Proceedings of City Council
Saturday, August 09, 2014

SIGNING OF LEGISLATION

(Note: There was no City Council meeting on Monday, August 04, 2014; subsequently, there is no passed or defeated legislation included in this edition.)

The City Bulletin
Official Publication of the City of Columbus

Published weekly under authority of the City Charter and direction of the City Clerk. The Office of Publication is the City Clerk’s Office, 90 W. Broad Street, Columbus, Ohio 43215, 614-645-7380. The City Bulletin contains the official report of the proceedings of Council. The Bulletin also contains all ordinances and resolutions acted upon by council, civil service notices and announcements of examinations, advertisements for bids and requests for professional services, public notices; and details pertaining to official actions of all city departments. If noted within ordinance text, supplemental and support documents are available upon request to the City Clerk’s Office.
City RFPs, RFQs, and Bids
Each proposal shall contain the full name and address of every person, firm or corporation interested in the same, and if corporation, the name and address of the President and Secretary.

EQUAL OPPORTUNITY CLAUSE: Each responsive bidder shall submit, with its bid, a contract compliance certification number or a completed application for certification. Compliance with the provisions of Article I, Title 39, is a condition of the contract. Failure to comply with this Article may result in cancellation of the contract.

WITHHOLDING OF INCOME TAX: All bidders are advised that in order for a contract to bind the City, each contract must contain the provisions found in Section 361.35 C.C.C. with regard to income taxes due or payable to the City of Columbus for wages, salaries and commissions paid to the contractor’s employees as well as requiring those contractors to ensure that subcontractors withhold in a like manner.

LOCAL CREDIT: In determining the lowest bid for a contract the local bidder credit will not be applied.

FOR COPIES OF ANY OF THE FOLLOWING BID PROPOSALS CALL THE LISTED DIVISION

BID OPENING DATE - August 12, 2014  11:00 am

SA005516 - R&P Northbank Storage & Genoa Restroom
ADVERTISEMENT FOR BIDS
Paper proposals will be received by the City of Columbus, Department of Recreation & Parks, Division of Planning & Design, at 1111 East Broad Street, Columbus, OH 43205 until 11:00 A.M. local time on Tuesday August 12th, 2014, and publicly opened and read immediately thereafter for:

North Bank Storage Addition & Genoa Park Restrooms

The work for which proposals are invited consists of: Construction of a new 500 square foot freestanding Storage Building at North Bank Park and the removal and replacement of the existing roofs on the two restroom buildings at Genoa Park and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents. The North Bank Storage Building is a masonry building with wood trusses and a copper roof to match the existing adjacent Pavilion building. The new roofs on the Genoa Park Restroom buildings will be prefinished aluminum.

Copies of plans and specifications will be available on Monday July 21, 2014 at ARC, 1159 Dublin Road, Columbus, OH 43215, upon a non-refundable payment per bid set to ARC. Bidders may contact ARC at (614) 224-5149 or via their website www.e-arc.com for the cost of bid sets. Questions must be emailed and can be submitted to Rogers Krajnak Architects Inc. attn: Craig M. Vander Veen, cvanderveen@rogerskrajnak.com. Questions must be received by (noon on Tuesday August 5, 2014.

In order for a Proposal to be considered responsive, the bidder must submit all required information for the project on the proper forms, P-1 through P-49, in a sealed envelope marked North Bank Storage Addition & Genoa Park Restrooms.

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read.

CONSTRUCTION AND MATERIAL SPECIFICATIONS
Numbered paragraphs to which reference is made in these Contract Documents refer to City of Columbus, Ohio Construction and Material Specifications (CMS), 2012 edition1 and will become part of the terms and conditions of the contract to be awarded. Hard copies of this document are available for examination or purchase at the Department of Public Service, 109 N. Front St, 3rd Floor, Room 301, Columbus, Ohio 43215 (614) 645-8376, and at the office of the Director of Public Utilities, 910 Dublin Rd., 4th Floor, Columbus, Ohio 43215, (614) 645-6141. An electronic version of the document can be viewed at http://publicservice.columbus.gov/DocListing.aspx?id=47645

PROPOSAL GUARANTY
The bidder is required to submit a Proposal Guaranty, in the form of a Proposal Bond or Certified Check, with a surety or sureties licensed to conduct business in the State of Ohio. The amount of the guaranty shall be ten (10) percent of the bid amount or numerically in dollars and cents, including all alternates submitted which increases the amount of the bid. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety

BID NOTICES - PAGE # 2
THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

CONTRACT PERFORMANCE AND PAYMENT BOND
A contract performance and payment bond in the amount of 100 percent of the contract price with a surety or sureties licensed to conduct business in the State of Ohio according to Section 103.05 of the City of Columbus Construction & Materials Specifications, 2012 edition, will be required to assure the faithful performance of the work. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PRE-BID CONFERENCE
There will be no pre-bid conference held for this project.

CONTRACT COMPLETION
The work under this contract shall be completed in a manner acceptable to the City within 730 calendar days after the date of the Notice to Proceed.

BID CANCELLATION AND REJECTIONS
The Director of Public Utilities may cancel the Advertisement for Bids, reject any or all bids, waive technicalities, or hold bids for a period of 180 days after the bid opening, and/or advertise for new bids, without liability to the City.

CONTRACT COMPLIANCE REQUIREMENTS
The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged.

On the following pages, bidders shall identify all subcontractor(s) to whom they propose to subcontract any part of this project on which they are bidding/proposing. All bidders shall include in their bid/proposal, the anticipated cost and scope of work that will be performed by all subcontractor(s), along with their contract compliance number(s).

Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within 7 business days from the bid submittal date, the bid/proposal will be deemed non-responsive and will no longer be considered.

All contractors and subcontractors who are party to a contract as defined in Columbus City Code 3901.01, must hold valid contract compliance certification numbers before the contract is executed.

This information is gathered and monitored by the Equal Business Opportunity Commission Office (EBOCO). Please contact EBOCO for assistance with identifying potential Minority contractors. Information on contract compliance certification is available at http://eboco.columbus.gov

PROPOSAL GUARANTY
The bidder is required to submit a Proposal Guaranty, consisting of either a proposal bond, in the form provided in the Bid Submittal Documents with a surety or sureties licensed to conduct business in the State of Ohio.

Section 102.08 of the CMSC is revised and amended as follows:
No proposal will be considered unless accompanied by a bond or certified check drawn on a solvent bank made payable to the Franklin County Historical Society DBA, COSI, in an amount not less than 10 percent of the Bidder's Proposal, conditioned upon execution of the contract and the furnishing of a performance bond in the event the contract is awarded to the bidder. The amount of the bid bond shall be expressed either as a percentage of the total bid (10%) or numerically in dollars and cents. The amount indicated in the
THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Proposal bond shall include the total amount of the bid including all alternates submitted which increase the bid. The bond amount shall be equal to or exceed 10 percent of this total amount.

PREVAILING WAGE RATE
Attention of the bidder is called to the special requirements included in the Bid Submittal Documents regarding prevailing rates of wages to be paid.

CONTRACT PERFORMANCE AND PAYMENT BOND
A contract performance and payment bond of 100 percent of the amount of the contract will be required to assure the faithful performance of the work. Bonds shall be with a surety or sureties licensed to conduct business in the State of Ohio, according to Section 103.5 of the City of Columbus Construction and Materials Specifications, latest edition.

CONTRACT COMPLIANCE REQUIREMENTS
Each responsive bidder shall submit, with its bid, a City of Columbus Contract Compliance Certification Number or a completed application for certification. Any questions or inquiries concerning this should be directed to the Equal Business Opportunities Commission Office, 109 N. Front Street, 4th Floor, Columbus, Ohio 43215 (614) 645-4764.

BID CANCELLATION AND REJECTIONS
The right is reserved by COSI to cancel the Advertisement for Bids, to reject any and/or all bids, to waive technicalities, and/or to advertise for new proposals, when it is in the best interests of COSI.

SPECIAL REQUIREMENTS
Particular attention is called to the statutory requirements of the State of Ohio relative to licensing of corporations organized under the laws of any other state.

OSHA/EPA/ADA REQUIREMENTS
Contractors are subject to all applicable federal, state and local laws, ordinances, rules and regulations pertaining to services or products to be provided under this requirement.

BID OPENING DATE - August 14, 2014  11:00 am

SA005509 - NEC PHONE SYSTEM UPGRADE/SOUTHERLY
1.0 SCOPE & CLASSIFICATION

1.1 Scope

The City of Columbus, Department of Public Utilities, Division of Sewers and Drains intends to upgrade the existing NEC NEAX2000 PBX's and Voicemail System with an NEC SV8300 and UM8000 Voicemail at the Southerly Waste Water Treatment Plant, 6977 S. High St, Columbus, OH 43223. All installation is to be completed by the awarded vendor.

1.2 Classification:

The City of Columbus, Division of Sewers and Drains will be reusing all existing analog telephones and station cabling infrastructure that is currently supporting the NEC NEAX2000 System.

