 MAJ) were solicited and five (5) bids (5 MAJ) were received and opened on October 27, 2011. Four (4) bidders were submitted were deemed non-responsive to the bid specifications for various sections. A description of each is below. However, all four non-responsive bidders did not meet the most critical specification spelled out in Section 3.2.6 (Sensor). Without the sensor the Division of Power and Water (Water) personnel would not have the capability to locate large diameter and plastic pipes which is important to ensuring leak detection of those types of infrastructure.

The lowest bid was R.F. Hunter at \$16,995.00. They submitted an alternate bid of the Vivax/Metrotech system. After reviewing the supplied data, it was determined that they do not meet our specifications. The unit does not have a high visibility color VGA touch screen (3.2.1). The unit does not have a snapshot feature (3.2.4). The unit does not have sensor rated at 25 volts per g (minimum) (3.2.6). Without a sensor that meets this specification, the unit would not be have the capability to locate large diameter pipe or plastic pipe; a need that is critical to the Division's requirements. The unit does not have lithium-ion batteries (3.2.7).

The next lowest bid was ADS LLC at \$19,111.00. They submitted an alternate bid of the Eureka Digital by Primayer system. After reviewing the supplied data, it was determined that they do not meet our specifications. The unit is PC based and does not have stand alone base station (3.2). The third accelerometer is listed as an option, but not included in bid (3.2.2). The unit does not have a snapshot feature (3.2.4). The unit does not have sensor rated at 25 volts per g (minimum) (3.2.6). Without a sensor that meets this specification, the unit would not be have the capability to locate large diameter pipe or plastic pipe; a need that is critical to the Division's requirements. The unit does not have lithium-ion batteries (3.2.7).

The next lowest bid was Echologics Engineering at \$19,960.00. They submitted an alternate bid of the Echologics Engineering/Leak Finder RT system. After reviewing the supplied data, it was determined that they do not meet our specifications. The unit is PC based and does not have stand alone base station (3.2). The unit does not have a high visibility color VGA touch screen (3.2.1). The unit does not have the tri-filter correlation option (3.2.2). The unit does not have sensor rated at 25 volts per g (minimum) (3.2.6). Without a sensor that meets this specification, the unit would not be have the capability to locate large diameter pipe or plastic pipe;

a need that is critical to the Division's requirements. The unit does not have lithium-ion batteries (3.2.7).

The next lowest bid was USA Bluebook at \$24,400.00. They submitted an alternate bid of the Subsurface Leak Detection LC-2500 system. After reviewing the supplied data, it was determined that they do not meet our specifications. The unit does not have a high visibility color VGA touch screen (3.2.1). The unit does not have the tri-filter correlation option (3.2.2). The unit does not have a snapshot feature (3.2.4). The unit does not have single charging facility (3.2.5). The unit does not have sensor rated at 25 volts per g (minimum) (3.2.6). Without a sensor that meets this specification, the unit would not be have the capability to locate large diameter pipe or plastic pipe; a need that is critical to the Division's requirements. The unit does not have lithium-ion batteries (3.2.7). This unit has 2 sets of sensors depending on pipe size and construction.

The next lowest bid was Fluid Conservation Systems. They submitted bid per specification of the FCS TriCorr Touch Correlator. After reviewing the supplied data, it was determined that they do meet our specifications. Therefore, the Division of Power and Water (Water) is recommending award go to Fluid Conservation Systems as the lowest responsive, responsible, and best bidder to meet our specifications. This award is for (1) FCS TriCorr Correlator. The total award will be for \$39,000.00.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

SUPPLIER: Fluid Conservation Systems, Contract Compliance Number: 74-2619979, expires 10/31/2013. This supplier does not hold MBE/FBE status.

FISCAL IMPACT: \$39,000.00 is budgeted for this purchase. There were no similar purchases in 2009 or 2010.

