BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

RFQ008928 - DEV Land Bank Demolition CBUS35

The City of Columbus Department of Development has demolished hundreds of structures and expects to continue demolitions as funds are available. The contractors will provide all labor, material, and equipment necessary to demolish structures and perform asbestos abatement services at specifically designated structures of the Department of Development's Land Bank Program and non-City owned properties. The services must comply with all codes, standards, regulations, and worker safety rules, as they apply, that are administered by federal, state, and local agencies.

Interested contactors must respond to this bid and submittals will be reviewed by an Evaluation Committee. Any agreement or contract entered into will be in accordance with the provisions of Chapter 329 of Columbus City Code, the standard agreements for construction and services of the Department of Development, and all other applicable rules and regulations.

The City seeks to hire one contractor per bid to perform the designated services. Each bid may have multiple structures requiring demolition and asbestos abatement services of each. The City will provide copies of asbestos survey reports. The City reserves the right to cap the dollar amount of contracts awarded to one contractor at any one time. The City also reserves the right to limit the number of bids awarded to a single contractor at any one time dependent on funding availability, number of structures already assigned for demolition to a contractor, contractor's capacity to tear down assigned structures, and compliance with the scope of services.

Bids will be received electronically through the Vendor Services System. For additional information concerning this bid, including procedures for obtaining a copy of the bid documents and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov> <<http://vendorservices.columbus.gov/>>) and view this bid number in Open Solicitations

RFQ008692 - CIP 650354-100000 SWWTP Post Aeration Diffuser Replacement

The Southerly Wastewater Treatment Plant (SWWTP) operates four (4) chlorination and post aeration basins as part of the disinfection treatment process. The current PVC air pipe and ceramic diffuser system was installed in 2006 as part of S69. Due to age and UV exposure, the PVC legs are failing at an accelerated rate. This issue is compounded due to the discontinuation of the air distribution leg by the original equipment manufacturer. Planning, design, and construction of the diffuser replacement will be conducted to avoid adverse impact to treatment. In addition to the need for post aeration diffuser replacement, this project will evaluate the post aeration system in its entirety for suitability of treating anticipated loads, flows, and coordination with disinfection operations. All RFP documents shall be downloaded from the Bonfire website: <https://columbus.bonfirehub.com/opportunities/7674>

Proposals will be received electronically by the City until 1:00PM Local Time on Friday, May 11, 2018 No proposals will be accepted thereafter.