Vendor will not be responsible for repairing or replacing any of the existing cable infrastructures within the facility.

The City of Columbus, Division of Sewers and Drains will be retaining the existing NEAX2000 System to be used as spare parts to support other locations that currently have the NEC NEAX2000 System installed.

The Department of Public Safety, Division of Support Services will be responsible for removing the old NEAX2000 System and all associated equipment related to the NEAX2000 system.

Vendor will program and connect to existing paging system; paging system is currently being used on the NEC NEAX2000 System.

1.2.1.1 Bidder experience: The bidder must submit an outline of its experience and work history in installation of telephone equipment and services for the past five years.

1.2.1.2 Specification Questions: Questions regarding this bid must be sent in writing via email to vendorservices@columbus.gov no later than 11:00 a.m. (local time) on Monday, July 28, 2014. Responses (if any) will be posted as an addendum to this bid on the City’s website (vendorservices.columbus.gov) no later than 11:00 a.m. (local time) on Wednesday July 30, 2014. Questions will be sent out at a later date as Addendum 2

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: July 31, 2014
SA005517 - FIRE SAFE HOUSE TRAILER

1.1 Scope: It is the intent of the City of Columbus, Division of Fire, to obtain formal bids to establish a contract for the purchase of one (1) "Safe House" tow behind trailer equipped for use in training the public about fire safety.

1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of one (1) tow behind "Safe House" trailer engineered and constructed with specialized equipment and systems for the demonstration of fire safety. The apparatus and all major components shall be manufactured in North America. Bidders are required to show experience in providing these types of equipment and warranty service as detailed in these specifications.

1.2.1 Bidder Experience: The Fire Safe House equipment offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past ten years.

1.2.2 Bidder References: The Fire Safe House equipment and warranty service offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

1.2.3 Specification Questions: Questions regarding this bid must be sent in writing via email to vendorservices@columbus.gov no later than 11:00 a.m. (local time) on August 4, 2014. Responses will be posted as an addendum to this bid on the City’s website (vendorservices.columbus.gov) no later than 11:00 a.m. (local time) on August 7, 2014. See section 3.2.4 for additional details.

1.2.2 Bidder References: The bidder shall have documented proven successful contracts from at least four (4) customers that the bidder supports that are similar in scope, complexity and cost of the requirements of the specification.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: July 24, 2014

BID OPENING DATE - August 15, 2014  2:00 pm

SA005514 - FLEET / UNARMED SECURITY GUARD SERVICES

1.1 Scope: It is the intent of the City of Columbus, Fleet Management Division to obtain formal bids to establish a contract for the purchase of Unarmed Security Guard Services for use at 4211 Groves Road from date of execution through October 31, 2016.

1.2 Classification: Proposals will be evaluated by a team to determine most responsive, responsible and best bid by using the submitted information from each bidder. The role of the evaluation team is to recommend an award that is most responsive to the City of Columbus

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: July 17, 2014

BID OPENING DATE - August 18, 2014  1:00 pm
1.1 Scope: It is the intent of the City of Columbus, Department of Finance and Management, Office of Construction Management, to obtain Request for Statements of Qualifications (RFSQ) to establish a contract for PROFESSIONAL ARCHITECTURAL/ENGINEERING CONSULTING SERVICES pertaining to Fire Station 16.

1.2 Classification: The scope of the work shall include space planning, design, engineering and contract administration services for the relocation of Fire Station 16 to a specific location yet to be determined. Possible demolition at the new location might be required as part of the scope of work. The new constructed building shall be modern and meet current standards of the City of Columbus Department of Safety.

1.3 Deadline for questions is Monday, August 4, 2014 at 12:00 p.m. Contact Jennifer Henderson with the Office of Construction Management via email (jrhenderson@columbus.gov) or fax (614-645-0254) only.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: August 06, 2014

BID OPENING DATE - August 19, 2014  3:00 pm
Electronic proposals will be received by the Department of Public Service through www.bidx.com, until 3:00 P.M. local time, Tuesday, August 19, 2014, for the Downtown Streetscape - Atlas Building project, C.I.P. No. 530801-100011.

Hard copy proposals will not be accepted by the City.

The work for which proposals are invited consists of: streetscape improvements along the north side of E. Long Street between N. High Street and N. Pearl Street, and also along the west side of N. Pearl Street between E. Long Street and the subject north property line, and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth at www.bidx.com.

Bidders who wish to learn more about the Bid Express service or to sign up for an account can visit the Bid Express web site at www.bidx.com or call Bid Express customer support at 1-888-352-BIDX for information. Bidders must also have an account with one of Bid Express’ surety verification companies, either Surety 2000 (www.surety2000.com/default.asp) or Insure Vision (www.web.insurevision.com/ebonding/). Contact them directly to set up an account.

Bidders must have an account with Bid Express and either Surety 2000 or Insure Vision in order to bid on this project.

Effective 01/01/15, companies must be prequalified by the City to be awarded a construction contract or to be a subcontractor on a newly awarded construction contract. Applications for 2015 prequalification will be accepted through October 31, 2014. Go to http://www.columbus.gov/prequalification.aspx if you have questions about the prequalification process or to obtain a prequalification application.

SA005452 - CONS: DRWP ION EXCHANGE PLANT RELIAB UPGR

BID OPENING DATE - August 20, 2014  3:00 pm
Sealed proposals will be received by the City of Columbus, Department of Public Utilities, Division of Water, at 910 Dublin Road, Room 4015 Columbus, Ohio until 3:00 P.M. local time, and publicly opened and read at 910 Dublin Road, First Floor Auditorium, thereafter on August 20, 2014 for Dublin Road Water Plant, Treatment Capacity Increase, Ion Exchange and Plant Reliability Upgrades, Contract No. 1009 Part 4, Project No. 690428-100005. The work for which proposals are invited consists of: Construction of new Ion Exchange Facility together with connecting channels and pipe systems; provision of 18 ion exchange vessels and related chemical /regeneration  equipment; upgrades and replacement of plant electrical system equipment; building construction; provision and installation of raw and high service pumping equipment; construction of liquid chemical storage and feed systems; electrical systems as required for the improvements; heating, ventilating, and air conditioning; plumbing; instrumentation and controls; associatec site work; paving of Twin Rivers Drive Extension and all other such work as may be necessary to complete the Contract in accordance with the plans and specifications set forth in the Bid Documents.

Bidding Documents may be examined at the following locations:
1. Division of Water, Office of Water Supply & Treatment Coordinator, Utilities Complex-910 Dublin Road, 2nd Floor, Columbus, OH 43215.
2. CH2M HILL, 1103 Schrock Road, Suite 400, Columbus, OH 43229.
3. URS Corporation, 277 West Nationwide Boulevards, Columbus, Ohio 43215 2566.

Copies of bidding documents may be obtained on June 2, 2014 by contacting the Design Professional, CH2M HILL, (Telephone 614 888 3100 or Fax 614-888-0043) and providing the following information:
1. Contact information including name, address, phone, email and website address.
2. City of Columbus Contract Compliance Number (or copy of completed application) or Federal Tax ID.
3. Identify requester?s trade or interest as being one of the following: Bidder, Subcontractor, or Material Supplier.

The Design Professional will issue bidding documents as follows:

1. Prime Bidders and Major Subcontractors may receive one (1) set of paper bidding documents and one (1) printable CD. Deposit for all of these materials will be $2,000 in the form of a company check with an expiration of no less than 120 days after issuance or a certified check. In addition, a non-refundable check in the amount of $750.00 shall be made payable to "CH2M HILL." A Major Subcontractor is any subcontractor that may provide a significant amount of work on the project.
2. Prime Bidders and Major Subcontractors may make limited paper copies of sheets for distribution to minor subcontractors/suppliers to obtain prices for small and minor items that require application of one technical specification and not more than twenty (20) plan sheets or for work less than $200,000. Prime Bidders and Major Subcontractors will maintain a Document Log to account for all distributed sheets. Document Log will include the date, name, contact information, business, sheets and specification provided.
3. Other subcontractors and suppliers may receive one (1) read-only, nonprintable CD. Deposit will be $500.00 in the form of a company check with an expiration of no less than 120 days after issuance or a certified check. In addition, a non-refundable check in the amount of $50.00 shall be made payable to "CH2M HILL".
4. Placement of bidding documents in whole or in part on an FTP site or other digital distribution of bidding documents is absolutely prohibited.
5. Deposits will be refunded upon return of the printed/electronic media and receipt of completed and attested Document Logs. Procedures are detailed in Section 00 20 00, Instructions to Bidders, and will be provided upon request to the Design Professional.
6. Bidding documents are property of the City of Columbus, and must be returned to the City. Forfeiture of deposits is not the only remedy the City has under law for failure to return the bidding documents. Noncompliance will cause violating plan holder to be placed on a watch-list to alert other City Departments.
of bid process issues. All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read.