To authorize the Director of Finance and Management to enter into a contract with Fluid Conservation Systems for the purchase of one Leak Detection Correlator System for the Division of Power and Water and to authorize the expenditure of \$39,000.00 from the Water Operating Fund. (\$39,000.00)

WHEREAS, one Leak Detection Correlator System is required by the Division of Power and Water for leak detection; and

WHEREAS, the Purchasing Office opened formal bids on October 27, 2011 for the purchase of one Leak Detection Correlator System for the Division of Power and Water; and

WHEREAS, the Division of Power and Water recommends an award to be made to the lowest, responsive and responsible bidder, Fluid Conservation Systems; and

WHEREAS, a contract will be issued by the Purchasing Office in accordance with the terms, conditions and specifications of Solicitation Number: SA004133 on file in the Purchasing Office; now, therefore

BE IT ORADINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Finance and Management be and is hereby authorized to establish a contract with Fluid Conservation Systems for the purchase of one Leak Detection Correlator System for the Division of Power and Water, in accordance with specifications on file in the Purchasing Office.

SECTION 2. That the expenditure of \$39,000.00 much thereof as may be needed is hereby authorized from Water Systems Operating Fund 600, Department 60-09, OCA Code 602730, Object Level One 06, Object Level Three 6651, to pay the cost thereof.

SECTION 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Matter Type: Ordinance

Background:

This ordinance provides for the appropriation of special purpose funds to continue purchasing supplies and providing services in Fiscal Year 2012 that are supported by donations and fees. Deposits into this fund are from fees collected from reservoir neighbors and others for encroachment easement fees, tree damage assessments, utility easement fees, general restoration donations, settlements related to encroachment related issues among other fees collected by the Department of Public Utilities Watershed Management Section.

Under the joint agreement with the Columbus Recreation and Parks Department and the Department of Public Utilities, the Department of Public Utilities Watershed Management Section is responsible for resolving encroachments, including collection money for damages and repairing any damaged property on reservoir properties to a condition that would provide an appropriate reservoir buffer.

Monies collected into the Public Utilities Special Purpose Fund are utilized for the protection, restoration and enhancement of the City reservoir properties including but not limited to the purchase of trees, wildflowers, shrubs, evaluation of forest and wetlands, educational and informal signage and materials, personal protection equipment and landscaping services.

Emergency legislation is required in order to have funding available for necessary expenditures at the earliest time possible.

Fiscal Impact:

The fiscal impact of this ordinance will be to reduce the Special Purpose Fund's unappropriated balance by an amount not to exceed \$49,032.76.

To authorize the appropriation not to exceed \$49,032.76 from the unappropriated balance of the Public Utilities Special Purpose Fund to the Public Utilities Department to continue purchasing supplies and providing services during Fiscal Year 2012, and to declare an emergency. (\$49,032.76)

WHEREAS, this ordinance provides for the appropriation of lapsed funds in order to continue purchasing supplies and providing services during Fiscal Year 2012; and

WHEREAS, under the joint agreement with the Columbus Recreation and Parks Department and the Department of Public Utilities, the Department of Public Utilities Watershed Management Section is responsible for resolving encroachments, including collection money for damages and repairing any damaged property on reservoir properties to a condition that would provide an appropriate reservoir buffer, and

WHEREAS, deposits into this fund are from fees collected from reservoir neighbors and others for encroachment easement fees, tree damage assessments, utility easement fees, general restoration donations, settlements related to encroachment related issues among other fees collected by the Department of Public Utilities Watershed Management Section, and

WHEREAS, monies collected into the Public Utilities Special Purpose Fund are utilized for the protection, restoration and enhancement of the City reservoir properties including but not limited to the purchase of trees, wildflowers, shrubs, evaluation of forest and wetlands, educational and informal signage and materials, personal protection equipment and landscaping services, and

WHEREAS, an emergency exists in the usual daily operation of the Public Utilities Department in that it is immediately necessary to appropriate said funds in order to have funding available at the earliest time available thereby preserving the City's public health, peace, safety, and welfare; **NOW, THEREFORE**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That it is necessary to appropriate special purpose funds to continue purchasing supplies and providing services in Fiscal Year 2012 that are supported by donations and fees.

