Ordinances and Resolutions
BACKGROUND:
This resolution supports the ratification of the amended Mid-Ohio Regional Planning Commission Articles of Agreement. The Mid-Ohio Regional Planning Commission (MORPC) desires to make efficient and effective use of its resources while maintaining compliance with all federal, state, and local laws and regulations applicable to it. The Mid-Ohio Regional Planning Commission’s Articles of Agreement and Bylaws Review Committee (the Committee) conducted a review of MORPC’s Articles of Agreement and Bylaws to determine whether any existing provisions should be updated or revised to provide more clarity, consistency, flexibility and simplicity. The Committee presented proposed amendments to MORPC’s Articles of Agreement and Bylaws and on September 19, 2013, the Mid-Ohio Regional Planning Commission adopted the proposed amendments to MORPC’s Articles of Agreement and Bylaws. The MORPC governance body (the Commission) is comprised of representatives appointed by MORPC members. The Commission recommends ratification of the amended Articles of Agreement Articles of Agreement and Bylaws per MORPC Resolution 21-13.

FISCAL IMPACT:
There are no costs to the City of Columbus associated with this resolution.

To support the ratification of the amended Mid-Ohio Regional Planning Commission Articles of Agreement and Bylaws.

WHEREAS, it is the desire of the Mid-Ohio Regional Planning Commission (MORPC) to make efficient and effective use of its resources while maintaining compliance with all federal, state, and local laws and regulations applicable to it; and

WHEREAS, the Mid-Ohio Regional Planning Commission’s Articles of Agreement and Bylaws Review Committee (the Committee) conducted a review of MORPC’s Articles of Agreement and Bylaws to determine whether any existing provisions should be updated or revised to provide more clarity, consistency, flexibility and simplicity; and

WHEREAS, the Committee presented proposed amendments to MORPC’s Articles of Agreement and Bylaws; and

WHEREAS, on September 19, 2013, the Mid-Ohio Regional Planning Commission adopted the proposed amendments to MORPC’s Articles of Agreement and Bylaws; and

WHEREAS, the MORPC governance body (the Commission) is comprised of representatives appointed by MORPC members; and

WHEREAS, the Commission recommends ratification of the amended Articles of Agreement and Bylaws per MORPC Resolution 21-13, now, therefore,
BE IT RESOLVED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the City of Columbus supports the ratification of MORPC’s Amended Articles of Agreement and Bylaws (attached).

Section 2. That this resolution shall take effect and be in force from and after the earliest period allowed by law.

BACKGROUND: This resolution by the City of Columbus, Ohio (“City”), an Ohio municipal corporation, is to declare the City’s necessity and intent to appropriate fee simple title and lesser interests to real estate necessary for the City’s Department of Public Service, Division of Design and Construction, Pedestrian Safety Improvements-Olentangy River Road Shared-use-path (3004 Dr E/590105-100036) Project (“Project”).

FISCAL IMPACT: Not applicable.

EMERGENCY JUSTIFICATION: Emergency action is requested to allow for the acquisition of certain real property interests for the Project’s construction to proceed without delay, which will preserve the public peace, health, property, safety, and welfare.

To declare the necessity and intent of the City of Columbus, Ohio, to appropriate fee simple title and lesser interests regarding real estate needed for the City of Columbus, Ohio, Department of Public Service, Division of Design and Construction, Pedestrian Safety Improvements-Olentangy River Road Shared-use-path (3004 Dr E/590105-100036) Project; and to declare an emergency. SECTION 2. That the Columbus City Attorney is authorized to cause a written notice of this resolution’s adoption to be served in the manner provided by law upon the owners, persons in possession, or persons possessing a real or possible real property interest of record in the Property.

SECTION 3. That for the reasons stated in the preamble hereto, which are made a part hereof, this resolution is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after its passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: The City of Columbus, Ohio, an Ohio municipal corporation (“City”), is engaged in the acquisition of certain real property interests for the City’s Department of Public Service, Division of Design and Construction, Arterial Street Rehabilitation - Hard Road Phase-A/Sawmill Road - Smoky Row Road (PID 598095-10000) Project (“Project”). The City previously passed Columbus City Resolution 0218x-2013 on October 21st, 2013, which declared the City’s necessity and intent to appropriate fee simple title and lesser interests regarding certain real estate needed for the Project. Some of the Project’s real property interests were intentionally omitted from Columbus City Resolution 0218x-2013, because those real property interests were being redesigned by the City. Therefore, this resolution by the City is to declare the City’s necessity and intent to appropriate fee simple title and lesser interests regarding certain remaining real property interests needed for the Project.

FISCAL IMPACT: Not applicable.

EMERGENCY JUSTIFICATION: Emergency action is requested to allow for the acquisition of certain real property interests for the Project’s construction to proceed without delay, which will preserve the public peace, health, property, safety, and welfare.

To declare the City’s necessity and intent to appropriate the remaining fee simple title and lesser interests regarding certain real estate needed for the City’s Department of Public Service, Division of Design and Construction, Arterial Street Rehabilitation - Hard Road Phase-A/Sawmill Road - Smoky Row Road (PID 598095-10000) Project; and to declare an emergency. SECTION 2. The Columbus City Attorney is authorized to cause a written notice of this resolution’s adoption to be served upon the owners; persons in possession; or persons possessing a real or possible real property interest of record in the parcels of real property described in this resolution, in the manner provided by law.

SECTION 3. For the reasons stated in the preamble hereto, which are made a part hereof, this resolution is hereby declared to be an emergency measure and takes effect and is in full force after its passage and approval by the Mayor or ten days after its passage if the Mayor neither approves nor vetoes this resolution.

Background: The City owns property located at 475 Elwood Avenue containing 4.88 acres of mostly vacant land that was originally acquired in December 1996 as part of the Community Development Program. The site contains a small building that has been leased since 2007 to the Columbus Urban League for Head Start programs.

The property at 475 Elwood Avenue abuts Groveport Road, except for an intervening .054 acre parcel of vacant land identified as Groveport Pike, Stambaugh, .054 Acre Lot 5, Franklin County Tax Parcel 010-000807 which is surrounded on three sides by the City’s property. The owner of this property wishes to sell it to the City. It is in the City’s best interest to purchase this property in order to create uninterrupted ownership of the
frontage of the City's property along Groveport Road.

This legislation authorizes the Director of Finance and Management to execute those documents necessary to purchase that .054 acre parcel of land from Catherine Windom, and to expend up to $850.00, for all costs associated with said acquisition. Purchase contingencies may include, but are not limited to, the satisfactory completion of Environmental Site Assessments (Phase I ESA and Phase II, if necessary).

**Fiscal Impact:** Funding for this project is available within the Department of Finance and Management Construction Management Capital Improvement Fund.

To authorize the Director of the Department of Finance and Management to execute those documents necessary to purchase that real property adjacent to the City’s owned parcel on Elwood Avenue, from Catherine Windom and to authorize the expenditure of up to $850.00 from the Construction Management Capital Improvement Fund; and to declare an emergency. ($850.00)

**WHEREAS**, the City desires to enter into a purchase contract with Catherine Windom, for the purchase of that real property commonly known as Groveport Pike, Stambaugh, .054 Acre Lot 5, Columbus, Ohio, and identified as Franklin County Tax Parcel ID 010-000807; and

WHEREAS, it is in the best interest of the City to acquire this property to consolidate its ownership along the Groveport Road frontage of its property known as 475 Elwood to allow the City to create a consolidated tract for future use; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Finance and Management, in that it is immediately necessary to authorize the Finance and Management Director to contract with Catherine Windom for the purchase of that real property commonly known as Groveport Pike, Stambaugh, .054 Acre Lot 5, and identified as Franklin County Tax Parcel 010-000807 for the immediate preservation of the public health, peace, property and safety; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Director of the Department of Finance and Management be, and hereby is, authorized to execute those documents approved by the Department of Law, Division of Real Estate necessary for the purchase of that real property located on Groveport Road, Columbus, Ohio, identified as Franklin County Tax Parcel ID 010-000807.

**SECTION 2.** That the expenditure up to $850.00, or so much thereof that may be necessary in regard to the action authorized in SECTION 1, be and is hereby authorized and approved as follows:

Fund 733  
Construction Management Capital Improvement Fund  
Dept. 45-50  
Project# 570030-100120  
OCA#733120  
Object Level 1: 06  
Object Level 3: 6601  
Amount: $850.00
SECTION 3. The City Auditor is hereby authorized and directed to transfer any unencumbered balance in the project account to the unallocated balance within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project; except that no transfer shall be made from a project account by monies from more than one source.

SECTION 4. That the City Auditor is authorized to establish proper project accounting numbers as appropriate.

SECTION 5. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this Ordinance.

SECTION 6. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND:

This legislation authorizes the Director of Public Utilities to enter into an engineering services agreement with AECOM Technical Services, in the amount of $963,273.00 for professional engineering services for the Scioto River Stage Prediction Augmentation Project, Part 2 for the Division of Sewerage and Drainage (DOSD) and the Division of Water (DOW).

The City of Columbus, Division of Sewerage and Drainage (DOSD) maintains and operates components of the West Columbus Local Protection Project (WCLPP - a.k.a. "the Franklinton Floodwall"). The WCLPP centerline of protection is comprised of levee embankments and floodwall sections along with other components like a flow control structure in Rhodes Park with an associated upstream McKinley Avenue emergency overflow structure, several pump stations, gate wells, and both stop log and sandbag gate closures.

Current DOSD operations during heavy rainfall events include: pump station start-up, roller gate closure, stop log gate closures, gate well closures and sandbag gate closures and are based on a flood forecast of Scioto River stage at the Frank Road USGS stream gauge. All of these operations are predicated upon actual and predicted flood elevations.

Currently, the City relies upon the United States National Oceanic and Atmospheric Administration (NOAA), National Weather Service (NWS), Advanced Hydrologic Prediction Service (AHPS) for these predictions. However those organizations do not incorporate enough meters, indicators and sensors upstream to assist the division with the best practices of the processes needed in heavy rainfall events.

DOSD in partnership with the National Weather Service are working together to refine and develop a more
accurate flood predictor and warning system which will enable the division to deploy processes during heavy rain fall events systematically.

AECOM completed its evaluation of all applicable services, methods and operations, and recommended several augmentations and/or replacements to many parts of the process. DOSD has chosen to accept those recommendations which generally are to: 1) Augment current rain gauge and stream monitoring equipment and networks, repairing existing rain and stream gauges and increasing the density of these networks for more accurate information; 2) Build a new, more detailed and accurate Hydrologic Engineering Centers River Analysis System (HEC-RAS) model, calibrate this model with the newer, more densely populated data; and aid in the installation and use of that new model by the NWS; and 3) Establish new Memorandums of Understanding (MOUs) with the NWS, Ohio State Department of Public Safety (ODPS) and the United States Geographic Survey (USGS) for use of this new model; the installation of new equipment and upgrade the existing maintenance and operations of monitoring networks and to upgrade the existing NWS warning procedures on the Scioto River.

The scope of work for the Division of Water includes evaluating the operations of the level gate for the Hoover Reservoir. Using primarily existing hydraulic and hydrologic models the project will thoroughly evaluate DOW’s current operating standards and recommend revisions if appropriate. In so doing, the range of impacts level gate operations have on downstream water levels associated with extreme weather events will be determined. This work will be incorporated in two phases; the first phase will be funded by the current agreement. If the City opts to perform the second phase of work it will be funded by a future contract modification. The cost for the current phase of this work is $91,532.00.

**Project Timeline and Cost:**
Proposals out …………………………….10/11/10 (Actual)
Proposals received ………………………11/12/10 (Actual)
Contract Initiation (NTP) …………………8/17/11 (8-26-11-Actual)
Part 1 (Current Ops evaluated) …………..4/22/12 (8-30-13)
Part 2 (Augmentation Implementation) …8/5/14 (8-30-13)
End …………………………………………8/5/15  (8-31-15)

**Procurement Information:** The Division sent a Request for Proposals (RFP) on the City of Columbus's Vendor Services website and in the City Bulletin in accordance with the provisions of Section 329.14 of Columbus City Codes. The Division of Sewerage and Drainage opened three requests for proposals on November 12, 2010.

**Emergency Designation:** Emergency designation is requested at this time.

**Economic & Environmental Impact:**
This project enabled local and national experts to assess national and local flood warning prediction processes in the operations of the Franklinton Floodwall. Augmented City procedures and actions in respect to the Floodwall operations are recommended. Such augmented procedures shall affect a savings in the amount of man-power needed to operate the Floodwall, minimize actual flood damage, and decrease the risk of such occurrences. The model, rainfall, river stage, and model-related data will be available for many other applications as well, such as real time control of sanitary collection systems and plant operations and evaluation of development impacts along the river. Such applications could optimize systems operations and lower overflows from the collection system and plants and more accurately estimate impacts of filling or excavating in the flood plain or dam removals.

**Fiscal Impact:** This ordinance authorizes the Director of Public Utilities to transfer within and expend up to $872,281.00 from the Sanitary Sewer: the Sanitary Sewer: GO Bond Fund, Fund 664; Revenue Bond Fund, Fund 665; Build America Bond Fund, Fund 668; Super Build America Bond Fund, Fund 669; and the Permanent Improvement Bond Fund, Fund 671.

A transfer of $91,532.00 within the Water Works Enlargement Voted Bonds Fund will also be necessary.

An amendment to the 2013 Capital Improvements Budget will be needed for both Divisions.

To authorize the Director of Public Utilities to enter into an engineering agreement with AECOM Technical Services, Inc. for professional engineering services for the Scioto River Stage Prediction Augmentation Project, Part 2; to authorize the transfer within and expenditure of $872,281.00 from various Sanitary Sewer Bond Funds; to authorize the transfer within and expenditure of $91,532.00 from the Water Works Enlargement Voted Bonds Fund; to amend the 2013 Capital Improvements Budget; and declare an emergency. ($963,813.00)

**WHEREAS,** the City of Columbus, Division of Sewerage and Drainage (DOSD) maintains and operates components of the West Columbus Local Protection Project (WCLPP - a.k.a. “the Franklinton Floodwall”), as part of the Scioto River Stage Prediction Augmentation Project, Part 2 Project; and

**WHEREAS,** the Division of Sewerage and Drainage has chosen to accept the recommendations (see above list); and

**WHEREAS,** the Division of Sewerage and Drainage is attempting to increase its flood modeling accuracy by entering into an engineering service agreement with AECOM Technical Services, Inc., for the Scioto River Stage Prediction Augmentation project; and

**WHEREAS,** the City of Columbus, Division of Water (DOW) maintains and operates the Hoover Reservoir and Hoover Dam as part of the Scioto River Watershed system; and

**WHEREAS,** the Division of Water is requesting AECOM Technical Services, Inc. evaluate current standard operating procedures related to the Hoover Dam and recommend revisions if appropriate; and

**WHEREAS,** it is necessary to authorize the transfer within and the expenditure funds from the following Sanitary Sewer funds: the Sanitary Sewer: the Sanitary Sewer GO Bond Fund, Fund 664; Revenue Bond Fund, Fund 665; Build America Bond Fund, Fund 668; Super Build America Bond Fund, Fund 669; and the Permanent Improvement Bond Fund, Fund 671 in the total amount of $872,281.00 for purposes of providing sufficient funding for the aforementioned project; and
WHEREAS, it is necessary to authorize a transfer and expenditure up to $91,532.00 from the Water Works Enlargement Voted Bonds Fund for purposes of providing sufficient funding for the aforementioned project; and

WHEREAS, it is necessary to amend the 2013 Capital Improvements Budget to provide sufficient authority for this project; and

WHEREAS, an emergency exists in the usual daily operations of the Division of Sewerage and Drainage, Department of Public Utilities, it is hereby requested that Council authorize the Director of Public Utilities to enter into a professional engineering agreement with AECOM Technical Services, Inc., for the preservation of the public health, peace, property, safety, and welfare; Now, Therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. **SECTION 7.** That an expenditure up to $91,532.00 is hereby authorized for the Scioto River Stage Prediction Augmentation - Hoover Reservoir Evaluation Project within the Water Works Enlargement Voted Bonds Fund, Fund No. 606, Division 60-09, Project No. 690547-100000 (New Funding), OCA Code 606547, Object Level Three 6677.

**SECTION 8.** That said engineering firm, AECOM Technical Services, Inc., shall perform the work to the satisfaction of the Director of Public Utilities and the Administrators of the Division of Sewerage and Drainage and Water.

**SECTION 9.** That the funds necessary to carry out the purpose of this Ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

**SECTION 10.** That the City Auditor is hereby authorized and directed to transfer any unencumbered balance in the project account to the unallocated balance within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies no longer required for said project; except that no transfer shall be made from a project account by monies from more than one source.

**SECTION 11.** That the City Auditor is authorized to establish proper project accounting numbers as appropriate.

**SECTION 12.** That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this Ordinance.

**SECTION 13.** That for reasons stated in the preamble hereto, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force after its passage and approval by the Mayor or ten days after its passage if the Mayor neither approves nor vetoes the same.

**BACKGROUND:** Since 1974, Columbus Public Health has provided primary health care services to the needy through contracts with community-based health centers. Since 1998, Columbus Public Health has contracted with the Columbus Neighborhood Health Center, Inc. (CNHC), a not-for-profit corporation, to provide primary health care services to medically indigent patients at various neighborhood health centers. CNHC’s Contract Compliance No. is 311533908. This ordinance will authorize a modification and $120,000.00 increase of the current contract for the period through December 31, 2013. This additional support is needed due to the opening of the new John R. Maloney Health Center, located at 1905 Parsons Ave., Columbus, OH 43207. This ordinance waives competitive bidding provisions of the City Code.
Total Amount of Modification: $120,000.00
Total Contract Amount including this Modification: $5,049,260.00

Emergency action is requested to provide for this contract modification in order to ensure timely payments to the Contractor.

**FISCAL IMPACT:** The funds to modify and increase this contract are budgeted in the Health Special Revenue Fund.

To authorize and direct the Board of Health to modify and increase a contract with Columbus Neighborhood Health Center, Inc., to authorize the expenditure of $120,000.00 from the Health Special Revenue Fund, to waive the provisions of competitive bidding, and to declare an emergency. ($120,000.00)

WHEREAS, the City of Columbus seeks to ensure primary health care services through various neighborhood health centers; and,

WHEREAS, it is necessary to modify and increase a contract with Columbus Neighborhood Health Center, Inc. for management and operations of the neighborhood health centers; Now, therefore and,

WHEREAS, an emergency exists in the usual daily operation of the Health Department in that it is immediately necessary to modify a contract with Columbus Neighborhood Health Center, Inc. for the immediate preservation of the public health, peace, property, safety and welfare; Now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Board of Health is hereby authorized to modify and increase a contract (EL014023) with the Columbus Neighborhood Health Center, Inc. for the provision of primary health care services through various neighborhood health centers from January 1, 2013 through December 31, 2013.

SECTION 2. That the expenditure of $120,000.00 is hereby authorized from the Health Special Revenue Fund, Fund No. 250, Health Department, Division 50-01, OCA 503219, Object Level One 03, Object Level Three 3337.

SECTION 3. That the provisions of Sections 329.13 and 329.14 of the Columbus City Code are hereby waived.

SECTION 4. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 5. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 6. That this ordinance shall take effect and be in force from and after the earliest period allowed by law. That for the reasons stated in the preamble hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.
The purpose of this legislation is to authorize the Director of Public Utilities to enter into a professional services contract with Stantec Consulting Services, Inc. for Geographic Information System (GIS) Sewer Lateral Data Conversion Services for the Division of Sewerage and Drainage. The intent of this project is to use existing sewer permits to create a Sewer Lateral layer for the GIS which will provide more analytical capabilities of the GIS as well as create a more efficient method for displaying the sewer permits via the GIS which is not currently available. This project supports the directives of the Department of Public Utilities' (DPU) Technology Master Plan dated August 2004.

Due to the fact that the Division of Sewerage and Drainage does not have sufficient personnel to perform this project in a timely manner, the Department of Public Utilities advertised Request for Proposals (RFP's) for the subject services in the City Bulletin in accordance with the provisions of Section 329.14, Columbus City Codes, 1959. Two hundred eighty-three (283) vendors (12 MBR, 16 M1A, 1 HL1, 12 F1, 9 AS1 and 233 MAJ) were solicited (SA005022), and two (2) proposals (2 MAJ) were received and opened on August 2, 2013. The evaluation and final ranking of the firms was based upon the criteria specified in the RFP.

Based on the evaluation of the proposals received, Stantec Consulting Services, Inc. was selected. The project duration is currently estimated at 18 months.

**SUPPLIER:** Stantec Consulting Services, Inc. ([11-2167170](tel:11-2167170)), Expires December 21, 2013

Stantec Consulting Services, Inc. does not hold MBE/FBE status.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

**FISCAL IMPACT:** $600,000.00 is budgeted and needed for this purchase.

$0.00 was spent in 2012
$0.00 was spent in 2011

To authorize the Director of Public Utilities to enter into a professional services contract with Stantec Consulting Services, Inc. for Geographic Information System (GIS) Sewer Lateral Data Conversion Services for the Department of Public Utilities, and to authorize the expenditure of $600,000.00 from the Sewer System Operating Fund. ($600,000.00)

**WHEREAS,** the Department of Public Utilities has a need to enter into a professional services contract for Geographic Information System (GIS) Sewer Lateral Data Conversion Services for the Division of Sewerage and Drainage, and

**WHEREAS,** the intent of this project is to use existing sewer permits to create a Sewer Lateral layer for the
GIS which will provide more analytical capabilities of the GIS as well as create a more efficient method for displaying the sewer permits via the GIS which is not currently available, and

WHEREAS, this project supports the directives of the Department of Public Utilities' (DPU) Technology Master Plan dated August 2004, and

WHEREAS, the Division of Sewerage and Drainage does not have sufficient personnel to perform this project in a timely manner, therefore, making it necessary to obtain the services of consulting engineers, and

WHEREAS, the procurement was conducted in accordance with the Request for Proposals (RFP) process set forth in Section 329.14, Columbus City Codes, 1959, and

WHEREAS, two proposals were received and reviewed by the Department of Public Utilities on August 2, 2013, Solicitation SA005022, for Geographic Information System (GIS) Sewer Lateral Data Conversion Services. The evaluation and final ranking of the firms was based upon the criteria specified in the RFP, and

WHEREAS, based on the evaluation of the proposals received, Stantec Consulting Services, Inc. was selected, and

WHEREAS, the Department of Public Utilities, Division of Sewerage and Drainage, hereby requests this City Council to authorize the Director of Public Utilities to enter into an agreement for professional services with Stantec Consulting Services, Inc. for the Geographic Information System (GIS) Sewer Lateral Data Conversion Services contract; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities be, and hereby is authorized to enter into a professional services contract with Stantec Consulting Services, Inc., for Geographic Information System (GIS) Sewer Lateral Data Conversion Services, in accordance with the terms and conditions as shown in the agreement on file in the office of the Division of Sewerage and Drainage.

SECTION 2. That said firm shall conduct the work to the satisfaction of the Director of Public Utilities and the Administrator of the Division of Sewerage and Drainage.

SECTION 3. That the expenditure of $600,000.00 or so much thereof as may be needed, be and the same hereby is authorized from the Sewer System Operating Fund, Fund 650, Department 60-05, to pay the cost of this contract as follows:

OCA: 605077
Object Level 1: 03
Object Level 03: 3336

SECTION 4. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 5. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.
1. **BACKGROUND:** This Ordinance authorizes the Director of Public Utilities to modify and increase the agreement with ARCADIS US, Inc. for General Engineering Services - Water Supply Group, for the Division of Water Contract No. 1000.

The original agreement was set up as a “blanket” type agreement for professional engineering services to augment existing engineering personnel within the Water Technical Support Section, on an as-authorized, as-needed basis. Tasks performed under the original agreement can be found in the attached Information form.

The original legislation stated that the Division anticipated requesting modifications to the agreement for the 2013 and 2014 fiscal periods to fulfill its needs for these services.

This current modification (No. 1) will include the following services needed for 2014:
1. Provide two tabletop exercises for the Unified Emergency Response Plan.
2. Recertify Hap Cremean Water Plant (HCWP), Parsons Avenue Water Plant (PAWP) and Hoover Reservoir SPCC plans as needed.
3. Provide engineering services during construction for Griggs Maintenance Facility Sewer Lateral replacement project.
4. Provide engineering services during construction for PAWP Collector Well 103 drain outfall project.
5. Complete design and provide engineering services during construction for the HCWP Alum Feed System Upgrade project.
6. Complete design and provide engineering services during construction for the elimination of a failed auto transfer switch.
7. Complete PAWP property line survey and install markers.
8. Provide additional professional services as deemed necessary that arise during the contracting period.

1.1 **Amount of additional funds to be expended:** $500,000.00

| Original Contract Amount: | $ 700,000.00 (EL012602) |
| Modification No. 1 (current): | $ 500,000.00 |
| Modification No. 2 (future): | $ 500,000.00 |
| Total (Orig. + Mods 1-2) | $1,700,000.00 |

1.2 **Reasons additional goods/services could not be foreseen:**
This is a planned modification as indicated in the original authorizing legislation, Ordinance No. 0079-2012.

1.3 **Reason other procurement processes are not used:**
The original professional services agreement was bid out and planned for a total of 3 annual agreements (1 original agreement and two modifications). This is the first modification.

1.4 **How cost of modification was determined:**
This cost was the budgeted amount in the 2013-2019 Capital Improvement Plan.
2. ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT
DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT: The tasks
performed under Modification No. 1 will assist the Water Supply Group to provide an adequate and safe
supply of drinking water which is essential to economic growth and development. ARCADIS US, Inc. has a
corporate philosophy of environmental conservation and sustainable business practices and they are directed to
incorporate sustainability considerations into their projects and offer consulting services which increase the
Division’s environmental responsibility and sustainable operations. At this time no community outreach or
input is anticipated.

3. FUTURE MODIFICATION: This agreement will be modified a second time for professional services
needed in 2015. The modification will be legislated in 2014.

4. CONTRACT COMPLIANCE INFO: 57-0373224, expires 7/10/15 Majority
Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) produced no
findings against ARCADIS US, Inc.

($500,000.00)

WHEREAS, Contract No. EL012602 was authorized by Ordinance No. 0079-2012, passed February 27, 2012,
was executed on March 27, 2012, and approved by the City Attorney on April 4, 2012; and

WHEREAS, Modification #1 is needed to provide professional engineering services for 2014 for the Water
Supply Group; and

WHEREAS, it is necessary for this Council to authorize the City Auditor to expend funds within the Water
Works Enlargement Voted Bonds Fund; and

WHEREAS, it has become necessary in the usual daily operation of the Department of Public Utilities,
Division of Water, to authorize the Director of Public Utilities to modify and increase the agreement with
ARCADIS US, Inc., for the General Engineering Services - Water Supply Group, for the preservation of the
public health, peace, property, safety and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities is hereby authorized and directed to modify and increase
the agreement with ARCADIS US, Inc. for the General Engineering Services - Water Supply Group, in the
amount of $500,000.00.

SECTION 2. That this contract modification is in compliance with Section 329.16 of Columbus City Codes,
1959.

SECTION 3. That an expenditure up to $500,000.00 is hereby authorized for the General Engineering
SECTION 4. That the funds necessary to carry out the purpose of this Ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 5. That the City Auditor is hereby authorized and directed to transfer any unencumbered balance in the project account to the unallocated balance within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies no longer required for said project; except that no transfer shall be made from a project account by monies from more than one source.

SECTION 6. That the City Auditor is authorized to establish proper project accounting numbers as appropriate.

SECTION 7. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this Ordinance.

SECTION 8. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

BACKGROUND: This legislation authorizes the Director of Finance and Management to enter into a contract with Ted Baker and Associates for the purchase of Sanitaire Aeration Equipment for the Division of Sewerage and Drainage. The equipment will be used in conjunction with existing equipment at the Jackson Pike Wastewater Treatment Plant to aerate the mixed liquor channel.

This purchase will increase the efficiency of the equipment by lowering bacteria counts and increasing the amount of sediment to fall out at the proper stage. This will also reduce chemical usage and help the plant to remain in compliance with EPA regulations.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation SA005130). Ninety-One (91) vendors (87 MAJ, 2MBR, 2 F1) were solicited and two (2) bids (2 MAJ) were received and opened on October 17, 2013. Environmental Dynamics International (EDI) submitted the lowest bid; however the bid is non-responsive to the bid specifications. The Purchasing Office verified with the company, that the bid was for an alternate manufacturer, which was not noted in their proposal as required in Section 3.1.3.1. The second lowest bid was Ted Baker & Associates at $29,340.00, and met our specifications. Therefore, the Division of Sewerage and Drainage recommends an award go to Ted Baker & Associates as the lowest, responsive, responsible, and best bidder to meet our specifications. This award is for Sanitaire Aeration Equipment to include Items 1 - 8. The total award will be for $29,340.00.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

**FISCAL IMPACT:** $29,340.00 is budgeted for this purchase. There were no similar purchases in 2011 or 2012.

To authorize the Director of Finance and Management to enter into a contract with Ted Baker and Associates for the purchase of Sanitaire Aeration Equipment for the Division of Sewerage and Drainage and to authorize the expenditure of $29,340.00 from the Sewerage System Operating Fund. ($29,340.00)

**WHEREAS,** Sanitaire Aeration Equipment will be used in conjunction with existing equipment by the Division of Sewerage and Drainage at the Jackson Pike Wastewater Treatment Plant to aerate the mixed liquor channel; and

**WHEREAS,** the Purchasing Office opened formal bids on October 17, 2013 for the purchase of Sanitaire Aeration Equipment for the Division of Sewerage and Drainage; and

**WHEREAS,** Environmental Dynamics International (EDI) submitted the lowest bid; however the bid is non-responsive to the bid specifications; and

**WHEREAS,** the Division of Sewerage and Drainage recommends an award to be made to the lowest, responsive and responsible bidder, Ted Baker and Associates; and

**WHEREAS,** a contract will be issued by the Purchasing Office in accordance with the terms, conditions and specifications of Solicitation Number: SA005130 on file in the Purchasing Office, for the preservation of public health, peace, property and safety; now therefore,

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Director of Finance and Management be and is hereby authorized to establish a contract with Ted Baker and Associates for the purchase of Sanitaire Aeration Equipment for the Division of Sewerage and Drainage, in accordance with specifications on file in the Purchasing Office.

**SECTION 2.** That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

**SECTION 3.** That the expenditure of $29,340.00 much thereof as may be needed is hereby authorized from Sewerage Operating Fund 650, Department 60-05, OCA Code 604819, Object Level One 06, Object Level Three 6624, to pay the cost thereof.

