SA001210 - RFP - POWER SUPPLY PLANNING

The City of Columbus, Ohio, Department of Public Utilities (DPU), is soliciting Request for Proposals (RFP) pursuant to Columbus City Code Section 329.14 from experienced professional consulting firms to provide power supply planning and support services for the City's Division of Electricity (DOE). Qualified firms are invited to submit their RFP for consideration during the review and selection process.

DOE is a competing full service municipal electric utility, serving approximately 14,000 residential, commercial and industrial electric customers located in Columbus and Franklin County, Ohio. The Division had a 2003 system peak of approximately 150 MW and expects this peak to grow an average of 3% annually over the next 10 years.

DPU is requesting proposals from qualified consultants to provide power supply planning/negotiation, technical support, and risk management services for DOE. DOE's objective is to retain services to assist in negotiation of current power supply contract arrangements; to provide technical support in determining power supply requirements and developing short and long-term power supply strategies, including risk assessment; and assistance in assessing and responding to regional electric generation and transmission regulatory issues.

SCOPE OF SERVICES:

The successful consultant shall furnish all labor, materials, equipment and supervision necessary. The offeror will provide professional services in fulfillment of the following tasks and deliverables for the Division of Electricity:

1. Task 1-Assistance in power supply contract extension analyses and negotiations.
2. Task 2-Preparation of short term and long-term power supply master plan, including the evaluation of power supply alternatives and risk management services.
3. Task 3-Transmission and Standard Market Design (SMD) regulatory analyses, risk management, and technical support.
4. Task 4-Power supply RFP preparation and analyses.

Proposal packages for this submittal are available beginning Friday July 9, 2004 at DOE's Office, 3500 Indianola Avenue, Columbus, Ohio 43214.

Selection of professional services shall be in accordance with Section 329.14 of Columbus City Codes, 1959. Any agreement or contract entered into will be in accordance with the provisions of Chapter 329, of Columbus City Codes, 1959, the standard agreements for professional services of the Department of Public Utilities, and all other applicable rules and regulations.

BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Notice of Request for Letter of Interest
Milo-Grogan Neighborhood
Improvements Project

The Department of Public Service of the City of Columbus, Ohio is seeking Letters of Interest (LOI) for professional engineering services associated with the Milo-Grogan Improvements Project.

The Transportation Division requests engineering services in support of designing a streetscape to create a unique identity for the Milo-Grogan community and enhance the historic features that are still present. The streetscape involves sidewalk and curb replacement, various aesthetic improvements, bus shelters, railroad bridge enhancements, a community park, gateway features, lighting, traffic signals, ADA compliant curb ramps and other engineering related services as required. The work will be in general accordance with the conceptual design package.

Project Deliverables: Preliminary Plan and Construction Cost Estimate, LG&T Plans, F&OC Plans, Final Construction Cost Estimate, Construction Plans (copies and mylar originals), and As-Built plans. The area is bounded by the Conrail tracks just north of Camden Avenue on Cleveland Avenue to the north, Interstate 71 at Fifth Avenue to the east, the Conrail tracks just south of First Avenue on Cleveland Avenue to the south, and the Conrail tracks just east of Grant Avenue on Fifth Avenue to the west.

The City of Columbus designated Milo-Grogan as a Neighborhood Commercial Revitalization (NCR) District in 2000. The intent of the project is to further the existing neighborhood plan and conceptual streetscape design and provide the Transportation Division with a biddable construction plans. Traffic must be maintained through the Project locations at all times.

The Letter of Interest shall describe the firm's a) location, b) number of registered professional civil engineers and surveyors registered in the state of Ohio in the office of the lead firm in which a majority of the work is to be performed, c) understanding of the Project (description of previous experience with similar projects, site photos, site inspections/observations. To maximize points, the consultant should provide a listing of completed projects similar in nature to this project, and d) competence to perform work based on training, education, experience of personnel, and ability to perform competently and expeditiously, based on workload, personnel, and equipment availability.

A minimum of three firms will be selected to submit a detailed technical proposal, from which one firm will be selected for the design contract.

The Letter of Interest shall be limited to ten (10) single-sided sheets stapled in the upper left-hand corner, with page numbers at the bottom center of each page. Tabbed inserts are prohibited. A one-page cover letter on company letterhead is allowable and will not be counted toward the number of sheets in the LOI. Failure to meet these requirements will result in rejection of the LOI. Interested firms shall submit ten (10) copies to: Transportation Division, City of Columbus, 109 North Front Street, 3rd Floor, Columbus, Ohio 43215, ATTN: David Bush, Interim Contract Administrator

Letters of Interest will be accepted at the above address until 12:00 pm on August 17, 2004.

SA001231 - POLICE & FIRE PREEMPLOYMENT SCREENING

The City of Columbus Civil Service Commission intends to contract with a qualified company or organization who can provide medical services for preemployment physicals and/or cardiovascular screening for police officer and firefighter candidates.

Although the title used is Police-Fire "Surgeon" as specified by Columbus City Code, the contractor is actually a physician. The title is similar to "Surgeon General" at the national level and requires no surgical experience.

The contract will be for a one year period of January 1, 2005 through December 31, 2005, with an option for renewal for two one-year periods for 2006 and 2007.

During 2005, the City will require approximately 50 to 100 physicals for Firefighter candidates and between 100 to 200 physicals for Police Officer candidates.