PROPOSAL GUARANTY
The bidder is required to submit a Proposal Guaranty, in the form of a Proposal Bond or Certified Check, with a surety or sureties licensed to conduct business in the State of Ohio. The amount of the guaranty shall be ten (10) percent of the bid amount or numerically in dollars and cents, including all alternates submitted which increases the amount of the bid. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PREVAILING WAGE RATE
Bidders must comply with the prevailing wage rates on Public Improvements in Franklin County and the City of Columbus, Ohio as determined by the Ohio Bureau of Employment Services, Wage and Hour Division (614) 644-2239.

CONTRACT PERFORMANCE AND PAYMENT BOND
A contract performance and payment bond in the amount of 100 percent of the contract price with a surety or sureties licensed to conduct business in the State of Ohio will be required to assure the faithful performance of the work. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PRE-BID CONFERENCE AND SITE VISIT
There will be a mandatory pre-Bid conference held at the Second Floor Conference Room, Dublin Road Water Plant, 940 Dublin Road, Columbus, Ohio, on June 18, 2014 at 9:00 A.M. Following the pre-Bid conference, the CMT will conduct an overview of the sequencing of work and a tour will be given to allow Bidders to inspect the project areas and facilities.

1. Bidders who are preparing bids as prime contractors are required to attend the conference.
2. The City will reject the proposal of any bidder who fails to attend the pre-Bid conference.
3. Attendees at the pre-Bid meeting tours are required to wear hard hats, safety glasses and safety shoes.

CONTRACT COMPLETION
The project has multiple interim milestone completion dates. The contract time between Notice to Proceed and Final Completion is 1098 calendar days.

VENDOR OUTREACH
Bidders who are preparing bids as prime contractors are strongly encouraged to participate in a Pre-Bid vendor Workshop held Wednesday, June 18, 2014, at 1:00 P.M. at the Auditorium and Library, 910 Dublin Road, Columbus, Ohio. The purpose of this vendor workshop is to provide interested subcontractors the opportunity to meet with the prospective prime contractors.

BID CANCELLATION AND REJECTIONS
The Director of Public Utilities may cancel the Advertisement for Bids, reject any or all bids, waive technicalities, or hold bids for a period of 240 days after the bid opening, and/or advertise for new bids, without liability to the City.

CONTRACT COMPLIANCE REQUIREMENTS
The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged. Bidders will receive, with the bidding documents, a CD with a list of certified City of Columbus Minority and Female Business Enterprises (M/FBE) vendors/contractors sorted by trades associated with this project.
Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within seven (7) business days from the bid submittal date, the bid/proposal will be deemed non-responsive and will no longer be considered.

All CONTRACTORS and subcontractors who are party to a contract as defined in Columbus City Code 3901.01, must hold valid contract compliance certification numbers before the contract is executed. This information is gathered and monitored by the Equal Business Opportunity Commission Office (EBOCO). Information on contract compliance certification is available at http://eboco.columbus.gov

SA005528 - UPGR RES SITE2 BORROW AREA REST OTTAWA
Sealed paper proposals will be received by the City of Columbus, Department of Public Utilities, Division of Water, at the office of the Director of Public Utilities, 4th Floor, 910 Dublin Road, Columbus, Ohio 43215 until 3:00 P.M. local time, and publicly opened and read at the 1st floor Auditorium, 910 Dublin Road, Columbus, Ohio 43215, at 3:00 P.M. local time on August 20, 2014 for the Upground Reservoir Site No. 2 Borrow Area Restoration - Ottawa Creek Preserve Project, C.I.P. No. 690370. The work for which proposals are invited consists of: Development and Construction of a "Preserve Site" to include a waterless restroom facility, shelter house, natural play area, pedestrian trails and bridges, signage, parking, water well supply system, site landscaping, appurtenances, and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

Copies of the contract documents will be available on July 28, 2014 for a non-refundable fee of $50.00 to prospective bidders through the office of ms consultants, inc. (checks made payable to ms consultants, inc., address below, contact Amy Shoaf 614.898.7100). Proposals must be submitted on the proper forms contained in the Bid Submittal Documents and the Bid Submittal Documents containing the Proposal must be submitted IN THEIR ENTIRETY in a sealed envelope marked Bid for:

UPGROUND RESERVOIR SITE NO. 2 BORROW AREA RESTORATION
OTTAWA CREEK PRESERVE
CONTRACT NO. 1032-Part 4, PROJECT NO. 690370

Copies of plans and specifications are available for viewing at the following locations:

1. City of Columbus Division of Water, Utilities Complex - 910 Dublin Road, 2nd Floor (Technical Support Section), Columbus, OH 43215.
2. ms consultants, inc. - 2221 Schrock Road, Columbus, OH 43229.
3. Builder’s Exchange of Central Ohio, Plan Room - 1175 Dublin Road, Columbus, OH 43215.
4. Minority Contractors and Business Assistance Center - 1393 East Broad Street, Columbus, OH 43205.

Questions must be in writing and can be submitted to Ken Ricker at kricker@msconsultants.com or fax 614.898.7570. Questions must be received by Wednesday, August 13, 2014.

In order for a Proposal to be considered responsive, the bidder must submit all required information for the project as outlined in the advertisement for bids.

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read.

CONSTRUCTION AND MATERIAL SPECIFICATIONS
Unless otherwise specified or modified by special provisions contained herein, the City of Columbus, Ohio Construction and Material Specifications (CMS), 2012 edition will become part of the terms and conditions of the proposal and the contract to be awarded. Hard copies of this document are available for examination or purchase at the Department of Public Service, 50 W. Gay St., First Floor, Room 100, Columbus, Ohio 43215 (614) 645-8376, and at the office of the Director of Public Utilities, 910 Dublin Rd., 4th Floor, Columbus, Ohio 43215, (614) 645-6141. An electronic version of the document can be viewed at
PROPOSAL GUARANTY
The bidder is required to submit a Proposal Guaranty, in the form of a Proposal Bond or Certified Check, with a surety or sureties licensed to conduct business in the State of Ohio. The amount of the guaranty shall be ten (10) percent of the bid amount or numerically in dollars and cents, including all alternates submitted which increases the amount of the bid. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PREVAILING WAGE RATE
Bidders must comply with the prevailing wage rates on Public Improvements in Delaware County and the City of Columbus, Ohio as determined by the Ohio Bureau of Employment Services, Wage and Hour Division (614) 644-2239. The City recommends the Prime Contractor obtain the completed Prevailing Wage affidavit from all subcontractors upon completion of the sublet portions of work, and prior to providing final payment to subcontractors.

CONTRACT PERFORMANCE AND PAYMENT BOND
A contract performance and payment bond in the amount of 100 percent of the contract price with a surety or sureties licensed to conduct business in the State of Ohio according to Section 103.05 of the City of Columbus Construction & Materials Specifications, 2012 edition, will be required to assure the faithful performance of the work. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PRE-BID CONFERENCE
A Pre-Bid conference will be held at the City of Columbus? Bellepoint Maintenance Facility, 4544 State Route 257 So., Ostrander, OH 43061 on Wednesday, August 6, 2014 at 10:00 am. The conference is not mandatory but attendance is strongly encouraged. Representatives from the City?s Management Team and the Design Professional will be present to discuss the Project. Oral statements may not be relied upon and will not be binding or legally effective. Following the Pre-Bid conference, a tour will be given to allow Bidders to inspect the Project site.

CONTRACT COMPLETION
The work under this contract shall be completed in a manner acceptable to the City within 150 calendar days for Substantial Completion and 180 calendar days for Final Completion after the date of the Notice to Proceed.

BID CANCELLATION AND REJECTIONS
The Director of Public Utilities may cancel the Advertisement for Bids, reject any or all bids, waive technicalities, or hold bids for a period of 180 days after the bid opening, and/or advertise for new bids, without liability to the City.

CONTRACT COMPLIANCE REQUIREMENTS
The City of Columbus encourages the participation of city certified minority and female business
THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged.

On the following pages, bidders shall identify all subcontractor(s) to whom they propose to subcontract any part of this project on which they are bidding/proposing. All bidders shall include in their bid/proposal, the anticipated cost and scope of work that will be performed by all subcontractor(s), along with their contract compliance number(s).

Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within 7 business days from the bid submittal date, the bid/proposal will be deemed non-responsive and will no longer be considered.
All contractors and subcontractors who are party to a contract as defined in Columbus City Code 3901.01, must hold valid contract compliance certification numbers before the contract is executed.

This information is gathered and monitored by the Equal Business Opportunity Commission Office (EBOCO). Please contact EBOCO for assistance with identifying potential Minority contractors. Information on contract compliance certification is available at http://eboco.columbus.gov

BID OPENING DATE - August 21, 2014 11:00 am
SA005534 - Water Leak Detection System

1.1 Scope: It is the intent of the City of Columbus, Division of Water to obtain formal bids to establish a contract for the purchase and delivery of a water leak detection system. The equipment will be used to accurately pinpoint water mainline and service leaks.

1.2 Classification: The contract resulting from this bid proposal will provide for the purchase of all equipment listed in the specifications. Specifications describe an Echologics LeakFinder RT system or equal. Potential bidders will be required to demonstrate experience providing this type of equipment.