**SECTION 4.** That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

**Version:** 1

**Matter Type:** Ordinance
1. BACKGROUND: This legislation authorizes the Director of Public Utilities to enter into a construction contract with Conie Construction Co. for the 2014 Water Main Repairs Project, Division of Water Contract Number 2071.

This project will provide labor and equipment to complete emergency repairs within the water distribution system when the work load exceeds the ability or capacity of the Water Distribution section.

2. ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT: This contract will provide assistance to our water line maintenance crews in completing water main break repairs in a timely matter should severe weather related breaks exceed our normal maintenance capacities.

3. CONSTRUCTION CONTRACT AWARD: The Director of Public Utilities publicly opened three bids on October 23, 2013. Bids were received from: Conie Construction Co. - $552,700.50; John Eramo & Sons, Inc. - $704,797.50; and Darby Creek Excavating, Inc. - $1,224,740.00*.

*Darby Creek Excavating’s original bid amount was 898,040.00 but a lump sum error caused a higher than normal bid amount.

The lowest, responsive, responsible, and best bid was from Conie Construction Co. in the amount of $552,700.50 Their Contract Compliance Number is 31-0800904 (10/9/14, Majority).

Additional information regarding all bidders, description of work, contract time frame and detailed amounts can be found on the attached Information form.

4. FISCAL IMPACT: A transfer of funds within the Water Works Enlargement Voted Bonds Fund will be necessary, as well as an amendment to the 2013 Capital Improvements Budget.

To authorize the Director of Public Utilities to enter into a construction contract with Conie Construction Co. for the 2014 Water Main Repairs Project; for the Division of Water; to authorize a transfer and expenditure up to $552,700.50 within the Water Works Enlargement Voted Bonds Fund; and to amend the 2013 Capital Improvements Budget. ($552,700.50)

WHEREAS, three bids for the 2014 Water Main Repairs Project were received and publicly opened in the offices of the Director of Public Utilities on October 23, 2013; and

WHEREAS, this project will provide labor and equipment to complete emergency repairs within the water distribution system when the work load exceeds the ability or capacity of the Water Distribution section; and

WHEREAS, the lowest, best, most responsive, and responsible bid was from Conie Construction Co. in the amount of $552,700.50; and

WHEREAS, it is necessary to authorize the Director of the Department of Public Utilities to award and execute a construction contract for the 2014 Water Main Repairs Project with Conie Construction Co.; and

WHEREAS, it is necessary for this Council to authorize a transfer and expenditure of funds within the Water Works Enlargement Voted Bonds Fund, for the Division of Water; and

WHEREAS, it is necessary to authorize an amendment to the 2013 Capital Improvements Budget for the
purpose of providing sufficient spending authority for the aforementioned project expenditure; and

WHEREAS, it has become necessary in the usual daily operation of the Division of Water, Department of Public Utilities, to authorize the Director of Public Utilities to enter into a construction contract with Conie Construction Co. for the 2014 Water Main Repairs Project, for the preservation of the public health, peace, property and safety; now therefore,

That the City Auditor is hereby authorized and directed to transfer any unencumbered balance in the project account to the unallocated balance within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies no longer required for said project; except that no transfer shall be made from a project account by monies from more than one source.

SECTION 7. That the City Auditor is authorized to establish proper project accounting numbers as appropriate.

SECTION 8. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this Ordinance.

SECTION 9. That the funds necessary to carry out the purpose of this Ordinance are hereby deemed
appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 10. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

The purpose of this legislation is to authorize the Director of Public Utilities to modify the contract with Stantec Consulting Services, Inc. for professional engineering services for the NPDES Stormwater Permit Wet Weather Monitoring Project for the Division of Sewerage and Drainage, Stormwater and Regulatory Management Section. The City's Stormwater NPDES permit requires the City to monitor discharges from its municipal separate storm sewer system (MS4) during wet weather events. The permit specifically requires the City to monitor wet weather discharges from three city outfalls once each quarter. Monitoring services performed under this project will allow the City to meet its permit obligations.

The Director of Public Utilities accepted proposals on May 25, 2012, two (2) proposals were received. The City's latest Stormwater NPDES permit, issued by Ohio EPA, became effective on May 1, 2012. The permit requires that storm water outfall monitoring tasks associated with this project be initiated six (6) months from the effective date of the permit and continue throughout the permit monitoring and reporting period (2013-2018). The Division entered into contract with Stantec Consulting Services, Inc. for the entire scope of services and associated project implementation for the entire 5-year permit term. The contract language allowed for the request of future additional budget appropriations for this contract through future contract modifications, based on funding availability, to cover the total overall cost of this project throughout the 2013-2018 contract period. The contract period for this modification is through March 12, 2015. All terms and conditions of the original agreement remain in full force and effect.

SUPPLIER: Stantec Consulting Services, Inc. 11-2167170 Expires December 21, 2013

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

1. **Amount of additional funds**: Total amount of additional funds needed for this contract modification No. 1 is $200,000.00. Total contract amount including this modification is $450,000.00.

2. **Reason additional funds were not foreseen**: The need for additional funding was known at the time of the initial contract, as this is an annual expenditure. This legislation is to encumber the funds budgeted for fiscal year 2013 for the Division of Sewerage and Drainage, Stormwater and Regulatory Management Section.

3. **Reason other procurement processes not used**: Work under this modification is a continuation of services included in the scope of the original bid contract. No lower pricing/more attractive terms and conditions are anticipated at this time.
4. **How cost was determined:** The cost, terms and conditions are in accordance with the original agreement.

**FISCAL IMPACT:** $200,000.00 is budgeted and needed for this purchase.

$218,890.95 was spent in 2012  
$153,192.19 was spent in 2011

To authorize the Director of Public Utilities to enter into a planned modification of the contract with Stantec Consulting Services, Inc. for professional engineering services for the NPDES Stormwater Permit Wet Weather Monitoring Project for the Division of Sewerage and Drainage, Stormwater and Regulatory Management Section, and to authorize the expenditure of $200,000.00 from the Storm Water System Operating Fund. ($200,000.00)

**WHEREAS,** the City's latest Stormwater NPDES permit, issued by Ohio EPA, became effective on May 1, 2012. The permit requires that storm water outfall monitoring tasks associated with this project be initiated six (6) months from the effective date of the permit and continue throughout the permit monitoring and reporting period (2013-2018), and

**WHEREAS,** the Director of Public Utilities accepted proposals on May 25, 2012, two (2) proposals were received, and

**WHEREAS,** based on the evaluation of the proposals, the Division of Sewerage and Drainage, Stormwater and Regulatory Management Section selected the best proposal submitted by Stantec Consulting Services, Inc. for the entire scope of services and associated project implementation, and

**WHEREAS,** the results of this project will attempt to characterize the seasonal types and levels of chemical constituents that are discharged from the City's storm sewer system, and

**WHEREAS,** the contract language allows for contract modifications to provide additional funding in fiscal years 2013 and 2014, and

**WHEREAS,** it has become necessary in the usual daily operation of the Department of Public Utilities, Division of Sewerage and Drainage, to authorize the Director of Public Utilities to modify and increase the contract for professional engineering services, for the NPDES Stormwater Permit Wet Weather Monitoring Project, for the immediate preservation of the public health, peace, property and safety; now, therefore

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Director of Public Utilities be and is hereby authorized to modify and increase EL013908 with Stantec Consulting Services, Inc., to provide the necessary funding for the contract period through and including February 12, 2015. Total amount of additional funds needed for this contract modification No. 1 is ADD $200,000.00. Total contract amount including this modification is $450,000.00.

**SECTION 2.** That this modification is in accordance with Section 329.16 of the Columbus City Codes.
SECTION 3. That the expenditure of $200,000.00 or so much thereof as may be needed, be and the same hereby is authorized from the Storm Water System Operating Fund, Fund 675, Department 60-15, to pay the cost of this contract as follows:

OCA: 675002
Object Level 1: 03
Object Level 03: 3339

SECTION 4. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 5. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

Rezoning Application Z12-044

APPLICANT: Lennox Town Plaza LLC; c/o Jeffrey L. Brown, Atty.; Smith and Hale LLC; 37 West Broad Street, Suite 725; Columbus, OH 43215.

PROPOSED USE: Mixed commercial development.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on October 10, 2013.

CITY DEPARTMENTS’ RECOMMENDATION: Approval. The site is comprised of two separate parcels developed with a camping supply store and a second-hand store currently zoned in the R, Rural District as a result of a September 2012 annexation from Clinton Township. The requested CPD, Commercial Planned Development District will allow mixed-commercial development. The CPD text commits to a site plan, and includes use restrictions and variances for reduced setbacks, a decreased width for headlight screening planting area, and a reduction of thirty-five required parking spaces. Since the site abuts property that is within the Olentangy River Road Community Commercial Overlay (CCO) which allows parking reductions for certain commercial uses, Staff is supportive of the proposed parking variance. The requested CPD, Commercial Planned Development District will allow commercial redevelopment that is consistent with the zoning and development pattern of the area.

To rezone 753 CHAMBERS ROAD (43212), being 0.6± acres located on the south side of Chambers Road, 170± feet west of Olentangy River Road, From: R, Rural District, To: CPD, Commercial Planned Development District (Rezoning # Z12-044).
WHEREAS, application #Z12-044 is on file with the Department of Building and Zoning Services requesting rezoning of 0.6± acres from R, Rural District, to CPD, Commercial Planned Development District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because requested CPD, Commercial Planned Development District will allow commercial redevelopment that is consistent with the zoning and development pattern of the area; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Official Zoning Map of the City of Columbus, as adopted by Ordinance No. 0179-03, passed February 24, 2003, and as subsequently amended, is hereby revised by changing the zoning of the property as follows:

753 CHAMBERS ROAD (43212), being 0.6± acres located on the south side of Chambers Road, 170± feet west of Olentangy River Road, and being more particularly described as follows:

Situated in the State of Ohio, County of Franklin, and the City of Columbus:

Being Lot numbers Twenty-Five (25), Twenty-Six (26), Twenty-Seven (27) and Twenty-Eight (28) of JOSEPH BERGER'S SUBDIVISION, as the same are numbered and delineated upon the recorded plat thereof, of record in Plat Book 4, page 220, Recorder's Office, Franklin County, Ohio.

Property Address: 747 and 755 Chambers Road, Columbus, Ohio 43212
Parcel Numbers: 420-291760 & 420-291759 (formerly 130-003304 & 130-000810)

To Rezone From: R, Rural District
To: CPD, Commercial Planned Development District

SECTION 2. That a Height District of thirty-five (35) feet is hereby established on the CPD, Commercial Planned Development District on this property.

SECTION 3. That the Director of the Department of Building and Zoning Services be, and is hereby authorized and directed to make the said change on the said original zoning map and shall register a copy of the approved CPD, Commercial Planned Development District and Application among the records of the Department of Building and Zoning Services as required by Section 3311.12 of the Columbus City Codes; said plan being titled, "SITE PLAN," signed by Jeffrey L. Brown, Attorney for the Applicant, dated November 21, 2013, and text titled, "CPD TEXT," both signed by Jeffrey L. Brown, Attorney for the Applicant, dated October 29, 2013, and the text reading as follows:

CPD TEXT

PROPOSED DISTRICTS: CPD, Commercial Planned Development
PROPERTY ADDRESS: 753 Chambers Road
OWNER: Lennox Town Plaza LLC
APPLICANT: Lennox Town Plaza LLC
1. INTRODUCTION: The property has been recently annexed the property to the City of Columbus. The proposed commercial zoning would match the development pattern in the area.

2. PERMITTED USES: The permitted uses for the subject site shall be those uses permitted in Chapter 3356 of C-4, Commercial of the Columbus City Code. The maximum size of any one restaurant shall not exceed 3,000 sq. ft. Any patio area shall not be included in determining this square footage maximum.

3. DEVELOPMENT STANDARDS: Unless otherwise indicated in this text the applicable development standards are contained in Chapter 3356 C-4, Commercial of the Columbus City Code.

A. Density, Height, Lot and/or Setback Requirements

Building and parking setbacks along Chambers Road shall be zero, the parking setback along the alley to the east shall be a minimum of 3 feet and the parking setback along the alley to the south shall be a minimum of 2 feet.

B. Building Design and/or Interior-Exterior Treatment Commitments N/A

C. Graphics

All graphics and signage shall comply with the Graphics Code, Article 15, Title 33 of the Columbus City Code as it applies to the C-4 District and any variance to those requirements will be submitted to the Columbus Graphics Commission for consideration.

D. Miscellaneous

1. Variances.

   a) Section 3312.27 Parking Setback Line: to reduce the parking setback along Chambers Road (10 to 0 ft); along the alley to the east (10 to 3 feet) and along the alley to the south (10 to 2 feet).

   b) Sections 3312.21(B)(3) and 3312.2(D)(1) Landscaping and Screening: to reduce the width of the landscape screening from 4 feet to zero along Chambers Road, from 4 to 2 feet along the alley to the south from 4 to 3 feet along the alley to the east and from 4 to zero along the west property line.

   c) Section 3312.49 Minimum number of parking spaces required; to reduce the number of parking spaces from 81 to 46. If you apply the commercial overlay parking ratio which seems appropriate due to the site's location, the reduction in parking would be from 55 to 46 parking spaces.

   d) Section 3356.11 C-4 district setback lines: to reduce the building setback along Chambers Road from 25 feet to zero.

2. Site Plan

The subject shall be in accordance with the site plan. The site plan may be slightly adjusted to reflect engineering, topographical or other site data developed at the time that development and engineering plans are
completed. Any slight adjustment to the site plan shall be reviewed and may be approved by the Director of the Department of Building and Zoning Services, or a designee, upon submission of the appropriate data regarding the proposed adjustment.

3. Based on applying the overlay parking reduction calculation, the parking variance is from 55 to 46 parking spaces, a difference of 9 spaces for the proposed development. The allocation of square footages and the mixture of uses as shown on the site plan for the proposed development may change so long as there is no increase in the parking variance. For example, if you wanted to increase the restaurant total square footage from 3,850 sq. ft. to 4,000 sq. ft., you would have a smaller retail square footage from 2,500 sq. ft. to 2,350 sq. ft., and the patio would have to be reduced from 500 sq. ft. to 300 sq. ft. to keep the minimum parking at 55 parking spaces before the variance reduction to 46 parking spaces.

4. CPD Criteria.

a) Natural Environment. The site is currently developed with two retail buildings.

b) Activities. The proposed development will provide commercial options for the surrounding commercial and residential neighborhoods.

c) Behavior Patterns. Existing development in the area (ie Lennox Center) have established vehicular and pedestrian patterns for the area.

d) Circulation. The site will have access to Chambers Road and to the alley east of the site.

e) Form of the Environment. The proposed development will be compatible to the existing commercial development in the area.

f) Emission. The site will not have negative effects on emission levels of light, sound, smell and dust.

SECTION 4. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

Council Variance Application: CV13-036

APPLICANT: Peter and Jill Dole; c/o David Hodge, Atty.; Smith & Hale LLC; 37 W. Broad St., Suite 725; Columbus, OH 43215.

PROPOSED USE: Boarding house.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The requested Council variance will allow an existing single-family dwelling and carriage house to be used as a boarding house with living quarters for the owners in the RR, Rural Residential District. The site is developed with an estate home and carriage house as approved by Ordinance No. 1396-96 (CV96-019). CV96-019 restricted the second dwelling (carriage house) be used for the exclusive use by residents of the principal structure and that the space not be leased to others.
The requested Council Variance is necessary because only multi-family residential zoning districts would permit this use and rezoning is not appropriate. Boarding houses are usually integrated into residential neighborhoods in order for patrons to experience the ambiance and charm that the neighborhood can offer. The boarding house will function as a low impact use that is residential in nature that should integrate well with surrounding residential uses.

To grant a Variance from the provisions of Section 3332.027, RR, Rural Residential District, of the Columbus City codes; for the property located at 5811 OLENTANGY RIVER ROAD (43235), to permit a boarding house in the RR, Rural Residential District (Council Variance # CV13-036).

**WHEREAS,** by application #CV13-036, the owner of the property at 5811 OLENTANGY RIVER ROAD (43235), is requesting a Variance to permit a boarding house in the RR, Rural Residential District; and

**WHEREAS,** Section 3332.027, RR, Rural Residential district, does not permit a boarding house use, while the applicant proposes to convert an existing single-unit dwelling and carriage house into a boarding house with living quarters for the owners; and

**WHEREAS,** this variance will allow a boarding house in the RR, Rural Residential District; and

**WHEREAS,** City Departments recommend approval because boarding houses are usually integrated into residential neighborhoods in order for patrons to experience the ambiance and charm that the neighborhood can offer. The boarding house will function as a low impact use that is residential in nature and should integrate well with surrounding residential uses; and

**WHEREAS,** said ordinance requires separate submission for all applicable permits and a Certificate of Occupancy for the proposed boarding house use; and

**WHEREAS,** said variance will not adversely affect the surrounding property or surrounding neighborhood; and

**WHEREAS,** the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

**WHEREAS,** the granting of said variance will alleviate the difficulties encountered by the owners of the property located at 5811 OLENTANGY RIVER ROAD (43235), in using said property as desired and; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That a variance from the provisions of Section 3332.027, RR, Rural Residential District, of the Columbus City codes; for the property located at 5811 OLENTANGY RIVER ROAD (43235), insofar as said section prohibits a boarding house; said property being more particularly described as follows:

**5811 OLENTANGY RIVER ROAD (43235),** being 3.9± acres located on the west side of Olentangy River
Road, 185± feet south of Greenridge Road, and being more particularly described as follows:

Situated in the State of Ohio, County of Franklin, City of Columbus, being in Lot 14, Section 3, Township 2, Range 18, United States Military Lands, and being 3.970 acres out of that original 13.985 acre tract of land as conveyed in a deed to Margaret W. Timmons, of record in Deed Book 1272, page 311 (all references to Deed Books and Plat Books are of record in the Recorder's Office, Franklin County, Ohio), and said 3.970 acres being more particularly described as follows:

Beginning at a P.K. nail in the centerline of Olentangy River Road (S.R. 315), said P.K. nail also being the northeast corner of that original 13.985 acre tract as conveyed in a deed to George W. Timmons and Son, Inc., of record in Deed Book 2950, page 253;

Thence S. 0 deg. 48' 07" E., with the centerline of Olentangy River Road (S.R. 315), a distance of 508.20 feet to a railroad spike;

Thence through the remainder of said original 13.985 acre tract, the following three (3) courses:

SECTION 2. That this ordinance is conditioned on and shall remain in effect only for so long as said property is used a boarding house.

SECTION 3. That this ordinance is further conditioned on the applicant obtaining all applicable permits and Certificate of Occupancy for the proposed boarding house.
SECTION 4. That this ordinance is further conditioned upon the maximum number of guest rooms being five (5), four guestrooms within the main estate home, and one (1) guestroom located within the carriage house.

SECTION 5. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

SECTION 6. That Ordinance No. 1396-96, passed on July 1, 1996, be and is hereby repealed.

BACKGROUND: This legislation authorizes the payment of $6,193.84 for vacation time and benefits which have accumulated in excess of the maximum amount established by the salary ordinance for various Fire Division personnel. The collective bargaining contract between the City and the Columbus Fire Fighters Local 67 IAFF requires that employees who are unable to take their vacation time due to unusual circumstances shall be paid for any vacation balances in excess of the maximums.

FISCAL IMPACT: Funds are available in the 2013 Division of Fire operating budget for these payments. The Division spent $11,952.83 in 2012, $29,034.70 in 2011, $23,071.57 in 2010 and $8,815.70 in 2009 for such payments.

To authorize the payment of $6,193.84 for vacation time and benefits which have accumulated in excess of the maximum amount established by salary ordinance for Fire Division personnel. ($6,193.84)

WHEREAS, various Fire Division personnel have requested payment for vacation that was unable to be taken due to unusual circumstances, and

WHEREAS, vacation leave balances have accumulated in excess of the amount established by the bargaining contract with the I.A.F.F. Local 67, and

WHEREAS, a situation exists in the usual daily operation of the Division of Fire, Department of Public Safety, in that monetary provision for vacation time due said personnel should be made for the reasons above; Now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That this Council determines that it is in the best interest of the City of Columbus to authorize the payment to various Fire Division personnel the appropriate amounts due for accrued vacation time that was not taken by no fault of their own, and which otherwise would be forfeited. Such expenditure is hereby authorized as follows: Fund 10; Division 30-04:

SECTION 2. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

The purpose of this legislation is to authorize the Director of Public Utilities to enter into a construction contract with Cyrus Concrete Construction, Inc. for the Southwesterly Composting Facility, Pad 2 Concrete Apron project. This work consists of providing a new concrete apron (+/- 12,000 sf base bid) including asphalt pavement and aggregate base removal, earth excavation, aggregate base placement and compaction, and concrete apron placement and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

The new concrete apron will replace the existing asphalt apron, which is in poor condition due to the heavy vehicle traffic it is subjected to. The concrete apron will provide a longer useful life, reducing the economic impact of more frequent replacement of an asphalt apron.

The Department of Public Utilities advertised Competitive Bids for the subject construction services in the City Bulletin in accordance with the provisions of Section 329.09, Columbus City Codes, 1959. One hundred forty-four (144) vendors (8 MBR, 11 M1A, 2 F1, 3 AS1 and 120 MAJ) were solicited (SA005134), and four (4) proposals (4 MAJ) were received and opened October 16, 2013.

The bids were reviewed and ranked by Chester Engineers utilizing the Bid Tab and Quality Factor Form evaluation process. After careful consideration, the Department recommends that Cyrus Concrete Construction, Inc. be awarded the construction contract as the lowest, best, responsive, and responsible bidder.

The bid amount and proposed award amount is $196,568.46, including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

WHEREAS, the Department of Public Utilities, Division of Sewerage and Drainage, hereby requests this City Council to authorize the Director of Public Utilities to enter into a construction contract for the Southwesterly Composting Facility, Pad 2 Concrete Apron project; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities be, and hereby is, authorized to enter into a construction contract with Cyrus Concrete Construction, Inc., 2322 Buttermilk Hill Road, Delaware, Ohio 43015, for the Southwesterly Composting Facility, Pad 2 Concrete Apron project in accordance with the terms and conditions as shown on the contract on file in the office of the Division of Sewerage and Drainage.
SECTION 2. That said company, Cyrus Concrete Construction, Inc., shall perform the work to the satisfaction of the Director of Public Utilities and the Administrator of the Division of Sewerage and Drainage.

SECTION 3. That the expenditure of $196,568.46 or so much thereof as may be needed, be and the same hereby is authorized from the Sewer System Operating Fund, Fund 650, Department 60-05, to pay the cost of this contract as follows:

OCA: 605899
Object Level 1: 03
Object Level 03: 3374

SECTION 4. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 5. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.

1. BACKGROUND: This legislation authorizes the Director of Public Utilities to enter into a construction contract with D & M Painting Corporation, in the amount of $256,245.00, for the Morse Road South 10 MG Ground Storage Tank Structural Improvements Project, Division of Water Contract Number 2033.

Through maintenance inspections it was found that the center rafters of this tank, as well as the drain piping in the altitude valve vault, were in need of repairs and rehabilitation. Furthermore overflow piping on this tank is being updated to meet current EPA standards. For these reasons it is necessary to have these structural items addressed under this contract. This contract will also include the installation of a mixing system in this tank to improve the water quality of the potable water that is discharged from this tank into our distribution system.

2. ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT: By completing this project, the Morse Road South 10 MG Ground Storage Tank will be structurally sound and continue to offer the necessary water and fire protection to this area. The improvements to this tank will also bring the city into compliance with the EPA for proper overflow piping. Lastly, by adding a mixing system to this tank we will be improving the water quality that is delivered to the community in this area.

3. CONSTRUCTION CONTRACT AWARD: The Director of Public Utilities publicly opened two bids on October 23, 2013 from D & M Painting Corporation - $256,245.00 (as corrected) and Horizon Bros. Painting - $1,843,050.00.

At the bid opening, D & M Painting’s total bid price was erroneously stated as $243,265.00. Upon review of
the bid, on item number four, D & M Painting did not multiply the unit price to reflect the required quantity of two units. The bid book states the City will tabulate bids from the unit prices and shall correct any errors in the bid total using the unit price. Once the unit price was applied correctly, D & M’s grand bid total increased by $12,980.00 and they are still the lowest bidder.

Additionally, D & M Painting originally submitted a proposal bond that contained a limitation on the amount to be paid to the City if D & M received the award but did not enter into a contract with us. This made their bid non-responsive, however, D & M Painting submitted a revised bond on the City’s form adhering to our required guidelines.

In order to allow the Department of Public Utilities to award to the lowest bidder notwithstanding the failure to initially submit an acceptable proposal bond and based on the City’s subsequent receipt of a revised bond that no longer limits compensation to the City, the Director of Public Utilities feels it is in the City's best interest to waive the provisions of competitive bidding so that the Division of Water can contract with D & M Painting Corporation and is asking for Columbus City Council approval of the waiver. The City Attorney's Office was consulted on this matter and supports this request.

D & M Painting Corporation's Contract Compliance Number is 25-1468027 (expires 1/18/15, Majority). Additional information regarding both bidders, description of work, contract time frame and detailed amounts can be found on the attached Information form.

Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) produced no findings against D & M Painting Corporation.

4. EMERGENCY DESIGNATION: It is requested that this Ordinance be handled in an emergency manner as these structural improvements must be completed before the tank is painted, currently scheduled for spring 2014. The work on this contract will be completed in 90 calendar days and work can be performed during winter months which will allow the work to be completed prior to the painting of the structure in the spring of 2014.

5. FISCAL IMPACT: A transfer of funds within the Water Works Enlargement Voted Bonds Fund will be necessary, as well as an amendment to the 2013 Capital Improvements Budget.

To authorize the Director of Public Utilities to execute a construction contract with D & M Painting Corporation for the Morse Road South Ground Storage Tank Structural Improvements Project; for the Division of Water; to authorize a transfer and expenditure up to $256,245.00 within the Water Works Enlargement Voted Bonds Fund; to amend the 2013 Capital Improvements Budget; to waive the provisions of competitive bidding; and to declare an emergency. ($256,245.00)

WHEREAS, two bids for the Morse Road South 10 MG Ground Storage Tank Structural Improvements Project were received and publicly opened in the offices of the Director of Public Utilities on October 23, 2013; and

WHEREAS, at the bid opening, D & M Painting’s total bid price was erroneously stated as $243,265.00 and upon further review, it was found that D & M Painting did not multiply the unit price to reflect the required quantity of two units, causing their grand total bid to increase by $12,980.00; and

WHEREAS, D & M Painting’s bid was originally deemed non-responsive as they submitted a proposal bond that contained a limitation on the amount to be paid to the City if D & M received the award but did not enter
into a contract with us; and

WHEREAS, D & M Painting subsequently submitted a revised bond that no longer limits compensation to the City; and

WHEREAS, in order to allow the Department of Public Utilities to award to the lowest bidder notwithstanding the failure to initially submit an acceptable proposal bond and based on the City’s subsequent receipt of a revised bond that no longer limits compensation to the City, the Director of Public Utilities believes it is in the City's best interest to waive the provisions of competitive bidding so that the Division of Water can contract with D & M Painting Corporation; and

WHEREAS, the City Attorney's office was consulted on both of these matters and supports this request; and

WHEREAS, it is necessary to authorize the Director of the Department of Public Utilities to award and execute a construction contract for the Morse Road South 10 MG Ground Storage Tank Structural Improvements Project to D & M Painting Corporation; and

WHEREAS, it is necessary for this Council to authorize the transfer and expenditure of funds within the Water Works Enlargement Voted Bonds Fund, for the Division of Water; and

WHEREAS, it is necessary to authorize an amendment to the 2013 Capital Improvements Budget for the purpose of providing sufficient spending authority for the aforementioned project expenditure; and

WHEREAS, an emergency exists in the usual daily operation of the Division of Water, Department of Public Utilities, in that it is immediately necessary to authorize the Director of Public Utilities to enter into a construction contract with D & M Painting Corporation, 1500 Amity Ridge Road, Washington, Pennsylvania, 15301; in the amount of $256,245.00; in accordance with the terms and conditions of the contract on file in the Office of the Division of Water.

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities be and hereby is authorized to award and execute a construction contract for the Morse Road South 10 MG Ground Storage Tank Structural Improvements Project with the lowest, best, responsible bidder, D & M Painting Corporation, 1500 Amity Ridge Road, Washington, Pennsylvania, 15301; in the amount of $256,245.00; in accordance with the terms and conditions of the contract on file in the Office of the Division of Water.

SECTION 2. That this Council finds it in the best interest of the City of Columbus to waive the provisions of Section 329.06 of the Columbus City Code, 1959, in order to contract for the Morse Road South 10 MG Ground Storage Tank Structural Improvements Project, and such provisions are hereby waived.

SECTION 3. That the City Auditor is hereby authorized to transfer $56,245.00 within the Department of Public Utilities, Division of Water, Water Works Enlargement Voted Bonds Fund, Fund No. 606, Dept/Div. No. 60-09, Object Level Three 6621, as follows:

SECTION 5. That the expenditure of $256,245.00 is hereby authorized for the Morse Road South 10 MG Ground Storage Tank Structural Improvements Project within the Water Works Enlargement Voted Bonds Fund, Fund No. 606, Dept.-Div. 60-09, Project No. 690473-100007 (New Funding), OCA 647307, OL3 6621.

SECTION 6. That said construction company shall conduct the work to the satisfaction of the Director of Public Utilities and the Administrator of the Division of Water.

SECTION 7. That the funds necessary to carry out the purpose of this Ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 8. That the City Auditor is hereby authorized and directed to transfer any unencumbered balance in the project account to the unallocated balance within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies no longer required for said project; except that no transfer shall be made from a project account by monies from more than one source.

SECTION 9. That the City Auditor is authorized to establish proper project accounting numbers as appropriate.

SECTION 10. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this Ordinance.

SECTION 11. That for reasons stated in the preamble hereto, which is hereby made a part hereof, this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This legislation authorizes the Director of Finance and Management to purchase aluminum and fiberglass light poles and aluminum bases to replenish stock for maintenance of the City’s street light distribution system and new residential street lighting programs.
The Purchasing Office advertised and solicited competitive bids for the purchase of aluminum and fiberglass light poles and aluminum bases for the Division of Power in accordance with Section 329.06 (SA005088). Sixty-eight (68) vendors were solicited: sixty-three (63) MAJ; three (3) MBR, one (1) M1A, and 1 (1) AS1. Five (5) MAJ were received and opened on September 5, 2013. The Division of Power recommends the award be made to Lightle Enterprises of Ohio, LLC, the lowest, responsive and best bidder for Items 1, 2, 3, 4, 6, 7, 8, 9, 10, 11 and 12 in the amount of $155,414.90 (see attached bid tabulation). Path Master, Inc. was low bidder on Items 1, 2 and 10; however they are not in compliance with Section 3.2.2. This section of the invitation to bid requires that alternates must be detailed with specifications attached to the bid. Path Master did not attach specifications to the bid, therefore they are non-responsive. Item 5 will not be awarded at this time and will be bid informally as needed.