SECTION 2. That from the unappropriated monies in the Public Utilities Special Purpose Fund, Fund No. 223, and from all monies estimated to come into said fund from any and all sources and unappropriated for any other purpose during the fiscal year ending December 31, 2012, the sum not to exceed \$49,032.76 is appropriated to the Public Utilities Department, Department No. 60-09, as follows:

<u>Project Title</u>	<u>Sub Fund</u>	<u>OCA Code</u>	<u>Object Level 3</u>	<u>Amount</u>
Waterways Nature Preservation	062	600223	2290	20,000.00
Waterways Nature Preservation	062	600223	3390	29,032.76
TOTAL				\$49,032.76

SECTION 3. That an amount up to, but not to exceed the cash in the fund not encumbered for any other purpose may be appropriated within the Special Purpose Fund, Fund 223, Subfund 062 to carry out the purpose of the fund/subfund.

SECTION 4. That the monies in the foregoing Section 1 shall be paid upon order of the Director of Public Utilities, and that no order shall be drawn or money paid except by voucher, the form of which shall be approved by the City Auditor.

SECTION 5. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this

ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or 10 days after passage if the Mayor neither approves nor vetoes the same.

Current Status: Passed

Version: 1

Matter Type: Ordinance

BACKGROUND: This legislation authorizes the Director of Finance and Management to enter into a contract with Center City International Trucks for the purchase of one Crew Cab and Maintenance Body for the Division of Power and Water (Water). This unit will be used by our Distribution Maintenance section for repair and maintenance of the existing water mainline infrastructure. This purchase was approved by Fleet Management. In support of the Mayor's Get Green Columbus initiative, this vehicle incorporates an engine that will emit fewer emissions than the older unit that it is replacing.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation SA004161). Fifty six (56) vendors (54 MAJ/2 MBE) were solicited and two (2) bids (2 MAJ) were received and opened on November 10, 2011. FYDA Freightliner Columbus, Inc. was the apparent low bid of \$123,697.00. They, however, did not meet the following specifications of the invitation to bid. The unit quoted failed to meet section 3.3.2.1.1. Specifications called for a minimum of a 7.2 liter engine james09- FYDA Freightliner Columbus, Inc. offered a 6.7 liter engine. The unit quoted failed to meet section 3.3.2.1.6. Specifications called for a minimum of a 1000 watt block heater - FYDA Freightliner Columbus, Inc. offered a 750 watt block heater.

The second lowest bid was Center City International Trucks, at \$130,408.00 and the bid received met all specifications. The Division of Power and Water (Water) is recommending the award go to Center City International Trucks as the lowest responsive, responsible, and best bidder. The total award will be for \$130,408.00 for one Crew Cab and Maintenance Body.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

SUPPLIER: Center City International Trucks, Contract Compliance Number: 31-1048371, expires 06/15/2012. This supplier does not hold MBE/FBE status.

FISCAL IMPACT: \$130,408.00 is budgeted for this purchase. There were no similar purchases in 2009 or 2010.

To authorize the Director of Finance and Management to enter into a contract with Center City International Trucks for the purchase of a Crew Cab and Maintenance Body for the Division of Power and Water and to authorize the expenditure of \$130,408.00 from the Water Operating Fund. (\$130,408.00)

WHEREAS, one Crew Cab and Maintenance Body is required by the Division of Power and Water to be used by our Distribution Maintenance section for repair and maintenance of the existing water mainline infrastructure; and

WHEREAS, the Purchasing Office opened formal bids on November 10, 2011 for the purchase of one Crew Cab and Maintenance Body for the Division of Power and Water; and

WHEREAS, the Division of Power and Water recommends an award to be made to the lowest, responsive and responsible bidder, Center City International Trucks; and

WHEREAS, a contract will be issued by the Purchasing Office in accordance with the terms, conditions and specifications of Solicitation Number: SA004161 on file in the Purchasing Office; now, therefore

BE IT ORADINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Finance and Management be and is hereby authorized to establish a contract with Center City International Trucks for the purchase of one Crew Cab and Maintenance Body for the Division of Power and Water, in accordance with specifications on file in the Purchasing Office.

