The Columbus City Codes [Sec. 361.25] requires that each estimated tax payment "be accompanied by a payment of at least one-fourth (1/4) of the estimated annual tax" and that a declaration of estimated tax which is less than <b>80%</b> of the tax shown on the final return shall not be considered filed in good faith. Thus, even if your business is seasonal, City estimated tax payments must be based on estimated annual taxable income.</p>