This company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

**Contract Compliance:** Lightle Enterprises of Ohio, LLC, (MAJ) 20-8135704, expires 9/4/2015

**FISCAL IMPACT:** There is sufficient budget authority for the purchase of aluminum and fiberglass light poles and aluminum bases in the 2013 Electricity Operating Fund budget.

The Division of Power spent $59,380.50 in 2011.
The Division of Power spent $0.00 in 2012.

To authorize the Finance and Management Director to enter into a contract with Lightle Enterprises of Ohio, LLC in the amount of $155,414.90 for the purchase of aluminum and fiberglass light poles and aluminum bases for the Division of Power and to authorize the expenditure of $155,414.90 from the Electricity Operating Fund. ($155,414.90)

**WHEREAS,** the Department of Public Utilities, Division of Power has a need to purchase aluminum and fiberglass light poles and aluminum bases to replenish stock for maintenance of the City’s street light distribution system and new residential street lighting programs; and

**WHEREAS,** the Purchasing Office received and opened formal bids on September 5, 2013; and

**WHEREAS,** it is recommended that a contract be awarded to Lightle Enterprises of Ohio, LLC based upon the lowest, responsive, responsible and best bid; now, therefore,

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Finance and Management Director be and is hereby authorized to enter into a contract to purchase aluminum and fiberglass light poles and aluminum bases based upon the lowest, responsive, responsible and best bid received September 5, 2013, SA005088: Lightle Enterprises of Ohio, LLC in the amount of $155,414.90 for items 1, 2, 3, 4, 6, 7, 8, 9, 10, 11 and 12.

**SECTION 2.** That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

**SECTION 3.** That to pay the cost of the aforesaid purchase, the expenditure of $155,414.90 is hereby authorized from the Electricity Operating Fund 550, Division Number 60-07:
BACKGROUND: This legislation authorizes the City Attorney to enter into a contract with Squire Sanders (US) LLP to provide legal support for the Department of Public Utilities’ Blueprint Columbus Plan. The City Attorney and the Department of Public Utilities solicited requests for proposals from law firms pursuant to the requirements of city code section 329.14. The proposals were ranked pursuant to the criteria provided for in the RFP, and Porter Wright ranked first, while Squire Sanders (US) LLP ranked second. Pursuant to Ordinance No. 0225-2013, the City Attorney entered into a contract with Porter Wright Morris and Arthur for the initial phase of this work. Upon further evaluation of the proposals, it was determined that finalizing this project with the assistance of Squire Sanders (US) LLP would best meet the needs of the Department of Public Utilities.

Current plans to address the consent order from the Ohio EPA rely on gray infrastructure such as tunnels. In 2012 submitted a request to the Ohio EPA, which was approved, to address the overflows using more green infrastructure and eliminating other sources such as leaking laterals and downspout connections. This new approach is called Blue Print Columbus.

CONTRACT COMPLIANCE NO: 34-0648199 | MAJ | Exp. 11/20/2014

EMERGENCY DESIGNATION: Emergency designation is requested at this time so that there is not any interruption in legal support for this project.

FISCAL IMPACT: To authorize the expenditure of $215,000.00 from Sanitary Sewer General Obligation Bond Fund, Fund 664 and amend the 2013 Capital Improvement Budget.

To authorize the City Attorney to enter into a contract with Squire Sanders (US) LLP to provide legal support for the Department of Public Utilities’ Blueprint Columbus Plan, to authorize the expenditure of $215,000.00 from the Sanitary Sewer General Obligation Bond Fund, to amend the 2013 Capital Improvement Budget, and to declare an emergency. ($215,000.00)

WHEREAS, the Department of Public Utilities is under a mandate from Ohio EPA to eliminate sanitary sewer overflows and basement back-ups; and

WHEREAS, the Department previously submitted to Ohio EPA a plan to achieve the elimination of sewer overflows and basement back-ups, which plan was approved by Ohio EPA; and
WHEREAS, the currently approved plans relies exclusively on expensive tunnels and other gray infrastructure to address the overflows; and

WHEREAS, in 2012, the Department sought and received from Ohio EPA permission to investigate a new option, known as Blueprint Columbus; and

WHEREAS, Blueprint Columbus would mitigate sewer overflows and basement back-ups primarily by eliminating sources of clear water from sanitary sewers, such as leaking laterals, downspout connections, while also increasing green infrastructure to treat storm water which would be a benefit to the community; and

WHEREAS, Blueprint Columbus would require the Department to have access to private property to achieve the goal of eliminating clean water from the sanitary sewers, which raises certain legal issues; and

WHEREAS, the City Attorney and the Department of Public Utilities desire to obtain outside counsel to assist in investigating the issues raised by the Integrated Plan; and

WHEREAS, the City Attorney and the Department of Public Utilities solicited requests for proposals pursuant to the requirements of city code section 329.14, and the proposals were ranked pursuant to the criteria provided for in the RFP, and Porter Wright ranked first, while Squires Sanders ranked second; and

WHEREAS, pursuant to Ordinance No. 0225-2013, the City Attorney entered into a contract with Porter Wright Morris and Arthur for the initial phase of this work; and

WHEREAS, upon further evaluation of the proposals, it was determined that finalizing this project with the assistance of Squire Sanders (US) LLP would best meet the needs of the Department of Public Utilities for Blueprint Columbus; and

WHEREAS, it is necessary to authorize an expenditure of funds from the Sanitary Sewer General Obligation Bond Fund, Fund 664, in the amount of $215,000.00 for purposes of providing sufficient funding for the aforementioned project expenditure; and

WHEREAS, it is necessary to authorize an amendment to the 2013 Capital Improvements Budget for the purposes of providing sufficient funding and expenditure authority for the aforementioned project expenditures; and

WHEREAS, an emergency exists in the usual daily operations of the City in that it is immediately necessary for the City Attorney to enter into contract with Squire Sanders (US) LLP, for legal support relative to the Blue Print Columbus program so that there is not interruption in legal services for the public peace, property, health, safety and welfare of the city to enable the City Attorney to enter into the contract for such services to provide for timely assistance to the City; Now Therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the City Attorney be and hereby is authorized to enter into a contract on behalf of the Department of Public Utilities with Squire Sanders (US) LLP, 2000 Huntington Center, 41 South High Street, Columbus, Ohio 43215 for legal services pertaining to the Department of Public Utilities’ Blue Print Columbus program.
SECTION 2. That the 2013 Capital Improvements budget Ordinance No. 0645-2013 is hereby amended as follows, to provide sufficient budget authority for the project expenditures stated in the ordinance herein.

SECTION 3. That the Director of Public Utilities be and hereby is authorized to expend up to $215,000.00 from the Sanitary Sewer General Obligation Bond Fund into the Legal Assistance for Blueprint Columbus Project | Fund 664 | Div. 60-05 | Project 650004-100001 | 640401 | Object Level Three 6684.

SECTION 4. That the City Auditor is hereby authorized to transfer any unencumbered balance in the project account to the unallocated balance within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project; except that no transfer shall be made from a project by monies from more than one source.

SECTION 5. That the City Auditor is authorized to establish proper project accounting numbers as appropriate.

SECTION 6. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 7. That for reasons stated in the preamble hereto, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force and after its passage and approval by the Mayor or ten days after its passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This ordinance authorizes the Director of Public Safety, on behalf of the Division of Support Services, to enter into a contract with Motorola for backup maintenance service which is required to ensure continued operation of the Police and Fire 800 MHz Radio System Infrastructure starting January 1, 2014 through December 31, 2014. This agreement is being entered into under the Sole Source provision provided in Section 329.07 of the Columbus City Code. Motorola is the manufacturer of this proprietary system and all of the components. Motorola is the only known company that can provide the essential backup service 24 hours a day, seven days a week, for the systems because no other contractor will have access to the product information and it is only available directly from Motorola.

The City accepted the 800 MHz Radio System April 1, 1992. The new 800 MHz Infrastructure upgrade was funded by Federal Grant money, and was installed in 2006. This contract will provide backup field engineering support from Motorola for system failures, factory repair and exchange of high tech circuit board
failures, and will allow access to Motorola engineers on an around-the-clock basis. The contract covers depot level maintenance for all the fixed end components of the 800 MHz Radio Infrastructure System.

Bid Information: Motorola is the only known provider of the required services for the upkeep of the 800MHz Radio System.

Emergency Designation: Emergency designation is requested to ensure the continued operation and maintenance of the City's 800 MHz Radio System Infrastructure.

FISCAL IMPACT: This ordinance authorizes an expenditure of $60,403.07 with Motorola from the Support Services General Fund operating budget for maintenance services. The Support Services Division expended $57,181.68 in 2012 and $58,643.76 in 2013 for these same services. This expenditure was accounted for in the 2013 budget.

To authorize and direct the Director of Public Safety, on behalf of the Division of Support Services, to enter into a contract with Motorola for backup maintenance services required for continued operation of the Police and Fire 800 MHz Radio System Infrastructure in accordance with the sole source provisions of the Columbus City Codes; to authorize the expenditure of $60,403.07 from the General Fund; and to declare an emergency. ($60,403.07)

WHEREAS, the Division of Support Services is responsible for the Police and Fire communications systems; and

WHEREAS, the Division of Support Services has a need to enter into contract with Motorola for a Backup Service Maintenance Agreement for the Police and Fire 800 MHz Radio Infrastructure; and

WHEREAS, Motorola is the only known company that can provide essential backup service 24 hours a day, seven days a week, for these systems; and

WHEREAS, this contract is being entered into under the Sole Source Provision provided in Section 329.07 of the Columbus City Codes; and

WHEREAS, an emergency exists in the usual daily operations of the Department of Public Safety, Division of Support Services, in that it is immediately necessary to enter into contract to support the Police and Fire communications systems, thereby preserving the public peace, health, property, safety and welfare; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Safety be and is hereby authorized and directed to enter into a backup Service Maintenance Agreement with Motorola for the Police and Fire 800 MHz Radio Infrastructure System for the period of January 1, 2014 through December 31, 2014.

SECTION 2. That this agreement is made in accordance with the Sole Source provision of Section 329.07 of the Columbus City Code.

SECTION 3. That for the purpose stated in Section 1 hereof, the expenditure of $60,403.07, or so much thereof as may be needed, is hereby authorized from:

Div. 30-02 | fund: 010 | Obj. Level 1: 03 | Obj. Level 3: 3372 | OCA: 320104 | Amount: $60,403.07
SECTION 4. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This ordinance authorizes the Director of Public Utilities to enter into a contract with Advanced Control System (ACS) company for the upgraded hardware, software and services for the Division of Power. ACS PRISM SCADA system is in accordance with sole source provisions of Section 329.07 of the Columbus City Code. SCADA is the main controlling and monitoring system for the Division of Power electrical distribution system. ACS supplied our SCADA distribution system over 20 years ago and over the years various remote equipment has been installed in substations which communicates with ACS master units using ACS licensed protocol. The referenced products will be adding to or replacing components of the existing system that is manufactured by ACS, and that communicates their proprietary protocol ACS3000. The engineering services will be performed on site with additional administration support provided via the existing VPN through high-speed network access. The PRISM Server upgrade, along with the new revision of software, substantially expands and improves the functionality and performance of the SCADA system. No alternate product would be able to communicate with existing equipment; therefore, it would not be feasible or cost effective to solicit bids for this upgrade.

This company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

Advanced Control Systems is a majority owned business and their contract compliance number is 581224052. (Expires: 08/21/2015)

FISCAL IMPACT: There is sufficient budget authority in Object Level One: 06 for this purchase. There were no similar expenditures in 2011 or 2012.

To authorize the Director of Public Utilities to enter into a contract with Advanced Control Systems for the upgrade of the Division of Power ACS PRISM SCADA system under the provisions of Columbus City Codes for sole source procurement, and to authorize the expenditure not to exceed $27,572.00 from the Electricity Operating Fund. ($27,572.00)

WHEREAS, the Division of Power requires an upgrade of its electrical communication system known as "SCADA" for the division's electrical distribution system; and
WHEREAS, the SCADA system is critical to the daily operations of the Division of Power; and

WHEREAS, Advanced Control systems has a proprietary communication protocol system known as "ACS3000" and is the sole source for said upgrade, now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities be and is hereby authorized to enter into a contract with Advanced Control Systems for the upgrade of the Division of Power SCADA system in accordance with the sole source provisions of Section 329.07 of the Columbus City Code.

SECTION 2. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 3. That for the purposes stated in Section 1 hereof, the expenditure of the sum not to exceed $27,572.00, or so much thereof as may be needed, is hereby authorized and directed from Electricity Operating Fund, Fund No. 550, OCA 606798, Object Level One: 06, Object Level Three: 6649 to pay the cost thereof.

SECTION 4. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

This legislation authorizes the Director of Public Utilities to enter into a service agreement with Invensys Systems Inc. for the Maintenance Manager Service for the Foxboro I/A System in accordance with Section 329.07 of the Columbus City Code. The Jackson Pike Wastewater Treatment Plant utilizes this control system to monitor and provide control functions to the critical digester control area of the treatment plant. The agreement covers the period of one year through February 28, 2015.

This is critical to the operations of the Jackson Pike facility, as all sludge brought into the plant is processed through the digester system and the Foxboro I/A System monitors that process. Invensys Systems, Inc. is the manufacturer of the system and software developer of the Foxboro I/A System utilized at the Jackson Pike Wastewater Treatment Plant and is the only entity offering the necessary equipment, service and software for this type of equipment. Therefore, the Division desires to enter into a service agreement for maintenance and support with Invensys Systems, Inc., in accordance with the provisions of Columbus City Code Section 329.07 (Sole Source). This is for embedded systems. Quote dated November 6, 2013 is attached to this record.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

FISCAL IMPACT: The amount needed for this agreement is $39,522.00
$36,040.00 was spent in 2011
$36,767.00 was spent in 2012
$37,241.75 has been spent to date in 2013

To authorize the Director of Public Utilities to enter into a service agreement with Invensys Systems, Inc. for the Maintenance Manager Service Agreement for the Foxboro I/A System in accordance with the sole source provisions of the Columbus City Code; and to authorize the expenditure of $39,522.00 from the Sewerage System Operating Fund. ($39,522.00)

WHEREAS, the Jackson Pike Wastewater Treatment Plant established a Maintenance Manager Service Agreement for the Foxboro I/A System, which is necessary for the continued operation of critical plant systems; and

WHEREAS, the Division of Sewerage and Drainage uses this system to monitor and provide control of the digester control area of the Jackson Pike Wastewater Treatment Plant; and

WHEREAS, Invensys Systems, Inc., is the manufacturer and software developer and is the sole provider of the services for this process control program; and

WHEREAS, this ordinance is being submitted in accordance with the Sole Source provisions of Columbus City Code 1959, Section 329.07 (e); and

WHEREAS, the Division of Sewerage and Drainage wishes to enter into a service agreement for a period of one (1) year to and including February 28, 2015; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities be and is hereby authorized to enter into a service agreement with Invensys Systems, Inc., for the purchase of Maintenance Manager Service for the Foxboro I/A System in accordance with the Sole Source provisions of the Columbus City Code, for the Division of Sewerage and Drainage.

SECTION 2. That the expenditure of $39,522.00, or so much thereof as may be needed, be and the same hereby is authorized from the Sewerage System Operating Fund, Fund No. 650, as follows:

OCA: 605030
Object Level 1: 03
Object Level 3: 3369

SECTION 3. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 4. That this Council finds it in the best interest to enter into the agreement in accordance with the Sole Source provisions of Columbus City Code, Section 329.07 (e).

SECTION 5. That this Ordinance shall take effect and be in force from and after the earliest period allowed by law.
Background: This ordinance is a companion to Ordinances 2202-98, 0295-99, 1500-01, 0542-2005, 0581-2005, 1066-2011, and 1502-2012. These earlier ordinances authorized the reimbursement agreements and expenditures to date related to the Capital Improvement Project Development and Reimbursement Agreement for Nationwide Arena District. The maximum reimbursement under this agreement is $18,753,000.00 plus City inspection fees.

The agreement called for limitations on expenditures in three categories plus City inspection fees. The current status of these expenditures is:

- $16,610,000.00 authorized and expended for infrastructure (streets) completed in 2005.
- $143,000.00 authorized for a traffic study of which $127,051.68 has been expended and completed in 1999.
- An amount not to exceed $2,000,000.00 for land remediation within the District of which $1,377,280.16 has been expended. This ordinance will authorize the remaining $622,719.84 (as part of the $2,000,000.00) to be expended.
- The City also expended $934,641.20 for inspection fees.
- This ordinance does NOT change the amount of the original agreement.

Fiscal Impact: $622,719.84 will be authorized for transfer and expenditure for capital projects previously approved by Council. Monies for this expenditure will come from currently existing capital eligible funds.

To authorize the transfer and expenditure not to exceed $622,719.84 pursuant to the Capital Improvement Project Development and Reimbursement Agreement for the Nationwide Arena District previously authorized by Ordinance 2202-98. ($622,719.84)

WHEREAS, Council previously authorized the City's Director of Trade and Development to enter into the Capital Improvement Project Development and Reimbursement Agreement for Nationwide Arena District (the Agreement) via Ordinance No. 2202-98, and

WHEREAS, the Agreement calls for the City to expend/reimburse the maximum amounts, collectively not to exceed $16,610,000 for infrastructure; $2,000,000 for land remediation; and $143,000 for a traffic study; for a total of $18,753,000 plus City inspection fees, and

WHEREAS, authorizing Ordinances 2202-98, 0295-99, 1500-2001, 0542-2005, 0581-2005, 1066-2011, and 1502-2012 have preceded this ordinance, and now therefore,
BE IT ORDAINED BY THE COLUMBUS OF THE CITY OF COLUMBUS:

Section 15 of the Columbus City Charter requires that salaries for elected officials cannot be increased or diminished during the term for which the individual was elected. Therefore, it is proposed that the salaries for City Attorney, City Auditor, City Council Member, and City Council President be adjusted for the new terms as indicated herein.

Section 59 of the Columbus City Charter requires that in order to increase the salary of the Mayor, the salary must be changed at least one year prior to the beginning of a term, therefore, it is proposed that the salary for Mayor be adjusted for the new term beginning January 1, 2016.
These elected officials will be subject to pension pick-up reductions and insurance contribution increases just as all other employees covered by the Management Compensation Plan.

Emergency action is required to meet City Charter requirements.

**FISCAL IMPACT:** Funding will be included in prospective annual budgets.

To amend the Management Compensation Plan, Ordinance No. 1150-2007, as amended, by amending Sections 5(E)-C180, City Attorney (E); 5(E)-C185, City Auditor (E); 5(E)-C215, City Council Member; 5(E)-C220, City Council President; and 5(E)-M090, Mayor (E); and to declare an emergency.

**WHEREAS,** Section 15 of the Columbus City Charter requires that in order to adjust the salary for the City Attorney (E), City Auditor (E), City Council Member, and City Council President the adjustment in salary must be approved by City Council prior to the beginning of new elected terms to be affected thereby; and

**WHEREAS,** Section 59 of the Columbus City Charter requires that in order to adjust the salary for the Mayor the adjustment in salary must be approved by City Council at least one year prior to the beginning of a new term of Mayor to be affected thereby; and

**WHEREAS,** an emergency exists in the usual daily operation of the City in that it is immediately necessary to amend the Management Compensation Plan by authorizing a salary increase for City Attorney, City Auditor, City Council Member, City Council President and Mayor, thereby preserving the public health, peace, property, safety and welfare; Now, Therefore

1. BACKGROUND: This legislation authorizes the Director of Public Utilities to enter into a construction contract with Elford, Inc. for construction services for the Castle Road Pump Station Repair project. This construction project will replace the existing roof on this sanitary pump station. Building improvements are necessary because the station was not built with crane access to the two main sewerage pumps. Currently the pumps cannot be removed from the building for inspection or repair. Due to the structural design of the previous roof, a simple addition of a roof hatch is not possible. This work is necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

2. PROJECT TIMELINE: The work under this contract shall be completed in a manner acceptable to the City within 180 calendar days after the date of the Notice to Proceed.

3. PROCUREMENT: The Division advertised for competitive bid proposals on the City of Columbus's Vendor Services website and in the City Bulletin in accordance with the provisions of
Section 329.09 of Columbus City Codes. The Division of Sewerage and Drainage opened the responding bids on November 6th, 2013 from the following companies:

Three companies submitted bids. These bids were reviewed and ranked utilizing the Bid Tab and Quality Factor Form evaluation process. After careful consideration, the committee recommended that Elford, Inc. be awarded the construction contract for the Castle Road Pump Station Repair project.

The Engineer’s Estimate was $238,800.00

4. **EMERGENCY DESIGNATION:** An emergency designation is requested at this time to enable the project to commence at the earliest time.

5. **CONTRACT COMPLIANCE NO:** 31-4371060 | MAJ | Exp. 03/12/2015.

This company is not debarred according to the Federal Excluded Parties Listing or prohibited from being awarded a contract according to the Auditor of State's Unresolved Findings for recovery search.

6. **ECONOMIC / ENVIRONMENTAL IMPACT:** This construction project will replace the existing roof on this sanitary pump station. Building improvements are necessary because the station was not built with crane access to the two main sewerage pumps. Currently the pumps cannot be removed from the building for inspection or repair. Due to the structural design of the previous roof, a simple addition of a roof hatch is not possible.

7. **FISCAL IMPACT:** This legislation authorizes expenditure of up to $172,596.00 in funds from the Sanitary Sewer General Obligation Bond Fund, Fund 664.

To authorize the Director of Public Utilities to enter into a construction contract with Elford, Inc. for the Division of Sewerage and Drainage for the Castle Road Pump Station Repair project; to expend up to $172,596.00 in funds from the Sanitary Sewer General Obligation Bond Fund; and to declare an emergency. ($172,596.00)

**WHEREAS,** in accordance with the provisions of Section 329.09 of the Columbus City Codes, three bids were submitted and opened on November 6, 2013 at the office of the Director of Public Utilities; and

**WHEREAS,** the Division of Sewerage and Drainage reviewed and ranked each bid utilizing the Bid Tab and Quality Factor Form evaluation process. After careful consideration, it was recommended that Elford, Inc. be awarded the construction contract for the Castle Road Pump Station Repair project; and

**WHEREAS,** it is necessary for City Council to authorize expenditure of funds from the Sanitary Sewer General Obligation Bond Fund, Fund 664; and

**WHEREAS,** an emergency exists in the usual daily operations of the Divisions of Sewerage and Drainage, Department of Public Utilities, it is hereby requested that Council authorize the Director of Public Utilities to
enter into a construction contract with Elford, Inc. for the Castle Road Pump Station Repair project as soon as possible for the preservation of the public health, property, and safety; Now, Therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities be, and hereby is, authorized to enter into a construction contract with Elford, Inc., 1220 Dublin Road, Columbus, Ohio 43215, for the Castle Road Pump Station Repair project, in accordance with the terms and conditions as shown in the contract on file in the office of the Division of Sewerage and Drainage.

SECTION 3. That the said firm, Elford, Inc., shall perform the work to the satisfaction of the Director of Public Utilities and the Administrator of the Division of Sewerage and Drainage.

SECTION 4. That the City Auditor is hereby authorized to transfer any unencumbered balance in the project account to the unallocated balance within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 5. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 6. That the City Auditor is hereby authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 7. That for reasons stated in the preamble hereto, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force and after its passage and approval by the Mayor or ten days after its passage if the Mayor neither approves nor vetoes the same.
dispatch calls for Police only and transfer emergency services and Fire calls to the Fire Division. Upgrading the CAD system will enable Communications Technicians to assist in processing calls from the public for both Police and Fire services. The system dramatically aids the Communications Technicians and dispatchers by electronically moving pertinent data to the proper personnel over voice or data communications. CAD also stores data for record-keeping purposes. The Director of Public Safety contracted with Intergraph Corporation in March 2010 to replace the City's CAD system. This agreement is being entered into under the Sole Source provision provided in Section 329.07 of the Columbus City Code. Intergraph Corporation is the only known company that can perform the CAD upgrade due to their proprietary software.

**Contract Compliance:** Contract Compliance Number # 630573222 - Expires: June 12, 2014.

**Emergency Designation:** Emergency designation is requested to not only ensure the continued operation of the CAD System, but to allow Communications Technicians to manage calls-for-service to both Police and Fire simultaneously.

**FISCAL IMPACT:** This ordinance authorizes the expenditure of $39,708.00 from Public Safety's Capital Improvement Fund to enter into contract with Intergraph Corporation to upgrade the CAD System to enable Communications Technicians to manage 911 calls for service for both Police and Fire. It is also necessary to transfer funds and amend the 2013 Capital Improvement Budget (CIB) in order to properly align appropriations and cash with projected expenditure.

To amend the 2013 Capital Improvement Budget; to authorize the City Auditor to transfer funds between projects within the Department of Public Safety's Bond Fund; to authorize the Director of Public Safety to enter into a contract on behalf of the Division of Support Services, with Intergraph Corporation in accordance with the sole source provision of the Columbus City Code; to authorize the expenditure of $39,708.00 from the Public Safety's Capital Improvement Budget to upgrade the CAD system, and to declare an emergency, ($39,708.00).

**WHEREAS**, the Division of Support Services is responsible for the Police and Fire CAD system; and

**WHEREAS**, Intergraph Corporation is the current vendor of the CAD system, and provider of the maintenance and support of the CAD System; and

**WHEREAS**, this contract is being entered into under the Sole Source provision provided in Section 329.07 of the Columbus City Code; and

**WHEREAS**, an emergency exists in the usual daily operations of the Department of Public Safety, Division of Support Services, in that it is immediately necessary to enter into contract with Intergraph to upgrade the CAD system to enable Communications Technicians to manage 911 calls for service for both Police and Fire, thereby preserving the public peace, health, property, safety and welfare; now, therefore

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Director of Public Safety be and is hereby authorized and directed to enter into contract with Intergraph Corporation to upgrade the CAD system.
SECTION 2. That the 2013 Capital Improvement Budget is hereby amended as follows:

SECTION 6. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 7. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 8. That the City Auditor is authorized to transfer the unencumbered balance in a project account to the unallocated balance within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 9. That for the reasons stated in the preamble hereto, which is hereby made a part hereof; this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approves nor vetoes the same.
This legislation authorizes the Director of Public Utilities to modify an existing contract (EL014022) with GeoNexus Technologies, LLC for software upgrade services related to the integration of the Department of Public Utilities’ Geographic Information System (GIS) Dashboard and Oracle Work and Asset Management (WAM) software.

The Department of Public Utilities advertised Request for Proposals (RFPs) for the subject services in the City Bulletin in accordance with the provisions of Columbus City Code, Section 329.14 (SA004353). Four hundred one (401) vendors were solicited, including thirty five (35) minority and female owned businesses on April 21, 2012. One (1) proposal (MAJ) was received on May 18, 2012. The proposal was reviewed based on quality and feasibility. GeoNexus Technologies, LLC was determined to be qualified to provide the software and services for the GIS and WAM Integration Project, for which the Director of Public Utilities concurred. The recommended award amount for this one (1) year contract was $93,140.00. After implementation in 2013, it became apparent that an upgrade and an expansion of the integration software was necessary in order to assure data integrity between the two existing systems.

This modification will allow the upgrade of software that will synchronize the ESRI ArcGIS with the Oracle WAM software. Without this critical synchronization, the GIS and WAM systems will encounter data reliability issues. This software upgrade will ensure that GIS and WAM systems are aligned, providing a single consistent inventory of assets as data is modified in either system. Both existing software programs are integral to the daily operations of the Department of Public Utilities and the Division of Sewerage and Drainage. The GIS Dashboard provides spatial location information for DPU distribution assets. The Oracle WAM software provides work order management of those same distribution assets.

1. **Amount of additional funds:** The amount of additional funds needed is $120,000.00. The original contract (EL014022) was established for $93,140.00. This modification will ADD $120,000.00 for a total contract cost of $213,140.00. Annual maintenance fees of $16,000 will be due after the first year.

2. **Reason additional needs were not foreseen:** Only upon implementation of the original integration software in 2013 was it discovered that an additional upgrade was necessary to ensure data reliability between the two systems.

3. **Reason other procurement processes not used:** The base software is already in use within DPU and this upgrade is designed to complement and enhance the existing solution by synchronizing data across systems. No lower pricing/more attractive terms and conditions are anticipated at this time.

4. **How cost was determined:** The Department of Public Utilities and the vendor, GeoNexus Technologies, LLC, negotiated the cost of the upgrade.

**SUPPLIER:** GeoNexus Technologies, LLC (27-1138304), expires 8/1/2015 (MAJ)

The company is not debarred according to the Excluded Party Listing System of the Federal Government.

**FISCAL IMPACT:** $120,000.00 is needed and budgeted in the 2013 Public Utilities Budget.

Prior Year Expenditures from Sewerage System Operating Fund for this project.
To authorize the Director of Public Utilities to modify a contract with GeoNexus Technologies, LLC for software upgrade services for the Department of Public Utilities, to authorize the expenditure of $7,320.00 from the Electricity Operating Fund, $46,560.00 from the Water Operating Fund, $52,200.00 from the Sewerage Operating Fund, and $13,920.00 from the Stormwater Operating Fund. ($120,000.00)

WHEREAS, the Department of Public Utilities utilizes both GIS mapping and work order software for operation and maintenance of utility distribution assets; and

WHEREAS, the Department of Public Utilities requires both software systems to be integrated and synchronized for enhanced mapping and operational efficiency; and

WHEREAS, this software is the only off-the-shelf integration software which link both of DPU’s existing GIS and WAM software solutions; and

WHEREAS, upon implementation of the basic integration software it became apparent that a software upgrade was needed to fully utilize the features and functionality of the two software systems, it is necessary to upgrade the existing software; NOW THEREFORE

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities be and is hereby authorized to modify contract EL014022 with GeoNexus Technologies, LLC, for software upgrade services in accordance with the terms and conditions on file in the office of the Director of Public Utilities.

1. **BACKGROUND:** This legislation authorizes the Director of Public Utilities to enter into an engineering agreement with Black and Veatch, in the amount of $707,668.00 for professional engineering services for the Blueprint Columbus, Affordability Analysis Project for the Division of Sewerage and Drainage. Blueprint Columbus seeks to replace this strictly grey infrastructure reliance in the Wet Weather Management Program (WWMP) with greener infrastructure. Thus, a major portion of this project is a comparison between these two technological bases. The scope of work for this project evaluates existing/past affordability analyses and associated rate models, from a number of larger U.S. cities, including Columbus and building a rate model for current conditions. This model will then be used to evaluate the WWMP and Blueprint Columbus programs. The Team will aid in the derivation of the various programs; which is to be devised by other entities outside of this project. This is intended to be a multi-year contract with two or three annual modifications.

