Indian Village encourages back to basics fun

Session	Date	Theme
1	June 11 - June 15	Lost and Found
2	June 18 - June 22	Animal Planet
3	June 25 - June 29	Wilderness "Ed"-ventures
4	July 2 - July 6 (no camp July 4th)	Whoa H2O
5	July 9 - July 13	Best of Indian Village
6	July 16 - July 20	Lost and Found
7	July 23 - July 27	Animal Planet
8	July 30 - August 3	Wilderness "Ed"-ventures
9	August 6 - August 10	Whoa H2O
10	August 13 - August 17	Best of Indian Village

Please register for each theme only once.

Children are grouped together by age, no exceptions.

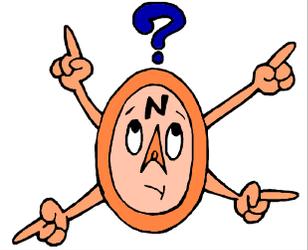

Indian Village Themes

Each week campers will participate in a variety of activities including fishing, hiking, pontoon boat ride, building forts in the woods, group games, and activities and programs related to the theme.

Campers 8 years and older will experience archery and canoeing.

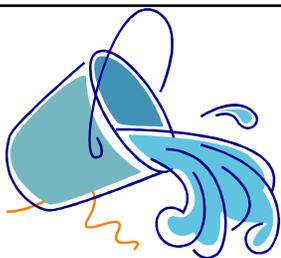

Campers 11 years and older may go kayaking.

Lost and Found - Which way is north? How do I read this map? Help I'm lost!! Campers will learn to use maps and a compass to find hidden treasures around Indian Village. They will even create maps to lead other campers to secret locations. Older campers will learn to use a GPS and find a geocache!

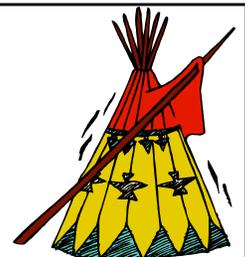

Animal Planet - Coyotes and deer and raccoons, OH MY! Discover the animals that make their homes in the woods surrounding Indian Village. Hunt for bugs, touch a snake, and play animal games. See live animals up close when "The Bugman" visits with some of his six legged friends!

Wilderness "Ed"-ventures - Enjoy a week full of exciting "ED"-ventures. Learn tracking skills and use them to search for wildlife and to track CITs during the CIT Hunt! Other activities include building shelters, using camouflage, and playing in a mud pit!

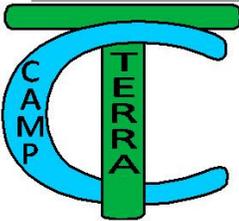

Whoa H2O - Stay cool this week while discovering the wild side of water. Fun activities and games will help keep us cool and get soaked. Get drenched in a water relay; explore the falls and creek at Hayden Falls; dive into our creek and study the critters that live there. Discover ways to keep our water clean with a visit from the Franklin County Soil and Water Conservation District.

Best of Indian Village - Spend this week building forts and playing all your favorite Indian Village games, including Sock Wars! With a new time slot called Counselor's Choice, this week will feature what the counselors are passionate about. Best of Indian Village week will conclude with an epic water balloon battle!

Camp Terra

Ages: 6 - 12 years old (age as of start of camp)
Camp Location: Antrim Park: 5800 Olentangy River Rd. Columbus, 43235
Camp Director Phone: cell 614-604-5351

\$115 per week for Columbus Residents
 \$130 per week for Non-Residents

(Session 4: \$92 / \$104)

Drop Off and Pick Up Hours:
 (Included in the price)

Drop Off 8AM - 9AM
 Pick Up 4PM - 6PM

Camp Terra gets kids back into nature

Session	Date	Theme
1	June 11 - June 15	It's a Jungle Out There
2*	June 18 - June 22	Navigating Nature
3	June 25 - June 29	Science Sleuths
4*	July 2 - July 6 (no camp July 4th)	Native Ohio Trackers
5	July 9 - July 13	Water Wonders
6*	July 16 - July 20	It's a Jungle Out There
7	July 23 - July 27	Navigating Nature
8*	July 30 - August 3	Science Sleuths
9*	August 6 - August 10	Native Ohio Trackers
10	August 13 - August 17	Water Wonders

Non-starred sessions will offer canoeing for those eight or older

**Starred sessions will offer rock climbing for all campers*

Please register for each theme only once.