1.2.1 Bidder Experience: The equipment offeror must submit an outline of its experience and work history in this type of equipment for the past five years.

1.2.2 Bidder References: The equipment offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity and cost to the requirements of this specification.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: July 30, 2014

SA005519 - Diesel Powered 14’ Step Van
1.1 Scope: It is the intent of the City of Columbus, Division of Water to obtain formal bids to establish a contract for the purchase of two (2) diesel powered chassis with a minimum G.V.W. rating of 20,000 pounds mounted with a fourteen-foot aluminum step van body. The step vans will be used by the Division of Water.

1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of two (2) new and unused diesel powered chassis with a minimum G.V.W. rating of 20,000 pounds mounted with a fourteen-foot aluminum step van body. All items shall be installed by the successful bidder. Successful bidder shall provide an authorized facility/company in Franklin County, Ohio or contiguous county to do the warranty work.

1.2.1 Bidder Experience: The diesel powered chassis with a minimum G.V.W. rating of 20,000 pounds mounted with a fourteen-foot aluminum step van body offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years.

1.2.2 Bidder References: The diesel powered chassis with a minimum G.V.W. rating of 20,000 pounds mounted with a fourteen-foot aluminum step van body and warranty service offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

1.2.3 Specification Questions: Questions regarding this bid must be sent in writing via email to vendorservices@columbus.gov no later than 11:00 a.m. (local time) on August 11, 2014. Responses will be posted as an addendum to this bid on the City's website (vendorservices.columbus.gov) no later than 11:00 a.m. (local time) on August 14, 2014. See Section 3.2.4 for additional details.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

City funded Professional Services Ad

1.1 Scope: The City of Columbus, Department of Public Service, is receiving proposals until 1:00 P.M. local time, August 21, 2014, for the Roadway Improvements - Downtown Standards Update project. This is a re-advertisement of a request for proposal that was issued in June of 2014. Proposals are being received electronically by the Department of Public Service, Office of Support Services. Proposals shall be submitted to DPSRFP@columbus.gov.

A professional engineering consulting firm is not required to lead this project. However, since engineering standards will be developed as part of this contract, it is a requirement to include a professional engineer consultant on the team.

This project involves the development of a comprehensive set of standards addressing all improvements within the right-of-way, including but not limited to streets, sidewalks, street furniture, landscaping, and storm water; as well as screening of private property. This project builds on the Columbus Downtown Streetscape Plan (adopted in 2000), the Downtown Columbus Strategic Plan (adopted in 2010), which defined general street typologies and determined streets to which those typologies would be applied, and street specific standards based on recently constructed projects. The final deliverable will be adopted by Columbus City Council following public engagement and review/recommendation by City commissions.

The selected Consultant shall attend a scope meeting anticipated on or about September 5, 2014. If the Project Manager is not available, the Consultant may designate an alternate to attend in their place.

1.2 Classification: Firms wishing to submit a proposal must meet the mandatory requirements stated in the RFP. All questions concerning the RFP are to be sent to capitalprojects@columbus.gov. The last day to submit questions is August 14, 2014. Responses will be posted on the Vendor Services web site as an addendum. Phone calls will not be accepted.

ORIGINAL PUBLISHING DATE: July 31, 2014

BID OPENING DATE - August 26, 2014  3:00 pm

SA005542 - Morse Rd Preserve TIF Improvements Ph 1
Electronic proposals will be received by the Department of Public Service through www.bidx.com, until 3:00 P.M. local time, Tuesday, August 26, 2014, for the Arterial Street Rehabilitation - Morse Road - Preserve TIF Improvements Phase 1 project, C.I.P. No. 530103-100044.

Hard copy proposals will not be accepted by the City.

The work for which proposals are invited consists of: widening Morse Road to a 3-lane section from Trellis Lane/Underwood Farms Blvd to a point approximately 1,400? west of Johnstown Road. Morse Road will be milled and overlaid within the limits of the widening. A 10? shared use path will be constructed on the north side of Morse Road over the entire length of the project. Additional improvements include signage, street lighting, street trees, storm sewers, bioretention basin, curb ramps, and traffic control devices, and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth at www.bidx.com.

Bidders who wish to learn more about the Bid Express service or to sign up for an account can visit the Bid Express web site at www.bidx.com or call Bid Express customer support at 1-888-352-BIDX for information. Bidders must also have an account with one of Bid Express? surety verification companies, either Surety 2000 (www.surety2000.com/default.asp) or Insure Vision (www.web.insurevision.com/ebonding/). Contact them directly to set up an account.

Bidders must have an account with Bid Express and either Surety 2000 or Insure Vision in order to bid on this project.

Effective 01/01/15, companies must be prequalified by the City to be awarded a construction contract or to be a subcontractor on a newly awarded construction contract. Applications for 2015 prequalification will be accepted through October 31, 2014. Go to http://www.columbus.gov/prequalification.aspx if you have questions about the prequalification process or to obtain a prequalification application.

SA005515 - Flocculator Sprockets & Bearings UTC
1.1 Scope: It is the intent of this bid proposal to provide an option contract(s) for Flocculator Sprockets and Bearings, as specified within. These replacement parts will be used at various water and wastewater treatment plants located within the Columbus metropolitan area. The proposed contract will be in effect through December 31, 2016. The City estimates spending $70,000.00 annually for this contract.

1.2 Classification: This bid proposal and the resulting universal term contract will provide for the purchase and delivery only of flocculator parts as originally manufactured by the Jeffrey Manufacturing Company. All installation will be handled by City of Columbus personnel. Part numbers referenced in the bid specifications and on the Proposal Pages are Envirex part numbers. Bidders are required to show experience in providing this type of equipment as detailed in these specifications.

1.2.1 Bidder Experience: The equipment offeror must submit an outline of its experience and work history in this type of equipment for the past five years.

1.2.2 Bidder References: The equipment offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: July 24, 2014
1.1 Scope: It is the intent of the City of Columbus, Division of Water, to obtain formal bids to establish a contract to furnish labor, materials, equipment, and incidentals required to remove existing liner and provide and install a thermoplastic tank liner suitable for contact with 12.5% sodium hypochlorite solution in existing Welded Steel Storage Tank, 12 feet diameter, straight tank height 18 feet. The thermoplastic tank liner will be installed at the Dublin Road Water Plant.

1.2 Classification: The contract resulting from this bid proposal will provide for the purchase of materials and equipment necessary to install, test and make ready for operation a thermoplastic tank liner suitable for contact with 12.5% sodium hypochlorite solution in an existing Welded Steel Storage Tank. This contract will include the removal and disposal of existing liner and installation of the new liner system at the City of Columbus Dublin Road Water Plant Sodium Hypochlorite Building. Bidders are required to show experience in providing these types of equipment and warranty service as detailed in these specifications.

1.2.1 Bidder Experience: The thermoplastic tank liner offeror must submit an outline of its experience and work history in experience in producing tank liners and shall show evidence of at least 5 installations in satisfactory service.

1.2.2 Bidder References: The thermoplastic tank liner service offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

1.2.3 Pre-Bid Site Visit: A pre bid site visit will take place on Wednesday, August 13, 2014 starting at 9:00 am local time at the City of Columbus, Dublin Road Water Plant, 940 Dublin Road, OH 43215. See Section 3.2.4 for further details.

1.2.4 Specification Questions: Questions regarding this bid must be sent in writing via email to vendorservices@columbus.gov no later than 11:00 a.m. (local time) on Monday, August 18, 2014. Responses will be posted as an addendum to this bid on the City's website (vendorservices.columbus.gov) no later than 11:00 a.m. (local time) on Thursday, August 21, 2014. See Section 3.2.5 for additional details.

The work for which proposals are invited consists of hazardous materials abatement, building demolition, site excavation, roadway, site utilities, existing building renovation, new building construction and other such work as may be necessary to complete the contract in accordance with the plans and specifications set forth in the Bid Submittal Documents.

Copies of plans and specifications are available beginning Thursday, August 7, 2014 at DC Alphagraphics, 1250 Courtland Avenue, Columbus, Ohio 43201 for a non-refundable fee of $250.00 per set, plus shipping costs if applicable. Contact Dominic at DC Alphagraphics via phone (614) 297-1200, fax (614) 297-1300 or via the internet at www.dcplanroom.com. A plan holder's list will be published via the internet site. Addenda will be issued accordingly.

Questions pertaining to the drawings and specifications must be submitted in writing only to Abbot Studios, ATTN: Ben Cantrell via email (bcantrell@abbotstudios.com) prior to 4:00 p.m. on Thursday, August 21, 2014. Questions regarding the bid documents (excluding the drawings and specifications) should be submitted to Jennifer Henderson, City of Columbus Office of Construction Management, via fax (614-645-0254) or email (jrhenderson@columbus.gov) prior to noon on Friday, April 11, 2014. Any interpretations of questions so raised, which in the opinion of the City or its representative require interpretations, will be issued by Addenda posted on the City's bid solicitation web site http://vendorservices.columbus.gov/eproc/venSolicitationsAll.asp?link=Open+Solicitations no later than five (5) days prior to the date fixed for the opening of bids. The City or its representative will not be bound by any oral interpretations which are not reduced to writing and included in the addenda.