2. **PROJECT TIMELINES:** The Project task end dates are as follows: (Note: all City reviews and approvals are included)

   a. Proposals out 8-26-13 (Actual)
   b. Proposals received 9-30-13 (Actual)
   c. Contract Initiation (NTP) 8-26-11
   d. Modification 1 (Existing Evaluation & Model Development) 2-1-14
   e. Modification 2 (Model Refinement & Application) 2-1-15
   f. End (Final Reporting and Clean-up) 2-1-16

3. **PROCUREMENT INFORMATION:** The Division advertised Request for Proposals (RFP’s) for the subject services in the City Bulletin in accordance with the provisions of Section 329.14 of Columbus City Codes. The Division of Sewerage and Drainage received proposals on September 30, 2013 from the following companies:
4. Name C.C. No. / Exp  
City/State  TYPE  
Black and Veatch  43-1833073 / 09/30/2015  Kansas City, MO  MAJ  
CH2M Hill  32-0100027 / 01/07/2015  Columbus, OH  MAJ  

5. These proposals were reviewed and ranked by a Professional Engineering Services Selection Committee in order to determine the consultant best qualified to provide the services for this project. The committee ranked the proposals on quality and feasibility. After careful consideration, the committee recommended that Black and Veatch be selected to provide the engineering services for this project.

6. CONTRACT COMPLIANCE NO.: 43-1833073 | Expires: Expires: 09/30/2015 | MAJ  

7. EMERGENCY DESIGNATION: Emergency designation is requested at this time. Due to the deadline of the consent order and the modification to Blueprint Columbus, it is requested that this contract be submitted as emergency to maximize the effectiveness and timing in determining the impact of the City’s consent order.

8. ECONOMIC IMPACT: This project enables local and national experts to assess our proposed $2.5 to $4 billion wet weather program (WWMP) and provides opportunities for review and revision as required by the WWMP. The possible cost-savings impact is important. Acquiring a national expert, experienced in the process of doing this is essential to providing the maximum amount of protection to the environment with a minimal amount of cost to the rate payers.

9. FISCAL IMPACT: This ordinance authorizes the City Auditor the expenditure of $707,668.00 in funds from the Sanitary Sewer General Obligation Bond Fund, Fund 664.

To authorizes the Director of Public Utilities to enter into an engineering agreement with Black and Veatch for professional engineering services for the Blueprint Columbus, Affordability Analysis Project; to authorize the expenditure of $707,668.00 from the Sanitary Sewer General Obligation Bond Fund for the Division of Sewerage and Drainage, and declare an emergency. ($707,668.00)

WHEREAS, the Division of Sewerage and Drainage, Department of Public Utilities, hereby requests this City Council to authorize the Director of Public Utilities to enter into an agreement for professional engineering services with Black and Veatch, in the amount of $707,668.00 in order to provide engineering services for the Blueprint Columbus, Affordability Analysis Project; and

WHEREAS, the procurement was conducted in accordance with the Request For Proposals (RFP) process set forth in Section 329.14, Columbus City Codes: two proposals were received and the Division determined Black and Veatch was qualified to provide the services for this project; and

WHEREAS, a major portion of this project is a comparison between these two technological bases of grey infrastructure versus green infrastructure with cost analysis; and

WHEREAS, it is necessary to authorize the expenditure of $707,668.00 from the Sanitary Sewer General Obligation Bond Fund, Fund 664 for purposes of providing sufficient funding for the aforementioned project expenditure; and

WHEREAS, an emergency exists in the usual daily operations of the Divisions of Sewerage and Drainage,
Department of Public Utilities, it is hereby requested that Council authorize the Director of Public Utilities to enter into an engineering agreement with Black and Veatch Corporation for the Blueprint Columbus, Affordability Analysis Project as soon as possible for the preservation of the public health, property, and safety; Now Therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Utilities be, and hereby is, authorized to enter into an agreement for professional engineering services with Black and Veatch, 4016 Townsfair Way, Suite 200, Columbus, Ohio 43219, for the Blueprint Columbus, Affordability Analysis Project in accordance with the terms and conditions as shown in the agreement on file in the offices of the Divisions of Sewerage and Drainage.

SECTION 2. That the Director of Public Utilities is authorized to expend up to $707,668.00 from Fund 664, or as much thereof as may be needed, Obj. Lvl Three 6676 as follows:

SECTION 3. That the said engineering firm, Black and Veatch, shall perform the work to the satisfaction of the Director of Public Utilities and the Administrators of the Divisions of Sewerage and Drainage and Water.

SECTION 4. That the funds necessary to carry out the purpose of this Ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 5. That the City Auditor is hereby authorized and directed to transfer any unencumbered balance in the project account to the unallocated balance within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies no longer required for said project; except that no transfer shall be made from a project account by monies from more than one source.

SECTION 6. That the City Auditor is authorized to establish proper project accounting numbers as appropriate.

SECTION 7. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this Ordinance.

SECTION 8. That for reasons stated in the preamble hereto, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force and after its passage and approval by the Mayor or ten days after its passage if the Mayor neither approves nor vetoes the same.

Legislation Number: 2706-2013
Drafting Date: 11/11/2013
Current Status: Passed
BACKGROUND: This legislation is for the option to establish a Universal Term Contract for Geological Borings and Monitoring Wells for the Division of Water, the sole user. This contract will provide for approximately twenty-five (25) subsurface geologic investigations (borings), installation of approximately fifteen (15) monitoring wells, and the abandonment of approximately ten (10) monitoring wells within the southern Central Ohio area. The purpose of the drilling is to obtain geologic information and/or monitoring well installations from various boring locations. The term of the proposed option contract would be approximately two years, expiring December 31, 2015, with the option to renew for one (1) additional year. The Purchasing Office opened formal bids on September 5, 2013.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation No. SA005078). Twenty-two (22) bids were solicited: (M1A-1, F1-0, MBR-1). Three (3) bids were received (MBR-1).

Bids were evaluated based on the three (3) types of drilling methods and using the three (3) scenarios specified in the ITB. Items 3-11 are for Hollow Stem Auger Borings, Items 12-20 are Rotosonic Borings and Items 21-28 are Cable Tool Boring methods. Items 1, 2 and 29 through 39 are mobilization and installation activities that must be awarded to every bidder receiving an award. The Purchasing Office is recommending award to the overall lowest, responsive, responsible and best bidders as follows:

DLZ Ohio, Inc., MBR, CC# 31-1268980 expires 02/19/2015, Items 1-11 and 29-39, $1.00
CTL Engineering, Inc., MAJ, CC# 31-0680767 expires 08/31/2014, Items 1, 2, and 12-39, $1.00

Total Estimated Annual Expenditure: $50,000.00, Division of Water, the sole user

The companies are not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search. This ordinance is being submitted as an emergency because, without emergency action, no less than 37 days will be added to this procurement cycle and the efficient delivery of valuable public services will be slowed.

FISCAL IMPACT: Funding to establish this option contract is budgeted in the Mail, Print Services and UTC Fund Account. City Agencies will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

To authorize the Finance and Management Director to enter into a contract for the option to purchase Geologic Borings and Monitoring Wells with DLZ Ohio, Inc. and CTL Engineering, Inc.; to authorize the expenditure of $2.00 to establish the contracts from the Mail, Print Services and UTC Fund; and to declare an emergency. ($2.00)

WHEREAS, Geologic Borings and Monitoring Wells are utilized by the Division of Water to maintain supplies of safe drinking water for the City of Columbus service area; and,

WHEREAS, the Purchasing Office advertised and solicited formal bids on September 5, 2013 and selected the overall lowest, responsive, responsible and best bidders; and

WHEREAS, this ordinance addresses Purchasing objective of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public; and
WHEREAS, in order to maintain a supply of Geologic Borings and Monitoring Wells, this is being submitted for consideration as an emergency measure; and

WHEREAS, an emergency exists in the usual daily operation of the Purchasing Office in that it is immediately necessary to enter into a contract for the option to contract for Geologic Borings and Monitoring Wells, thereby preserving the public health, peace, property, safety, and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Finance and Management Director be and is hereby authorized to enter into the following contract for the option to purchase Geologic Borings and Monitoring Wells in accordance with Solicitation No. SA005078 for a term of approximately two years, expiring December 31, 2015, with the option to renew for one (1) additional year, as follows:

DLZ Ohio, Inc., Items 1-11 and 29-39, $1.00
CTL Engineering, Inc., Items 1, 2, and 12-39, $1.00

SECTION 2. That the expenditure of $2.00 is hereby authorized from Mail, Print Services and UTC Fund, Organization Level 1: 45-01, Fund: 05-517, Object Level 3: 2270, OCA: 451130, to pay the cost thereof.

SECTION 3. That for the reason stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

1. BACKGROUND:
This legislation authorizes the Director of Public Service to enter into a contract with for the construction of the Bridge Rehabilitation - Somersworth Drive Over Stream project and to provide payment for construction administration and inspection services.

The Bridge Rehabilitation - Somersworth Drive Over Stream project consists of structure replacement on Somersworth Drive with a four sided concrete box culvert, reconstruction of sidewalk and roadway, and removal of existing pedestrian foot bridge, and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid submittal documents.

The estimated Notice to Proceed date is December 30, 2013. The project was let by the Office of Support Services through Vendor Services and Bid Express. Five bids were received on November 7, 2013, (four majority) and tabulated as follows:

Award is to be made to Double Z Construction Company as the lowest, responsive, responsible and best bidder for their bid of $355,670.77. The amount of construction administration and inspection services will be $53,350.62.

Searches in the System for Award Management (Federal) and the Findings for Recovery list (State) produced no findings against Double Z Construction Company.

2. CONTRACT COMPLIANCE
The contract compliance number for Double Z Construction Company is 31-1788042 and expires 3/4/15.

3. FISCAL IMPACT
Funding in the amount of $409,021.39 for this project is available within the Streets and Highways G.O. Bond Fund, No. 704. A transfer of cash and budget authority is necessary to align funding with this project expenditure.

4. EMERGENCY DESIGNATION
Emergency action is requested in order to provide for necessary bridge rehabilitation work to commence as early as possible to ensure the safety of the traveling public.

To amend the 2013 Capital Improvement Budget; to authorize and direct the City Auditor to transfer cash and appropriation within the Streets and Highways Bond Fund; to authorize the Director of Public Service to enter into contract with Double Z Construction Company and to provide for the payment of construction administration and inspection services in connection with the Bridge Rehabilitation - Somersworth Drive Over Stream project; to authorize the expenditure of up to $409,021.39 from the Streets and Highways Bonds Fund; and to declare an emergency. ($409,021.39)

WHEREAS, the City of Columbus Department of Public Service is engaged in the Bridge Rehabilitation - Somersworth Drive Over Stream project; and

WHEREAS, work on this project consists of structure replacement on Somersworth Drive with a four sided concrete box culvert, reconstruction of sidewalk and roadway, and removal of existing pedestrian foot bridge; and

WHEREAS, bids were received on November 7, 2013, and tabulated on November 8, 2013, for the Bridge Rehabilitation - Somersworth Drive Over Stream project, and a satisfactory bid has been received; and

WHEREAS, Double Z Construction Company will be awarded the contract for the Bridge Rehabilitation - Somersworth Drive Over Stream project; and

WHEREAS, it is necessary to enter into contract with Double Z Construction Company; and

WHEREAS, it is necessary to provide for construction administration and inspection services; and

WHEREAS, it is necessary to authorize an amendment to the 2013 Capital Improvements Budget for the purpose of providing sufficient spending authority for the aforementioned project expenditure; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Service, Division of Design and Construction, in that this project should proceed immediately for the rehabilitation of this bridge to
ensure the safety of the traveling public, thereby preserving the public health, peace, property, safety and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 6. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 7. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project account to the unallocated balance account within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 8. That for the reasons stated in the preamble hereof, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This legislation authorizes the Finance and Management Department to make various expenditures for labor, materials, equipment, and services in conjunction with various facility improvements that are at times unplanned, but necessary at the City owned Neighborhood Health Center Facilities. Work may include small scale renovation such as electrical, HVAC, and plumbing. Often work is of an emergency nature - such as a failed heating or cooling unit, and must be addressed quickly. Establishing this Auditor Certificate enables us to react and solve problems more quickly and efficiently. All work will be done in accordance with the competitive bidding provisions of the Columbus City Codes.

Fiscal Impact: This legislation authorizes the appropriation of $50,000.00 from the cash reserves of the Neighborhood Health Center Capital Reserve Fund.

To authorize the appropriation of $50,000.00 from the unappropriated balance of the Neighborhood Health Center Capital Reserve Fund and to authorize the Director of Finance and Management to expend up to $50,000.00 for various facility repair, upgrades, and renovations for the neighborhood health centers. ($50,000.00)

WHEREAS, various expected and unexpected facility renovations will likely become necessary within the City owned neighborhood health center facilities; and

WHEREAS, the establishment of an Auditor's Certificate is necessary to provide funding for these renovations is prudent; and

WHEREAS, authorizing the Director of Finance and Management Department to make expenditures for labor, materials, equipment, and services in conjunction with various maintenance and facilities upgrades that are unplanned but will be necessary for the City's neighborhood health centers will ensure these facilities are keep in proper operating order; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
SECTION 1. That from the unappropriated monies in the Neighborhood Health Center Capital Reserve Fund and from all monies estimated to come into said fund from any and all sources and unappropriated for any other purposes, the sum of $50,000.00 is appropriated as follows:

Dept: 45-50  
Fund: 784  
OCA: 784001  
Project: 784001-100000  
Object Level 1: 06  
Object Level 3: 6620  
Amount: $50,000.00

SECTION 2. That the expenditure of $50,000.00, or so much thereof as may be necessary, be and is hereby authorized from the Neighborhood Health Center Capital Reserve Fund, Fund 784, Dept-Div 45-50, Object Level One Code 06, Object Level Three Code 6620, to pay the cost of labor, materials, equipment, and professional services that become necessary for various facility renovations, replacements, and repairs for the City's neighborhood health centers. All work will be done in accordance with the competitive bidding provisions of the Columbus City Codes. City Council recognizes this ordinance does not identify the contractor(s) to whom the contract(s) will be awarded and understand its passage will give the Director of Finance and Management the final decision in determination of the lowest best responsive and responsible bidder for such contract(s). This Council is satisfied it is in the best interests of the City to delegate this contracting decision.

SECTION 3. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 4. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 5. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project account to the unallocated balance account within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 6. That this ordinance shall take effect and be in force from and after the earliest date allowed by law.

BACKGROUND: The Department of Public Utilities, Division of Sewerage and Drainage, on behalf of the City of Columbus, Ohio (“City”), an Ohio municipal corporation, is undertaking the improvement of sanitary sewer utility infrastructure for the Blacklick Creek Sanitary Interceptor Sewer Project (CIP 650034-100006) (“Project”). The City is required to acquire certain real property interests in the vicinity of Reynoldsburg-New Albany Road, Blacklick, Ohio 43004 (collectively, “Property”) in order to complete the Project. City Ordinance 1794-2013 previously authorized the Columbus City Attorney to acquire fee simple title and lesser interests, contract for professional services, and spend funds for costs related to the acquisition of the Property.
for the Project. However, in order to complete the Project, the Columbus City Attorney needs additional funds to acquire the real property interests for the Project. Therefore, it is necessary for the Columbus City Auditor to increase the Project’s existing Auditor’s Certificate (AC-035409) by Seven Hundred Fifty-nine Thousand, Five Hundred Ninety-three and 94/100 U.S. Dollars ($759,594.00) to pay for the cost of the Property needed for the Project.

**FISCAL IMPACT:** The City determined the Project’s funding will require the transfer within and the expenditure of funds from the Department of Public Utilities’ Sanitary Sewer General Obligation Bond Fund, Fund 664 and an amendment to the 2013 Capital Improvements Budget.

**EMERGENCY JUSTIFICATION:** Emergency action is requested in order for the City to immediately acquire the Property necessary for the City to complete the Project, which preserves the public health, peace, property, and safety.

To authorize the Columbus City Auditor to increase an existing Auditor’s Certificate (AC-035409) by Seven Hundred Fifty-nine Thousand, Five Hundred Ninety-three and 94/100 U.S. Dollars; to authorize a transfer and expenditure up to Seven Hundred Fifty-nine Thousand, Five Hundred Ninety-three and 94/100 U.S. Dollars within the Sanitary Sewer Bond Funds for the Department of Public Utilities’ Blacklick Creek Sanitary Interceptor Sewer Project; to amend the 2013 Capital Improvements Budget; and to declare an emergency. ($759,594.00)

**WHEREAS,** the Department of Public Utilities, Division of Sewerage and Drainage, on behalf of the City of Columbus, Ohio (“City”), an Ohio municipal corporation, is undertaking the improvement of sanitary sewer utility infrastructure for the Blacklick Creek Sanitary Interceptor Sewer Project (CIP 650034-100006) (“Project”); and

**WHEREAS,** the City is required to acquire certain real property interests in the vicinity of Reynoldsburg-New Albany Road, Blacklick, Ohio 43004 (collectively, “Property”) in order to complete the Project; and

**WHEREAS,** City Ordinance 1794-2013 previously authorized the Columbus City Attorney to acquire fee simple title and lesser interests, contract for professional services, and spend funds for costs related to the acquisition of the Property for the Project; and

**WHEREAS,** it is necessary for the Columbus City Attorney to spend up to an additional Seven Hundred Fifty-nine Thousand, Five Hundred Ninety-three and 94/100 U.S. Dollars ($759,594.00) within the Sanitary Sewer Bond Funds, Fund 664, for the Project; and

**WHEREAS,** it is necessary to increase existing Auditor’s Certificate (AC-035409) in the amount of Seven Hundred Fifty-nine Thousand, Five Hundred Ninety-three and 94/100 U.S. Dollars ($759,594.00); and

**WHEREAS,** it is necessary to authorize the City Auditor to transfer and spend funds within the Sanitary Sewer Bond Funds, Fund 664; and

**WHEREAS,** it is necessary to authorize an amendment to the 2013 Capital Improvements Budget to provide sufficient funding and expenditure authority for the Project; and

**WHEREAS,** an emergency exists in the usual daily operation of the City of Columbus, because it is immediately necessary to authorize the Columbus City Auditor to increase the Project’s funding so that the Columbus City Attorney may continue with the acquisition of the Property needed for the Project, which will
immediately preserve the public health, peace, property, and safety; **NOW, THEREFORE,**

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS, OHIO (“CITY”):**

**SECTION 1.** That the Columbus City Auditor is authorized to increase Auditor's Certificate (AC-035409) in the amount of Seven Hundred Fifty-nine Thousand, Five Hundred Ninety-three and 94/100 U.S. Dollars ($759,594.00) for the Columbus City Attorney’s acquisition of real property interests for the City’s Department of Public Utilities, Division of Sewerage and Drainage, Blacklick Creek Sanitary Interceptor Sewer Project (CIP 650034) (“Project”).

**SECTION 2.** That the Columbus City Auditor is authorized to transfer Seven Hundred Fifty-nine Thousand, Five Hundred Ninety-three and 94/100 U.S. Dollars ($759,594.00) within the Department of Public Utilities, Division of Sewerage and Drainage | Div. 60-05 | Obj. Lvl 3: 6606 as follows:

BACKGROUND
This ordinance authorizes the Director of Public Service to request the Ohio Department of Transportation to establish a safe operating speed on Bent Tree Boulevard from Sawmill Place Boulevard to Snouffer Road.

Engineering studies conducted in accordance with Ohio Revised Code 4511.21 support decreasing the current prima-facie speed limit from 45 miles per hour to 40 miles per hour.

To request that the Director of the Ohio Department of Transportation lower the prima-facie speed limit on Bent Tree Boulevard from Sawmill Place Boulevard to Snouffer Road from 45 miles per hour to 40 miles per hour, and to repeal any and all speed limit ordinances and resolutions on said roadway.

WHEREAS, the current prima-facie speed limit on Bent Tree Boulevard from Sawmill Place Boulevard to Snouffer Road is 45 miles per hour; and

WHEREAS, a request to study the existing speed limit was received by the Franklin County Engineer’s Office from a citizen, and

WHEREAS, traffic engineering studies and investigations performed under the direction of a professional engineer indicate a posted speed of 40 miles per hour is reasonable and safe under existing conditions; and

WHEREAS, the City of Columbus will continue to monitor traffic crashes and volumes and revise necessary regulations to promote a safe roadway operation; and

WHEREAS, the Transportation and Pedestrian Commission approved this speed limit reduction on October 8, 2013; and

WHEREAS, Section 4511.21 of the Ohio Revised Code provides for the establishment of a reasonable and safe prima-facie speed limit under such conditions by the Director of the Ohio Department of Transportation upon request of a local authority; and

WHEREAS, the City of Columbus, Ohio, Department of Public Service, Division of Planning and Operations, recommends a reasonable and safe prima-facie speed limit of 40 miles per hour be established for Bent Tree Boulevard from Sawmill Place Boulevard to Snouffer Road; now, therefore,
BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That any and all previous speed limit ordinances and resolutions on Bent Tree Boulevard from Sawmill Place Boulevard to Snouffer Road be and are hereby repealed.

SECTION 2. That, upon the basis of the aforesaid engineering and traffic investigations, it is hereby determined that a posted speed limit of 40 miles per hour for Bent Tree Boulevard from Sawmill Place Boulevard to Snouffer Road is reasonable and safe under existing conditions.

SECTION 3. That the Director of the Ohio Department of Transportation is hereby requested to review the engineering and traffic investigation and to determine and declare a reasonable and safe prima-facie speed limit of 40 miles per hour for Bent Tree Boulevard from Sawmill Place Boulevard to Snouffer Road.

SECTION 4. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

1. BACKGROUND
This legislation authorizes the Director of the Department of Technology to modify and increase the construction contract with Gudenkauf Corporation for the Columbus Traffic Signal System (CTSS) Phase B project. This is the first modification to the original construction contract.

The Department of Public Service holds the original contract with Gudenkauf Corporation for their Columbus Traffic Signal System upgrade project (EL014141) and was authorized by ordinance 0504-2013 to award a contract pursuant to solicitation SA004723. Because the Department of Technology's project footprint will overlap with the Department of Public Service's project, it makes economical sense to modify this construction contract. This modification will provide for additional investment in the City’s fiber network, providing high speed connectivity, as follows:
- New fiber to Fire Station 24, Police Sub 18, SRB
- New fiber at various locations in North Columbus
- Link Columbus FiberNet and the CityNet Fiber system in the downtown area to complete the activation of these fiber rings.

The fiber projects will provide diverse routing for many City locations which will prevent facility outages in the event of a fiber cut. Additional benefits to be realized are the elimination of leased circuit expenditures from the City’s operating budget and increased network speeds at the new fiber connected facilities.

The cost of this modification is $1,306,570.55. Work is to be completed within one year of a certified purchase order. The City had intended to complete these fiber projects through a separate agreement, but contract
negotiations have stalled with the prospective contractor. So the need to modify the contract with Gudenkauf was not known at the time of the original agreement. There is an immediate need to extend the City’s fiber network to the critical public safety and other facilities outlined above; and given the recent award to Gudenkauf through competitive procurement, it is in the City’s best interests to utilize the existing contract rather than alternate procurement methods. The cost of the work was negotiated with Gudenkauf with the pricing, terms and conditions remaining the same as the original contract. Even though this is a Department of Public Service contract, the Department of Technology will manage this contract modification, direct the work of the contractor related to the modification, and handle all administrative work associated with the modification.

In addition to the estimated cost of the projects, this ordinance requests to set aside $131,000.00 in contingency to fund any unforeseen change orders associated with the task orders in this contract modification.

Original contract amount: $11,069,451.48 (Ordinance 0504-2013, City Contract Number EL014141). Total contract amount, including this contract modification: $12,507,022.03.

Searches in the System for Award Management (Federal) and the Findings for Recovery list (State) produced no findings against Gudenkauf Corporation.

2. CONTRACT COMPLIANCE
Gudenkauf Corporation’s contract compliance number is 310908234 and expires 7/19/2014.

3. FISCAL IMPACT
Sufficient funding in the amount of $1,437,570.55 is available in the Information Services Capital Improvement Fund 514.

4. EMERGENCY DESIGNATION
Emergency action is requested to initiate service from the contractor at the negotiated prices. To authorize the Director of Technology to modify and increase an existing construction contract with Gudenkauf Corporation to provide for additional investment in the City’s fiber optic network, providing high speed connectivity; to authorize the expenditure of $1,437,570.55 from the Information Services Capital Improvement Fund; and to declare an emergency. ($1,437,570.55)

WHEREAS, ordinance no. 0504-2013, passed March 18, 2013, authorized the Department of Public Service to contract with Gudenkauf Corporation through solicitation SA004723 for construction of the Columbus Traffic Signal System (CTSS) Phase B project; and

WHEREAS, there are immediate needs to invest in the City’s fiber optic network to enable high speed connectivity at critical public safety and other City facilities; and

WHEREAS, it is in the City’s best interests to modify the existing contract (EL014141) with Gudenkauf Corporation to address additional needs for fiber optic network connectivity; and

WHEREAS, this ordinance authorizes the Director of Technology to execute a construction contract modification for their fiber optic network project; and
WHEREAS, the Department of Technology will manage this contract modification, direct the work of the
contractor related to the modification, and handle all administrative work associated with the modification; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Technology to expedite
commencement of the fiber optic network projects, thereby preserving the public health, peace, property,
safety and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of the Department of Technology, be and is hereby authorized to modify an
existing construction contract with Gudenkauf Corporation, 2679 McKinley Avenue, Columbus, OH 43204
(mailing address) for additional investment in the City's fiber optic network in the amount of up to
$1,437,570.55 in accordance with the specifications and plans, which are hereby approved.

SECTION 2. That for the purpose of paying the cost of this contract modification the sum of up to
$1,437,570.55 or so much thereof as may be needed, is hereby authorized to be expended from the Information
Services Capital Improvement Fund 514 as follows:

| Dept-Div / Fund / Project / Project Name / O.L. 01-03 Codes / OCA / Amount |
|--------------------/------------------/-----------------------------/---------------/--------/-------|
| 47-02 / 514-002 / 470046-100000 / Connectivity Project / 06-6655 / 514046 (carryover funds) / $505,059.97 |
| 47-02 / 514-002 / 470046-100001 / Fiber / 06-6655 / 514346 (carryover funds) / $932,510.58 |

SECTION 3. That the funds necessary to carry out the purpose of this ordinance are hereby deemed
appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 4. That the City Auditor is authorized to make any accounting changes to revise the funding source
for all contracts or contract modifications associated with this ordinance

SECTION 5. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project
account to the unallocated balance account within the same fund upon receipt of certification by the Director
of the Department administering said project that the project has been completed and the monies are no longer
required for said project.

SECTION 6. That for the reasons stated in the preamble hereeto, which is hereby made a part hereof, this
ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after
its passage and approval by the mayor, or ten days after passage if the mayor neither approves nor vetoes the
same.

Legislation Number: 2721-2013
Drafting Date: 11/12/2013
Version: 1
Current Status: Passed
Matter Type: Ordinance
BACKGROUND
This ordinance authorizes the Director of Public Service to request the Ohio Department of Transportation to establish a safe operating speed on Snouffer Road from Sawmill Road to Smoky Row Road.

Engineering studies conducted in accordance with Ohio Revised Code 4511.21 support decreasing the current prima-facie speed limit on Snouffer Road from Sawmill Road to Bent Tree Boulevard from 45 miles per hour to 40 miles per hour and maintaining the current prima-facie speed limit on Snouffer Road from Bent Tree Boulevard to Smoky Row Road as 40 miles per hour.

To request that the Director of the Ohio Department of Transportation lower the prima-facie speed limit on Snouffer Road from Sawmill Road to Smoky Row Road from 45 miles per hour to 40 miles per hour and establish the current prima-facie speed limit on Snouffer Road from Bent Tree Boulevard to Smoky Row Road as 40 miles per hour, and to repeal any and all speed limit ordinances and resolutions on said roadway.

WHEREAS, the current prima-facie speed limit on Snouffer Road from Sawmill Road to Bent Tree Boulevard is 45 miles per hour; and

WHEREAS, the current prima-facie speed limit on Snouffer Road from Bent Tree Boulevard to Smoky Row Road is 40 miles per hour, and

WHEREAS, a request to study the existing speed limit was received from the Franklin County Engineer’s Office, and

WHEREAS, traffic engineering studies and investigations performed under the direction of a professional engineer indicate a posted speed of 40 miles per hour is reasonable and safe under existing conditions; and

WHEREAS, the City of Columbus will continue to monitor traffic crashes and volumes and revise necessary regulations to promote a safe roadway operation; and

WHEREAS, the Transportation and Pedestrian Commission approved this speed limit reduction on October 8, 2013; and

WHEREAS, Section 4511.21 of the Ohio Revised Code provides for the establishment of a reasonable and safe prima-facie speed limit under such conditions by the Director of the Ohio Department of Transportation upon request of a local authority; and

WHEREAS, the City of Columbus, Ohio, Department of Public Service, Division of Planning and Operations, recommends a reasonable and safe prima-facie speed limit of 40 miles per hour be established for Snouffer Road from Sawmill Road to Smoky Row Road; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That any and all previous speed limit ordinances and resolutions on Snouffer Road from Sawmill Road to Smoky Row Road be and are hereby repealed.

SECTION 2. That, upon the basis of the aforesaid engineering and traffic investigations, it is hereby
determined that a posted speed limit of 40 miles per hour for Snouffer Road from Sawmill Road to Smoky Row Road is reasonable and safe under existing conditions.

SECTION 3. that the Director of the Ohio Department of Transportation is hereby requested to review the engineering and traffic investigation and to determine and declare a reasonable and safe prima-facie speed limit of 40 miles per hour for Snouffer Road from Sawmill Road to Smoky Row Road.

SECTION 4. That this ordinance shall take effect and be in force from and after the earliest period allowed by law.

BACKGROUND: This legislation authorizes the Department of Development to enter into contract with the Columbus Chamber of Commerce (Columbus Chamber) for the purpose of implementing the Columbus Small Business Survey. The purpose of the project is to better understand the needs of small businesses (1 to 50 employees) in Columbus relative to overall business environment, city services and workforce quality, recruitment, retention and training needs. The results of the survey will be used to improve and develop programs for small businesses.

