B. This work is part of the City's continuing program to upgrade wastewater treatment facilities, provide efficient, reliable, cost-effective operations, and enhance personnel safety. It is anticipated this contract will be for a five year period and the Professional Services herein shall be funded by incremental appropriations, approximately annually; therefore, an annual submittal is required containing the annual work plan and annual schedule 3A budget. 3. Insure that this training is documented. Reports must be generated periodically to demonstrate Department training efforts.

MILO-GROGAN AREA COMMISSION BY-LAWS

These By-Laws establish the procedure under which the Milo-Grogan Area Commission shall execute those duties and functions set forth in and with authority granted under Chapter 3109 of the Columbus City Codes (hereinafter abbreviated as "C.C.").

Article I. Name

The name of this organization shall be the Milo-Grogan Area Commission, herein referred to as the "Commission".

Article II. Milo-Grogan Area

The area served by the Commission shall be all incorporated areas of the City of Columbus, bounded on the north by Eleventh Avenue to Interstate 71, then south to and easterly along the east-west Conrail tracks which lie south of Bonham Avenue; on the east by north-south Conrail tracks which lie east of Cleveland Avenue; on the south by the east-west Conrail tracks north of the Interstate 670 corridor; and on the west by the north-south Conrail tracks which lie west of Cleveland Avenue.

Article III. Milo-Grogan Area Citizens

A Milo-Grogan Area Citizen is any person who lives, works, owns a business, or owns property in the Milo-Grogan District, herein referred to as a "MGA Citizen."

Article IV. Purpose

The purpose of this Commission shall be to afford additional voluntary citizen participation in decision-making in an advisory capacity to the City Administration and City Council and to facilitate communication, understanding, and cooperation between neighborhood groups, city officials and developers by performing those functions and duties set out in C.C. 3109.

The Commission shall not endorse any candidate for public office or any issue up for public vote.

Article V. Commissioners

Commissioners: There shall be eleven (11) Commissioners on the Commission. Each Commissioner shall be a MGA Citizen for a minimum of one (1) year, be duly appointed by the Mayor with the concurrence of Council as specified in C.C. 3109, and serve without compensation.

Terms: A Commissioner's normal term shall be three (3) years. All terms shall expire on the last day of the same month in different years; however, a Commissioner may continue to serve beyond term expiration until a successor is appointed. In the event that more than one Commissioner is eligible to serve beyond term expiration, the remaining Commissioners present will determine by vote at the Annual Meeting which Commissioner(s) will remain seated. Terms shall be staggered so as to maintain continuity of experienced representation.

Representation: No Commissioner shall represent the Commission in its official actions before any other public body or official, except as specifically authorized by the Commission. This shall not be construed as a restriction upon the right of individual Commissioners to represent their own views before public or private bodies, whether in agreement or disagreement with the official actions of the Commission. Any Commissioner who has violated this rule (as determined by two-thirds (2/3) vote by the remaining Commissioners present) shall be officially warned of this violation. Further violation (as determined by a two-thirds (2/3) vote of the entire Commission) shall be communicated by letter to the Mayor requesting that said Commissioner be removed from office. Upon approval by the Mayor, the Secretary shall notify the City Clerk and the Department of Development of the removal of the Commissioner.

Disqualification: Commissioners shall maintain their MGA Citizenship. Failure of a Commissioner to maintain his or her MGA Citizenship shall be reported immediately to the Secretary and shall be deemed a resignation. The Secretary shall send a letter to the Mayor requesting that said Commissioner be removed from office. Upon approval by the Mayor, the Secretary shall notify the City Clerk and the Department of Development of the removal of the Commissioner.

Attendance: Commissioners shall so far as possible be regular in attendance. A Commissioner's absence from three (3) consecutive Regular Meetings or from a total of four (4) Regular Meetings in any one year shall be deemed resignation from the Commission. Unless two-thirds (2/3) of those Commissioners present determine that extenuating circumstances justify that Commissioner's continuing to hold his or her position, notice of such absence shall be communicated by letter to the Mayor requesting that said Commissioner be removed from office. Upon approval by the Mayor, the Secretary shall notify the City Clerk and the Department of Development of the removal of the Commissioner. As a courtesy the Secretary shall remind such Commissioner of this provision after his or her second consecutive absence or third absence in a year.

6. Vacancy: The Commission shall nominate one or more candidates to fill any vacancy that occurs prior to the General Election for the remainder of the un-expired term. An announcement of said vacancy shall be made at the upcoming Regular Meeting with a request for nominations to be submitted by the next Executive Committee Meeting. Vote by the Commissioners shall be held at the following Regular Meeting. The Commission shall, by letter, notify the Mayor, the City Clerk, and the Department of Development of the new Commissioner(s) who will fill the vacancy(ies) (pursuant to C.C. 3109.10).

Article VI. Officers

The Officers of the Commission shall be Chairperson, Vice-Chairperson, Secretary, Treasurer, and Sergeant-at-Arms. The election of Officers shall be at the Annual Meeting and shall be elected by a majority vote of the Commissioners present. Officers shall serve a one (1) year term, or until a successor is elected, and no Commissioner shall serve more than two (2) one (1) year terms consecutively in the same office. Each Officer shall have the right to vote on any question. No Commissioner serving in his/her first nine (9) months shall be eligible to run for the position of officer.

The Treasurer shall receive all moneys and approve all payments with approval of the Commission in accordance with the annual budget; maintain an accounting of all city funds expended; prepare a quarterly financial report, which is to be distributed to all Commissioners; prepare and present an annual budget for the Commission; and in the absence of the Chairperson, the Vice-Chairperson, and the Secretary, call the meeting to order and preside or at his or her discretion nominate a Chairperson Pro Tempore.

The Sergeant-at-Arms shall at the request of the presiding officer, assure the maintenance of order at Regular Meetings. City Council will suspend its normal meeting protocol to focus discussion on a policy matter of great city importance: innovative concepts in neighborhood environmental safety. Environmental safety - all of the issues that contribute to health, safety, and a high quality of life in every neighborhood in the City - can be just as important as police, fire, and emergency services. In addition to a presentation on a unique multi-housing crime-free initiative being launched in Columbus, Council will discuss new policy concepts in planning, zoning, code enforcement, traffic calming, and litter removal. This Policy Forum is the third in a series of meetings during which Council will set aside routine legislation to focus attention on timely and relevant issues facing the City of Columbus.
