- (B) When a holiday falls on the first day of an employee's regularly scheduled days off it shall be celebrated on the previous day, and when a holiday falls on the second day of an employee's regularly scheduled days off it shall be celebrated on the following day.

SECTION 11. HOLIDAY ELIGIBILITY AND PAY.

- (A) Holiday Credit. Each full-time employee shall earn holiday credit at the rate of 3.85 hours for each completed payperiod of service. Accumulated holiday credits shall be compensated in cash in January of each year at the forty (40) hour rate in the employee's appropriate class and range. An employee who experiences a break in continuous service, and who has holiday credit as provided in this Subsection (A) shall be compensated in cash for accumulated holiday credits upon separation at the forty (40) hour rate in the employee's appropriate range in effect at the time of separation.
- (B) When an employee is compensated for work on a holiday at the time of separation, such time shall be computed at the rate of pay in effect for said employee at the time of separation.
- (C) An employee who experiences a break in continuous service, and who has unused compensatory time to his credit, shall be paid for such accrued compensatory time. Such payment shall be paid at the employee's hourly rate of pay in effect at the time of separation.
- (D) When an employee dies while in paid status, any unused compensatory time or holiday credit to his credit shall be paid at the employee's hourly rate of pay in effect at the time of death in a lump sum to the surviving spouse, or to the estate of the deceased if there is no surviving spouse.

SECTION 12. SPECIAL LEAVE WITH PAY.

- (A) Military Leave. City employees who are members of the Ohio National Guard, U.S. Air Force Reserve, U.S. Army Reserve, U.S. Marine Corps Reserve, U.S. Coast Guard Reserve, or the U.S. Naval Reserve shall be granted military leave of absence with pay, in addition to vacation leave, when ordered to temporary active duty, multiple unit training assemblies, or when ordered to military training exercises conducted in the field for a period of not

more than twenty-two (22) days during each calendar year. Excepting and providing that when the Governor of the State of Ohio or the President of the United States declares that a state of emergency exists then, in that event, the employee is ordered to active duty for purposes of that emergency, shall be paid pursuant to this Article for a period, or periods, whether or not consecutive, not to exceed twenty-two (22) days during each calendar year.

- (B) Military Pay. An employee who is entitled to military leave, and who is called to military duty for a period in excess of twenty-two (22) days in any one (1) calendar year, for each calendar year in which military duty is performed, because of an executive order signed by the President of the United States or an act of Congress, is entitled to additional paid leave during the period designated in the order or act. Such employee shall be paid his regular salary for the period of time so served less one day's military base pay for each day he otherwise would have been scheduled to work for the City while on military leave with pay.

An employee who takes two (2) weeks of military leave with pay will be away from his job Monday through Friday, both weeks, for a total of ten (10) fire work days. In that situation, he is paid by the military for fifteen (15) or more days. The offset from his regular salary will be determined by multiplying the daily rate of base pay by ten (10) in recognition of the ten (10) work days missed and subtracting that sum from the regular two (2) weeks of fire pay. This offset provision does not apply to paid leaves of twenty-two (22) days or less as provided in this Section.

Reemployment of a member who leaves the employment of the City to serve in the armed forces of the United States America or any branch thereof shall be governed by the following principles:

- (1) An eligible member shall be reemployed in the position in which the member would have been employed if the continuous employment of the member had not been interrupted by the period of military service, or an equivalent position, provided that the member is qualified to perform the duties of such position. A member whose military service involves only military training shall be reinstated to his former position, not an equivalent position.
- (2) Any member who has entered the service as stated above, must request restoration to the position within ninety (90) days of receiving an honorable discharge from the armed forces or the position shall be declared vacant. Nothing contained in this subsection shall obligate the City to pay a member who is on military leave of absence.

(3) The term “armed forces of the United States,” as used in this section, shall be deemed to include such services as designated by the Congress of the United States.

(4) This subsection shall be interpreted and applied in a manner consistent with the provisions of the Uniformed Services Employment and Reemployment Rights Act, 38 U.S.C. §4301 et seq.

(C) Jury Duty Leave. City employees, when called to jury duty, shall be paid regular salary for the period of such jury service.

Upon receipt of payment for jury service, the employee shall submit fees to the Administrative Bureau who will then deposit such funds with the City Treasurer.

(D) Examination Leave. Upon application, time off with pay shall be allowed City employees participating in Civil Service tests or taking a required examination pertinent to their City employment before a State or Federal licensing board.

(E) Witness Duty. Time off with pay shall be permitted to any employee for any time required as a witness in any proceeding where the employee is called to testify as a result of his duties and/or position with the Division of Fire.

Upon receipt of payment for witness service, the employee shall submit fees to the Administrative Bureau who will then deposit such funds with the City Treasurer.

SECTION 13. VACATION LEAVE.

(A) The vacation year for employees shall end at the close of business on the last day of the last payperiod that ends in the month of February.

(B) Conditions for Accrual of Vacation Leave.

(1) Each employee shall accrue vacation leave by payperiod based on years of continuous service as established in the schedules below. To determine the appropriate accrual rate, the higher rate of accrual will begin on the first day of the payperiod in which a year of continuous service is completed as follows:

<u>Length of Continuous Service</u>	<u>Vacation Hours Per Payperiod</u>
Less than 3 years	4.615
3 years but less than 6	6.154
6 years but less than 14	8.307
14 years but less than 20	9.230
20 or more years	10.154

Effective with the beginning of the first payperiod in January 2010, the vacation accrual rate per payperiod for an employee with 20 or more years of continuous service will be 11.231 hours.

