### Explanation

This legislation enacts new Section 2321.54 of Columbus City Codes to provide a comprehensive plan for the registration of legislative agents and those that they are hired to represent, helping to make City government operations as open and accountable as possible.

This legislation requires all individuals who are paid lobbyists to register with the City of Columbus if those individuals intend to lobby administrative staff or elected officials as part of their regular duties. Further, the legislation requires that those lobbyists update their registration information as they are retained or when they are no longer representing such interests, and that the City Clerk ensure all records of registration are available for public viewing and use.
