

## How to Get IRS Forms and Publications

The Internal Revenue Service provides free tax forms and publications on a wide variety of topics – from tax credits for individuals to a tax guide for small businesses.

Here are four easy ways to obtain tax forms and publications from the IRS:

**1. On the Internet.** You can get IRS forms and instructions quickly and easily by visiting the IRS.gov website 24 hours a day 7 days a week. They often appear online before they are available on paper. To view and download tax products, select “Forms and Pubs.”

**2. By Telephone.** Call 1-800-TAX-FORM (800-829-3676) Monday through Friday, 7:00 a.m. to 7:00 p.m. local time to order current or prior year forms and instructions or IRS publications. Hours of service in Alaska and Hawaii follow Pacific Time. You will receive your order by mail, usually within 7 to 10 days.

**3. In IRS Taxpayer Assistance Centers.** There are Taxpayer Assistance Centers located across the country where you can pick up many IRS forms and publications. IRS offices also offer face-to-face help for taxpayers who want personal tax assistance.

To find the Center nearest to you, visit IRS.gov and click on “Help & Resources” and then “Contact Your Local IRS Office.” Select your state for a list of offices, as well as a list of services available at each office. You can also find a Center near you by using the “Office Locator” link, which allows you to search by using your zip code.

**4. In Your Community.** Many libraries and post offices offer free tax forms during the tax filing season. Some libraries also have copies of commonly requested IRS publications.