- (2) Maximum Accrual of Vacation. Any vacation balance in excess of the maximum number of hours established in this paragraph shall become void as of the last day of the vacation year for employees governed by the provisions of this section, except as provided in Subsection (C)(1) of this Section 13. The maximum number of vacation hours that may be accrued based on years of continuous service as of the end of a vacation year are as follows:

<u>Length of Continuous Service</u>	<u>Maximum Accrual Of Vacation Hours</u>
Less than 3 years	360 hours
3 years but less than 6	504 hours
6 years but less than 14	672 hours
14 years but less than 20	744 hours
20 or more years	816 hours

Effective with the beginning of the first payperiod in January 2010, the maximum vacation accrual rate per payperiod for an employee with 20 or more years of continuous service will be 876 hours.

(C) **Other Vacation Leave Provisions.**

- (1) At the end of each vacation year, employees shall be paid for any vacation balances in excess of the maximums fixed by this section accruing after January 1, 1964, upon certification by the Director of Public Safety to the City Auditor and the Director of Human Resources that due to unusual circumstances, it is not in the best interests of the City to permit an employee to take vacation leave which would otherwise be forfeited as provided in Subsection (B)(2) this Section 13.
- (2) An employee who experiences a break in continuous service as a result of discharge, resignation, retirement, or layoff and who has unused vacation

leave to his credit, shall be paid in a lump sum for such unused vacation leave in lieu of granting such employee a vacation leave after his last day of service with the City. Such payment shall be paid at the employee's hourly rate of pay at time of separation. Such payment shall not exceed the maximum accrual of vacation hours set forth in Subsection (B)(2) of this Section 13.

- (3) When an employee dies while in paid status, any unused vacation leave to his credit shall be paid in a lump sum to the surviving spouse, or to the estate of the deceased, if there is no surviving spouse. Such payment shall be paid at the employee's hourly rate of pay at time of death.
- (4) Vacation leave may be taken in increments of one (1) hour at the request of the employee with the approval of the Director of Public Safety.

SECTION 14. INJURY LEAVE WITH PAY.

- (A) All employees shall be allowed injury leave with pay not to exceed one hundred eighty (180) days for each service-connected injury provided such injury is reported to the employee's immediate supervisor, subject to the provisions of this Section.
- (B) Injury leave with pay shall be granted to any such employee only for injuries or other disabilities determined by the Human Resources Director or designee as caused or induced by the actual performance of his position, including a personal comfort zone. Cardiovascular, respiratory, and pulmonary disabilities shall be presumed to be service-connected. The City may require an independent medical examination for any employee requesting injury leave at the City's expense. The City shall send to the employee a copy of the letter sent to the physician along with the questions the City is asking the physician in respect to the employee's examination and/or condition. The City shall also send a copy of the physician's report to the employee.
- (C) Medical documentation, supporting documentation, and a report of the cause of all injuries, whether original or recurrent must be signed by the Fire Chief and the Director of Public Safety and be submitted to the Director of the Human Resources Department or designee, within two (2) workdays of the date the injury is reported by the employee on forms designed and furnished by the Human Resources Department.
- (D) No employee is to be granted injury leave with pay unless the Director of Public Safety has in his possession written authorization signed by the Director of the Human Resources Department or designee. Such authorization shall indicate the approximate length of the leave, and no injured employee on leave shall be returned to work without the written approval of an

attending physician. An employee on injury leave shall maintain biweekly verbal contact with the Fire Chief and/or Director of Public Safety or designee during the period of time he is injured. This requirement may be modified in writing by the Director of Public Safety or designee for extended leaves. An employee shall notify the Fire Chief and/or Director of Public Safety or designee at least seven (7) days prior to the expected return to work date to reconfirm that date. If, in the judgment of the Human Resources Director or designee, the injury is such that the employee is capable of performing his regular duties or light duties during the period of convalescence, he shall so notify the Director of Public Safety in writing and deny injury leave with pay. No injury leave payments shall be made to any employee who is actually working for another employer during the employee's regular shift, or where such work involves or requires the performance of the same or similar duties as those regularly performed by the employee, or where the job involves duties and/or physical demands which would conflict with the medical condition. Employees shall not engage in recreational activity while on injury leave where the physical demands of such activity conflicts with the injury/medical condition allowed. If there is a recurrence of a previous injury, the Director of Public Safety must request approval of injury leave for each recurrence. Whenever an employee is required to stop working because of an injury or other service-connected disability, he shall be paid for the remaining hours of that day, or shift, at his regular rate and such time shall not be charged to leave of any kind.

- (E) Any injured employee may appeal the decision of the Human Resources Director or designee, by written notice, to the Board of Industrial Relations within ten (10) calendar days of notification that injury leave has been denied. The Board of Industrial Relations, at the City's expense, may require an employee to be examined by a physician of the Board's choice.
- (F) Pending a decision by the Director of the Human Resources Department or designee, an injured employee may be carried on personal sick leave with pay which shall be restored to his credit upon certification by the Director of the Human Resources Department or designee, that injury leave has been approved; except that when an employee is injured, and the Director of Public Safety can establish that the injury occurred during the employee's hours of work for the City, the employee may be carried on injury leave with pay pending certification by the Director of the Human Resources Department or designee, that injury leave has been approved. In no case may the employee be carried on injury leave in excess of the employee's amount of accumulated sick leave. If injury leave is not certified by the Human Resources Director or designee, the employee will be charged sick leave for time used.