The Columbus Chamber has evolved to become the largest business services organization and primary advocate for the Columbus Region business community. Founded over 130 years ago, the Columbus Chamber provides connections, resources and solutions to help businesses thrive. The Chamber will work with the City of Columbus to conduct outreach and help market the survey to a variety of business groups and stakeholders that can further enhance the response rate. After the survey is completed, the Columbus Chamber will analyze the data and present the results in the form of a concise report and a PowerPoint presentation.

Emergency action is requested to allow the survey process to begin immediately so that programs to develop and improve small businesses can be made available in a timely manner.

FISCAL IMPACT: This legislation authorizes the expenditure of $20,000 from the 2013 Jobs Growth Fund.

To authorize the Director of the Department of Development to enter a contract with the Columbus Chamber of Commerce for the purpose of drafting and implementing a small business survey; to authorize the appropriation and expenditure of $20,000.00 from the Jobs Growth Fund; and to declare an emergency. ($20,000.00)

WHEREAS, the City of Columbus desires to conduct a small business survey for the purpose of better understanding the needs of the small business (1 to 50 employees); and
WHEREAS, the Columbus Chamber has been identified as the organization to design and implement the “Small Business Survey”; and

WHEREAS, the survey will be used to better understand the overall business environment, city services, workforce quality, recruitment, retention and training needs of the small business; and

WHEREAS, the Columbus Chamber will work with the City of Columbus to conduct outreach and help market the survey to a variety of business groups and stakeholders that can further enhance the response rate; and

WHEREAS, during the implementation of the survey, the Columbus Chamber will deliver to the City of Columbus a draft survey and marketing message, a summary report of data and a PowerPoint presentation; and

WHEREAS, emergency action is requested to allow the survey process to begin immediately so that programs to develop and improve small businesses can be made available in a timely manner; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development in that it is immediately necessary to enter into contract with the Columbus Chamber of Commerce to allow the survey process to begin immediately, all for the preservation of the public health, peace, property, safety and welfare;

NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of the Department of Development is hereby authorized to enter into a contract with the Columbus Chamber of Commerce for the purpose of drafting and implementing a “Small Business Survey” to ascertain the overall business environment, city services, workforce quality, recruitment, retention and training needs of the small business.

Section 2. That from the unappropriated monies in the Jobs Growth Fund, Fund 015 and from all monies estimated to come into said fund from any all sources for the period ending December 31, 2013, the sum of $20,000.00 is hereby appropriated to the Department of Development, Division 44-02, Object Level One-03, Object Level Three-3336, OCA Code 440215.

Section 3. That for the purpose stated in Section 1, the expenditure of $20,000.00 or so much thereof as may be necessary, be and is hereby authorized to be expended from the Jobs Growth Fund, Fund 015, Department of Development, Division 44-02, Object Level One-03, Object Level Three-3336, OCA Code 440215.

Section 4. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

Section 5. That this contract is awarded pursuant to Section 329.15 of the Columbus City Codes, 1959 as amended.

Section 6. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.
BACKGROUND: This ordinance is for the option to purchase Honda Civics with CNG fuel option for the City of Columbus. These automobiles will be used by various City agencies. The contract will allow the City to purchase CNG Civic automobiles manufactured by Honda. This contract will allow the City to take advantage of the current CNG program and leverage the City’s investment in CNG fuel.

The term of the proposed option contract would be from the date of execution by the City up to and including May 31, 2015. The Purchasing Office opened formal bids on October 3, 2013.

The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 (Solicitation No. SA005122). Forty Two (42) bids were solicited (M1A-0, F1-0, MBR-2). Two (2) bids were received. The specifications asked the bidders to provide a dollar amount over triple net dealer invoicing.

The Purchasing Office is recommending award of the contract to the lowest, responsive, responsible and best bidder:

Lindsay Automotive, Inc. DBA Lindsay Honda - CC# 310839052

Total Estimated Annual Expenditure: $263,000.00

This company is not debarred according to the Federal Excluded Parties Listing or the State Auditor's Findings for Recovery Database.

This ordinance is being submitted as an emergency because the 2013 model year supply is limited and without emergency action, the City would pay more money for 2014 model year automobiles.

FISCAL IMPACT: Funding to establish this option contract is budgeted in the Mail, Print Services and UTC Fund. City Agencies will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

To authorize the Finance and Management Director to enter into a contract for the option to purchase Honda Civic CNG Automobiles with Lindsay Honda; to authorize the expenditure of one dollar to establish the contracts from the Mail, Print Services and UTC Fund; and to declare an emergency. ($1.00)

WHEREAS, the Purchasing Office advertised and solicited formal bids on October 3, 2013 seeking CNG fueled automobiles and selected the lowest, responsible and best bid; and

WHEREAS, this ordinance addresses Purchasing objective of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) purchasing environmentally preferred materials, supplies and equipment; and 4) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public; and

WHEREAS, these CNG automobiles will replace older, high maintenance, gasoline fueled units used in the daily operations of City Agencies, this is being submitted for consideration as an emergency measure; and
WHEREAS, an emergency exists in the usual daily operation of the Finance and Management Department in that it is immediately necessary to enter into contracts for an option to purchase Honda Civic CNG Automobiles, so that the 2013 model build-out dates are not missed, thereby saving the City money, thereby preserving the public health, peace, property, safety, and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Finance and Management Director be and is hereby authorized to enter into a contract for an option to purchase CNG Automobiles in accordance with SA005122 thru May 31, 2015 as follows:

Lindsay Automotive, Inc. DBA Lindsay Honda: Amount: $1.00

SECTION 2. That the expenditure of $1.00 is hereby authorized from the Mail, Print Services, and UTC Fund, Organization Level 1: 45-01, Fund: 05-517, Object Level 3: 2140, OCA: 451130, to pay the cost thereof.

SECTION 3. That for the reason stated in the preamble here to, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

Rezoning Application Z13-042

APPLICANT: TH Midwest, Inc.; c/o Christopher A. Rinehart, Atty.; Rinehart Legal Services, Ltd.; 300 East Broad Street, Suite 450; Columbus, OH 43215.

PROPOSED USE: Fuel sales and car wash in conjunction with convenience retail.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on November 14, 2013.

CITY DEPARTMENTS’ RECOMMENDATION: Approval. The site is developed a vacant restaurant and a parking lot, and is zoned in the L-C-4, Limited Commercial District. The requested CPD, Commercial Planned Development District will allow the site to be redeveloped with a fuel sales facility and car wash in conjunction with convenience retail. The site is located within the planning area of the Northland Plan Volume I (2001), but it is not within a Subarea that gives land use recommendations. The site is also subject to The Northland Development Standards (1992), which recommend a thirty-foot landscaped setback (building and parking) along arterial streets as well as maximum lot coverage of 85%. Staff does not object to this proposal since the request does not represent a significant change in the existing conditions with respect to open space and setbacks. The CPD text commits to a site plan, and includes use restrictions, setbacks, maximum lot
coverage, landscaping, outdoor display, and abandonment provisions. Variances for car wash stacking spaces, maneuvering over a parcel line, and maximum number of parking spaces are included in the request. The proposal is consistent with the established zoning and development patterns of the area.

To rezone 6193 CLEVELAND AVENUE (43229), being 2.2± acres located on the west side of Cleveland Avenue, 150± feet north of Homeacre Drive, From: L-C-4, Limited Commercial District, To: CPD, Commercial Planned Development District and to declare an emergency (Rezoning # Z13-042).

WHEREAS, application #Z13-042 is on file with the Department of Building and Zoning Services requesting rezoning of 2.2± acres from L-C-4, Limited Commercial District, to CPD, Commercial Planned Development District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested CPD, Commercial Planned Development District, which will allow redevelopment of the site with a fuel sales facility and car wash in conjunction with convenience retail, is consistent with the established zoning and development patterns of the area; and

WHEREAS, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Official Zoning Map of the City of Columbus, as adopted by Ordinance No. 0179-03, passed February 24, 2003, and as subsequently amended, is hereby revised by changing the zoning of the property as follows:

6193 CLEVELAND AVENUE (43229), being 2.2± acres located on the west side of Cleveland Avenue, 150± feet north of Homeacre Drive, and being more particularly described as follows:

Situated in the State of Ohio, County of Franklin, City of Columbus, being part of Lots 107 through 115, inclusive of "Amended Plat No. 2, North Home Acre Park" Subdivision, recorded in Plat Book 20, Page 2, being all of those lands described in the deeds to Columbus Cooker Corporation and Cooker Restaurant Corporation, recorded in Official record Volume 9386-118 and Official Record Volume 18253-A04, respectively, (record references to those of the Recorder's Office, Franklin County, Ohio), and being more particularly described as follows:

Beginning at the intersection of the westerly right-of-way line of Cleveland Avenue, with the line common to Lots 115 and 116 of said Subdivision, being at the northwesterly corner of that 0.0141 acre tract of land described in the deed to the City of Columbus, recorded in Official Record Volume 9888-J01, said corner being North 86°20'58" West, 5.00 feet from a ¾" iron pipe found;

thence southerly through said Lots 115, 114, 113, 112, 111, and 110, being along said westerly right-of-way line of Cleveland Avenue, being also the westerly line of said 0.0141 acre tract, South 02°27'27" West, 245.38 feet to the intersection of said line, with the line common to Lots 109 and 110, being the southerly corner of
said 0.0141 acre tract, said corner referenced by a 5/8" solid pin found 0.58 feet south and 0.93 feet east;

thence southerly through said Lots 109, 108 and 107, being along said westerly right-of-way line of Cleveland Avenue, said right-of-way line being 40 feet westerly of, as measured perpendicular to and parallel with, the centerline of said Cleveland Avenue, South 03°37'31" West, 91.78 feet to a point referenced by a 3/4" iron pipe found (capped Baker/5539) 0.06 feet north and 0.82 feet east;

thence westerly along a line 10.00 feet southerly of, as measured perpendicular to and parallel with, the line common to said Lots 107 and 108, North 86°20'58" West, 140.03 feet to a ¾" iron pipe found in the line common to Lots 103 and 107 of said Subdivision;

thence northerly along said line common to Lots 103 and 107, North 03°37'31" East, 10.00 feet to a corner common to said Lots 103, 107, 108 and 109, said corner being located 0.31 north of a ½" pinch top pin found in concrete;

thence westerly along the line common to Lots 103, 102, 101 and 109 of said Subdivision, North 86°20'58" West, 149.95 feet to the westerly corner common to said Lots 101 and 109, said corner being located 0.20 feet south on a ½" pinch top pin found in concrete;

thence northerly along the westerly line of said Lots 109, 111, 113 and 115, being the easterly line of Lots 77 and 76 of "North Home Acre Park," recorded in Plat Book 18, Page 20, North 03°37'53" East, (passing said ½" pinch top pin found in concrete at 0.20 feet) a distance of 327.11 feet to a ½" iron pipe found at the westerly corner common to said Lots 115 and 117 of said Subdivision;

thence easterly along the line common to said Lots 117, 115 and 116, South 86°20'58" East, 284.95 feet to the 'Point of Beginning,' containing 2.1955 acres of land, more or less, as surveyed and described in July of 2002, by Carl F. Turner Jr., Registered Professional Surveyor No. S-6702.

Subject, however, to all legal rights-of-way of previous record.

Bearings are referenced in Grid North (Ohio SPC System-South Zone) determined from GPS Observation. Iron pipes called for as set are ¾" I.D., 30" in length, drive flush with the ground, and capped with a yellow plastic plug inscribed "C. TURNER/P.S. 6702.

To Rezone From: L-C-4, Limited Commercial District

To: CPD, Commercial Planned Development District

SECTION 2. That a Height District of thirty-five (35) feet is hereby established on the CPD, Commercial Planned Development District on this property.

SECTION 3. That the Director of the Department of Building and Zoning Services be, and is hereby authorized and directed to make the said change on the said original zoning map and shall register a copy of the approved CPD, Commercial Planned Development District and Application among the records of the Department of Building and Zoning Services as required by Section 3311.12 of the Columbus City Codes; said plan being titled, "SITE PLAN," and text titled, "CPD TEXT" both dated October 30, 2013, and signed by Christopher A. Rinehart, Attorney for the Applicant, and the text reading as follows:
INTRODUCTION:

The subject property consists of two (2) parcels totaling 2.2 +/- acres located at 6193 Cleveland Avenue ("Site"). The Site is currently occupied by a vacant Bob Evans restaurant and is zoned L-C-4, Limited Regional Scale Commercial District.

Applicant proposes to rezone the Site to CPD, Commercial Planned Development District, to allow the construction of a Turkey Hill Minit Market. The approximate 2.2 +/- acre site will be developed with (1) a retail convenience store, (2) a fuel sales canopy that includes eight pump island dispensers, totaling sixteen fueling positions, and (3) a one-bay automatic car wash, as illustrated on the attached CPD Site Plan. This CPD text is submitted in support of the zoning application.

1. PERMITTED USES:

A. Chapter 3356 (C-4), Regional Scale Commercial District

1. Unless otherwise indicated herein, the permitted uses in, on or upon the Site shall be those allowed in Chapter 3356 (C-4), of the Columbus City Code.

B. Chapter 3357 (C-5), Highway Oriented Commercial Development

1. Unless otherwise indicated herein, the permitted uses in, on or upon the Site shall include an automobile service station and car wash as permitted by Chapter 3357 of the Columbus City Code.

C. Prohibited Uses

The following uses are specifically prohibited and shall not be on the Site:

2. DEVELOPMENT STANDARDS: Unless otherwise stated herein, the applicable development standards shall be as specified in Chapter 3356 of the Columbus City Code.

A. Density, Lot, and/or Setback Commitments

1. Building Setbacks: The minimum building setback from Cleveland Avenue shall be as shown on the attached site plan.

2. Parking Setbacks: The minimum parking, loading and maneuvering setback shall be as shown on the attached site plan.

3. Lot Coverage: For structures and paved areas, lot coverage shall not exceed eighty-five percent (85%)

B. Access, Loading, Parking, and/or Other Traffic Related Commitments

1. Any and all traffic-related commitments shall be designated and located to the specifications of the City of Columbus Planning and Operations Division.
2. Curb cuts shall be approved by the City of Columbus Planning and Operations Division. Access to and from the Site is proposed to be provided from three access points, two access points located along Cleveland Avenue and one from the property west of the Site, as depicted on the attached site plan.

C. Buffering, Landscaping, Open Space and/or Screening Commitments

1. Landscaping shall be installed in accordance with the site plan.

D. Building Design and/or Interior-Exterior Treatment Commitments [N/A]

E. Lighting, Outdoor Display Areas, and/or Other Environmental commitments

1. Outdoor display and/or sales shall be limited to the following areas:
   a. Outdoor displays shall be permitted on an internal sidewalk and shall be located in a manner that maintains a four (4) foot wide clear walkway for pedestrians at all times.
   b. Pump island end cap displays shall not exceed a footprint of 3’ x 3’ nor exceed a height of 4’.

F. Graphic and Signage Requirements

1. All graphics and signage shall comply with the Graphics Code, Article 15, Title 33, of the Columbus City Code as it applies to the C-4, Regional Scale Commercial District, and any variance to those requirements will be submitted to the Columbus Graphics Commission for consideration.

G. Miscellaneous Commitments

1. The Site shall be developed in accordance with the site plan and details. The plan may be slightly adjusted to reflect engineering, topographical or other site data developed at the time of development and when engineering plans are completed. Any slight adjustment to the plans shall be reviewed and may be approved by the Director of Development of Building and Zoning Services, or a designee, upon submission of the appropriate data regarding the proposed adjustment.

2. Section 3357.18 of Columbus City Code shall apply if fuel sales are abandoned according to the definition included in this Section of the Columbus City Code. The owner/lessee shall follow the requirements found in Section 3357.18 (a through e) in order to secure the site and maintain the aesthetics of the property.

H. CPD Criteria

1. Natural Environment

   The Site is located at the intersection of Corporate Exchange Boulevard and Cleveland Avenue. The natural environment of the Site is a vacant Bob Evans restaurant.

2. Existing Land Use

   The property is currently zoned LC-4, Limited Regional Scale Commercial District. The rezoning
permits commercial use of the Site pursuant to existing C-4 standards as well as a limited C-5 use for an automobile service station, car wash, and ancillary parking.

3. **Transportation and Circulation**

   There will be direct vehicular access to the Site from Cleveland Avenue and from the property west of the Site, as illustrated on the attached CPD Site Plan.

4. **Visual Form of the Environment**

   The existing uses/zoning of the surrounding properties are as follows:

   - **East:** Across Cleveland Avenue are two parcels, one zoned C-4 and the other zoned C-3.
   - **North:** There is one parcel to the north, and it is zoned LC-4.
   - **West:** There are two parcels located directly to the west of the subject property. One parcel is a portion of the parcel to the north and is zoned LC-4. The other parcel lies outside of the boundaries of the City of Columbus and appears to be residential in nature.
   - **South:** There are four parcels to the south. Three of the parcels are located outside of Columbus’ jurisdiction and are zoned rural. The fourth parcel is located within the jurisdiction of the City of Columbus and is zoned C-1.

5. **View and Visibility**

   The Site is clearly visible from Cleveland Avenue.

6. **Proposed Development**

   The proposed development is a Turkey Hill Minit Market with (1) a retail convenience store, (2) a fuel sales canopy that includes eight pump island dispensers, totaling sixteen fueling positions, and (3) a one-bay automatic car wash, as illustrated on the attached CPD Site Plan.

7. **Behavior Patterns**

   As indicated and set forth on the site plan, access to the Site will be facilitated from Cleveland Avenue and from the property west of the Site. The proposed development is not expected to significantly alter existing traffic behavior patterns.

8. **Emissions**

   No adverse emissions are expected from this development.

9. **Variances.**

   The use of the CPD mechanism permits certain variances to the required development standards. Applicant requests the variances set forth in Section I below.

   **1. Variances.**

   Applicant seeks variances to the following provisions of the Columbus City Code:
1. 3312.11 Drive-Up Stacking Area

The applicant seeks a variance to the above-referenced section to allow an automatic car wash without an exclusive by-pass lane.

2. 3312.25 Maneuvering

The applicant seeks a variance to the above-referenced section to allow maneuvering to cross a parcel line as the two (2) parcels cannot be combined into one parcel.

3. 3312.49 Parking Spaces

The applicant seeks a variance to the above-referenced section to permit the location of 36 total parking spaces, two of which are handicap spaces, which is four more than the code-required maximum.

SECTION 4. That this ordinance shall take effect and be in force from and after the earliest period allowed by law. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or 10 days after its passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into a contract with Community Development for All People to continue the provision of social service activities on the City’s South Side. The contract will run for two years, or from January 1, 2014 until December 31, 2015.

The total amount of the contract is $30,000.00.

This ordinance represents a program to be funded following the Department of Development review process. The legislation targets a social service agency that will support programs and activities previously provided by the Southside Settlement House for residents of the south side of Columbus. In addition, the City supports programs and activities so that the greater population is assured access to information, technical and other community assistance. Community Development for All People provides food/meal programs, after-school activities and GED Programs.

Emergency action is necessary to avoid causing interruptions in the delivery of vital program services.

FISCAL IMPACT: $30,000.00 is available in the General Fund budget for this purpose.

BACKGROUND: This legislation authorizes the Finance and Management Director to modify a contract on behalf of the Facilities Management Division with General Maintenance and Engineering Company for roof maintenance services. The original contract was formally bid (SA004098). This contract was not bid for a particular building, but encompassed all buildings under the purview of Facilities Management. Legislative authority to enter into this contract was not necessary earlier as the contract did not exceed $20,000.00.

A modification of this contract is now necessary for various roof maintenance and repair services at the Beacon Building. The contractor will provide services to prevent water damage to the ceiling and walls directly below the mechanical room drain. These roof maintenance and repair services shall include, but are
not limited to, removal of the existing mechanical room floor coating down to sound surface by diamond
grinding, installation of polyurethane sealant around all concrete curbs, concrete pads and penetrations, all in
preparation for new traffic coating.
General Maintenance and Engineering was chosen to perform this work because it is the Facilities
Management Divisions existing contractor for roof maintenance. Therefore it would not be in the best interest
of the City to select another vendor to complete this work. Prices already established in the contract were used
to determine the cost of this modification.

**Emergency action** is requested to ensure roof repairs at the Beacon Building and various City facilities
continue without interruption.

General Maintenance and Engineering Co. Contract Compliance No. 31-4188545, expiration date March 7,
2015.

**Fiscal Impact:** The cost of this modification is $8,993.00. Funding is available within the 2013 Facilities
Management Operating Budget.

To authorize the Finance and Management Director to modify a contract on behalf of the Facilities
Management Division with General Maintenance and Engineering Company for roof maintenance and repair
services at facilities under the purview of the Facilities Management Division; to authorize the expenditure of
$8,993.00 from the General Fund; and to declare an emergency. ($8,993.00)

**WHEREAS,** the Facilities Management Division has a contract for roof maintenance and repair services at
various City-owned facilities; and

**WHEREAS,** it is necessary to modify said contract with General Maintenance and Engineering Company; and

**WHEREAS,** an emergency exists in the usual daily operation of the Finance and Management Department,
Facilities Management Division, in that it is immediately necessary to modify a contract with General
Maintenance and Engineering Company for roof maintenance for facilities under the purview of the Facilities
Management Division so that to ensure roof repairs at various City facilities continue without interruption,
thereby preserving the public health, peace, property, and welfare; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Finance and Management Director is hereby authorized to modify a contract with
General Maintenance and Engineering Company for roof maintenance and repair services for facilities under
the purview of the Facilities Management Division.

**SECTION 2.** That the expenditure of $8,993.00, or so much thereof as may be necessary in regard to the
action authorized in **SECTION 1,** be and is hereby authorized and approved as follows:

- Division: 45-07
- Fund: 010
- OCA: 450040
- Object Level 1: 03
- Object Level 3: 3370
- Amount: $8,993.00
SECTION 3. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 4. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 5. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project account to the unallocated balance account within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 6. That for reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves or vetoes the same.

Background: Ordinance No. 0273-2013, approved by City Council on March 4, 2013, authorized the Board of Health to enter into a $315,000 contract with United Security, LLC, for security officer services for their facility at 240 Parsons Avenue for the period March 1, 2013 to February 28, 2014. The purpose of this legislation is to modify that contract with United Security, LLC, by adding $25,000.00 to it.

A Request for Proposal (RFP), # SA003632 "Security Officer Services at 240 Parsons Avenue," was publicly posted to the City of Columbus Vendor Services website from June 14, 2010 until July 6, 2010. All 31 companies registered with the City of Columbus under commodity code 99046 (Guard and Security Services) were notified of the RFP. A total of six companies submitted responses to the RFP. The CPH evaluation committee unanimously recommended awarding the contract to United Security, LLC, as the lowest, responsive, responsible and best bidder under the provisions of City Code, Chapter 329. This is the third year of the five year contract.

There is a need for an additional $25,000.00 because of additional needs for security officer services throughout the year for such events as the Farmers’ Market and because the contract has been flat-funded since FY2011. The terms and conditions of the current contract will remain the same. The only change will be to the Maximum Obligation which will be increased by $25,000.00, from $315,000.00 to $340,000.00. The contract compliance number for United Security, LLC, is 26-3179987 and it expires on 11/22/2015.

Fiscal Impact: The need for this $25,000.00 modification was included in the Third Quarter Financial Review for the Health Special Revenue Fund, Fund No. 250. This legislation is submitted as an emergency in order to avoid a break in the needed services provided by United Security, LLC.

To authorize the Board of Health to modify and increase a contract with United Security, LLC, for supplemental security officer services; to authorize the additional expenditure of $25,000.00 from the Health Special Revenue Fund; and to declare an emergency. ($25,000.00)
WHEREAS, a need exists to modify the contract for security officer services for the Health Department facility located at 240 Parsons Avenue by adding an additional $25,000.00 to the contract; and,

WHEREAS, this $25,000.00 modification will increase the Maximum Obligation for this contract from $315,000.00 to $340,000.00; and,

WHEREAS, a Request For Proposal (RFP), # SA003632 "Security Officer Services at 240 Parsons Avenue," was publicly posted to the City of Columbus Vendor Services website from June 14 until July 6, 2010, and an evaluation committee unanimously recommended awarding the contract to United Security, LLC, as the lowest, responsive, responsible and best bidder under the provisions of City Code, Chapter 329; and,

WHEREAS, the Board of Health desires to modify the contract with United Security, LLC, for the third year of the five-year contract; and,

WHEREAS, an emergency exists in the usual, daily operations of the Department of Health in that it is immediately necessary to modify this contract for security officer services for the Health Department’s 240 Parsons Avenue facility for the immediate preservation of the public peace, property, health, safety and welfare, now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Board of Health is hereby authorized to modify their contract with United Security LLC, for security officer services for the Health Department facility located at 240 Parsons Avenue for the period March 1, 2013, through February 28, 2014, by adding an additional $25,000.00 to the Maximum Obligation for a new total not to exceed $340,000.00.

SECTION 2. That, to pay the cost of said modification, the expenditure of $25,000 is hereby authorized from the Health Special Revenue Fund, Fund No. 250, Department of Health, Division No. 50-01, Object Level One - 03, Object Level Three -3398, OCA - 500264.

SECTION 3. That this modification is entered into in accordance with the provisions of Section 329.16 of the Columbus City Code.

SECTION 4. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 5. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance and to make any accounting changes necessary to ensure that this contract is properly accounted for and recorded accurately on the City’s financial records.

SECTION 6. That for reasons stated in the preamble hereto, which is hereby made a part thereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.
1. BACKGROUND
The Division of Planning and Operations is responsible for routine and emergency street repairs and maintenance throughout the year. The Division uses various asphalt concretes in its surface treatment program to affect repairs and maintenance to streets, gravel alleys, berms, and to patch potholes.

The Purchasing Office has established a citywide universal term contract with Kokosing Materials, for the purchase of these materials (FL005454). This legislation will authorize the expenditure of $30,000.00 for Winter Asphalt Concrete per the terms and conditions of the universal term contract.

A total of $95,000.00 has already been encumbered from this universal term contract (UT047866). Legislation is required to authorize encumbrance and expenditure over $100,000.00. Additional encumbrance of funds is necessary to ensure proper supply of asphalt concrete through the upcoming snow season.

The total amount estimated to be expended from this universal term contract is $125,000.00.

Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) produced no findings against Kokosing Materials.

2. CONTRACT COMPLIANCE
Kokosing Materials, contract compliance number is 31-0980603 and it expires 11/18/2013.

3. FISCAL IMPACT
Funds in the amount of $30,000.00 are available in the Municipal Motor Vehicle License Tax Fund for this purpose and were projected appropriately in the third quarter financial review.

4. EMERGENCY DESIGNATION
Emergency action is requested to ensure the supply of a critical commodity is available for use and to not have any interruptions in operations.

To authorize the Director of Finance & Management to establish a purchase order with Kokosing Materials, for the purchase of Winter Asphalt Concrete, in accordance with the terms and conditions of an established citywide universal term contract for the Division of Planning and Operations; to authorize the expenditure of $30,000.00 from the Municipal Motor Vehicle License Tax Fund; and declare an emergency. ($30,000.00)

WHEREAS, the daily activities of the Division of Planning and Operations require the purchase and use of Winter Asphalt Concrete for the repair and maintenance to streets, gravel alleys and berms and to patch potholes on city streets; and

WHEREAS, funds are available in the Municipal Motor Vehicle License Tax Fund for the purchase of Winter Asphalt Concrete; and

WHEREAS, an emergency exists in the usual operation of the Department of Public Service, Division of Planning & Operations, in that it is immediately necessary to authorize expenditures as appropriate, in order to provide for the uninterrupted operation of street maintenance, thereby preserving the public health, peace, property, safety and welfare; now, therefore,
BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Finance & Management be and is hereby authorized to establish a purchase order with Kokosing Materials P.O. Box 334 Fredericktown, OH 43019, for the procurement of Winter Asphalt Concrete in an amount not to exceed $30,000.00 for the Division of Planning and Operations in accordance with the terms and conditions of applicable existing citywide universal term contract (FL005454).

SECTION 2. That the expenditure of $30,000.00 or so much thereof as may be needed, be and hereby is authorized from Fund 266, the Municipal Motor Vehicle License Tax Fund, Department 59-11, Division of Planning and Operations, Object Level One Code 02, Object Level Three Code 2262, OCA Codes 591126 ($30,000.00), for the purchase of Winter Asphalt Concrete.

SECTION 3. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 4. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 5. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

Rezoning Application Z13-033

APPLICANT: Giuseppe (Joseph) A. Pingue; 1445 Worthington Woods Boulevard; Worthington, OH 43085.

PROPOSED USE: Multi-unit residential development.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (6-0) on November 14, 2013.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The requested L-AR-12, Limited Apartment Residential District will allow the site to be redeveloped with a maximum of 180 apartment units with a gross density of 11.83 units/acre. The site is located within Subarea C5 of the Far North Plan (1994), which is being updated, but currently recommends single and multi-unit residential uses. The Plan also includes a suggested density of eight units/acre for this subarea, and a general recommendation that natural resources be preserved, with support for higher densities being predicated upon a commitment to tree preservation. The limitation text provides development standards for total number of units, traffic-related commitments, sidewalks, street trees, one acre of tree preservation, building materials commitments, and lighting controls. The requested L-AR-12, Limited Apartment Residential District is consistent with the existing development patterns and density in the area. The development standards within the limitation text ensure compatibility and connectivity with adjacent developments, and the one-acre tree preservation commitment protects natural resources and justifies the
proposed density as recommended in the *Far North Plan*.

To rezone 257 PARK ROAD (43085), being 15.22± acres located on the south side of Park Road, 200± feet east of Station Street, From: R, Rural District, To: L-AR-12, Limited Apartment Residential District (Rezoning # Z13-033).

**WHEREAS**, application #Z13-033 is on file with the Department of Building and Zoning Services requesting rezoning of 15.22± acres from R, Rural District, to L-AR-12, Limited Apartment Residential District; and

**WHEREAS**, the Development Commission recommends approval of said zoning change; and

**WHEREAS**, the City Departments recommend approval of said zoning change because the proposed L-AR-12, Limited Apartment Residential District, is consistent with the existing development patterns and density in the area. The development standards within the limitation text ensure compatibility and connectivity with adjacent developments, and the one-acre tree preservation commitment protects natural resources and justifies the proposed density as recommended in the *Far North Plan*; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Official Zoning Map of the City of Columbus, as adopted by Ordinance No. 0179-03, passed February 24, 2003, and as subsequently amended, is hereby revised by changing the zoning of the property as follows:

SUBJECT TO ALL LEGAL EASEMENTS AND RIGHT-OF-WAYS OF RECORD.

To Rezone From: R, Rural District,

To: L-AR12, Limited Apartment Residential District.

