Department of Public Service  
Construction Inspection Services

Effective Sept 25, 2006, rates charged by the Public Service Department for construction inspection services will be changed as follows:

<u>Category</u>	<u>Hourly Inspection Rate</u>	
	<u>From</u>	<u>To</u>
Inspector	\$36	\$43
Supervisor, Engineering Associate II, Engineer in Training I and Surveyor in Training I	\$42	\$49
Engineering Associate III, Engineer in Training II, Engineer I and Engineer 2	\$55	\$58
Engineer 3, Engineer 4 and other section and sub-section heads	\$65	\$68

The new hourly rates represent the first increase since January 1998 and are necessary to cover Transportation's cost of doing business. Expenses, including health insurance, information technology and workers' compensation, have increased significantly since 1998.

If a project is currently under construction, additional deposits to cover these rates will not be required at this time. Notifications will be issued requiring the deposit of additional fund when the funds currently on deposit are over 90% depleted.