SECTION 2. That the expenditure of \$130,408.00 much thereof as may be needed is hereby authorized from Water Systems Operating Fund 600, Department 60-09, OCA Code 602730, Object Level One 06, Object Level Three 6652, to pay the cost thereof.

SECTION 3. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Benefits to Public:

The Columbus Municipal Golf Division is a special revenue fund and not part of the general operating fund. The rental of golf riding cars provides income to Golf's operating fund while providing a necessary service for our golfers with no additional expense to our operations.

Emergency Justification:

Emergency legislation is requested to assure timely processing of the services contract and Lease-Purchase Agreement with regard to delivery of the golf riding cars so as not to impact the 2012 golfing season.

Financial Impact:

Payment for each year of the lease is subject to annual approval by City Council and a yearly purchase order certified by the Auditor's Office for one year at a time.

To authorize and direct the Director of Recreation and Parks to enter into a services contract with Lake Erie Golf Cars, LLC, and a Lease-Purchase Agreement with PNCEF, LLC, dba PNC Equipment Finance, for 154 Golf Riding Cars; and to declare an emergency.

WHEREAS, bids were received by the Columbus Recreation and Parks Department Golf Division on November 21, 2011, and the contract was awarded to Lake Erie Golf Cars, LLC on the basis of lowest and most responsive bidder; and

WHEREAS, a Lease-Purchase Agreement must be entered into with PNCEF, LLC, dba PNC Equipment Finance, which is the entity that holds title to and provides the financing for these 154 Golf Riding Cars; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Recreation and Parks in that it is immediately necessary to enter into a services contract with Lake Erie Golf Cars, LLC, and a Lease-Purchase Agreement with PNCEF, LLC, dba PNC Equipment Finance, so that the equipment is ready for the 2012 golf season; **NOW, THEREFORE**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. The Director of Recreation and Parks be and is hereby authorized to enter into a services contract with Lake Erie Golf Cars, LLC, and a Lease-Purchase Agreement with PNCEF, LLC, dba PNC Equipment Finance, for 154 Golf Riding Cars.

SECTION 2. Lake Erie Golf Cars, LLC will provide all service, maintenance and repairs for the golf cars under the services contract.

SECTION 3. Payment for each year of the lease is subject to City Council approval and a yearly purchase order certified by the Auditor's Office for one year at a time.

SECTION 4. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this legislation.

SECTION 5. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or 10 days after passage if the Mayor neither approves nor vetoes the same.

Legislation Number: 2363-2011

Drafting Date: 12/28/2011

Current Status: Passed

Version: 1

Matter Type: Ordinance

Background: A group known as the Franklin County Government Employees Fitness Facility, LLC, (FCGEFF), whose membership is comprised of certain Municipal Court and Franklin County employees currently occupies space in the Franklin County Hall of Justice (HOJ) that is used as a fitness facility. The pending renovation of the HOJ by Franklin County requires that the fitness facility be moved to a new location outside of County controlled space.

After many discussions and exploration of alternatives, it has been determined that an area in the basement of the office building located at 375 S. High Street, currently leased by the City for the Franklin County Municipal Court, and occupied by Franklin County, is the best alternative to serve as a temporary location for the FCGEFF. Franklin County has agreed to modify its occupancy of the space in the Municipal Court Building known as the "Landlord's Reserved Premises" and to relocate from the designated area in the basement of the building to a similar sized space on the 15th Floor in order to allow for the sublease of that basement space by the City to the FCGEFF.

The relocation of Franklin County from the designated basement space to space on the 15th Floor requires that a certain Lease Agreement between the City and the Board of Commissioners of Franklin County, dated April 1, 2009, for the office building located at 375 S. High Street and occupied by the Franklin County Municipal Court, be amended to redefine the "Landlord's Reserved Premises".

