Please bring the following items with you to the class:

- Government Issued Photo Identification (mandatory)
- Calculator (cell phone calculators prohibited)
- Pencils

* The **Pool Operator Fusion** class is an option to earn a CPO certification by taking the prerequisite online Pool Operator Primer™ course through the National Swimming Pool Foundation and then attending only the second day of the in-class course and passing the exam. To attend the second day class and take the exam you must bring your Pool Operator Primer™ certificate of completion along with a photo ID. Please note that obtaining the CPO certification using the Fusion option may cost more than the 2-day class option.