SECTION 2. That a Height District of thirty-five (35) feet is hereby established on the L-AR-12, Limited Apartment Residential District on this property.

SECTION 3. That the Director of the Department of Building and Zoning Services be, and is hereby authorized and directed to make the said changes on the said original zoning map and shall register a copy of the approved L-AR-12, Limited Apartment Residential District and Application among the records of the Department of Building and Zoning Services as required by Section 3370.03 of the Columbus City Codes; said text being titled, "LIMITATION TEXT," signed by Giuseppe (Joseph) A. Pingue, Applicant, dated November 15, 2013, and reading as follows:
1. **INTRODUCTION**

The subject property is located on the south side of Park Road, east of the railroad tracks, and west of Granby meadows Drive being 15.22 acres+/- which is currently zoned R. The 15.22+/- acres are bordered on the northwest by two story apartments, on the northeast by one story apartments, on the east and on the south site by existing multi-story apartments. West of the railroad tracks is generally developed with a retail building and warehouses. Southwest of the site across the railroad tracks is generally developed with single family residential homes.

2. **PERMITTED USES**

Within the property to be rezoned, the permitted uses shall consist of all AR-12 Apartment Residential District uses permitted under Chapter 3333, Apartment Residential District of the Columbus City Codes.

3. **DEVELOPMENT STANDARDS**

   A. **Density, Lot, Height and/or Setback Requirements.**

   1. The density of the property shall be limited to a maximum of 180 residential apartment units and contain a clubhouse with a swimming pool.

   2. The maximum height of any structure shall be 35 ft.

   B. **Access, Loading, Parking, and/or Other Traffic Related Commitments.**

   1. Access to the property will be through a dedicated public street to be located approximately in the center of the site, to be connected to the south side of Park Road with the existing Alta Drive / Whitewater Blvd. to the south, unless otherwise approved by the Department of Public Service.

   2. Sidewalk or Pathway. Applicant agrees to construct a sidewalk or pathway along the South edge of Park Road (width and type to be determined by the Public Service Department), and a 5 foot wide sidewalk along all other public streets.

   3. There shall be an internal 4 foot wide private sidewalk system connecting all of the units with each other, the parking areas and the clubhouse. These internal sidewalks shall connect to the sidewalk along public streets.

   4. The Developer will dedicate 30 feet of right of way from the center line along Park Rd. as required by C.C.C.4309.17.

   5. At the proposed public street connection to Park Road, a westbound left turn lane with a length of 125 feet
(includes taper) shall be provided. These improvements shall meet the requirements of the City of Columbus, Department of Public Service and/or Franklin County Engineer's Office, where applicable. It is anticipated that these roadway improvements will require improvements that extend into the frontage of Tax Parcel ID: 250-000026 currently owned by New York Central Lines, LLC, which contains an active railroad operation. Prior to approval of a site compliance plan for the area comprising this rezoning application, documentation will need to be provided from the railroad operator that the roadway improvements extending into the frontage of Tax Parcel ID: 250-000026 may be constructed.

C. **Landscaping, Open Space, and/or Screening Commitments.**

1. Street trees shall be planted evenly spaced along public streets at a ratio of not less than one tree per thirty (30') feet of frontage where there are no existing trees.

2. The site is heavily wooded with a mature variety of trees such as Oak, Pin Oak, Sycamore and other shade trees. The developer shall preserve the larger trees that do not have multiple trunks by reasonably shifting buildings and parking lots. In order to accomplish this, a tree survey shall be conducted by a landscape architect or a certified arborist which identifies the trees that are to be saved, and shall be submitted to the City Forester for review and approval prior to site compliance approval. The tree preservation areas shall be contained in no less than 1 acre of open space in addition to the perimeter setback, and may be distributed at one or two locations depending on mature tree groupings. These tree preservation areas shall be designated as no-build zones.

D. **Building Design and/or Interior-Exterior Treatment Commitments.**

1. All buildings shall have a pitched or angled roof.

2. Building materials shall be a combination of natural materials (brick, stone, etc.) wood and vinyl siding.

E. **Lighting, Outdoor Display Areas, and/or other Environmental Commitments.**

1. Light poles shall not exceed fifteen 15 feet in height. For aesthetic compatibility, lights shall be the same or similar type and color, and supplied by the same manufacturer.

2. The Developer will comply with the requirements of Chapter 3318, Parkland Dedication.

3. All dumpsters will be screened with a wood fence and operable wood gate, regularly painted and maintained at all times.

F. **Graphics and / or Signage Commitments.**

All graphics and signage shall comply with the Graphics Code, Article 15, Title 33 of the Columbus City Code, and any variance to those requirements will be submitted to the Columbus Graphics Commission for consideration.

**SECTION 4.** That this ordinance shall take effect and be in force from and after the earliest period allowed by law.
BACKGROUND: This ordinance authorizes the Finance and Management Director to enter into contract with AssetWorks, Inc. to deliver consulting services related to Fleet Management's current FleetFocus enterprise software system. FleetFocus tracks all core functions related to the overall management of city vehicles, i.e. general maintenance, GPS/Telematics and tracking of vehicles and equipment, processing repair and preventive maintenance, preventive maintenance work orders, operating expenses (e.g., fuel, oil, and licensing), and billing and tracking for vehicle equipment usage.

AssetWorks will provide enhancements through process required changes relating to training, data cleansing, business process documentation, and end-user reporting. These enhancements will allow the City to optimize and improve use of the FleetFocus software product. AssetWorks will develop specific recommendations focusing on improvements in the use of the software to increase efficiency and improve productivity. Furthermore AssetWorks will assist the City by making best-efforts to implement all proposed changes. AssetWorks will also assist in developing a “Rule Book” for the City, by better defining standard operating procedures and work flow of how all users are to interact with the system. AssetWorks will also work with Fleet Management and other departmental fleet managers to review recommended best practices and document acceptance and exceptions to the recommendations. AssetWorks will then prepare a document(s) that will define procedures by user roles and include work flow diagrams for expected use of the system in daily operations.

The competitive bidding provisions of the Columbus City Codes (Section 329.07) are to be waived with respect to the procurement of this FleetFocus enhancement. It would be impractical to bid for consulting services associated with this contract, as FleetFocus is a proprietary software application developed and supported by AssetWorks, Inc. It should be noted that Columbus City Codes were followed with respect to the procurement of the FleetFocus software application and the recent addition of the related GPS/Telematics system.

This ordinance is contingent on passage of ordinance 2776-2013.

FISCAL IMPACT: This legislation authorizes an expenditure of $134,800.00 with AssetWorks, Inc. for consulting services related to this contract. Funding for these expenditures is budgeted within the Fleet Management 2013 operating budget. This ordinance is contingent on passage of ordinance 2776-2013.

Emergency action is requested as there is an immediate need to support and enhance the use of the FleetFocus enterprise software, thereby increasing efficiencies and improving employee safety.

To authorize the Finance and Management Director, on behalf of the Fleet Management Division, to enter into contract with AssetWorks, Inc., where the competitive bidding process has been waived due proprietary software, for consulting services related to the FleetFocus enterprise software application; to authorize the expenditure of $134,800.00 from the Fleet Management Operating Fund; and to declare an emergency. ($134,800.00)

WHEREAS, the Fleet Management Division has a need for consulting services related to enhancements and efficiencies pertaining to its enterprise software application, FleetFocus; and

WHEREAS, the FleetFocus software application is developed and supported by AssetWorks, Inc.; and
WHEREAS, the consulting services provided by AssetWorks, Inc. under this contract will result in improved functionality of the software, streamlined work flow and related processes, and better documentation and reporting, which will result in improved performance and lower operating costs for the Fleet Management Division; and

WHEREAS, an emergency exists in the usual daily operations of Fleet Management in that it is immediately necessary to implement this SOW contract, so that related enhancements and efficiencies can be realized as soon as possible, thus maximizing the operational and cost benefits to the City, and thereby preserving the public health, peace, property, safety and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Finance and Management Director, on behalf of the Fleet Management Division, is hereby authorized and directed to enter into a contract with AssetWorks, Inc. for consulting services related to its FleetFocus enterprise software application.

SECTION 2. That the sum of $134,800.00 or so much thereof as may be necessary in regard to the action authorized in Section 1, be and is hereby authorized to be expended as follows:

Dept/Div: 45-05  
Fund: 513  
Sub-Fund: 001  
OCA code: 451206  
Object Level One: 03  
Object Level Three: 3375  
Amount: $134,800.00

SECTION 3. That the competitive bidding provisions of Columbus City Codes Section 329.07 are hereby waived in regard to the action authorized in Section 1.

SECTION 4. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance

SECTION 5. That the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves not vetoes the same.

BACKGROUND: This legislation authorizes a modification and extend a contract with Mount Carmel Health for testing services as needed for the Division of Police's Health and Physical Fitness Program in the amount of $60,000.00 and extends the contract for the second year of a three year agreement per the terms and conditions of the original contract. Under Article 18 of the collective bargaining agreement between the City and the Fraternal Order of Police, Capital City Lodge #9, each member of the Division of Police's Fraternal Order of Police has an opportunity to
participate in the union's Physical Fitness Testing each year. A member who applies to participate is required to complete an annual physical examination on his or her own time.

**BID INFORMATION:** Formal bid # SA004173 was opened on December 15, 2011 for a Physical Health and Fitness Program for the Division of Police and the Division of Fire. Two responses were received for this program from Mount Carmel Health and Avida Physical Therapy. A committee consisting of personnel from Police, Fire, Safety, FOP, IAFF, and the City’s Human Resources evaluated the proposals on five categories: Competence, Quality and Feasibility, Ability, Past Performance and Pricing Structure. The committee recommended that the three year contract should be awarded based on these categories to Mount Carmel Health.

Contract Compliance No.: 31-4379602 (NPO) expires 3/23/2014

**Emergency action** is requested so that testing may continue and so that the Division of Police can continue to be in compliance with the collective bargaining agreement with Capital City Lodge #9.

**FISCAL IMPACT:** This ordinance authorizes an expenditure of $60,000.00 from the General Fund for the Police Division’s second year of the three year physical fitness testing contract with Mount Carmel Health. A total of $230,000.00 was budgeted in the Division’s 2013 General budget for this expense. The Division of Police spent or encumbered $225,000.00 in 2011 and approximately $175,000.00 for this purpose in 2012. This $60,000 modification will provide funding through February 2014 when Risk Management will begin to administer the contract for the Public Safety Department.

To authorize and direct the Director of Public Safety to modify and extend a contract with Mount Carmel Health for physical health and fitness testing services for the Division of Police; to authorize the expenditure of $60,000.00 from the General Fund; and to declare an emergency. ($60,000.00)

**WHEREAS**, the City is required to provide Health and Physical Fitness Testing Services and related Education and Wellness Programs to the Division of Police pursuant to the collective bargaining contract between the City and the Fraternal Order of Police, Capital City Lodge #9; and

**WHEREAS**, it is in the City's best interest to procure professional services to assist with the implementation of the Health and Physical Fitness Program for the Division of Police; and

**WHEREAS**, a formal bid opening was held on December 15, 2011 for a physical health and fitness program for the Division of Police and the Division of Fire; and

**WHEREAS**, based on the committee’s recommendation, the Director of Public Safety entered into a contract with Mount Carmel Health for a physical health and fitness program; and

**WHEREAS**, this ordinance will modify and extend the original contract for the second year of the allowable three years per the terms and conditions of the original agreement, and

**WHEREAS**, an emergency exists in the usual daily operation of the Division of Police, Public Safety Department, in that it is immediately necessary to modify and extend the contract with Mount Carmel Health so that testing may continue in compliance with the collective bargaining agreement between the City and the Fraternal Order of Police, Capital City Lodge #9, thereby preserving the public health, peace, property, safety
and welfare, now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Public Safety is hereby authorized and directed to modify and extend the contract between the Division of Police and Mount Carmel Health to provide Health and Physical Fitness testing services and related education and wellness programs for the Division of Police.

SECTION 2. That the expenditure of $60,000.00, or so much thereof as may be necessary, is hereby authorized to be expended as follows:

| Dept. 30-03 | FUND 010 | Object Level (1) 03 | Object Level (3) 3351 | OCA Code 300301 |

SECTION 3. That for reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approved nor vetoes the same.

1. BACKGROUND

The Division of Planning and Operations utilizes school flashers for the purpose of warning motorists of school zones and the speed limit within those school zones. To achieve this objective the Division of Planning and Operations requires the purchase of commodities to install in school zones currently needing upgrades.

Bids were opened on November 8th for parts and accessories for current City School Flashers. Only one complete bid was received from Baldwin & Sours, Inc.; no other vendor submitted pricing for the requested items.

This ordinance authorizes the purchase of school flasher parts and accessories per solicitation SO044886/BE019578 in the amount of $8,475.00. School flasher equipment can be capitalized.

Searches in the Excluded Party List System(Federal) and the Findings for Recovery list (State) produced no findings against Baldwin & Sours, Inc.

2. FISCAL IMPACT:

Funding for these commodities is available within the Streets and Highways G.O. Bonds Fund.

3. CONTRACT COMPLIANCE

Baldwin & Sours, Inc. has a contract compliance number of 311104513 and it expires 7/23/2014.

4. EMERGENCY DESIGNATION

Emergency action is requested to assure the timely availability of the school flashers and accessories for installation and replacement purposes and to promote and enhance pedestrian and motorist safety.

To authorize the Finance and Management Director to establish purchase orders for the purchase of school flasher parts and accessories for the Division of Planning and Operations; to authorize the expenditure of
$8,475.00 from the Streets and Highways G.O. Bonds Fund for this purpose; and to declare an emergency. ($8,475.00)

WHEREAS, the Division of Planning and Operations utilizes school flashers to perform its mission; and

WHEREAS, these items can be capitalized; and

WHEREAS, this ordinance authorizes the purchase of the Division of Planning and Operation's remaining needs for 2013 for these commodities; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Service, Division of Planning and Operations, in that it is immediately necessary to purchase school flashers and accessories to assure their timely availability for original installation and replacement purposes and to promote and enhance pedestrian and motorist safety, thereby preserving the public health, peace, property, safety and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Finance and Management Director be and hereby is authorized to establish purchase orders totaling $8,475.00 per solicitation SO044886/BEO19578 for school flasher parts and accessories as follows:

Baldwin and Sours
5263 Trabue Road
Columbus, Ohio 43228
SO044886
BEO19578 - Items 1 through 5
School Flasher Parts and Accessories
(Total $8,475.00)

SECTION 2. That the expenditure of up to $8,475.00 be and hereby is authorized from the Streets and Highways G.O. Bond Fund, Fund 704, Dept.-Div. 59-11, Division of Planning and Operations

Fund / Project # / Project / O.L. 01-03 Codes / OCA Code / Amount
704 / 540005-100001 / School Flashers - 20 MPH - Commodities / 06-6651 / 740501 / $8,475.00

SECTION 3. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 4. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 5. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project account to the unallocated balance account within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 6. That this Council hereby recognizes that this ordinance does not identify specific contractors or vendors for the expenditure purposes authorized herein and hereby delegates sole and final contracting decisions relative to the determination of lowest, most responsive and most responsible vendor(s), as required by Columbus City Code Section 329, to the Director of Finance and Management or designee.
SECTION 7. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or 10 days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This legislation authorizes the Finance and Management Director to modify a contract on behalf of the Office of Construction Management with Eagle Electric Service for the replacement of the Uninterruptible Power Supply (UPS) at City Hall, 90 West Broad Street.

The original contract was authorized by City Council through Ordinance No. 0179-2013, passed February 14, 2013. The work included the removal of an existing Liebert HVAC unit and the existing UPS system and installation of a new HVAC unit and a new UPS system.

A modification of the contract is necessary due to unforeseen conditions in the original wiring of an electrical panel in the UPS room. In addition, this legislation authorizes the upgrade to an additional electrical panel as the original circuit breakers are no longer manufactured or warrantied. These upgrades will ensure a fully functional UPS system that will be updated with current components with the proper warranties. Once completed, this UPS system will protect the computers and servers within City Hall from any power outage and will help protect the system from data loss.

It is practical and cost effective for coordination and continuity to modify this contract with Eagle Electrical Service. It would not be in the best interest of the City to select another vendor to complete this work. Prices already established in the contract were used to determine the cost of this modification.

Emergency action is requested so that the project can be completed without delay.

Fiscal Impact: The cost of this modification is $54,976.87. This legislation authorizes the transfer of $54,976.87 between projects within the Information Services Bond Fund.

1. Background
The Columbus Metropolitan Housing Authority (CMHA) has begun a $130 million, multi-phase redevelopment plan for the Poindexter Village area which is bounded by Mt. Vernon Avenue to the north, Ohio Avenue to the west, Long Street to the south, and Hughes Street to the east. In order to support this substantial redevelopment plan, it is necessary for CMHA and the City of Columbus to examine the condition of existing public infrastructure surrounding the redevelopment area and plan for improvements that may be necessary to support redevelopment. This shall be done through the creation of Infrastructure Master Plan.

This Infrastructure Master Plan will allow the City and CMHA to best utilize existing infrastructure, understand the investments required to improve infrastructure in the area to support this redevelopment, and efficiently coordinate needed improvements during the redevelopment. The City’s Development Department has committed up to $150,000.00 for reimbursement to CMHA for a professional services contract to study and make recommendations on needed public infrastructure improvements for the Poindexter Village redevelopment area.

2. CONTRACT COMPLIANCE
The contract compliance number for Columbus Metropolitan Housing Authority is 31-6401164.

3. Fiscal Impact
Funds in the amount of $150,000.00 are available for this project in the Streets and Highways G.O. Bond Fund.
within the Department of Public Service. An amendment to the 2013 Capital Improvements fund is necessary for the purpose of providing sufficient spending authority for the aforementioned project expenditure.

4. Emergency Justification
Emergency action is requested so that construction of the first phase of the multi-phase redevelopment can start in spring/summer 2014 in accordance with CMHA’S schedule.

To amend the 2013 Capital Improvement Budget; to authorize the City Auditor to transfer cash and appropriation between projects within the Streets and Highways Bond Fund; to authorize the Director of Public Service to enter into a Guaranteed Maximum Reimbursement Agreement with Columbus Metropolitan Housing Authority for an infrastructure master plan for the Poindexter Village redevelopment area; to authorize the expenditure of $150,000.00 from the Streets and Highways Bond Fund; and to declare an emergency ($150,000.00)

WHEREAS, the redevelopment of the Poindexter Village area is a major cornerstone envisioned under the Partners Achieving Community Transformation Plan and will be a catalytic for redevelopment for the Near East Side neighborhoods of the City of Columbus; and

WHEREAS, the Columbus Metropolitan Housing Authority has committed to significant investment in this redevelopment in the coming years; and

WHEREAS, the City of Columbus desires to evaluate the current condition of infrastructure in the area and efficiently plan for improvements that may be necessary to support redevelopment in this area of the City; and

WHEREAS, the Department of Development has committed up to $150,000.00 for a guaranteed maximum reimbursement agreement with the Columbus Metropolitan Housing Authority for an infrastructure master plan for the Poindexter Village redevelopment area; and

WHEREAS, it is necessary to authorize an amendment to the 2013 Capital Improvements Budget for the purpose of providing sufficient spending authority for the aforementioned project expenditure; and

WHEREAS, this ordinance authorizes the Director of the Department of Public Service to enter into a Guaranteed Maximum Reimbursement Agreement with Columbus Metropolitan Housing Authority for an infrastructure master plan for the Poindexter Village redevelopment area; and now, therefore

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Service in that this contract should be authorized immediately so that funding can be made available for the CMHA to meet their project schedule, thereby preserving the public health, peace, property, safety and welfare; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the 2013 Capital Improvements Budget, as authorized in Ordinance 0645-2013, be amended to provide sufficient authority for this project as follows:

SECTION 6. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 7. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project account to the unallocated balance account within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 8. That this ordinance shall take effect and be in force from and after the earliest period allowed by law. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approves nor vetoes the same.
1. BACKGROUND
This ordinance seeks authorization for the Director of the Department of Public Service to enter into a Design Guaranteed Maximum Reimbursement Agreement with Daimler Group, Inc., for up to $55,000.00 to design the Streetscape Improvements - High Street - Rich Street to Main Street project.

Daimler Group, Inc. is redeveloping the 0.76-acre parking lot adjacent to the City Center Parking Garage for the 250 South High project and anticipates beginning construction in December 2013. The 250 South High project is comprised of a new 12-story building with 136,000 square feet of commercial office and 156 apartments.

In support of the continued redevelopment of the downtown, the City of Columbus and Daimler Group, Inc. are engaged in a Public-Private Partnership (3P) to design streetscape improvements along High Street between Rich Street and Main Street in support of the new 250 South High project in the River South District of downtown Columbus.

The scope of public improvements for the Streetscape Improvements - High Street - Rich Street to Main Street project include, but are not limited to: the addition of a 40' paver drop off on High Street 190' north of E. Main Street; the removal and reinstallation of sidewalk, street trees, and pedestrian/street lighting on High Street between Main Street and Rich Street (360 feet), Main Street east of High St (80 feet) and Rich Street east of High St (80 feet). In addition, the existing approach curb will be removed and replaced with granite curb for 80 feet along Rich St and 40 feet along Main St and new stripping and signage will be installed on Main St (45") for a loading area.

2. CONTRACT COMPLIANCE INFORMATION
The contract compliance number for Daimler Group, Inc. is 31-1058348. The expiration date is July 9, 2014.

3. FISCAL IMPACTS
The Department of Development will contribute up to $55,000.00 for this design guaranteed maximum reimbursement agreement. This expense is budgeted within the 2013 Capital Improvement Budget in Fund 704. An amendment to the 2013 Capital Improvements fund is necessary for the purpose of providing sufficient spending authority for the aforementioned project expenditure.

4. EMERGENCY DESIGNATION
The Department of Public Service is requesting this ordinance to be considered an emergency measure in order to allow for immediate execution of this design guaranteed maximum reimbursement agreement, which is necessary to facilitate the design of these improvements to maintain the project schedule and meet community commitments; thereby immediately preserving the public health, peace, property, safety and welfare.

To amend the 2013 Capital Improvement Budget; to authorize the City Auditor to transfer cash between projects within the same fund; to authorize the Director of Public Service to enter into a Design Guaranteed Maximum Reimbursement Agreement with Daimler Group, Inc. for up to $55,000.00 to design the Streetscape Improvements - High Street - Rich Street to Main Street project; and to authorize the expenditure of $55,000.00 from Fund 704 Streets and Highways G. O. Bonds Fund; and to declare an emergency. ($55,000.00).
WHEREAS, Daimler Group, Inc. is redeveloping the 0.76-acre parking lot adjacent to the City Center Parking Garage for the 250 South High project, which is comprised of a new 12-story building with 136,000 square feet of commercial office and 156 apartments; and

WHEREAS, the City of Columbus and Daimler Group, Inc. are engaged in a Public-Private Partnership (3P) to design streetscape improvements along High Street between Rich Street and Main Street in support of the new 250 South High project in the River South District of downtown Columbus; and

WHEREAS, public infrastructure improvements for the Streetscape Improvements - High Street - Rich Street to Main Street project, include, but are not limited to: the addition of a 40’ paver drop off on High Street 190’ north of E. Main Street; the removal and reinstallation of sidewalk, street trees, and pedestrian/street lighting on High Street between Main Street and Rich Street (360 feet), Main Street east of High St (80 feet) and Rich Street east of High St (80 feet). In addition, the existing approach curb will be removed and replaced with granite curb for 80 feet along Rich St and 40 feet along Main St and new stripping and signage will be installed on Main St (45”) for a loading area; and

WHEREAS, the Department of Public Service has identified the need to enter into a design guaranteed maximum reimbursement agreement with Daimler Group, Inc. for the Streetscape Improvements - High Street - Rich Street to Main Street project; and

WHEREAS, this ordinance authorizes the Director of the Department of Public Service to enter into a design guaranteed maximum reimbursement agreement with Daimler Group, Inc., in an amount up to $55,000.00 for the design of public infrastructure improvements in connection with the Streetscape Improvements - High Street - Rich Street to Main Street project; and

WHEREAS, it is necessary to authorize an amendment to the 2013 Capital Improvements Budget for the purpose of providing sufficient spending authority for the aforementioned project expenditure; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Service, in that it is immediately necessary to authorize said design guaranteed maximum reimbursement agreement and the expenditure of such funds to maintain the project schedule and meet community commitments; thereby immediately preserving the public health, peace, property, safety and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That 2013 Capital Improvement Budget, authorized by Ordinance 0645-2013, be amended as follows to account for encumbrance cancellations and to provide sufficient budget authority for this expenditure as follows:

SECTION 2. That in order to have sufficient cash for this project the City Auditor is authorized to transfer cash between projects within the Streets and Highways G. O. Bonds Fund 704 as follows:

Transfer from:
SECTION 3. That the Director of the Department of Public Service be and hereby is authorized to enter into a design guaranteed maximum reimbursement agreement with Daimler Group, Inc., 1533 Lake Shore Drive, Columbus, OH 43204, pursuant to Section 186 of the Columbus City Charter for the design of Streetscape Improvements - High Street - Rich Street to Main Street project at a cost up to $55,000.00.

SECTION 4. That for the purpose stated in Section 2, the expenditure of up to $55,000.00 from the Development Department, Division 59-11, Fund No. 704, Project No. 530801-100012 Downtown Streetscape-High Street-Rich Street to Main Street, OCA Code 780112, Object Level 06-6682 is hereby authorized.

SECTION 5. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 6. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 7. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project account to the unallocated balance account within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 8. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This legislation authorizes the Finance and Management Director to enter into a contract on behalf of the Fleet Management Division with Lithko Restoration Technologies LLC to acquire Epoxy Floor Repairs & Sealing for the Fleet Management complex at 4211 Groves Road. Formal bids were solicited and seven companies submitted bids on November 13, 2013. The vendors are as follows:
1. Lithko Restoration Technologies LLC - $209,940.00

5. Apex Building Company LLC - $342,135.00
6. Tuff Kote Flooring Inc. - $349,500.00
7. Legacy Commercial - $471,368.75

The Fleet Management Division recommends the bid award be made to the lowest, most responsive and responsible bidder, Lithko Restoration Technologies LLC.

Lithko Restoration Technologies LLC. Contract Compliance No. 010817704 expiration date 04/12/2014.

This ordinance is contingent on passage of ordinance 2776-2013.

**Fiscal Impact:** A total of $209,940.00 will be expended from the Fleet Operating Budget. This was a budgeted expense within the 2013 Fleet Management Operating Budget.

**Emergency action** is requested as the current shop flooring, in many areas is deteriorated, and may be a slip hazard.

To authorize the Director of Finance and Management, on behalf of the Fleet Management Division, to enter into a contract with Lithko Restoration Technologies LLC for the repairing and sealing of the shop floors at the Fleet Management complex, 4211 Groves Road; to authorize the expenditure of $209,940.00 from the Fleet Management Operating Fund; and to declare an emergency. ($209,940.00)

**WHEREAS,** it is necessary to renovate the flooring at the Fleet Management complex located at 4211 Groves Road; and

**WHEREAS,** formal bids were solicited and Lithko Restoration Technologies LLC was deemed the lowest, most responsive, and responsible bidder; and

**WHEREAS,** an emergency exists in the usual daily operation of the Finance and Management Department, Fleet Management Division, in that it is immediately necessary to authorize the Finance and Management Director to enter into a contract with Lithko Restoration Technologies LLC for the repairing and sealing of the shop flooring at the Fleet Management complex, as the current flooring in many areas is deteriorated and may be a slip hazard, thereby, preserving the public health, property, safety, and welfare; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Finance and Management Director is authorized to enter into a contract on behalf of the Fleet Management Division with Lithko Restoration Technologies LLC for renovation of the flooring at the Fleet Management complex, 4211 Groves Road.

**SECTION 2.** That the expenditure of $209,940.00, or so much thereof as may be necessary in regards to the action authorized in SECTION 1, be and is hereby authorized and approved as follows:
SECTION 3. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 4. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approves nor vetoes the same.

1. BACKGROUND
This ordinance authorizes the Director of Finance and Management to issue a purchase order to Columbus Lumber for meter heads and miscellaneous replacement parts manufactured by MacKay Meters under Section 329.07(e) of the Columbus City Code (sole source procurement). The purchase order will be issued for $65,000.00.

The Department of Public Service, Division of Mobility Options, is responsible for the operation and maintenance of the City's approximately 5,000 parking meters. MacKay Meters is the only brand of meter body currently in use. Replacement parts are required to keep the meters functional. MacKay parts can only be purchased from authorized MacKay distributors and the distributors are given exclusive territories. The City has received a letter from MacKay Meters confirming that Columbus Lumber is their exclusive distributor for this area.

Searches in the System for Award Management (Federal) and the Findings for Recovery list (State) produced no findings against Columbus Lumber.

2. CONTRACT COMPLIANCE
The Contract Compliance number for Columbus Lumber is 311571445 and Expires 01/31/14.

3. FISCAL IMPACT
Funds in the amount of $65,000.00 are available within the Streets and Highways Bond Fund within the Department of Public Service.

4. EMERGENCY DESIGNATION
Emergency action is requested to prevent interruption of the supply of replacement parts, keeping the existing meters in service.
To authorize the Director of Finance and Management to issue a purchase order to Columbus Lumber for MacKay Meters meter bodies and replacement parts in accordance with the City's sole source provision; to authorize the expenditure of up to $65,000.00 from the Streets and Highways Bond Fund; and to declare an emergency. ($65,000.00)

WHEREAS, the Department of Public Service, Division of Mobility Options, is responsible for the operation and maintenance of parking meters throughout the City; and

WHEREAS, replacement parts are needed to keep the parking meters in good operating condition; and

WHEREAS, funds were budgeted for parking meters and parts within the 2013 Capital Improvement Budget; and

WHEREAS, Columbus Lumber is the sole authorized distributor of MacKay Meters parts in Franklin County, Ohio; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Service, Division of Mobility Options, in that the supply of repair parts must be maintained to keep existing meters in service, thereby preserving the public health, peace, property, safety and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Finance and Management be and is hereby authorized to issue a purchase order in the amount of $65,000.00 to Columbus Lumber, 3923 East Main Street, Columbus, Ohio, 43213, for the purchase of MacKay Meters replacement parts.

SECTION 2: That the expenditure of $65,000.00 or so much thereof as may be needed is hereby authorized from the Streets and Highways Bond Fund, No. 704, as follows:

SECTION 3. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated and the City Auditor shall establish such accounting codes as necessary.

SECTION 4. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 5. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project account to the unallocated balance account within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 6. That this purchase is in accordance with the provisions of the Columbus City Code, Section 329.07(e), "Sole Source Procurement".

