SA003043 - MUGSHOT IMAGING SYSTEM

BID NOTICES - PAGE # 1

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Scope and Classification

1.0 Scope

The Columbus Division of Police is seeking bids through this Request for Proposal (RFP) to acquire and implement a Mugshot Imaging System with the latest technology available that would include facial recognition. The facial recognition aspect will be used to assist in identifying suspects from photos provided from surveillance photos or other photos. The preferable system will be compatible and be able to fully interface with the Division of Police utilizing Microsoft SQL Server 2005.

The Division of Police is a service to the public and operates 24 hours/7 days a week for both sworn and civilian staff. It is vital that systems for public safety and officer safety for such as a mugshot identification system be available to all personnel during all hours of operation. Support staff maintains and updates the information, sworn staff must have access to the data from all environments including, but not limited to remote and mobile sites, as well as the Central Headquarters.

Staff members in the Identification Section operate 24/7 processing suspects and persons of interest in the ID Section at Central Headquarters. For each individual processed, all their demographic and biographic data will be recorded, their fingerprints and palm prints captured and a photo taken. If the person has tattoos that are gang related it is important to record that information as well.

The start date of the contract will be based on the date on the executed contract page for a term of three (3) years. This contract may be renewed for maintenance and software support on its anniversary date for two (2) additional one- year renewals beyond the initial term contingent upon mutual agreement of both parties.

1.1 Columbus Division of Police Background and History

The Columbus Division of Police is divided into "Subdivisions." The Support Services Subdivision consists of specialized units that offer certain expertise to law enforcement for forensic evidence and the updating of criminal records processing; i.e. photo lab, fingerprint identification and latent identification. These units serve as support to law enforcement agencies within the Greater Columbus area and all of Central Ohio.

The City of Columbus Division of Police purchased a Records Management System (RMS) by CrisNet. Currently the Police Net section is working with Crisnet to customize and update the Divisions reporting system to be NIBRS (National Incident Based Reporting System) compliant.

The Identification Unit (ID) purchased an updated Automated Fingerprint Identification System (AFIS) from Sagem-Morpho to include Palm prints. This upgrade has been in operation since November 2005. One major function of the ID Unit is to update all criminal records in the local database and submit arrest data with fingerprints electronically to BCI&I and FBI daily.

Latent Unit processes latent evidence submitted by local Crime Scene Search Unit, Evidence Technicians, and Patrol Officers and requested from over 25 outside law enforcement agencies within the Greater Columbus area.

PoliceNet is the IT support staff for the Division.

The Identification Unit maintains over 250,000 adult criminal records and over 2,200 criminal juvenile records. The current mugshot system contains over 306,300 images and has increased annually by 18,000 each year. All photos are available to users and not archived. The Division also has over 2500 users.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

HISTORY - In 1991, the Columbus Division of Police obtained funding to purchase an Automated Fingerprint Identification System (AFIS) and mugshot system. The first mugshot system purchased was X-Image. Conversion of the fingerprints was completed off site. However the mugshot began "day-one" with negatives being scanned in as time permitted and photos of prisoners added as processed daily.

In 1998 the City of Columbus Division of Police purchased a new system from a local company Avatar, now known as Intellinetics. A conversion of data was completed.

Sharing mugshot and arrest information with the Franklin County Sheriff's Office and other local law enforcement was important during the implementation of this endeavor. In attempts a "Max Server" was created but was never stabilized and was not dependable.

1.2 Classification: A suitable mugshot system will have, at a minimum, the capabilities listed in requirements section of this bid proposal. Moreover, it should have proven successful installations in no less than three (3) police departments of at least 1000 employees/or relevant population to the City of Columbus, OH.

Proposals are being sought through this RFP for a project that includes:

Provide a mugshot system that meets or exceeds the expectations stated in this RFP.

Provide a mugshot system that is web-based so that images and information can be shared with other police agencies and mobile units.

Provide software that will be installed on the current network at the Columbus Division of Police.

Provide helpdesk support 24hours/7days (as secondary when local support cannot fix the issue).

Provide software and/or hardware maintenance for the mugshot system and all components, including telecommunications equipment.

Provide and conduct operational training for all staff within the Division to include 10 Administrators, 5 technical, and 10 train the trainers for users.

Provide updates to software when available to the mugshot system.

Provide access to a users network and users group.

Administrator control access.

Web interface

Manager access permissions.

Maintenance contract.

1.3 Information is also available to sworn personnel using a Mobile and/or Remote client to access the local network. It will be imperative to maintain all present interfaces. Interface requirements are listed under the "Requirements" in this RFP. The goal in this project is to also expand the data sharing to allow access to 30 or more outside agencies within the Greater Columbus, Ohio region.