In order for a Proposal to be considered responsive, the bidder must submit all required information for the project as outlined in the advertisement for bids.

All materials submitted in response to this advertisement will become part of the awarded contract; will become the property of the City and will not be returned; and will be considered public records subject to disclosure as contemplated by Ohio Revised Code Section 149.43. All materials received will be open to the public once the sealed proposals are publicly opened and read.

PREQUALIFICATIONS
Effective January 01, 2015 (per Section 329.21(g)); only potential bidders prequalified responsible or prequalified provisionally responsible may be awarded a contract for city construction service work. Only licensed construction trade subcontractors prequalified responsible or prequalified provisionally responsible may subcontract or perform on city construction service work. No business entity prequalified not responsible may receive or perform city construction service work.

For specific questions regarding the application process, bidders are encouraged to visit the website: http://www.columbus.gov/prequalification.aspx.

CONSTRUCTION AND MATERIAL SPECIFICATIONS
Unless otherwise specified or modified by special provisions contained herein, the current edition of the
City of Columbus, Ohio Construction and Material Specifications (CMS) will become part of the terms and conditions of the proposal and the contract to be awarded. Hard copies of this document are available for examination or purchase at the Department of Public Service, 109 N. Front St, 3rd Floor, Room 301, Columbus, Ohio 43215 (614) 645-8376, and at the office of the Director of Public Utilities, 910 Dublin Rd., 4th Floor, Columbus, Ohio 43215, (614) 645-6141. An electronic version of the document can be viewed at http://publicservice.columbus.gov/DocListing.aspx?id=47645.

PROPOSAL GUARANTY
The bidder is required to submit a Proposal Guaranty, in the form of a Proposal Bond or Certified Check, with a surety or sureties licensed to conduct business in the State of Ohio. The amount of the guaranty shall be ten (10) percent of the bid amount or numerically in dollars and cents, including all alternates submitted which increases the amount of the bid. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PREVAILING WAGE RATE
Bidders must comply with the prevailing wage rates on Public Improvements in Franklin County and the City of Columbus, Ohio as determined by the Ohio Bureau of Employment Services, Wage and Hour Division (614) 644-2239.

CONTRACT PERFORMANCE AND PAYMENT BOND
A contract performance and payment bond in the amount of 100 percent of the contract price with a surety or sureties licensed to conduct business in the State of Ohio according to Section 103.05 of the City of Columbus Construction & Materials Specifications, current edition, will be required to assure the faithful performance of the work. All bonds signed by an agent must be accompanied by a surety power of attorney, most recent surety financial statement, and current Ohio Department of Insurance Certificate of Compliance.

PRE-BID CONFERENCE
There will be a MANDATORY pre-bid and walk-thru at the site on Tuesday, August 12 at 2:00 p.m.

CONTRACT COMPLETION
The City anticipates issuing a Notice to Proceed on or November 5, 2014. All on-site work under this contract shall be completed within 12 calendar months.

BID CANCELLATION AND REJECTIONS
The Director of Finance and Management may cancel the Advertisement for Bids, reject any or all bids, waive technicalities, or hold bids for a period of 180 days after the bid opening, and/or advertise for new bids, without liability to the City.

CONTRACT COMPLIANCE REQUIREMENTS
The City of Columbus encourages the participation of city certified minority and female business enterprises. While participation of and/or partnering with city certified minority and female owned businesses is not a condition of bid award, it is strongly encouraged.
THE CITY BULLETIN

BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

On the following pages, bidders shall identify all subcontractor(s) to whom they propose to subcontract any part of this project on which they are bidding/proposing. All bidders shall include in their bid/proposal, the anticipated cost and scope of work that will be performed by all subcontractor(s), along with their contract compliance number(s).

Bidders will be given seven (7) business days after the bid submittal date to update expired contract compliance information for renewal of numbers or to initially apply for a number. If said information has not been updated within 7 business days from the bid submittal date, the bid/proposal will be deemed non-responsive and will no longer be considered.

All contractors and subcontractors who are party to a contract as defined in Columbus City Code 3901.01, must hold valid contract compliance certification numbers before the contract is executed.

This information is gathered and monitored by the Equal Business Opportunity Commission Office (EBOCO). Please contact EBOCO for assistance with identifying potential Minority contractors.

Information on contract compliance certification is available at http://eboco.columbus.gov

BID OPENING DATE - September 4, 2014  11:00 am

SA005532 - Flygt Pump Parts & Service UTC
1.1 Scope: It is the intent of the City of Columbus, Division of Sewerage and Drainage to solicit bids to establish an option contract(s) for the purchase of OEM Flygt Pump and Mixer Parts and Service. The parts will be used for maintenance and repair of Flygt systems within the City's two (2) wastewater treatment plants and the wastewater system managed by the Sewer Maintenance Operations Center. Bidders are asked to bid firm or fixed prices for the items listed and provide price lists for items not specifically listed for the existing pump and mixer models, as well as hourly service rates. The City estimates it will spend approximately $150,000.00 annually under the term of any resulting contract, with $100,000.00 estimated for parts and $50,000.00 estimated for services. The proposed contract will be in effect from the date of execution by the City to and including November 30, 2016.

1.2 Classification: The Division of Sewerage and Drainage uses Xylem (formerly ITT) Flygt equipment that requires replacement parts and services. The contract resulting from this proposal will enable the Division of Sewerage and Drainage to purchase replacement parts and services on an as needed basis for the term of the contract. The City will provide all installation requirements; however, bidders are asked to bid hourly service pricing. Bidders must be an authorized provider of Xylem Flygt parts and services. The City of Columbus reserves the right to verify through Xylem Flygt that companies are authorized providers.

1.2.1 Bidder Experience: The Flygt Pump and Mixer Parts and Service equipment offeror must submit an outline of its experience and work history in these types of equipment and repair service for the past five years.

1.2.2 Bidder References: The Flygt Pump and Mixer Parts and Service equipment offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: July 29, 2014
1.1 Scope: It is the intent of the City of Columbus, Division of Sewerage and Drainage to obtain formal bids to establish a contract for the purchase of one (1) tandem axle, conventional truck chassis with a minimum G.V.W. rating of 58,000 pounds equipped with a single engine, 12 yard, centrifugal compressor (fan), combination sewer cleaning machine and to run on a dedicated compressed natural gas engine. The truck will be used by the Sewer Maintenance Operations Center.

1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of one (1) tandem axle, conventional truck chassis with a minimum G.V.W. rating of 58,000 pounds equipped with a single engine, centrifugal compressor (fan), 12 yard combination sewer cleaning machine, with dedicated compressed natural gas engines. All offerors must document a tandem axle truck certified reseller partnership. Bidders are required to show experience in providing these types of equipment and warranty service as detailed in these specifications.

1.2.1 Bidder Experience: The tandem axle truck offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years.

1.2.2 Bidder References: The tandem axle truck and warranty service offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

1.2.3 Specification Questions: Questions regarding this bid must be sent in writing via email to vendorservices@columbus.gov no later than 11:00 a.m. (local time) on August 25, 2014. Responses will be posted as an addendum to this bid on the City’s website (vendorservices.columbus.gov) no later than 11:00 a.m. (local time) on August 28, 2014. See Section 3.2.4 for additional details.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: July 31, 2014

SA005540 - Single Axle Dump w/Plow and Spreader
1.1 Scope: It is the intent of the City of Columbus, Division of Water to purchase a diesel powered, single axle, conventional truck chassis with a minimum G.V.W. rating of 37,000 pounds equipped with a 6 cubic yard dump body, snowplow and salt spreader. The truck will be used by the Watershed Section. The specifications will describe the truck and equipment to be provided.

1.2 Classification: The contract resulting from this bid proposal will provide for the purchase and delivery of one (1) diesel powered, single axle, conventional truck chassis with a minimum G.V.W. rating of 37,000 pounds equipped with a 6 cubic yard dump body, snowplow and salt spreader. All offerors must document a diesel powered, single axle, conventional truck chassis certified reseller partnership. Bidders are required to show experience in providing these types of equipment and warranty service as detailed in these specifications.

1.2.1 Bidder Experience: The diesel powered, single axle, conventional truck chassis with a minimum G.V.W. rating of 37,000 pounds equipped with a 6 cubic yard dump body, snowplow and salt spreader offeror must submit an outline of its experience and work history in these types of equipment and warranty service for the past five years.

1.2.2 Bidder References: The diesel powered, single axle, conventional truck chassis with a minimum G.V.W. rating of 37,000 pounds and warranty service offeror shall have documented proven successful contracts from at least four customers that the offeror supports that are similar in scope, complexity, and cost to the requirements of this specification.

1.2.3 Specification Questions: Questions regarding this bid must be sent in writing via email to vendorservices@columbus.gov no later than 11:00 a.m. (local time) on August 25, 2014. Responses will be posted as an addendum to this bid on the City’s website (vendorservices.columbus.gov) no later than 11:00 a.m. (local time) on August 28, 2014. See Section 3.2.4 for additional details.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: August 05, 2014

BID OPENING DATE - October 3, 2014  5:00 pm
SCOPE: The City of Columbus, Ohio is inviting professional engineering consulting firms, or teams including such firms, to submit Proposals to furnish professional services for the City of Columbus, Department of Public Utilities, Division of Sewerage and Drainage (DOSD), for Capital Improvements Project Number 611023-100000 - DESIGN OF AN INTERACTIVE EDUCATIONAL STORMWATER EXHIBIT pursuant to Columbus City Code 329.14. Proposals will be received at the Division of Sewerage and Drainage, 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206 until 5:00 P.M. on Friday, October 3, 2014.

General Project Descriptions

611023-100000 --- DESIGN OF AN INTERACTIVE EDUCATIONAL STORMWATER EXHIBIT

The City of Columbus Division of Sewerage and Drainage (DOSD) initiated CIP 611023 in partnership with the Grange Insurance Audubon Center (GIAC) and Columbus and Franklin County Metropolitan Parks District to create a cohesive, interactive educational site with unique experiences that engage visitors in learning about how individual behaviors impact the community. The Environmental Protection Agency has said that pollution carried by stormwater is the biggest threat to our waterways and individual daily activities can greatly reduce the amount of pollution entering our streams.

The project area is the GIAC facility at 505 West Whittier St., Columbus, OH 43215, and the land immediately surrounding it. This area already houses many green features in and around its building, including examples of stormwater BMPs which will be made interactive and part of a comprehensive educational site as part of this project. The site contains space available for the construction of one new stormwater management feature which will be included in this design.

giac-audubon.org/Tour/home.html hosts a view of the GIAC and Scioto Audubon Metro Parks site and highlights some of the features found there.

Target Audiences shall include but may not be limited to:

* All age groups
* Students
* Families
* Home Owner Associations
* Developers/contractors

Visitor Experiences shall include but may not be limited to:

* Guided as part of educational program
* STEM-compatible curriculum for grades 3 through 8
* Self-guided opportunities through exhibits/displays, apps, website, brochures and signage
* Convey our message to developers/contractors/building owners and managers (USGBC, BOMA)
* Metro Parks and GIAC's story is captured and conveyed (lessons learned)
* Cost/benefits of implementing stormwater BMPs
* Demonstrate life cycle cost
Learning Outcomes and visitor take-aways shall include but may not be limited to:

* Able to apply what was learned
* Understand large scale (example: cistern) applications vs. small scale (example: rain barrel) applications
* Buy-in and support for stormwater BMPs
* Expand range of known options to choose from
* Know that what we each do matters
* Inform people on how we can become a part of policy change
* We are/this is part of a shift in culture - not impossible, part of a process, how can you start
* Collaboration - we are each part of the success
* Spectrum from formal to natural plantings and styles
* An understanding of the causes of stream bank erosion and how BMPs can help slow erosion
* Know the connection between what goes on in your yard and the quality of our waterways
* What a healthy stream/river looks like
* Myth or fact on pests (rats, ticks, mosquitoes) in BMP areas
* Advantage of meadow vs. mowed area
* Effect of pesticides and fertilizers on water quality
* Importance of backyard habitat especially during changes in climate that are occurring
* Limit paper, brochures, handout materials and other disposable content

Other Considerations:

* Add a page that features the project onto GIAC’s existing web site
* Built-in allowance for evolution of green technologies
* Keep information current
* Plan for regular updates and ongoing maintenance
* Measurements of success
* Public Art: The City of Columbus has initiated a Public Art Program. It is anticipated that specific opportunities for public art will be identified by the design team as the project plan is developed and that a separate artist call, or calls, will be issued by the Public Art Program around these opportunities.

General Design Requirements

The lead Consultant shall be responsible for all work necessary to establish and/or verify existing site conditions including stormwater BMP’s and Green Infrastructure; proposed stormwater design flows in existing and proposed stormwater systems impacted by this improvement; securing existing plan information; perform additional investigations as required to design this improvement; prepare required hydraulic calculations; summarize all preliminary design findings, investigations, and recommendations into a BCE report and a final Design Report; collect all necessary site survey information; prepare construction drawings, cost estimate(s), specifications, and bid documents; investigate need for and document all required construction permits (such as zoning, electrical, building, regulatory (EPA, City, etc.); prepare,
submit, and secure all such construction permits; review construction shop drawing submittals and associated documents during construction of this project; provide oversight during the course of construction to ensure proper implementation of the proposed improvements and modifications to the GIAC.

The lead consultant shall submit a design report, construction plans in CC drawing format, specification documents, and complete all project tasks (excluding construction phase) for this project within 365 days after the notice to proceed is issued.

The lead Consultant shall submit information to document prior experience and qualifications of the Design Team members. The team shall have previous experience in the design of stormwater infrastructure, BMP’s and Green Infrastructure; designing creative, interesting and fun interactive displays using a variety of technologies; developing project-based learning to support STEM curriculum; identifying specific public art opportunities within the larger project plan so a specific artist call can be developed; and providing design services during construction.

The team members shall research various alternatives and recommend the most economical and best solution to the City. The final project submittal will include the production of all design documents, drawings, specifications and contract documents required to construct the proposed facilities. This work shall also include utility conflict sewer redesign and shop drawing review services during construction.

Proposals will be reviewed by the City; the City will enter into contract negotiations with the highest ranked offeror. If negotiations fail with the offeror they shall be terminated and the City will enter into contract negotiations with the next highest ranked offeror. This process will continue until the contract is successfully negotiated.

CLASSIFICATIONS: ALL OFFERORS ARE REQUIRED TO OBTAIN A COPY OF THE INFORMATION PACKAGE, which will be available for pick-up at 1250 Fairwood Avenue, Room 1021, Columbus, Ohio 43206 beginning Wednesday, July 30, 2014. There is no charge for the first information package. Any subsequent packages shall be $25.00.

QUESTIONS: All questions regarding this RFP should be presented via email submittal as soon as possible but no later than the 5:00 p.m. on Friday, September 12, 2014 to Mark Timbrook, P.E. mdtimbrook@columbus.gov and Anita Musser almusser@columbus.gov. Answers to RFP questions will be given and addenda will be issued, if necessary by Friday September 19, 2014.

For additional information concerning this request, including procedures for obtaining a copy of the of the RFP, you must go to the City of Columbus Vendor Services web page (http://vendorservices.columbus.gov) and view this bid number in the open solicitations listing.

Columbus Recreation and Parks
Permit and Rental Services Section

Revised

Administrative Rules for private boat docks and stakes on City Reservoirs (not to include boat club leased properties):

Columbus City Code, section 921.01-8 (O)(1) provides that: “The Recreation and Parks Commission may adopt administrative rules for floating boat dock construction, maintenance and other privileges pertaining to the use of undeveloped city parkland. Violation of administrative rules shall result in the temporary or permanent revocation of docking privileges and/or impoundment of vessel(s) and removal of associated structures on parkland.” Pursuant to the above-mentioned authority, the Recreation and Parks Commission does hereby approve and adopt the following administrative rules listed below.

These Administrative Rules shall be effective thirty days after being approved and signed by the Recreation and Parks Commission and the Director of the Recreation and Parks Department and published in the City Bulletin. These Rules may be superseded by an act of City Council.

Existing authorized docks exceeding any applicable design limitations as specified in these rules, may continue to be authorized until such time as the contiguous property owner either (i) fails to renew the annual permit or (ii) transfers title to the property.

The Recreation and Parks Department reserves the right to require general liability insurance naming the City of Columbus as an addition insured from private dock, stake, or mooring customer with at least a ninety (90) day notice.

As used in these Rules, the following definitions shall apply:

1. **Abandoned** - means any personal property, including a dock or other structure, that has remained on or attached to City property for at least 48 hours that does not have a valid dock permit, or is extensively damaged, or is considered a navigational hazard, regardless of whether it is being actively used by a contiguous property owner.
2. **Header dock** - The primary structure of a floating dock. The section of dock in which other dock sections or a ramp is attached to.
3. **Finger dock** - A secondary dock extension from the header dock.
4. **Mooring** - buoy or float providing a tie off for a boat, set to an anchor to hold the boat secure.
5. **Ramp** - The section of the dock that connects the floating portion of the dock to the shore (some docks may be on feet or wheels).
6. **“I” Dock** - For purposes of these administrative rules, an “I” dock shall mean a dock extending from shore in a straight line, generally perpendicular to the shoreline, with no sections attached to the header dock.
7. **“T” Dock** - For purposes of these administrative rules, a dock generally consisting of a header dock with a finger dock attached in the shape of a “T”, or can be an inverted “T” shape.
8. **“L” Dock** - For purposes of these administrative rules, an “L” dock is a dock shaped like an “L”, with one side being the header dock and the other side a finger dock, and can be placed in several positions according to need or preference.
9. **“U” Dock** - For purposes of these administrative rules, a “U” dock consists of a header dock generally parallel to the shore (but may be perpendicular), with at least two finger docks extending from the header dock in the shape of a “U”, “F”, “E” or similar type shape.

10. **Platform Dock** - For purposes of these administrative rules, a platform dock is a dock that is attached to shore by a ramp, and generally is described as a square or rectangular shape (although it may take different shapes), and can moor multiple vessels from respective sides.

11. **Spuds** - For the purpose of these administrative rules, spuds are defined as metal posts, no wider than 4” in diameter, inside a sleeve attached to the dock that stabilize the dock by use of friction against the riverbed and not by being driven, drilled, augured or pushed into the riverbed. The “foot” end of the spud (the portion against the river bottom) must be capped or otherwise closed and not be an open pipe. Spuds should not have chisel shaped or pointed ends.

12. **Stake** - A metal or wood post, not to exceed four (4) inches in diameter, extending a minimum of four (4) feet and a maximum of six (6) feet above the ground, to secure a watercraft to shore.

13. **Rip rap** - The placement of rocks or other similar materials as approved by the Division of Power and Water in accordance with United States Army, Corps of Engineers regulations to prevent or reduce shoreline erosion.

14. **Director** - “Director” shall mean the Director of Recreation and Parks or his or her duly authorized designee.

15. **Structure** - “Structure” means a combination of materials, other than a building, to form a construction that is safe and stable including, but not limited to, docks, stadium, gospel or circus tent, reviewing stand, platforms, staging, observation tower, shed, coal bin, or fence in excess of six (6) feet in height. The term “structure” shall be construed as if followed by the words “or parts thereof.”

16. **Building** - “Building” means any structure having a roof supported by columns or walls, or any series of structures separated only by “fire separations” but contained under a common roof or within common walls, and requiring a building permit in accordance with Title 41 of the Building Code that is used for shelter, occupancy, enclosure, or support of persons, animals, or property.

17. **Encroachment** - “Encroachment” means any building, structure, or personal property that extends beyond the property line of a contiguous property owner and trespasses onto City owned or controlled property.

**Administrative Rules:**

1) Plans for new docks and stakes or for alterations to existing docks and stakes must be submitted to the Columbus Recreation and Parks, Permit and Rental Services Section. All structures must comply with the current City of Columbus Code (CCC 921.01-8), and all specifications authorized by the United States Army Corps of Engineers under federal regulation. When in conflict, whichever code is more restrictive takes precedence. In cases where private property meets the water’s edge, dock permits are still required pursuant to the following rules, as the City of Columbus regulates all City waterways. A valid Land Stewardship Agreement must be on file with the City of Columbus prior to the issuance of any dock or stake permit.

2) Plans for new docks and stakes or alterations to existing docks and stakes must include the following:
   a) Plat plan of the property with the owner’s name and address and the proposed location of the dock or stake plainly marked.
   b) Detailed plan of the dock illustrating:
      i) Dimensions
      ii) Materials
      iii) Method of attachment to shore
      iv) Proposed alterations
   c) Proposed dates for construction and installation (which must be at least 10 business days later than the date of submission) are subject to the approval of the plan.
   d) Requests for stairs, if necessary, must be included in the application (certain restrictions apply, see items 17 and 18).

3) The overall width of any section of any private floating dock may not be less than four (4) feet.

4) The overall width of any Finger dock may not exceed six (6) feet.
5) The overall width of any header dock may not exceed eight (8) feet.

6) The overall width of any platform dock may not exceed twelve (12) feet.

7) The overall width of any ramp section may not exceed eight (8) feet.

8) Flotation for the floating docks must meet or exceed Federal and Ohio Department of Natural Resources standards. Metal drums and plastic barrels are not permitted. Treated wood materials used for decking and/or walkways shall comply with Federal and State Environmental Protection Agency recommendations and regulations. All wooden materials should be free of any chemicals that are toxic to aquatic life. Lumber pressure-treated with Alkaline Copper Quaternary (AQC) process is very corrosive therefore special care should be used when selecting fasteners and hardware. (US ACOE Rule #3) Galvanized or plated hardware should be used in dock construction.

9) The dock (including any ramp, attachment(s) and including any vessel(s)) may not extend greater than forty (40) feet from the on shore platform or twenty five percent (25%) of the width of the channel at that point, whichever is less. The overall area of any dock, including any vessel(s) docked at that location, may not exceed twenty-six (26) feet in width (parallel to shore). The forty (40) feet will be the measurement of the length of the dock and ramp at the point it is attached to the landing platform or otherwise affixed to shore and not the distance it extends into the reservoir due to the angle of attachment.

10) The floating dock structure shall not have any walls or enclosed areas. An open sided canopy may be permitted provided that the overall height of the canopy structure does not exceed twelve (12) feet from the surface of the dock. Canopy covers must be metal, canvas, nylon or other fabric and no advertising may be displayed on the canopy.

11) As part of the floating dock permit there may be a landing platform area on shore, not to exceed eighty (80) square feet in size. The only purpose of this platform is to provide a secure structure to serve as an attachment point for the floating dock. No concrete, cement or mortar is permitted as part of this platform. This structure may not include any walls, roofs or other improvements except an approved handrail if desired. The landing platform shall be constructed at ground level unless the terrain is not even, then only elevated enough so that the platform may be level as close to the ground as possible. The landing platform may not extend over the water beyond the ordinary high water mark (as defined by the U.S. Army Corps of Engineers). The specific site of the landing platform will be determined by the Director based upon best management practices.

12) No part of the floating dock, stake(s), or permitted landing platform may be constructed from any materials or constructed in any manner to be considered a permanent structure. (i.e. there will be no use of concrete and all sections must be removable by use of common hand tools). Tying to trees (either the dock or any watercraft) or attachment to any natural feature (rocks, stumps, etc.) is strictly prohibited.

13) Each qualified, contiguous, private property owner will be permitted a maximum of one private floating dock permit. Each private floating dock may be permitted to moor no more than three vessels registered to that private property owner (provided that all three vessels and dock fit into the area described in item 9).

14) The proposed location of the private floating dock, stake(s) or mooring shall be determined by the Director and contained within the area of City of Columbus owned shoreline defined by an extension of the contiguous, private property owner’s boundary lines. In cases where the angles are not perpendicular, or nearly perpendicular, this area will be determined by drawing a line perpendicular to the shoreline back to the contiguous, private property owner’s sideline. In the case of private moorings, the length of the mooring rope/chain/cable shall not allow the vessel to exceed this area. If there is not a suitable site within this area, the request may be denied.

15) When permitted, private moorings must be located no farther than fifty (50) feet from the normal pool shoreline, but may not be any further than 25% of the width of the channel at that point. Moorings will only be considered for use on Hoover and O’Shaughnessy Reservoirs. Mooring anchors must be approved before placement and should be properly sized for the boat being moored (items such as used engine blocks are specifically prohibited). Each private mooring must be marked with at least a twelve (12) inch round diameter, orange marine buoy. The owner’s address must be clearly marked upon the buoy.
16) When an application is approved, a contiguous, private property owner may install a boat stake or stakes. The stake(s) shall be driven or set into the ground by the permit holder at a site designated by the Director. No concrete or cement may be used. The stake(s) shall have a space for the permit decal and owner's address to be displayed, facing the water. The stake(s) shall be maintained in a safe condition by the permit holder and removed by the permit holder in the event that the stake permit is not renewed for any succeeding year. Boat stake(s) may not be relocated (due to low water levels, better access or any other reason) without written permission from the Director.

17) If the Director determines that any dock, structure, stairs, or other previously approved improvement (located on or attached to City property has become a detriment to the City, the person who installed such improvement shall remove it at their expense upon receiving written notice of the Director’s determination. If the person who installed the improvement is no longer the contiguous property owner, the City may remove and dispose of said encroachment.

If the current contiguous property owner wishes to continue to use the improvement in conjunction with a pre-existing dock or stake, that property owner (referred to herein as the “responsible party”) may submit a request to the Director to allow the improvement to remain. If the Director allows the improvement to remain, the responsible party must do all of the following:
1) Submit a new or renewal dock/stake permit application
2) Submit a signed Responsibility Form
3) Keep the dock or stake permit current and valid.

If at any time the responsible party fails to renew their dock or stake permit by the annual March 15 deadline, the improvement shall no longer be approved and must be removed at the expense of the responsible party.

In areas where it is necessary, as determined by the Director, a single set of wood or properly reinforced steps may be approved to access the dock as part of an approved path. Installation of new stairs must be in compliance with City of Columbus building codes. The stairs must not be set in concrete.

18. In cases where there are violations with the land stewardship agreement, contiguous property owners shall have up to one calendar year from the notice of violation to resolve said violations. If the violations are not resolved after one year, the Director may revoke the private dock, stake or mooring permit.

