Notice/Advertisement Title: Hearing on Proposed Mobile Food Vending Code

Contact Name: Annie Marsico

Contact Telephone Number: (614) 645-5344

Contact Email Address: AEMarsico@columbus.gov

Columbus City Councilmember Michelle M. Mills, chair of the Development Committee, will hold a public meeting to discuss proposed changes to Chapter 573 of the Columbus City Code, in order to license and regulate mobile food vendors operating in the City of Columbus, including food trucks, food trailers, and pushcarts. Since November 2012, the City has held a series of meetings with stakeholders with the purpose of developing comprehensive code to license mobile food vendors and permit them to sell from the public right-of-way. Currently, City Code §2151.16 restricts sales from a vehicle in the public right-of-way to no more than 15 minutes. Part of this process involved the creation of a pilot program. A hearing on the pilot program was held in May 2013; the program began in June 2013 and ended in December 2013.

The proposed code would establish licensing and operating requirements for mobile food vendors. It would also permit mobile food vendors to sell from the public right-of-way and establish specific requirements for public right-of-way operations. The purpose of the hearing is to present the proposed code and to solicit public comment about the growing mobile food vending industry in Columbus.