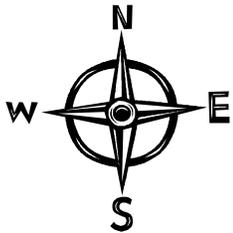

Children are grouped together by age, no exceptions.

Camp Terra Themes

Each week campers will participate in a variety of activities including fishing, hiking, building forts in the woods, group games, and activities and programs related to the theme. Campers 8 years and older will experience archery (starred sessions) and canoeing (non-starred sessions).

All campers will participate in the climbing wall during starred sessions.

It's a Jungle Out There - Ohio is a jungle of native wildlife just waiting to be discovered! We will investigate mammals, birds, insects, and more! Visit wildlife up-close and discover their amazing adaptations when the Ohio Wildlife Center visits with some of their two and four legged friends.

Navigating Nature - Have fun exploring nature using your senses, a map, compass, and GPS. Older campers will be challenged during geocaching and compass Frisbee golf. Letterboxing and scavenger hunts will keep our younger campers busy.

Science Sleuths - This week will be a real "who done it" when campers become detectives and solve science mysteries! Build and test a miniature parachute, construct roller coasters, make a worm farm, and much more. Science experiments abound when Professor Jeff pays us a visit!

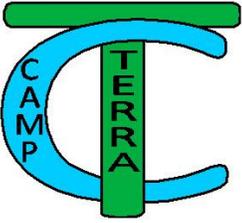

Native Ohio Trackers - Animals aren't the only thing we'll be tracking this week! Campers will take a step back in time as they discover Ohio's Native Americans through games, stories, and shelter building.

Water Wonders - Put on your boots, grab your net, and get ready to discover creatures that live in the water! Campers will be "hooked" after seeing live reptiles, amphibians, and macro invertebrates. Water activities include games, fishing, slip-n-slide, and more.

Camp Terra Preschool

**Starred sessions will offer rock climbing for all campers.*

Preschool Themes

Each week campers will participate in a variety of activities including fishing, hiking, creaking, obstacle course, crafts, and other activities and programs related to the theme.

All campers will participate in the climbing wall during starred sessions.

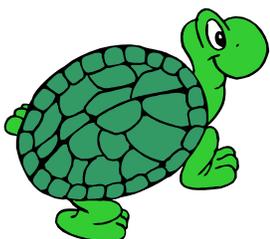

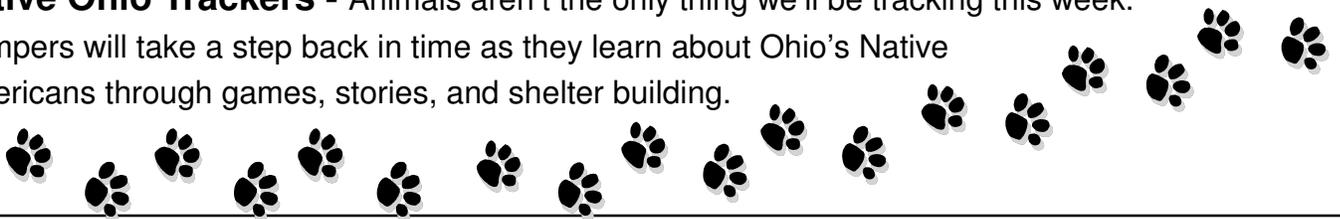

It's a Jungle Out There - Ohio is a jungle of native wildlife just waiting to be discovered! We will investigate mammals, birds, insects, and more! Visit wildlife up-close and discover their amazing adaptations when the Ohio Wildlife Center visits with some of their two and four legged friends.

Navigating Nature - Have fun exploring nature using your senses. Campers will learn to use their sense of touch, hearing, smell, and sight to explore the natural world. Scavenger hunts and hidden treasures will add to the excitement of "navigating nature."

Science Sleuths - Become a junior detective and solve science mysteries. Campers will investigate butterflies, spiders, "chemical reactions", and much more. Hands on activities and science experiments are guaranteed to make this an exciting week at Camp Terra.

Native Ohio Trackers - Animals aren't the only thing we'll be tracking this week. Campers will take a step back in time as they learn about Ohio's Native Americans through games, stories, and shelter building.

Water Wonders - Put on your boots, grab your net, and get ready to discover creatures that live in the water. Campers will be "hooked" after seeing live reptiles, amphibians, and macro invertebrates. Water activities include a water obstacle course, fishing, slip-n-slide, and more.