1.4 Sharing of all biometric and demographic data is crucial to this endeavor. Information sharing with outside agencies within the Greater Columbus region is a priority and must be achieved in this project.

1.5 A pre-bid conference will be held on Tuesday, September 23, 2008 at 9:00 AM (EST) in the City of Columbus Division of Police Headquarters, 120 Marconi Blvd, Room 116, Columbus, OH 43215.

1.5.1 Any interested bidder is strongly urged to attend, as this is the only opportunity to do a walk-through

of this secured building. Failure to attend the Pre-Bid Conference will not disqualify a bidder; however, bidders shall comply with and be responsible for the bid specifications and information discussed at the Pre-Bid Conference regardless of whether or not they attend.

1.5.2 RFP. Questions may be sent via e-mail to mugshotrpf@columbuspolice.org until Friday, October 3, 2008 at 4:00 PM (EST). All questions must be in writing. No questions will be answered after this date.

1.5.3 Addendums will be posted on the City's vendor services website as needed. The last and final addendum will be No later than Tuesday, October 7, 2008 by 4:00 p.m. (EST) on all questions and answers will be displayed on the City's vendor services website.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

1.1 Scope: It is the intent of the City of Columbus, Department of Health, to obtain formal bids to establish community-based contracts within the seven (7) county Central Ohio EMSA for the purchase of a n array of HUD-defined Housing Assistance for income eligible persons infected with HIV/AIDS for use in the EMSA to obtain/maintain affordable housing which impacts their health and wellness status from January 1, 2009 to December 31, 2010.

1.2 Classification: ***** (3 PARTS) *****

#1 - Very briefly describe the structure in which you are receiving bids (describe proposal page):

The City of Columbus - Columbus Public Health is announcing the availability of funds for a two (2) year competitive grant award from the U.S. Department of Housing and Urban Development's (HUD) Housing Opportunities for Persons with AIDS (HOPWA) Formula Grant Program, which is awarded to Columbus, Ohio to serve the Central Ohio EMSA. These funds are available to eligible grant applicants that are located in and providing services to people infected with HIV/AIDS living in the Central Ohio EMSA. The Central Ohio EMSA includes eight (8) counties: Delaware, Fairfield, Franklin, Licking, Madison, Morrow, Pickaway and Union County. The Central Ohio HOPWA FY 2008 Formula award was \$641,000.00, which is added to the total amount managed regionally to fund HIV/AIDS Housing Program Services. The first (1st) year of this grant cycle is 1/1/2009-12/31/09. Based upon the confirmed availability of federal funds, satisfactory program performance, measurable outcomes and documented continued community need, funded Project Sponsors are to be awarded a second year (1/1/2010-12/31/2010) of funds, at no less than the same funding level as the FY 2009 period, to continue their funded housing assistance program services. Columbus Public Health intends to make these funds available on a competitive basis in order to maximize all available funds, from all available funding sources. Maximizing the funds is especially important relative to the geographic area expected to be served as well as to address the range of HIV housing needs throughout the Central Ohio HIV/AIDS Housing Continuum of Care. Columbus Public Health determines the final award totals of all submitted applications, based upon current, documented community need priorities.

To respond to the "Request for Proposals for the 2009-2010 HOPWA Formula Grant Funds" agencies can access the complete Request for Proposals via Vendor Services for the City of Columbus Public Health Department.

<http://vendorservices.columbus.gov> Hard copies of the RFP can be picked-up at: Columbus Public Health, 240 Parsons Avenue, 2nd floor / Room 211, Columbus, Ohio 43215 or send an e-mail to <mailto:adageyi-gyampo@columbus.gov> to request an electronic copy or a postal service mailed copy. Completed proposals can not be submitted online. Deliver hard copy proposals to:

BOARD OF REVISION

Report to Council on Objections to Assessments in Resolution No. 0132X-2008.

The below members of the Board of Revision, duly appointed by the Council of the City of Columbus pursuant to Resolution No. 0170X-2008, having conducted a hearing on October 7, 2008 to consider the objections to the special assessments, as set forth in Resolution No. 0132X-2008, hereby submit the following findings to Council pursuant Section 173 of the Charter of the City of Columbus.

Having considered the evidence and statements of the objections and the representatives of the City of Columbus the Board hereby recommends to Council the adoption of the **Engineer's Assessment Report-Resolution No. 0132X-2008-Fourth and Elm Parking Garage** on file with the City Clerk with the following amendment:

For tax parcel no. 010-011313 owned by Board - Third Partners, LLC, the annual assessment be decreased by **\$16,341.27**, for a new annual amount of **\$23,189.66**.

Signed this 7th day of October, 2008.