Medical results must be provided within seven (7) calendar days provided that no follow-up lab work is required. Contractor must be capable of processing a minimum of five (5) candidates per day. Contractor must be able to provide services upon two weeks' notice.

The location(s) of the offeror's facility will be a consideration as the City seeks to contract with a supplier who is easily accessible for most candidates. The offeror should also be able to offer evening hours when necessary to accommodate candidates who work full-time during the day.

If you have an interest in receiving this proposal, please FAX this form in its entirety to: Purchasing Office, (614) 645-7051 a complete copy of the specifications will be mailed to those who request the mailing and specifications are also available in person at 50 West Gay Street, Beacon Building - First Floor, Columbus, Ohio, 43215

SA001226 - WATER SOQ- SECURITY ENHANCEMENTS

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

REQUEST FOR STATEMENTS OF QUALIFICATIONS
FOR PROFESSIONAL SERVICES FOR
DIVISION OF WATER SECURITY ENHANCEMENTS
FOR THE CITY OF COLUMBUS

The City of Columbus, Ohio is soliciting Statements of Qualifications (SOQ's) from experienced professional consulting/engineering firms to provide full-service assistance to the City for the design of Security Enhancements for the Department of Public Utilities, Division of Water. The selected professional service firm will provide all office and field services necessary to prepare technical reports and design documents for construction bidding, and provide technical and administrative services and field project representation during construction.

The intent of the Security Enhancements project is to prepare a Master Plan document which will prioritize work to be performed in multiple phases, following the recommendations identified in the Division of Water System Vulnerability Assessment report, prepared in March 2003. Preliminary and detailed design work will be completed in phases based on the prioritization identified in the Master Plan.

The Columbus Division of Water generally consists of: Three surface water sources; four collector wells; one supplemental supply quarry; one raw water pumping station and pipeline; three water plants; a utilities complex with distribution control center; 25 pressure regulating valve sites; 23 booster stations; 37 finished water tanks; and approximately 3, 500 miles of distribution piping. Pre-submittal tours of the plants and control center will not be conducted at the SOQ stage. Potential submitters will not be granted access to these sites.

Potential professional service engineering firms shall submit: A statement of understanding that demonstrates knowledge of the project requirements; a brief description of the firm's most significant qualifications for this work including particular knowledge and experience with security enhancements for water utilities, wastewater utilities and other processing facilities. Firms shall also submit a brief summary of experience within the last ten years involving emergency operation plans and security planning and design; a statement describing the firm's familiarity with the Ohio and Federal regulatory environment; brief resumes of the firm's proposed team including any sub-contractors that will be assigned to perform key portions of this project; the location of all key project personnel and descriptions of their specific knowledge of security enhancements for water utilities or other processing facilities. The project is identified as Division of Water Security Enhancements, Project Number 690479, Contract Number 1066.

Selection of professional services shall be in accordance with Section 329.13 of Columbus City Codes, 1959, utilizing the Department of Public Utilities Request for Qualifications (RFQ), prequalification process. This process is generally as follows:

1. RFQ prepared and advertised by the Department.
2. SOQ's submitted by offerors prior to the deadline.
3. ?Shortlisting? by the Department Evaluation Committee based upon the evaluation criteria specified herein.
4. The Committee shall request complete technical proposals and cost estimates from each of the offerors selected for further consideration.
5. Proposals submitted by the ?shortlisted? offerors.
6. Interviews of offerors by the Department Evaluation Committee.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

7. The Committee shall rank all remaining offerors based upon the quality, and feasibility of their proposals and any revisions thereto.
8. The Department shall enter into contract negotiations with the offerors in order of rank.

Any agreement or contract entered into, will be in accordance with the provisions of Chapter 329 of Columbus City Codes, 1959, the standard agreements for professional services of the Division of Water, and all other applicable rules and regulations.

NOTICE OF EQUAL BUSINESS OPPORTUNITY REQUIREMENTS

- A. In addition to the current requirements of Title 39, Columbus City Codes, 1959, it is expected that all or part of this contract may be undertaken with State and/or Federal funding assistance. The City may, therefore, be required to conform to certain utilization goals in order to conform fully to those programs.
- B. Minority and Female Business Enterprise (MBE and FBE) Participation: Title 39 of the Columbus City Code (C.C.C.) provides for certification of minority business enterprises and female businesses enterprises. Under the current legislation, a minority business enterprise is defined as a for-profit business performing a commercially useful function which is owned and controlled by a person or persons having an African American ancestry. C.C.C. ?3901.01 (G). A female business enterprise is defined as a for-profit business performing a commercially useful function which is owned and controlled by one or more females of non-African American descent. C.C.C. ?3901.01 (F).
- C. Specific Contract M/FBE goals: Specific Contract M/FBE goals shall not apply to this selection.
- D. In collaboration with the Equal Business Opportunity Commission Office, the Department of Public Utilities encourages the utilization of city-certified minority, female and small business enterprises and minority business registrants.

Documentation suggested: Include the name, and qualifications of all certified M/FBE?s and MBR?s included in the proposal.

For information related to minority, female and small business enterprises, please contact the Equal Business Opportunity Commission Office as listed below.

All offerors, and their proposed subcontractors, shall have valid City of Columbus Contract Compliance Numbers (CCCN). SOQ?s shall include these numbers, or copies of completed, submitted applications for certification. Applications for certification may be obtained from the City of Columbus website (www.columbus.gov), or from:
