2016 Special Event Application and Park Rental Fees

In researching park rates for dozens of the largest cities around the country we identified that there is no formula that can be copied to determine park rental costs in Columbus. Rates fluctuate from city to city, with many downtown city parks renting for thousands per day. Columbus’ riverfront park rental fees have remained at \$50/hour since 2000. For 2016, the fee changes below are still based on a \$50/hr model for events that are free of admission, but the fee is doubled for private/gated events (still much less than other cities).

In the past, as riverfront parks were brought on-line there was no consistency in how park fees were applied. Now that the riverfront parks are connected, uniformity is needed to allow for more efficient management of the parks. Through policy accompanying these rates, each park will now have its own identity and purpose. Uniformity will be visible through implementation of a rental structure based on blocks of time. In the block structure all available riverfront parks can be reserved for a half-day (6 hour) or full day (12 hours), with features such as the Bicentennial Park stage and North Bank Pavilion being made available for an additional fee.

It is also necessary to recognize that event set-up creates an impact on public access to riverfront parks. With several major festivals and over thirty race events scheduled for 2016, event set-up could easily affect the visitor experience. We will continue to provide free community events with one (1) set-day and one (1) tear-down day, per park, at no-charge (Mon-Fri only), however, private/gated events, and those choosing to extend set-up over multiple days, will now pay for use.

Policy for Regional and Neighborhood Parks

There is no park rental fee for use of a regional or neighborhood park. However, events must rent all facilities located in the designated park for all event days.

Parks with an Enclosed Shelter House:

- Shelter house time blocks must be rented for all event dates, or times that building access is requested- (8a-12p, 1p-5p, 6p-11p). If multiple blocks are rented the hour between rental blocks is free. In order to reserve the entire day, all 3 blocks must be rented. No set-up day charges to parks outside of the downtown boundaries.
- Goodale Park: Gazebo wedding site must be rented at current rate (no charge for gazebo if set-up occurs on Mon-Thurs).
- Whetstone Park: 3 of 4 wedding time slots must be rented on event day in order to reserve full day (\$1500). No charge for wedding slots if event occurs on a city holiday.

Race Event Policy/Fee Changes (Summary)

In order to more efficiently manage the race event permitting process and minimize impact on downtown businesses, public transportation and city departments we propose the following changes. Changes will allow the City to recover costs incurred by all City Departments involved in the permit process (CRPD, CPD, CFD, Public Service), establish custom course fees for new courses outside of downtown, and to establish pre-approved courses which originate at traditional race venues (McFerson Commons, Columbus Commons, Huntington Park and Genoa Park). A base limit of 1000 participants will now be required for a road course, and all race permits issued for parks with enclosed shelter houses will now recognize the facility “block rental” times established by the Permits Office.

2016 Special Event Application and Park Rental Fees

In researching park rates for dozens of the largest cities around the country we identified that there is no formula that can be copied to determine park rental costs in Columbus. Rates fluctuate from city to city, with many downtown city parks renting for thousands per day. Columbus' riverfront park rental fees have remained at \$50/hour since 2000. For 2016, the fee changes below are still based on a \$50/hr model for events that are free of admission, but the fee is doubled for private/gated events (still much less than other cities).

In the past, as riverfront parks were brought on-line there was no consistency in how park fees were applied. Now that the riverfront parks are connected, uniformity is needed to allow for more efficient management of the parks. Through policy accompanying these rates, each park will now have its own identity and purpose. Uniformity will be visible through implementation of a rental structure based on blocks of time. In the block structure all available riverfront parks can be reserved for a half-day (6 hour) or full day (12 hours), with features such as the Bicentennial Park stage and North Bank Pavilion being made available for an additional fee.

It is also necessary to recognize that event set-up creates an impact on public access to riverfront parks. With several major festivals and over thirty race events scheduled for 2016, event set-up could easily affect the visitor experience. We will continue to provide free community events with one (1) set-day and one (1) tear-down day, per park, at no-charge (Mon-Fri only), however, private/gated events, and those choosing to extend set-up over multiple days, will now pay for use.

Special Event Application Fee	Paid 30 days in advance	Paid Less than 30 days	Paid Less than 14 days	7 Days or less
2015	\$125	-	-	-
2016	\$125	\$150	\$200	\$400

*Late applications require expediting fees as additional administrative time and coordination of park maintenance services are required.

Downtown Park Rental Fees	½ Day Rate	Full Day Rate	Gated/Private Rate	Set-up Days	Tear-down Days
2015	-	\$500 (\$50/hr up to 10 hrs)	\$1000 (\$100/hr up to 10 hrs)	-	-

Policy for Regional and Neighborhood Parks

- **There is no park rental fee for use of a regional or neighborhood park.** However, events must rent all facilities located in the designated park for all event days.

Parks with an Enclosed Shelter House:

- Shelter house time blocks must be rented for all event dates, or times that building access is requested- (8a-12p, 1p-5p, 6p-11p). If multiple blocks are rented the hour between rental blocks is free. In order to reserve the entire day, all 3 blocks must be rented. No set-up day charges to parks outside of the downtown boundaries.
- Goodale Park: Gazebo wedding site must be rented at current rate (no charge for gazebo if set-up occurs on Mon-Thurs).
- Whetstone Park: 3 of 4 wedding time slots must be rented on event day in order to reserve full day (\$1500). No charge for wedding slots if event occurs on a city holiday.

Race Event Policy/Fee Changes (Summary)

In order to more efficiently manage the race event permitting process and minimize impact on downtown businesses, public transportation and city departments we propose the following changes. Changes will allow the City to recover costs incurred by all City Departments involved in the permit process (CRPD, CPD, CFD, Public Service), establish custom course fees for new courses outside of downtown, and to establish pre-approved courses which originate at traditional race venues (McFerson Commons, Columbus Commons, Huntington Park and Genoa Park). A base limit of 1000 participants will now be required for a road course, and all race permits issued for parks with enclosed shelter houses will now recognize the facility “block rental” times established by the Permits Office.