19) The five (5) foot wide path to allow access to the private dock or stake (as described in Columbus City Code 921.01-8 (N) may be mown, but must be maintained in as natural a condition as possible and may not include cement, mortar, bricks or boardwalks. The Director must approve the location of this path. The path must follow the most direct line to the shoreline that affects the least amount of vegetation or natural features of the City of Columbus property. Permission to cut down trees or alter the landscape to create a path will not be granted, except that cutting of trees and brush less than 1” in diameter at the ground may be approved on a limited basis with permission.

a) When necessary due to site conditions, the following improvements may be considered for a permit.
   i) Washed river gravel on top of filter fabric, not to exceed three (3) inches in depth.
   ii) Pavers or natural stones not to exceed sixteen (16) inches in diameter and not to be set closer that six (6) inches together.
   iii) Options “i” and “ii” combined provided all conditions of both are met.

b) Paths may not be approved if the following conditions exist:
   i) If location of the path would threaten rare or endangered species of plants or wildlife. The Ohio Department of Natural Resources shall be considered the naming authority for these species.
   c) Areas of shoreline that are within designated Nature Preserve areas will not be permitted any modifications to accommodate a dock or path, but may be approved if the naturally existing conditions are acceptable (pursuant to City Code (Title 9, Chapter 921.01-8 (A)(2)).

20) The installation of facilities conducive to human habitation; including but not limited to household furnishings, water or electrical lines or hook ups, living quarters, sewers, toilets, or fueling facilities are not permitted on any private
21) Electrical service existing as of the effective date of these Administrative Rules on City of Columbus property that was previously authorized by the City of Columbus in writing will be allowed to remain until such time as there is a failure to submit an annual permit application with the applicable rental fee. In the event of a failure to submit an annual permit application the electrical service must be removed by the contiguous property owner at their expense. If the contiguous property owner fails to remove the electrical service the City may do so. Future dock permits will not be considered until the electrical service is removed.

For as long as the electrical service remains, the adjacent property owner must provide and maintain a lath marker where the electric line crosses the private property line onto City property and a like marker near the dock marking the same. The marker should indicate, in writing, “under-ground electric - do not dig”. The material for the marker should be the same as markers used for roads and highways that is flexible plastic, which would not pose any threat of impaling a person. Failure to maintain these markers in accordance with this section at all times will be cause for immediate suspension or revocation of the dock permit.

In the event that there is any question as to whether the installation or the device meets all codes, the permit holder will be required to submit a letter from a licensed electrical contractor stating that he/she has personally inspected the device and installation and affirming that the installation and the device meets all City, State and Federal codes.

Solar powered, battery operated or self contained generator operated devices may be approved by the Director. Before any such device is installed the property owner must provide a sketch of the proposed electrical devices to be installed in connection with the dock permit. This sketch must include all lights, outlets, and related accessories. If the permit holder elects to use an extension cord to power a permitted electrical device at a dock then the cord may only be used when the permit holder is at the dock actively using the device. Extension cords must be plugged into a GFCI (ground fault circuit interrupter) outlet on the adjacent, private property. At all other times the extension cord must be removed from the park property.

The quantity of lights must be kept to a minimum, and are limited to the path and dock/stake/mooring. All lights must be directed downward and not toward the water, other residences or parks areas.

22) A hand powered or mechanical boatlift will be permitted so long as all other rules pertaining to docks are followed. Lifts that require electricity must comply with the established electric service rules contained within these Administrative Rules (item #21). Application for a boatlift must be in writing as part of the proposed dock plan and include specifications of the lift device.

23) No pilings may be driven through the water into the riverbed. Guide or support poles attached to the dock (or lift device) must have flat feet that rest on the riverbed or use non-driven spuds. Spuds must be removable using common hand tools and the permit holder must be able to demonstrate this upon request of the Recreation and Parks Department. Failure or inability to remove the spuds will be considered grounds for revoking dock privileges.

24) All floating docks, stakes and associated structures not previously authorized by the City prior to the effective date of these Administrative Rules must be designed and constructed to have the least impact visually and physically upon the City of Columbus owned property and dock must be maintained in a safe condition. Permittees must make every reasonable effort to construct and operate the authorized dock or stake(s) in a manner so as to minimize any adverse impact on fish, wildlife and natural environmental values including water quality.

25) Permitted docks and stakes must properly display the annual permit and property address (address must include at least the house numbers in three (3) inch high letters) on the dock structure or stake(s). The permit and address shall be placed on the dock or stake and face the open navigable water, visible to patrol watercraft.

26) The primary purpose of the private floating dock structure shall be as a safe mooring for permitted watercraft. This regulation does not exclude the permit holder, his/her family and guests from legally fishing from the dock. Personal property used in connection with recreational water activities, such as chairs, dock boxes, mooring lines, and so forth, shall be permitted on dock structures so long as such property is not otherwise prohibited by paragraph 18, this Section
or other Sections of these Rules. Private docks may not have any items attached to them or be used for any purpose other than safe mooring of permitted watercraft. Guest watercraft meeting code requirements, may moor to the permit holder’s dock, however if the duration exceeds sixteen (16) hours on any date, the permit holder must obtain a temporary permit from the Columbus Recreation and Parks Permit and Rental Services Section, and all related regulations apply.

27) Requests for modifications or renovations to an existing dock must be in writing and approved by the Director. No work shall commence until the Director’s written approval is received by the property owner. The property owner is hereby authorized to make minor repairs to the dock and associated structure when necessary to ensure the safety of the users. These repairs must use identical replacement materials and may not alter the appearance or dimensions of the permitted structure. No chemical treatments may be applied (paint, waterproofing, etc.) while the dock structure is in the water or sitting on City of Columbus owned property.

28) Private boat docks, stakes, associated structures and fixtures, other encroachments or private property discovered on or attached to City of Columbus park land without permission or in violation of Columbus City Code or these Rules will be considered abandoned and may be removed and disposed of by the Recreation and Parks Department; the Columbus Division of Power and Water acting as an agent of the Recreation and Parks Department under the terms of the “Water Supply Reservoir Cooperative Management Agreement”, or by any law enforcement officer within their jurisdiction.

a) Prior to removing abandoned private, personal property from City of Columbus property, the City will send notice to the contiguous property owner to allow them the opportunity to remove the personal property on their own. A letter sent via first class, U.S. mail to the name and address listed on the county auditor’s web site for the contiguous property requesting removal within 30 days shall be deemed sufficient notice.

The Recreation and Parks Commission and the Director of the Columbus Recreation and Parks Department hereby adopt and authorize these Administrative Rules.

- **Wednesday, March 12, 2013** - 1111 East Broad Street, 43205
- **Wednesday, April 9, 2013** - 1111 East Broad Street, 43205
- **Wednesday, May 14, 2013** - 1111 East Broad Street, 43205
- **Wednesday, June 11, 2013** - 1111 East Broad Street, 43205
- **Wednesday, July 9, 2013** - 1111 East Broad Street, 43205
- **August Recess - No meeting**
- **Wednesday, September 10, 2013** - 1111 East Broad Street, 43205
- **Wednesday, October 8, 2013** - 1111 East Broad Street, 43205
- **Wednesday, November 12, 2013** - 1111 East Broad Street, 43205
- **Wednesday, December 10, 2013** - 1111 East Broad Street, 43205
In the event no proper business exists the meeting may be cancelled without further notice. For more information you may contact the Columbus Recreation and Parks Department, 1111 East Broad Street, Suite 200, Columbus, Ohio 43205 (Telephone: 614-645-3319).

Alan D. McKnight, Executive Director
Columbus Recreation and Parks Department

OFFICIAL NOTICE

Notice/Advertisement Title:
CIVIL SERVICE COMMISSION
COMPETITIVE EXAMINATION ANNOUNCEMENTS
APPLY ONLINE 24 HOURS A DAY, 7 DAYS A WEEK, OR APPLY IN PERSON 9:00 A.M. TO 4:00 P.M. MONDAY THROUGH FRIDAY.

The Civil Service Commission continuously administers competitive examinations. Information regarding examinations, for which the Civil Service Commission is currently accepting applications, is located on our website at www.csc.columbus.gov and is also posted at the Commission offices located at 77 North Front Street, 3rd Floor, Columbus, Ohio as well as on the 1st Floor in the City Job Center. Please note that all visitors are required to produce a picture ID, authenticating their identity, in order to visit the applications area on the 3rd Floor. Applicants interested in City jobs should check our website or visit the Commission offices.
BE THE VOICE FOR YOUR COMMUNITY

Become an Area Commissioner. The election will take place on September 20, 2014 at the Tray Lee Center located at 1362 Sigsbee Avenue from 10:00 am to 2:00 p.m.

Candidates must want to serve the community and commit to chairing a committee that will meet once a month in addition to regularly scheduled meetings, attend City Council meetings in rotation, and possibly represent North Central Area Commission on City charged committees.

Unless otherwise indicated the terms for Commissioners are two years.

**Expiring Seats:**

Two At-Large (incumbents are Tiffany White and Wallace McClean requirement must live in North Central Area Commission)

Argyle Park (incumbent Carlon Fraley)

Teakwood (incumbent Donna Turner)

Devon Triangle (currently vacant)

Shepard (currently vacant)

Woodland Holt (currently vacant)

**Unexpired Seats (terms will expire September 30, 2015)**

Brentnell

Oriole Heights

St. Mary’s