The new sublease required for use of the basement space by the Franklin County Government Employees Fitness Facility, LLC will be at a rent rate of \$5.00 per rentable square foot for a one-year term and will not include a renewal option. The sublease will include a right for the City to terminate the sublease with thirty (30) days written notice to FCGEFF.

This legislation authorizes the Director of Finance and Management to: 1) execute those documents necessary to amend that certain lease with the Board of Commissioner's of Franklin County dated April 1, 2009 for the Franklin County Municipal Court located at 375 S. High Street in order to redefine the "Landlord's Reserved Premises" to exclude the basement space to be subleased to FCGEFF, and to include 1,387 s.f of useable space on the 15th floor known as "Courtroom 15B"; and 2) to enter into a one year sublease with the Franklin County Government Employees Fitness Facility, LLC for 1,531 rentable square feet of space in the basement of 375 S. High Street for use as a exercise facility for a term beginning January 30, 2012 and ending January 29, 2013.

Fiscal Impact: The sublease will generate income to the City of approximately \$7,655.00 to offset building expenses.

Emergency Justification: Emergency action is requested to allow the fitness facility to be completed and operational as soon as possible.

To authorize the Director of the Department of Finance and Management to execute those documents necessary amend a Lease Agreement dated April 1, 2009 between the City and the Franklin County Board of Commissioners and to enter into a sublease agreement with the Franklin County Government Employees Fitness Facility, LLC; and to declare an emergency.

WHEREAS, the Franklin County Government Employees Fitness Facility, LLC, (FCGEFF) currently occupies office space used as a fitness facility located in the Franklin County Hall of Justice that must be relocated due to the pending renovation of that building; and

WHEREAS, after exploration of alternatives, it has been determined that an area in the basement of the Franklin County Municipal Court Building, located at 375 S. High Street, currently leased by the City and occupied by Franklin Count, is the best alternative to serve as a temporary location for the FCGEFF; and

WHEREAS, the City and Board of Commissioners of Franklin County desire to amend that certain Lease Agreement dated April 1, 2009 for the office building located at 375 S. High Street known as the Franklin County Municipal Court to redefine the "Landlord's Reserved Premises" to exclude the basement space to be subleased to FCGEFF and to include 1,587 s.f of useable space on the 15th floor known as "Courtroom 15B"; and

WHEREAS, City desires to enter into a sublease with the Franklin County Government Employees Fitness Facility, LLC, to allow for the lease of space for the relocation of the exercise facility to the basement of the Municipal Court Building; and

WHEREAS, an emergency exists in the usual daily operations of the City that it is necessary for the Director of Finance and Management to immediately enter into a lease amendment with the Board of Commissioners of Franklin County and to enter into a sublease agreement with the Franklin County Government Employees Fitness Facility, LLC so that the fitness facility can be relocated from the Franklin County Hall of Justice to the Franklin County Municipal Court Building as quickly as possible, thereby preserving the public health, peace, property, safety, and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Finance and Management be, and hereby is, authorized to execute those documents, as approved by the Department of Law, Division of Real Estate, necessary to enter into a Lease Amendment with the Board of Commissioners of Franklin County to redifine the "Landlord's Reserved Premises".

SECTION 2. That the Director of Finance and Management be, and hereby is, authorized to execute those documents, to enter into a sublease by and between the City of Columbus, Ohio and the Franklin County Government Employees Fitness Facility, LLC, for the lease of 1,531 rentable square feet of space located in the basement of 375 S. High Street.

SECTION 3. That the terms and conditions of both this lease amendment and sublease agreement shall be in a form approved by the City Attorney's office and that the sublease agreement shall include the following: the term shall be one year in length commencing on January 30, 2012 and expiring on January 29, 2013, and shall in clude a provision to allow the City to terminate the sublease with thirty (30) days written notice.

SECTION 3. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after its passage if the Mayor neither approves nor vetoes the same.