SECTION 7. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.
BACKGROUND: One parcel currently held in the Land Bank has been approved for disposition. In order to complete the transfer, authorization is needed for the Director of the Department of Development to execute any and all agreements and deeds for conveyance of the real property. This legislation authorizes transfer of one parcel located at 1414 E. 18th Ave. (010-060660) to Jeff Ihlenfield, who will rehabilitate the existing single-family structure to be maintained as a rental unit. The parcel will be transferred by deed recorded in the Official Records of the Franklin County Recorder’s Office.

FISCAL IMPACT: No funding is required for this legislation. The City may first recover reimbursement of any and all expenses incurred on account of the acquisition, administration, management, maintenance and disposition of such land and such other expenses of the program as the City may apportion to such land from the sale proceeds.

EMERGENCY JUSTIFICATION: Emergency action is requested to expedite the transfer in order to reduce Land Bank maintenance costs.

To authorize the Director of the Department of Development to execute any and all necessary agreements and deeds for conveyance of title of one parcel of real property (1414 E. 18th Ave.) held in the Land Bank pursuant to the Land Reutilization Program; and to declare an emergency.

WHEREAS, Ordinance 1860-2008 adopted the City’s Neighborhood Stabilization Program, authorized the filing of the City’s Neighborhood Stabilization Program application with the United States Department of Housing and Urban Development, and made a substantial amendment to the Consolidated Plan’s 2008 Action Plan; and

WHEREAS, Ordinances 0234-2009 and 0136-2009 authorized the Director of the Department of Development’s to expend funds and acquire properties under the Neighborhood Stabilization Program; and

WHEREAS, by Ordinance 1325-98 Council adopted and elected to use the Revised Code Chapter 5722, Land Reutilization Program, to facilitate effective reutilization of nonproductive land acquired through a sale pursuant to a foreclosure proceeding initiated by the Franklin County Treasurer, or through a sale of forfeited lands by the Franklin County Auditor, or through a conveyance in lieu of foreclosure; or any other land it acquires as part of its land utilization program;

WHEREAS, a proposal for the sale of the property which was acquired pursuant to Ohio Revised Code Section 5722.06 meets the Land Reutilization Program’s Disposition Policies and Guiding Principles and has been approved by the Land Redevelopment Office Administrator; and

WHEREAS, in conformity with Ohio Revised Code Section 5722.07, the property will be sold at not less than fair market value, defined as the appraised value of the nonproductive land made with reference to any redevelopment and reutilization restrictions as may be imposed by the electing subdivision as a condition of sale or as may otherwise be applicable to such; therefore, competitive bidding is not required; and
WHEREAS, in order to complete the transfer of such property to the purchaser, authority is needed for the Director of the Department of Development to execute any and all necessary agreements and deeds of conveyance for the real property; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, Land Redevelopment Office in that it is immediately necessary to convey title of said parcel of real estate to expedite the transfer in order to reduce Land Bank maintenance costs, all for the immediate preservation of the public health, peace, property, safety and welfare; and now therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of the Department of Development is hereby authorized to execute any and all necessary agreements and deeds to convey title to the following parcel of real estate to Jeff Ihlenfield:

PARCEL NUMBER: 010-060660
ADDRESS: 1414 E. 18th Avenue, Columbus, Ohio 43211
PRICE: $2,500.00 plus a $38.00 recording fee
USE: Single-family rental unit

Being Lot № Four Hundred Thirty-three (433) and Seventeen feet off the East side of Lot № Four Hundred Thirty-four (434) in WALDEMERE, an Addition to the City of Columbus, as the same is numbered and delineated upon the recorded plat thereof, of record in Plat Book 10, Pages 86 through 87, Recorder’s Office, Franklin County, Ohio.

Section 2. For the property stated in Section 1, that the Director of Development is hereby authorized to execute any agreement, deed restriction, or mortgage to ensure compliance with Land Bank Program rules and the submitted application and to release such restriction or mortgage upon compliance.

Section 3. That for good cause shown, Section 329.29 of the Columbus City Codes, 1959, is hereby waived.

Section 4. That Council hereby finds that the selection process utilized in this matter is in accordance with the Land Bank Disposition Process created pursuant to the City’s Land Reutilization Program and hereby approves the same.

Section 5. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this Ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.
BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into contracts with two companies to provide services to board to code and secure structures including installation of hasps, locks and hinges on entry doors on City-owned property being held in the Land Bank. Egner Construction (cc# 010853960, expires 1/22/2015) and IBAR Home Maintenance & Repair Services (cc# 273673793, expires 11/15/2014) were selected from a pool of two companies that responded to a formal request for bids (2013 SA005161). These companies were selected based on lowest bid, prior experience, resources and qualifications.

EMERGENCY JUSTIFICATION: Emergency action is requested in order to continue without interruption ongoing property maintenance activities for the Columbus Land Bank Program.

FISCAL IMPACT: This ordinance authorizes the appropriation of $125,000.00 and the expenditure of $100,000.00 from the Land Management Fund.

To authorize the Director of the Department of Development to enter into contracts with Egner Construction and IBAR Home Maintenance & Repair Services to provide services to board to code and to secure structures on City-owned property being held in the Land Bank; to authorize the appropriation of $125,000.00 from the unappropriated balance of the Land Management Fund to the Department of Development; to authorize the expenditure of up to $100,000.00 from the Land Management Fund; and to declare an emergency. ($125,000.00)

WHEREAS, this ordinance authorizes the Director of the Department of Development to enter into contracts with Egner Construction and IBAR Home Maintenance & Repair Services to provide services to board to code and to secure structures including installation of hasps, locks and hinges on entry doors for the Land Redevelopment Office; and

WHEREAS, Egner Construction and IBAR Home Maintenance & Repair Services were two contractors selected from a pool of two companies that responded to the request for bids (2013 SA 005161); and

WHEREAS, Egner Construction and IBAR Home Maintenance & Repair Services were selected based on bid pricing, prior experience, resources and qualifications; and

WHEREAS, Egner Construction and IBAR Home Maintenance & Repair Services, are locally owned businesses; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development in that it is immediately necessary to enter into contract with these companies to continue to provide uninterrupted services to board to code and secure structures, including installation of hasps, locks and hinges on entry doors, all for the preservation of the public health, peace, property, safety and welfare; and NOW THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of the Department of Development is hereby authorized to enter into contracts with Egner Construction and IBAR Home Maintenance & Repair Services to provide services to board to code and secure structures including installation of hasps, locks and hinges on entry doors to the Land Redevelopment Office for parcels held in the Land Bank.
Section 2. That from the unappropriated balance in the Land Management Fund, Fund No. 206, and from any and all sources unallocated for any other purpose during the fiscal year ending December 31, 2013, the sum of $125,000.00 is hereby appropriated to the Department of Development, Division 44-01, Object Level One 03, Object Level Three 3370, OCA Code 441206

Section 3. That for the purpose stated in Section 1, the expenditure of $100,000.00, or so much therefor as may be necessary, is hereby authorized to be expended from the Land Management Fund, Fund 206, Department of Development, Division 44-01, Object Level One 03, Object Level Three 3370, OCA Code 441206.

Section 4. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

Section 5. That these contracts are awarded in accordance with Chapter 329.12 of the Columbus City Codes, 1959.

Section 6. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This legislation authorizes the Finance and Management Director to enter into a contract on behalf of the Facilities Management Division with The Elevator Consultants for professional elevator consulting services. The Division of Facilities Management solicited responses through Vendor Services via a Request for Statements of Qualifications for Professional Consulting Services. Responses were due Friday, November 1, 2013. The purpose of this RFSQ was to solicit statements of qualifications for the purpose of entering into a contract for professional services with an elevator consulting firm, to provide expertise as it relates to elevator condition assessments, evaluations for elevator renovations and upgrades, code compliance, and replacement of the current elevators. This information generated by this condition assessment will be used to develop and establish an outside comprehensive maintenance and service agreement for these elevators (and handicapped lifts), as well as to provide a maintenance and capital improvement plan in order to better meet the needs of the City of Columbus.

The selection of the vendor for professional elevator consulting services is in accordance with the competitive bidding provisions of the Columbus City Code. Requests for Statements and Qualifications were sent out via SA005158, and three proposals were received: The Elevator Consultants, Lerch Bates, and Elliott Elevator Consulting. These proposals were evaluated and scored by an internal review committee and The Elevator Consultants received the highest overall rating.

Emergency action is requested so that elevator and handicapped lift assessment can begin immediately.

Axium LLC (DBA The Elevator Consultants), Contract Compliance #261218365, expiration date: 10/29/2015.
**Fiscal Impact:** The cost of this contract is $50,000.00. This is a budgeted expense within the 2013 Facilities Management Operating Budget.

To authorize the Director of Finance and Management, on behalf of the Facilities Management Division, to enter into a contract with The Elevator Consultants for professional elevator consulting services; to authorize the expenditure of $50,000.00 from the General Fund; and to declare an emergency. ($50,000.00)

**WHEREAS**, the Facilities Management Division desires to enter into a contract with The Elevator Consultants for professional elevator consulting services; and

**WHEREAS**, the Facilities Management Division advertised Requests for Statement of Qualifications (RFSQ); and

**WHEREAS**, The Elevator Consultants is the most responsive and responsible; and

**WHEREAS**, an emergency exists in the usual daily operation of the Finance and Management Department, Facilities Management Division, in that it is immediately necessary to authorize the Finance and Management Director to enter into a contract with The Elevator Consultants for elevator and handicapped lift condition assessments, to ensure that these devices conform to the highest levels of safety and efficiency, thereby preserving the public health, property, safety, and welfare; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Finance and Management Director, on behalf of the Facilities Management Division, is authorized to enter into a contract with Axium LLC (DBA The Elevator Consultants) for professional elevator consulting services.

**SECTION 2.** That the expenditure of $50,000.00, or so much thereof as may be necessary in regards to the action authorized in SECTION 1, be and is hereby authorized and approved as follows:

Division: 45-07  
Fund: 10  
OCA Code: 450044  
Object Level 1: 03  
Object Level 3: 3336  
Amount: $50,000.00  

**SECTION 3.** That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

**SECTION 4.** That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: One parcel currently held in the Land Bank has been approved for disposition. In order to complete the transfer, authorization is needed for the Director of the Department of Development to execute any and all agreements and deeds for conveyance of the real property. This legislation authorizes transfer of one parcel located at 1093 Forest St. (010-041058) to Mt. Helix Acquisitions I, LLC, who will rehabilitate the existing single-family structure to be maintained as a rental unit. The parcel will be transferred by deed recorded in the Official Records of the Franklin County Recorder’s Office.

FISCAL IMPACT: No funding is required for this legislation. The City may first recover reimbursement of any and all expenses incurred on account of the acquisition, administration, management, maintenance and disposition of such land and such other expenses of the program as the City may apportion to such land from the sale proceeds.

EMERGENCY JUSTIFICATION: Emergency action is requested to expedite the transfer in order to reduce Land Bank maintenance costs.

To authorize the Director of the Department of Development to execute any and all necessary agreements and deeds for conveyance of title of one parcel of real property (1093 Forest St.) held in the Land Bank pursuant to the Land Reutilization Program; and to declare an emergency.

WHEREAS, by Ordinance 1325-98, Council adopted and elected to use the Revised Code Chapter 5722, Land Reutilization Program, to facilitate effective reutilization of nonproductive land acquired through a sale pursuant to a foreclosure proceeding initiated by the Franklin County Treasurer, or through a sale of forfeited lands by the Franklin County Auditor, or through a conveyance in lieu of foreclosure to foster either return of such land to tax revenue generating status or its devotion to public use, or any other land acquired as part of the land reutilization program; and

WHEREAS, a proposal for the sale of the property which was acquired pursuant to Ohio Revised Code Section 5722.06 meets the Land Reutilization Program’s Disposition Policies and Guiding Principles and has been approved by the Land Redevelopment Office Administrator; and

WHEREAS, in conformity with Ohio Revised Code Section 5722.07, the property will be sold at not less than fair market value, defined as the appraised value of the nonproductive land made with reference to any redevelopment and reutilization restrictions as may be imposed by the electing subdivision as a condition of sale or may otherwise be applicable to such; therefore, competitive bidding is not required; and

WHEREAS, in order to complete the transfer of such property to the purchaser, authority is needed for the
Director of the Department of Development to execute any and all necessary agreements and deeds of conveyance for the real property; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, Land Redevelopment Office in that it is immediately necessary to convey title of said parcel of real estate to expedite the transfer in order to reduce Land Bank maintenance costs, all for the immediate preservation of the public health, peace, property, safety and welfare; and now therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of the Department of Development is hereby authorized to execute any and all necessary agreements and deeds to convey title to the following parcel of real estate to Mt. Helix Acquisitions I, LLC:

PARCEL NUMBER: 010-041058
ADDRESS: 1093 Forest St., Columbus, Ohio 43206
PRICE: $4,500.00 plus a $38.00 recording fee
USE: Single-family rental unit

Situated in the City of Columbus, County of Franklin and State of Ohio:

Being parts of Lots 161 and 162 of Auburndale Addition to the City of Columbus, Ohio, as the same are numbered and delineated upon the recorded Plat thereof, of record in Plat Book 5, Pages 76 and 77, recorder’s office, Franklin County, Ohio and being more particularly bounded and described as follows:

Beginning at the Northwest corner of Lot 161, thence 33 feet and 4 inches to a point; East Along the North line of Lot 161 thence South parallel with the West ends of Lots 161 and 162 to a point in the South line of Lot 162 (said point being 33 feet 4 inches distant from the Southwest corner of Lot 162); thence West along the South line of Lot 162, 33 feet 4 inches to the Southwest corner of Lot 162; thence along the West line of Lots 162 and 161 to the place of beginning.

Section 2. For the property stated in Section 1, that the Director of Development is hereby authorized to execute any agreement, deed restriction, or mortgage to ensure compliance with Land Bank Program rules and the submitted application and to release such restriction or mortgage upon compliance.

Section 3. That for good cause shown, Section 329.29 of the Columbus City Codes, 1959, is hereby waived.

Section 4. That Council hereby finds that the selection process utilized in this matter is in accordance with the Land Bank Disposition Process created pursuant to the City’s Land Reutilization Program and hereby approves the same.

Section 5. That for the reasons stated in the preamble hereeto, which is hereby made a part hereof, this Ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.
BACKGROUND: Columbus City Council (Council), by Ordinance 0596-2006, passed April 3, 2006, authorized the City of Columbus (City) to enter into an Community Reinvestment Area Agreement (Agreement) with Cassady Gateway Partners, LLC and Mid Ohio Oncology/Hematology, Inc. (Enterprise) for a tax abatement of fifty percent (50%) for a period of ten (10) years in consideration of an investment of a total $42 million in real and personal property with $21.9 million of this being for real property improvements, the retention of 130 existing jobs and the creation of 80 new full-time permanent jobs with an associated annual payroll of approximately $6 million related to the construction of a new 109,000 square feet facility at which Enterprise can consolidate and expand its operations on part of parcel number 010-263075 at 3100 Plaza Properties Boulevard in Columbus, Ohio and within the boundaries of the Cassady/I-670 Community Reinvestment Area. The Agreement was made and entered into to be effective April 27, 2006 (CRA# 049-18000-10 / 06-001). This Agreement was subsequently authorized by Council to be amended for the first time to remove any and all language pertaining to personal property investment and tax abatements related to this personal property investment from the Agreement by Ordinance 0614-2009, passed May 11, 2009, with this first amendment made and entered into effective January 1, 2009.

As part of the Annual Report for Report Year 2012, Enterprise submitted job and payroll numbers which were as of December 31, 2012 out of compliance with the commitments of the Agreement. New jobs were reported at 57 (commitment of 80; 23 low; 71% attainment) and new job payroll was reported to be $4.6 million (commitment of $6 million; $1.4 million low; 77% attainment). A mid-year follow-up was undertaken by City staff which indicated that the failure to meet the new job and payroll commitment numbers was due to market conditions and changes in Medicaid reimbursement rates.

The 2013 Columbus Tax Incentive Review Council (TIRC) reviewed the Cassady Gateway Partners, LLC and Mid Ohio Oncology/Hematology, Inc. Community Reinvestment Area project on August 22, 2013, and recommended that the Agreement be continued and that City staff meet with Enterprise to determine proper revised job and payroll levels and amend the Agreement accordingly. On September 20, 2013, City staff met with Enterprise and the determination was made that the job creation commitment should be revised to 61 from 80 and that the commensurate new job payroll be revised to $3,927,241 from $6,000,000.

This legislation seeks to authorize amendment of the Agreement to amend the job creation and new job payroll commitments as set forth in the Agreement to maintain a new full-time permanent job level of 61 jobs with a commensurate new full-time permanent job payroll of $3,927,241. It is anticipated that the Enterprise will be able to maintain good compliance in future years with the new full-time permanent job and payroll requirements. The terms of the tax abatement are not modified by this amendment and it is expected to run through 2016.

This legislation is presented as an emergency measure in order for this amendment to be legislated prior to the end of 2013 so that this amendment to the Agreement can be reported to the necessary local and state agencies prior to the end of calendar year 2013.

FISCAL IMPACT: No funding is required for this legislation.

To authorize the Director of the Department of Development to amend the Community Reinvestment Area Agreement with Cassady Gateway Partners, LLC and Mid Ohio Oncology/Hematology, Inc. to amend the new full-time permanent job requirement as set forth in the Agreement; and to declare an emergency.
WHEREAS, the Columbus City Council (Council) approved the Community Reinvestment Area Agreement (Agreement) with Cassady Gateway Partners, LLC and Mid Ohio Oncology/Hematology, Inc. (Enterprise) on April 3, 2006 by Ordinance 0596-2006 and entered into effective April 27, 2006; and

WHEREAS, the Agreement grants Enterprise a 50%/10-Year abatement on real property investment; and

WHEREAS, the Agreement commits Enterprise to invest $21.9 million in real property improvements, retain 130 jobs and create 80 new permanent full-time jobs with an associated payroll of approximately $6 million related to the construction of a new 109,000 square foot facility at 3100 Plaza Properties Blvd; and

WHEREAS, the Agreement was authorized by Council to be amended for the first time to remove any and all language pertaining to personal property investment and tax abatements related to this personal property investment from the Agreement by Ordinance 0614-2009, passed May 11, 2009, with this first amendment made and entered into effective January 1, 2009; and

WHEREAS, 2013 Columbus Tax Incentive Review Council (TIRC) reviewed the Cassady Gateway Partners, LLC and Mid Ohio Oncology/Hematology, Inc. Community Reinvestment Area project on August 22, 2013 where it was reported that the project had submitted job and payroll numbers which were as of December 31, 2012 out of compliance with the commitments of the Agreement, with new jobs reported to be 57 (commitment of 80; 23 low; 71% attainment) and new job payroll reported to be $4.6 million (commitment of $6 million; $1.4 million low; 77% attainment) but that as per a mid-year reporting follow-up undertaken by City staff the failure to meet the new job and payroll commitment numbers was due to market conditions and changes in Medicaid reimbursement rates; and

WHEREAS, the TIRC recommended that the Agreement be continued and that city staff meet with Enterprise to determine proper revised job and payroll levels and amend the Agreement accordingly and the City desires to amend the job creation and payroll requirements of the Agreement; and

WHEREAS, on September 20, 2013, city staff met with Enterprise and the determination was made that the job creation commitment should be revised to 61 from 80 and that the commensurate new job payroll be revised to $3,927,241 from $6,000,000; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this agreement in order for this amendment to be legislated prior to the end of 2013 so that this amendment to the Agreement can be reported to the necessary local and state agencies prior to the end of calendar year 2013, and to preserve the public health, property, safety and welfare; and

NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of the Department of Development is hereby authorized to amend the Cassady Gateway Partners, LLC and Mid Ohio Oncology/Hematology, Inc. Community Reinvestment Area Agreement (Agreement) to amend the new full-time permanent job requirement as set forth in the Agreement to the creation of 61 jobs with a commensurate new full-time permanent job payroll of $3,927,241.

Section 2. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this
ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

1. BACKGROUND: To authorize consent and propose cooperation with the City of Reynoldsburg, Ohio for improvements to Brice Road between Main Street to just north of I-70 (Brice Road Corridor project) and to enter into a Contribution Agreement with the City of Reynoldsburg for the City of Columbus to contribute $66,000.00 to this project for work being done within Columbus’ corporate limits (City of Columbus project name is “Pedestrian Safety Improvement - Brice Road Sidewalks”).

The Brice Road Corridor project includes approximately 6,900 feet of roadway to be resurfaced with curb replacement and spot full depth pavement repairs; approximately 47,100 square feet of pedestrian facilities to be reconstructed or constructed new; installation of mast arm traffic signals at the intersection of Brice Road and East Livingston Avenue; construction of a drop turn lane on westbound Livingston Avenue; installation of approximately 60 new street lights; and construction of 2 enhanced pedestrian traffic islands crossing Brice Road between East Main Street and East Livingston Avenue.

Work in the city of Columbus includes replacement and new construction of 5’ sidewalk and drive approaches, new and replacement curb ramp construction, new street lighting and minor traffic signal improvements.

2. FISCAL IMPACT: The estimated project cost is $4.8 million, with funding provided by Ohio Public Works Commission, City of Reynoldsburg, and the City of Columbus.

Funds in the amount of $66,000.00 are available for this project in the Streets and Highways Bond Fund within the Department of Public Service. An amendment to the 2013 Capital Improvements fund is necessary for the purpose of providing sufficient spending authority for the aforementioned project expenditure.

3. EMERGENCY DESIGNATION: This project is scheduled to be constructed in spring 2014. Emergency action is requested to provide this consent to the City of Reynoldsburg so they may maintain their project schedule.

To amend the 2013 Capital Improvement Budget; to authorize the City Auditor to transfer cash and appropriation between projects within the Streets and Highways Bond Fund; to authorize the Director of Public Service Director to grant consent and propose cooperation with the City of Reynoldsburg for improvements to Brice Road between Main Street to just north of I-70 and to enter into a Contribution Agreement with the City of Reynoldsburg; to authorize the expenditure of up to $66,000.00 from the Streets and Highways Bonds Fund; and to declare an emergency. ($66,000.00)

WHEREAS, the City of Reynoldsburg has identified the need for improvements to Brice Road between Main Street to just north of I-70; and

WHEREAS, a part of project is within the Columbus corporate boundaries; and

WHEREAS, the City grants consent and agrees to cooperate with the City of Reynoldsburg for the Brice Road
Corridor project; and

WHEREAS, the Department of Public Service has identified the need to enter into a Contribution Agreement with the City of Reynoldsburg for Columbus’ Pedestrian Safety Improvement - Brice Road Sidewalks project; and

WHEREAS, it is necessary to authorize an amendment to the 2013 Capital Improvements Budget for the purpose of providing sufficient spending authority for the aforementioned project expenditure; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Service in that it is immediately necessary to pass this ordinance as an emergency measure because of the need to meet the project schedule for the City of Reynoldsburg’s improvement project for the safety of the travelling public; thereby immediately preserving the public health, peace, property, safety and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. The City hereby grants consent to and proposes cooperation with the City of Reynoldsburg for the development and construction of the Brice Road Corridor project.

SECTION 2. That the 2013 Capital Improvements Budget authorized by ordinance 0645-2013 be and is hereby amended to provide sufficient budget authority for the appropriate projects authorized within this ordinance as follows:

SECTION 4. That the Director of the Department of Public Service be and hereby is authorized to enter into a Contribution Agreement with the City of Reynoldsburg, pursuant to Section 186 of the Columbus City Charter for the construction of public infrastructure improvements to be constructed in connection with the Reynoldsburg’s Brice Road Corridor project, up to $66,000.00.

SECTION 5. That for the purpose of paying the cost of this contract the sum of up to $66,000.00 or so much thereof as may be needed, is hereby authorized to be expended from the Streets and Highways Bond Fund as follows:
SECTION 6. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 7. That the City Auditor is authorized to make any accounting changes to revise the funding source for all contracts or contract modifications associated with this ordinance.

SECTION 8. That the City Auditor is hereby authorized to transfer the unencumbered balance in a project account to the unallocated balance account within the same fund upon receipt of certification by the Director of the Department administering said project that the project has been completed and the monies are no longer required for said project.

SECTION 9. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

The purpose of this legislation is to authorize the Director of Public Utilities to enter into a grant agreement with the Franklin Soil and Water Conservation District (FSWCD) for the GreenSpot Backyard Conservation Program for the Fiscal Year 2014.

In 2011, a pilot rain barrel program was expanded through a partnership established by Mayor Michael B. Coleman with Franklin Soil and Water Conservation District, local watershed groups, and EarthMinded (a subsidiary of Greif, Inc.). The goal of the program is to improve environmental stewardship and water conservation of the City of Columbus residents through outreach, workshops and educational material.

One of the benefits for residents is the distribution of rain barrels. In order to obtain a rain barrel at a discounted cost, residents were required to attend one (1) of 21 in-person rain barrel workshops. In addition, an online option was designed by the FSWCD to allow participants to view a rain barrel installation video, observe information discussing stormwater and water conservation and take a quiz. Participants were provided with a fact sheet, access to various websites and other backyard conservation tips. The participants were given one reduced-cost rain barrel per household. In 2012, Franklin Soil and Water and partners were successful in dispensing 964 rain barrels.

The 2012 program was a success and the message of water conservation and storm water management was
well received by the community. The Department of Public Utilities would like to continue to support the program in 2014.

In 2014, the program will continue to focus on providing rain barrels, conservation and storm water education, outreach and marketing, working with watershed groups such as Friends of the Lower Olentangy Watershed (FLOW) and Friends of Alum Creek and Tributaries (FACT), and the promotion of the City of Columbus GreenSpot and Get Green Columbus Initiatives. Furthermore, 50 rain barrels will be distributed to recipients of the City's Low Income Discount Program at no charge. Reflected in 2013 & 2014 budget as 50 Subsidized Barrels, at the conclusion of the 2013 Rain Barrel program 36 low income barrels remain. The GreenSpot Backyard Conservation Program will also reach out to other communities and make efforts to tie into the Columbus Neighborhood Pride program and Area Commissions. Furthermore, project partners will explore methods to reach economically disadvantaged communities and investigate grant opportunities. Opportunities to support other overlapping efforts including GreenSpot, Blueprint Columbus, Central Ohio Rain Garden Initiative, Columbus composting programs and the Columbus stormwater credit program will be included. The program will begin to engage business in Cistern and Green Infrastructure workshop using the existing City of Columbus stormwater credit program, free initial site evaluations, and low cost cisterns as an incentive.

This grant agreement will be from the date of execution through and including December 31, 2014.

**SUPPLIER**: Franklin Soil and Water Conservation District (31-0847446)-Non-Profit Organization

**FISCAL IMPACT**: $48,000.00 is budgeted for the program within the operating budgets of the Division of Sewerage and Drainage, Stormwater and Regulatory Management Section and the Division Water. In 2011 the program was limited to City of Columbus residents only. Beginning in 2012, the program was expanded to serve residents of surrounding communities.

$48,000.00 was spent in 2013  
$40,500.00 was spent in 2012

**EMERGENCY DESIGNATION**: Emergency action is requested to authorize the Director of the Department of Public Utilities to enter into a grant agreement with the Franklin Soil and Water Conservation District for the continuation of the GreenSpot Backyard Conservation Program to the residents of the City of Columbus and surrounding communities in order to continue providing rain barrels, conservation and storm water education, outreach and marketing, and to begin to engage business in Cistern and Green Infrastructure workshops without delay.

To authorize the Director of Public Utilities to enter into a grant agreement with the Franklin Soil and Water Conservation District for the 2014 GreenSpot Backyard Conservation Program for the Division of Sewerage and Drainage, Stormwater and Regulatory Management Section and the Division Water, to authorize the expenditure of $24,000.00 from the Water Operating Fund and $24,000.00 from the Storm Sewer Operating Fund, and to declare an emergency. ($48,000.00)

**WHEREAS**, the Director of Public Utilities wishes to enter into a grant agreement with the Franklin Soil and Water Conservation District (FSWCD) for the 2014 GreenSpot Backyard Conservation Program, and

**WHEREAS**, the goal of the program is to improve environmental stewardship and water conservation of the City of Columbus, and to provide education and awareness to the residents of the City.
City of Columbus residents and surrounding communities, and

WHEREAS, the FSWCD will continue to provide education workshops, provide rain barrels at a discounted cost, and work with various watershed groups to promote the program, and

WHEREAS, the program will promote the GreenSpot and Get Green Columbus initiatives as well as providing residents with education on water conservation and stormwater runoff, and

WHEREAS, 50 rain barrels will be distributed to participants of the City's Low Income Program at no cost to the resident, and

WHEREAS, opportunities to support other overlapping efforts including GreenSpot, Blueprint Columbus, Central Ohio Rain Garden Initiative, Columbus composting programs and the Columbus stormwater credit program will be included

WHEREAS, the program will begin to engage business in Cistern and Green Infrastructure workshops using the existing City of Columbus stormwater credit program, free initial site evaluations, and low cost cisterns as an incentive, and

WHEREAS, the Department of Public Utilities wishes to continue supporting the GreenSpot Backyard Conservation Program for the Fiscal Year 2014; and

WHEREAS, the grant agreement will be from the date of execution through and including December 31, 2014, and

WHEREAS, an emergency exists in the usual daily operation of the Department of Public Utilities in that it is necessary to authorize the Director of Public Utilities to enter into a grant agreement with the Franklin Soil and Water Conservation District for the continuation of the GreenSpot Backyard Conservation Program to the residents of the City of Columbus and surrounding communities for 2014, in order to continue providing rain barrels, conservation and storm water education, outreach and marketing, and to begin to engage business in Cistern and Green Infrastructure workshops without delay; now, therefore

BACKGROUND: Columbus City Council, by Ordinance 0605-2004, passed March 29, 2004 authorized the City of Columbus (City) to enter into an Enterprise Zone Agreement (Agreement) with Cabot Properties, Inc., aka (CIVF I-OH1B02 LLC) (hereinafter “Enterprise”) for a tax abatement of seventy-five percent (75%) for a period of ten (10) years in consideration of an investment of $11.2 million in real property improvements and the creation of 150 new full-time jobs related to the construction of an approximately 500,000 square foot facility at Eastport Business Park in the Rickenbacker area, parcel 495-255312 (The Project Site), in Columbus, Ohio, within the City of Columbus Enterprise Zone (Zone #023) and within the Columbus City School District. The Agreement was made and entered into to be effective April 6, 2005 (EZA #023-05-02) with the term of the abatement running from 2006 to 2015.

As per the annual report submitted for Report Year 2012, Enterprise reported no new jobs on site and no payroll which placed the project in a state of non-compliance as per the terms of the Agreement. Enterprise did report a total investment in real property improvements over the term of the abatement thus far of $9.41 million which is 84% of the commitment in the Agreement of $11.2 million. This information was presented at the 2013 Columbus Tax Incentive Review Council (the TIRC). It was also reported to the TIRC that the facility has been vacant since 2009 (four years) and that the average time on market in the Rickenbacker area (according to Enterprise) for a facility of this type is 4.5 years, that forgone tax for tax year 2011 was $255,011 (taxes paid was $147,144) and that the reported cumulative forgone tax over the term of the abatement thus far was $1,531,168 (taxes paid was $898,756). City staff recommended to the TIRC that the Agreement be continued and that a letter be sent to Enterprise requesting that they continue to advise the City as to the status of their efforts to lease the property. The recommendation of the TIRC was to dissolve the Agreement.

This legislation is presented as an emergency measure in order for this dissolution to be legislated prior to the
end of 2013 so that this dissolution of the Agreement can be reported to the necessary local and state agencies prior to the end of calendar year 2013.

**FISCAL IMPACT:** No funding is required for this legislation.

To dissolve the Enterprise Zone Agreement with Cabot Properties, Inc., aka (CIVF I-OH1B02 LLC), and to direct the Director of the Department of Development to notify as necessary the local and state tax authorities; and to declare an emergency.

WHEREAS, the Columbus City Council approved the Enterprise Zone Agreement (Agreement) with Cabot Properties, Inc., aka (CIVF I-OH1B02 LLC) on March 29, 2004 by Ordinance 0605-2004 and entered into effective April 6, 2005; and

WHEREAS, the Agreement granted Cabot Properties, Inc., aka (CIVF I-OH1B02 LLC), (Enterprise) a 75%/10-Year abatement on real property improvements with the term of the abatement running from 2006 through 2015; and

WHEREAS, the Agreement committed Enterprise to an investment of $11.2 million in real property improvements and the creation of 150 new full-time jobs related to the construction of an approximately 500,000 square foot facility at Eastport Business Park in the Rickenbacker area, parcel 495-255312 (The Project Site), in Columbus, Ohio, within the City of Columbus Enterprise Zone (Zone #023) and within the Columbus City School District; and

WHEREAS, in the annual report submitted for Report Year 2012, Enterprise created no new jobs at the project site and no new payroll which placed the project in a state of non-compliance as per the terms of the Agreement; and

WHEREAS, it was also reported by Enterprise that the total investment in real property improvements over the term of the abatement was $9.41 million which is 84% of the commitment in the Agreement of $11.2 million, that the facility has been vacant since 2009 (four years) and that the average time on market in the Rickenbacker area for a facility of this type is 4.5 years; and

WHEREAS, it was also reported that forgone tax for tax year 2011 was $255,011 (taxes paid was $147,144) and that the reported cumulative forgone tax over the term of the abatement thus far was $1,531,168 (taxes paid was $898,756); and

WHEREAS, this information was presented at the 2012 Columbus Tax Incentive Review Council (the TIRC) and City staff recommended to the TIRC that the Agreement be continued and that a letter be sent to Enterprise requesting that they continue to advise the City as to the status of their efforts to lease the property; and

WHEREAS, the recommendation of the TIRC was to dissolve the Agreement; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this agreement in order for this dissolution to be legislated prior to the end of 2013 so that the dissolution of the Agreement can be reported to the necessary local and state agencies prior to the end of calendar year 2013, all to preserve the public health, property, safety and welfare; NOW, THEREFORE,
BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That Columbus City Council hereby dissolves the Cabot Properties, Inc., aka (CIVF I-OH1B02 LLC), Enterprise Zone Agreement (Agreement Number 023-05-02) which applied a 75%/10-year real property tax abatement to parcel number 495-255312 within the City of Columbus Enterprise Zone as of December 31, 2012, with 2012 being the final reporting year and the final year for any tax exemptions.

Section 2. That the Director of Development is hereby directed to notify the necessary local and state agencies of any changes to the Cabot Properties, Inc., aka (CIVF I-OH1B02 LLC), Enterprise Zone Agreement.

Section 3. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

Background:
This legislation will authorize the City Attorney to accept a grant award from the State of Ohio, Office of the Attorney General, for the funding of the SVAA Domestic Violence Advocates program within the City Attorney's Office. The Domestic Violence Unit of the City Attorney's Office assists witnesses and victims of domestic violence through the legal process and provides counseling, referrals, and linkage with agencies and community resources. This ordinance will further authorize the appropriation and expenditure of the funds.

Emergency action is requested to allow for the uninterrupted continuation of this grant program.

Fiscal Impact:
There are no matching funds required and therefore no cost to the general fund by accepting this grant.

Grant Period: 10/01/13 - 09/30/14
Grant Funds: $9,473.00
Matching funds: $0
Total Grant: $9,473.00

To authorize the City Attorney to accept the 13-14 SVAA Domestic Violence Advocates grant award from the State of Ohio, Office of the Attorney General, in the amount of Nine Thousand Seven Hundred Forty-three Dollars for the funding of the SVAA Domestic Violence Advocates program; to authorize the appropriation of said funds; and to declare an emergency. ($9,743.00)

WHEREAS, the State of Ohio, Office of the Attorney General, has awarded the Columbus City Attorney's Office a grant in the amount of Nine Thousand Seven Hundred Forty-three Dollars ($9,743.00) for the 13-14 SVAA Domestic Violence Advocates Grant No. 2013-SA-DOME-537 for the grant period of October 1, 2013 through September 30, 2014; and
WHEREAS, there is no required match for this grant; and

WHEREAS, an emergency exists in the daily operation of the Columbus City Attorney's Office in that it is necessary to immediately accept and appropriate the grant award in order that the services supported may continue uninterrupted and for the preservation of the public health, peace, property, safety and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS, OHIO

SECTION 1. That the Columbus City Attorney is hereby authorized to accept a grant award from the State of Ohio, Office of the Attorney General, in the amount of Nine Thousand Seven Hundred Forty-three Dollars ($9,743.00) for the 13-14 SV AA Domestic Violence Advocates Grant No. 2013-SA-DOME-537.

SECTION 2. That from the unappropriated monies in the General Government Grant Fund and from all monies estimated to come into said fund from any and all sources and unappropriated for any other purpose during the project award period the sum of Nine Thousand Seven Hundred Forty-three Dollars ($9,743.00) is appropriated as follows: department 2401, 13-14 SVAA Domestic Violence Advocates Grant, grant number 241304, fund number 220, organizational cost account 241304, object level three 1000, $8,243.00 and object level three 3000 $1,500.00.

SECTION 3. That funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated.

SECTION 4. That funds appropriated shall be paid upon order of the City Attorney and that no order shall be drawn or money paid except by voucher, the form of which shall be approved by the City Auditor.

SECTION 5. That at the end of the grant period, any repayment of unencumbered balances required by the grantor is hereby authorized and any unused city match monies may be transferred back to the city fund from which they originated in accordance with all applicable grant agreements.

SECTION 6. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: This ordinance authorizes the expenditure of $35,000 to support the implementation of the Big Darby Town Center. The City of Columbus has been involved in the Big Darby Accord planning process, a process that is intended to protect the water quality and other natural resources of this planning area, within the context of a balanced development approach and respecting the rights of property owners. The Big Darby Accord Watershed Master Plan of 2006 designates that the development of a Town Center be a large consideration in the preservation of the Big Darby Watershed in Franklin County. In December 2011 the City of Columbus, Franklin County, Prairie Township and Brown Township adopted the Big Darby Town Center Master Plan. The City and its local government partners are directly interested in the successful development and creation of the Town Center and desire to bring it closer to implementation.
**FISCAL IMPACT:** Funds for this expenditure are available within the Development Department’s 2013 General Fund Budget. This legislation authorizes the expenditure of $35,000.

To authorize the expenditure of $35,000.00 from the General Fund to support the implementation of the Big Darby Town Center; and to declare an emergency. ($35,000.00)

**WHEREAS,** this ordinance authorizes the expenditure of $35,000 to support the implementation of the Big Darby Town Center; and

**WHEREAS,** funds for this expenditure are available within the Development Department’s 2013 General Fund Budget; and

**WHEREAS,** an emergency exists in the usual daily operation of the Development Department in that it is immediately necessary to authorize the expenditure of $35,000 to avoid a damaging interruption in the implementation of the Big Darby Town Center, all for the immediate preservation of the public health, property, safety and welfare; **NOW, THEREFORE,**

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**Section 1.** That for the purpose of supporting the implementation of the Big Darby Town Center, the expenditure of $35,000.00, or so much thereof as may be necessary, be and is hereby authorized from the Department of Development, Planning Division, Division No. 44-06, General Fund, Fund No. 010, OCA Code 440334, Object Level One 03, Object Level Three 3336.

**Section 2.** That any expenditure authorized by this ordinance shall be subject to compliance with all requirements of City Code Chapter 329, including City Council approval of contracts as required by that Chapter.

**Section 3.** That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

**Section 4.** That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approves nor vetoes the same.

**Legislation Number:** 2865-2013

**Drafting Date:** 11/22/2013

**Current Status:** Passed

**Version:** 1

**Matter Type:** Ordinance

**BACKGROUND:** This ordinance is for the option to purchase Service and Training Ammunition. The term of the proposed contracts would be for four (4) years with the option to extend for one (1) additional year. The contract expiration dates are March 31, 2017. The Purchasing Office opened formal bids on October 17, 2013.
The Purchasing Office advertised and solicited competitive bids in accordance with Section 329.06 of the Columbus City Code, Solicitation SA005131. Thirty-Eight (38) bids were solicited (M1A: 1). Two (2) bids were received.

The Purchasing Office is recommending award of the contract to the lowest, responsive, responsible and best bidders:

Vance Outdoors Inc.  CC# 542072038 (Expires 2/8/2014)  Award for Item 3 ($1.00)
Kiesler Police Supply, Inc  CC# 351361847 (Expires 10/17/2014)  Award for Items 1, 2, 4, 5, 6, 7 & 8 ($1.00)

Total Estimated Annual Expenditure: $600,000.00.

These companies are not debared according to the Federal Excluded Parties Listing or the State Auditor's Findings For Recovery Database.

This ordinance is requesting a waiver of 329.06 to award to Kiesler Police Supply, Inc. in that the bidder made errors on the proposal page where the unit price in words didn't match the unit prices in figures. However, the total prices in figures confirmed their intended quoted pricing. As the City's terms and conditions state the unit price in words are to prevail if in conflict with the unit price in figures, this requires a waiver. The items being awarded to Kiesler would not have been awarded to the other bidder as their alternates were not acceptable.

This ordinance is being submitted as an emergency because, without emergency action, no less than 37 days will be added to this procurement cycle and the efficient delivery of valuable public services will be slowed.

FISCAL IMPACT: Funding to establish these option contracts is budgeted in the Mail, Print Services and UTC Fund. The Police Division and any other authorized City agency will be required to obtain approval to expend from their own appropriations for their estimated annual expenditures.

To authorize the Finance and Management Director to enter into contracts for the option to purchase Service and Training Ammunition with Vance Outdoors Inc. and Kiesler Police supply, Inc.; to waive the competitive bidding provisions of the Columbus City Codes; to authorize the expenditure of two (2) dollars to establish the contracts from the Mail, Print Services and UTC Fund; and to declare an emergency. ($2.00)

WHEREAS, the Purchasing Office advertised and solicited formal bids on October 17, 2013 and selected the lowest, responsive, responsible and best bids; and

WHEREAS, this ordinance addresses Purchasing objective of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public and 4) providing contracts for use by other local governmental and quasi-governmental entities through our cooperative procurement efforts; and

WHEREAS, it is in the best interest of the City to waive provisions of 329.06 in order to accept the bid submitted by Keisler Police Supply, Inc. as they made clerical errors; and

WHEREAS, the service and training ammunition is vital to our public safety department in their ability to train and provide protection to the public and their employees; and
WHEREAS, an emergency exists in the usual daily operations of the Police Division in that it is immediately necessary to establish these option contracts for the purchase of service and training ammunition, thereby preserving the public health, peace, property, safety, and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Finance and Management Director be and is hereby authorized to enter into the following contracts for the option to purchase Service and Training Ammunition for a four (4) year term ending March 31, 2017 with an option to extend for one (1) additional year, in accordance with Solicitation No. SA005131 as follows:

Vance Outdoors Inc., Award Item 3, Amount: $1.00
Kiesler Police Supply, Inc., Award Items 1, 2, 4, 5, 6, 7 and 8, Amount $1.00

SECTION 2. That 329.06 of the Columbus City Code be waived to accept the bid from Kiesler Police Supply, Inc. where clerical errors were made on pricing that will be corrected prior to contract finalization as being in the best interest of the City.

SECTION 3. That the expenditure of $2.00 is hereby authorized from the Mail, Print Services and UTC Fund, Organization Level 1: 45-01, Fund 05-517, Object Level 3: 2270, OCA: 451130, to pay the cost thereof.

SECTION 4. That for the reason stated in the preamble here to, which is hereby made a part thereof, this ordinance is hereby declared an emergency measure and shall take effect and be in force from and after passage and approval by the Mayor, or en days after passage if the Mayor neither approves nor vetoes the same.
Project period: 01/01/14 - 12/31/14  
Federal Share: $102,000.00  
Matching funds: $34,000.00

SECTION 3. That funds appropriated shall be paid upon order of the City Attorney and that no order shall be drawn or money paid except by voucher, the form of which shall be approved by the City Auditor.

SECTION 4. That at the end of the grant period, any repayment of unencumbered balances required by the grantor is hereby authorized and any unused City match monies may be transferred back to the City fund from which they originated in accordance with all applicable grant agreements.

SECTION 5. That the funds necessary to carry out the purpose of this ordinance are deemed appropriated upon receipt of the executed grant agreement.

SECTION 6. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

**BACKGROUND:** This legislation authorizes the City Attorney to modify a contract with West Publishing Corporation dba Elite, A Thomson Reuters business, for a legal case/matter management software system and associated services.

Ordinance 1509-12, authorized the original contract and funding up to $150,000.00.
Ordinance 0958-2013 extended the term of the contract through August 15, 2013 and provided an additional $50,000.00 in funding bringing the total amount of available funding to $200,000.00.
Ordinance 1787-2013 authorized the extension of the contract through 12/31/13 and a re-allocation of services.

The project is nearing completion with a tentative “go live” date set for mid March 2014. In order to allow the completion of the project and to accommodate unforeseen customizations, an extension of the term of the contract through June 30, 2014 is needed. No further funding is needed at this time.

**EMERGENCY:** There is an immediate need to modify the existing contract so the project can continue uninterrupted.

**FISCAL IMPACT:** No additional funds are needed at this time.

**CONTRACT COMPLIANCE NUMBER:** 41-1426973, expires 02-27-14.

Auditor’s Parcel No. 10-53621

Section 2. For the property stated in Section 1, that the Director of Development is hereby authorized to execute any agreement, deed restriction, or mortgage to ensure compliance with Land Bank Program rules and the submitted application and to release such restriction or mortgage upon compliance.

Section 3. That for good cause shown, Section 329.29 of the Columbus City Codes, 1959, is hereby waived.
**Section 4.** That Council hereby finds that the selection process utilized in this matter is in accordance with the Land Bank Disposition Process created pursuant to the City’s Land Reutilization Program and hereby approves the same.

**Section 5.** That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this Ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

**BACKGROUND:** This ordinance will establish an Auditor's Certificate and authorize an expenditure for the purchase of Consulting Services for Long Distance and Telecommunications Assessment Services in an amount not to exceed $50,000.00 through the City of Columbus Purchasing Office. All responses will be obtained and contracts awarded using City Code 329, however, this legislation will set up all the required funding to enter into contract with the selected vendor.

The Consulting Services will be used to analyze the City’s current long distance contract with the intent to prepare a competitive solicitation for future long distance services with the assistance of the consultant and to conduct a limited assessment of the City’s current telecommunications billing to identify potential areas for cost reduction.

**Solicitation Information:** The Purchasing Office advertised and solicited competitive Statements of Qualifications using a Request for Statement of Qualifications (RFSQ) process in accordance with Section 329.11 and 329.13. Statements of Qualifications, (Solicitation No. SA005169), were due on November 26, 2013. Evaluation of the Statements of Qualifications shall follow the process as outlined in Section 329.13. However, this process shall not be completed prior to the final Council meeting of 2013.

**Emergency Designation:** Emergency legislation is required to proceed with the funding for the Consulting Services for Long Distance and Telecommunications Assessment Services immediately while the solicitation is advertised and Statements of Qualifications evaluated to continue the process without interruption, thereby ensuring that the necessary funding for this service does not lapse at the end of the fiscal year.

**FISCAL IMPACT:** This ordinance authorizes an expenditure of $50,000.00 from the General Fund with a provider of Consulting Services for Long Distance and Telecom Assessment Services. The Department of Finance and Management has budgeted these funds in the 2013 Operating Budget. To authorize and direct the Director of Finance and Management to enter into contract for the purchase of Consulting Services for Long Distance and Telecommunications Assessment Services for the Purchasing Office; to establish an Auditor's Certificate of $50,000.00 from the General Fund; and to declare an emergency. ($50,000.00)

WHEREAS, the City of Columbus, through the Purchasing Office, has a need to purchase Consulting Services for Long Distance and Telecom Assessment Services; and

WHEREAS, the Purchasing Office has advertised and solicited Requests for Statements of Qualifications for
these services; and

WHEREAS, the evaluation of the Statements of Qualifications shall follow the process required by Section 329.11 and 329.13 of the Columbus City Codes; and

WHEREAS, all contracts will be approved by the Director of Finance and Management; and

WHEREAS, there is a need for the Purchasing Office to encumber current year funds for this purchase, which is projected to be finalized after the final City Council meeting of 2013; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Finance and Management, Purchasing Office, in that it is immediately necessary to encumber funds to enter into contract with a provider of Long Distance and Telecom Assessment Consulting Services, thereby preserving the public health, peace, property, safety and welfare; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That the Director of Finance and Management is hereby authorized to enter into contract with a provider of Consulting Services for Long Distance and Telecommunications Assessment Services based on the Request for Statements of Qualifications award process as outlined in Section 329.13 currently in process.

SECTION 2. That the City Auditor is hereby authorized to encumber funds in the amount of $50,000.00, or so much thereof as may be needed, for this expenditure as follows:

|DIV 45-01 | FUND 010 | OBJ LEVEL ONE 03 | OBJ LEVEL THREE 3336 | OCA 451104 |

SECTION 3. That the funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated, and the City Auditor shall establish such accounting codes as necessary.

SECTION 4. That this Council hereby recognizes that this ordinance does not identify specific contractors or vendors for the expenditure purposes authorized herein and hereby delegates sole and final contracting decisions relative to the determination of lowest, responsive and responsible and best bidders to the Director of Finance and Management as per the terms of Columbus City Code 329.

SECTION 5. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND: The City of Columbus (the “City”) entered into a Downtown Office Incentive Agreement (hereinafter “Agreement”) with Duncan Simonette, Inc. effective August 1, 2011. Columbus City Council approved the Agreement by Ordinance 0572-2011, approved April 25, 2011 and granted a tax incentive based on an amount equal to 50% of the withholding tax paid by the new employees (as that term was defined in
Section 5 of the Agreement) located at the downtown project site, to commence January 1, 2012 and for a period of five (5) consecutive taxable years thereafter based on $400,000 in leasehold improvements and personal property investment, the relocation/retention of 5 full-time positions and the creation of 13 new full-time positions under a 7-year lease of 7,000 square feet of vacant office space at 155 E. Broad Street, Suite 2200 (the “Project Site”) within the Downtown District of the City of Columbus.

Annual Reporting documents for Report Year 2012 were sent to Duncan Simonette, Inc. on February 1, 2013 and completed reporting materials were received by the City on March 29, 2013. Payment for Report Year 2012 was authorized to be made through Ordinance 1616-2013, approved on July 15, 2013 with the invoice for payment submitted to the Fiscal Section within the Office of the Director of the Department of Development on July 24, 2013. A check in the amount of $1,354.52, dated September 9, 2013, was sent to Duncan Simonette, Inc. at the Project Site but was returned as undeliverable, with the indication that Duncan Simonette, Inc. had moved to a new location, namely 600 S. High St., Suite 100, which is outside of the Downtown District. It was confirmed by staff that the company was no longer in business at the Project Site and that they had moved outside the Downtown District. Attempts to reach Duncan Simonette, Inc. were unsuccessful. Based on this, the decision was made to cancel payment for Report Year 2012 and to dissolve the Agreement. This legislation is to dissolve the Agreement between the City of Columbus and Duncan Simonette, Inc.

This legislation is presented as an emergency measure in order for this dissolution to be legislated prior to the beginning of the Reporting Year 2013 Downtown Office Incentive reporting period to eliminate any need for annual reporting documentation.

FISCAL IMPACT: No funding is required for this legislation.

To dissolve the Downtown Office Incentive Agreement between the City of Columbus and Duncan Simonette, Inc.; and to declare an emergency.

WHEREAS, Columbus City Council approved a Downtown Office Incentive Agreement (“Agreement”) with Duncan Simonette, Inc. by Ordinance 0572-2011 on April 25, 2011; and

WHEREAS, the Agreement granted a tax incentive based on an amount equal to 50% of the new Columbus withholding tax paid by New Employees, as that term was defined in Section 5 of the Agreement, to commence January 1, 2012 and for a period of five (5) consecutive taxable years thereafter; and

WHEREAS, in the Agreement, International Diversified Funding, Inc., committed to invest $400,000 in leasehold improvements and personal property, relocate and retain 5 full-time positions and create 13 new full-time positions under a 7-year lease of 7,000 square feet of vacant office space at 155 E. Broad Street, Suite 2200 (the “Project Site”) within the Downtown District of the City of Columbus; and

WHEREAS, Annual Reporting documents for Report Year 2012 were sent to Duncan Simonette, Inc. on February 1, 2013 and completed reporting materials were received by the City on March 29, 2013; and

WHEREAS, payment for Report Year 2012 was authorized to be made through Ordinance 1616-2013, approved on July 15, 2013 with the invoice for payment submitted to the Fiscal Division of the Department of Development on July 24, 2013; and
WHEREAS, a check in the amount of $1,354.52, dated September 9, 2013, was sent to Duncan Simonette, Inc. at the Project Site but was returned as undeliverable, with the indication that Duncan Simonette, Inc. had moved to a new location, namely 600 S. High St., Suite 100, which is outside of the Downtown District; and

WHEREAS, attempts to reach Duncan Simonette, Inc. were unsuccessful and the decision was made to cancel payment for Report Year 2012 and to dissolve the Agreement; and

WHEREAS, an emergency exists in the usual daily operation of the Department of Development, in that it is immediately necessary to take action on this agreement in order for this dissolution to be legislated prior to the beginning of the Reporting Year 2013 Downtown Office Incentive reporting period to eliminate any need for annual reporting documentation, and to preserve the public health, property, safety and welfare; NOW, THEREFORE,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That Columbus City Council hereby dissolves the Duncan Simonette, Inc. Downtown Office Incentive Agreement effective January 1, 2012 thereby disallowing any benefit from the incentive.

Section 2. That for the reasons stated in the preamble hereto, which is hereby made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after passage and approval by the Mayor, or ten days after passage if the Mayor neither approves nor vetoes the same.

BACKGROUND:

The City of Columbus, Ohio, an Ohio municipal corporation ("City"), desires to grant to the State of Ohio, Department of Transportation ("ODOT"), a perpetual easement in, on, over, under, across, and through a portion of City-owned real property located in the vicinity of State Route 257, Powell, Ohio 43065 along the Scioto River [Delaware County Tax Parcel 31932302001001] ("Easement Area"). ODOT will use the Easement Area, which is more fully described within the body of this legislation, to construct a retaining wall to secure public right-of-way adjacent to the Easement Area for ODOT’s [DEL-257-0.00 - PID 89487] Project ("Project"). The City’s Department of Finance and Management determined that the Easement Area requested by ODOT to complete its Project should be granted at no charge, because of the Project’s benefit to the public and intergovernmental cooperation. Therefore, the following legislation authorizes the City’s Director of the Department of Finance and Management to execute those documents approved the Columbus City Attorney, Real Estate Division, to grant a perpetual easement to ODOT to complete the Project.

CONTRACT COMPLIANCE No: Not applicable.

FISCAL IMPACT: Not applicable.
EMERGENCY JUSTIFICATION: Emergency action is requested so to not delay the benefit to the City resulting from ODOT’S Project, which will preserve the public peace, health, property, safety, and welfare.

To authorize the Director of the Department of Finance and Management to execute documents approved by the Columbus City Attorney, Real Estate Division, to grant a perpetual easement to the State of Ohio, Department of Transportation, to construct a retaining wall to secure public right-of-way adjacent to a portion of City-owned real property located at Delaware County Tax Parcel 31932302001001; and to declare an emergency. SECTION 2. That for the reasons stated in the preamble hereto, which are made a part hereof, this ordinance is hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten (10) days after its passage if the Mayor neither approves nor vetoes the same.

This legislation authorizes the Administrative and Presiding Judge of the Franklin County Municipal Court to accept a grant from Franklin County (Court of Common Pleas), for management of the Franklin County Foreclosure Mediation Project. The Courts Mediation Department will manage and provide the County’s foreclosure mediations. This legislation also will appropriate $200,000 from the general government grant fund. Grant monies will fund all program cost, supplies, and administrative costs for the Franklin County Municipal Court from January 1, 2014 through December 31, 2014.

EMERGENCY ACTION is requested in order for this new cycle of funding to be in place as close to January 1, 2014 as possible.

To authorize the Administrative and Presiding Judge of the Franklin County Municipal Court to accept a grant award from Franklin County for management of the Franklin County Foreclosure Mediation Project; to appropriate $200,000 from the unappropriated balance of the general government grant fund; and to declare an emergency. ($200,000.00)

WHEREAS, grant monies from Franklin County, in the amount of $200,000 are available to provide for implementation and management of the Franklin County Foreclosure Mediation Project; and

WHEREAS, an emergency exists in the usual daily operations of the city in that it is immediately necessary to accept the aforesaid grant for mediation services, and to appropriate the aforementioned funds to assure that this grant cycle can and will be able to commence as close to January 1, 2014 as possible, thereby preserving the public health, peace, property, safety and welfare; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. To authorize the Administrative and Presiding Judge of the Franklin County Municipal Court to accept a grant award from the Franklin County, for management of the Franklin County Foreclosure Mediation Project.

SECTION 2. That from the unappropriated monies in the general government grant fund, fund 220 and from
all monies estimated to come into said fund from any and all sources and unappropriated for any other purpose during the twelve months ending December 31, 2014, the sum of $200,000 is appropriated to the Franklin County Municipal Court, department number 2501, grant number 251400, oca 251400 as follows $200,000 to object level 1 - 03, object level3 - 3000.

SECTION 3. That the grant submitted to City Council is hereby approved and accepted in all respects, and, the monies appropriated in the foregoing Section 1 shall be paid upon order of the Administrative and Presiding Judge; and that no order shall be drawn or money paid except by voucher, the form of which shall be approved by the City Auditor.

SECTION 4. At the end of the grant period, any repayment of unencumbered balances required by the grantor is hereby authorized and any unused City match monies may be transferred back to the City fund from which they originated in accordance with all applicable grant agreements.

SECTION 5. Funds necessary to carry out the purpose of this ordinance are hereby deemed appropriated.

SECTION 6. That for the reasons stated in the preamble hereto which is hereby made a part hereof, this ordinance in hereby declared to be an emergency measure and shall take effect and be in force from and after its passage and approval by the Mayor or ten days after passage if the Mayor neither approves nor vetoes the same.
Section 15 of the Columbus City Charter requires that salaries for elected officials cannot be increased or diminished during the term for which the individual was elected. Therefore, it is proposed that the salaries for City Attorney, City Auditor, City Council Member, and City Council President be adjusted for the new terms as indicated herein.

Section 59 of the Columbus City Charter requires that in order to increase the salary of the Mayor, the salary must be changed at least one year prior to the beginning of a term, therefore, it is proposed that the salary for Mayor be adjusted for the new term beginning January 1, 2016.

These elected officials will be subject to pension pick-up reductions and insurance contribution increases just as all other employees covered by the Management Compensation Plan.

Emergency action is required to meet City Charter requirements.

**FISCAL IMPACT:** Funding will be included in prospective annual budgets.

To amend the Management Compensation Plan, Ordinance No. 1150-2007, as amended, by amending Sections 5(E)-C180, City Attorney (E); 5(E)-C185, City Auditor (E); 5(E)-C215, City Council Member; 5(E)-C220, City Council President; and 5(E)-M090, Mayor (E); and to declare an emergency.

**WHEREAS,** Section 15 of the Columbus City Charter requires that in order to adjust the salary for the City Attorney (E), City Auditor (E), City Council Member, and City Council President the adjustment in salary must be approved by City Council prior to the beginning of new elected terms to be affected thereby; and

**WHEREAS,** Section 59 of the Columbus City Charter requires that in order to adjust the salary for the Mayor the adjustment in salary must be approved by City Council at least one year prior to the beginning of a new term of Mayor to be affected thereby; and

**WHEREAS,** an emergency exists in the usual daily operation of the City in that it is immediately necessary to amend the Management Compensation Plan by authorizing a salary increase for City Attorney, City Auditor, City Council Member, City Council President and Mayor, thereby preserving the public health, peace, property, safety and welfare; Now, Therefore
BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

See Attachment

To amend Chapter 251 of the Columbus City Health Code in regard to the food service operation and retail food establishment fees in accordance with The State of Ohio Uniform Food Safety Code, law and rules.

WHEREAS, the staff of Columbus Public Health has traditionally provided licenses and conducted inspections for all food service operations and retail food establishments within the City of Columbus; and,

WHEREAS, the staff of Columbus Public Health has completed the cost analysis calculations required by Ohio Revised Code §3717.07 Uniform Cost Methodologies; Ohio Administrative Code, Cost Analysis and Calculations §3701-21-02.2; Cost Analysis and License Fee Calculation §901.3-4-04; and,
WHEREAS, the staff of Columbus Public Health recommend the following food service operation and retail food establishment license and facility layout & equipment specification review fees to recover current costs of the food protection program; and,

WHEREAS, the code establishes a new fee structure and cost methodology for establishing fees which is to go into effect on February 1, 2014; now, therefore

BE IT RESOLVED BY THE BOARD OF HEALTH OF THE CITY OF COLUMBUS: Section 1. That licensing fees established by the state methodology be adopted by the Columbus Board of Health.

Section 2. That Section 251.03(a) of the Columbus City Health Code, Approval of Plans; Fees, be amended to read as follows:

Food Service Operation (FSO) and Retail Food Establishment (RFE) fees charged by Columbus Public Health shall be as follows (this amount is separate and in addition to the state fee that is included in the total license fee):
