Proceedings of City Council

Saturday February 23, 2008

SIGNING OF LEGISLATION

(Note: There was no City Council meeting on Monday, February 18, 2008. Subsequently, there is no passed or defeated legislation included in this edition.)

The City Bulletin Official Publication of the City of Columbus

Published weekly under authority of the City Charter and direction of the City Clerk. The Office of Publication is the City Clerk's Office, 90 W. Broad Street, Columbus, Ohio 43215, 614-645-7380. The City Bulletin contains the official report of the proceedings of Council. The Bulletin also contains all ordinances and resolutions acted upon by council, civil service notices and announcements of examinations, advertisements for bids and requests for professional services, public notices; and details pertaining to official actions of all city departments. If noted within ordinance text, supplemental and support documents are available upon request to the City Clerk's Office.

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

CITY OF COLUMBUS FORMAL BID OPPORTUNITIES ARE UPDATED INSTANTLY AT:

<http://finance.columbus.gov/AboutUs/Purchasing/VSFB.asp>

Each proposal shall contain the full name and address of every person, firm or corporation interested in the same, and if corporation, the name and address of the President and Secretary.

EQUAL OPPORTUNITY CLAUSE: Each responsive bidder shall submit, with its bid, a contract compliance certification number or a completed application for certification. Compliance with the provisions of Article I, Title 39, is a condition of the contract. Failure to comply with this Article may result in cancellation of the contract.

WITHHOLDING OF INCOME TAX: All bidders are advised that in order for a contract to bind the City, each contract must contain the provisions found in Section 361.34 C.C.C. with regard to income taxes due or payable to the City of Columbus for wages, salaries and commissions paid to the contractor's employees as well as requiring those contractors to ensure that subcontractors withhold in a like manner.

DELINQUENT PERSONAL PROPERTY TAX: All bidders are charged with notice of Section 5719.042 of the Ohio Revised Code and agree that if this contract is awarded to them, the successful bidder, prior to the time the contract is entered into, will submit to the City Auditor the affidavit required by said section of the Ohio Revised Code. Said affidavit, when filed with City Auditor, is thereby incorporated into and made a part of this contract and no payment shall be made with respect to this contract unless such statement has been so incorporated as a part thereof.

LOCAL CREDIT: For all contracts EXCEPT PROFESSIONAL SERVICE CONTRACTS: In determining the lowest bid for purpose of awarding a contract not exceeding \$20,000.00, a local bidder shall receive a credit equal to five percent (5%) of the lowest bid submitted by a non-local bidder. In determining the lowest bid for purposes of awarding a contract in excess of \$20,000.00, a local bidder shall receive a credit equal to one percent (1%) or \$10,000.00, whichever is less, of the lowest bid submitted by a non-local bidder. A local bidder is a person, corporation or business which (a) has listed its principal place of business as being located within the corporation limits of the City of Columbus or the County of Franklin in official documents filed with Secretary of State, State of Ohio, or a valid vendor's license which indicates its place of business is located within the corporation limits of the City of Columbus or County of Franklin.

BID NOTICES - PAGE # 1

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

1.0 SCOPE AND CLASSIFICATION

1.1 Scope: The City of Columbus is obtaining bids for the purchase of uniforms and patches for approximately 1,500 City employees. The contract will be used by various City agencies and deliveries will be made to the specific agency's location on an as-needed basis. The contract will be in effect from the date of execution by the City through March 31, 2010.

1.2 Classification: Uniform Clothing to be purchased will include various shirts, pants, coveralls, t-shirts, select outerwear, hats, and patches. The uniform supplier must have a facility located within the City of Columbus and/or Franklin County.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

ORIGINAL PUBLISHING DATE: February 06, 2008

SA002799 - WEMCO PUMP PARTS UTC

1.1 Scope: It is the intent of the City of Columbus, Division of Sewerage and Drainage to solicit bids to provide its two (2) wastewater treatment plants with a Universal Term Contract (blanket type) for Wemco Pump Parts for a period of two (2) years. The City estimates it will spend approximately seventy thousand dollars (\$25,000.00) annually under the term of any resulting contract. The period covered by the ensuing contract will be from the date of execution by the City to and including June 30, 2009

1.2 Classification: The contract resulting from this proposal will provide for the purchase and delivery of various replacement parts for various models of Wemco Pumps utilized at the two (2) wastewater treatment plants operated by the Division of Sewerage and Drainage. Suppliers are asked to give discount percentage off plus submit price lists for items listed.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

SA002803 - POLICE/CHEMICAL MUNITIONS UTC

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

1.0 SCOPE AND CLASSIFICATION

1.1 Scope: The City of Columbus seeks to establish a Universal Term Contract through September 30, 2009 for the purchase of non-lethal chemical munitions for the Division of Police used in a variety of situations such as civil disturbances and dealing with suicidal or violent individuals. The munitions will be purchased on an as needed basis and will be delivered to 2609 McKinley Ave, Columbus, Ohio 43204. An estimated quantity of two thousand rounds will be purchased annually.

1.2 Classification: Riot control munitions specified are chemical agent munitions, specialty impact munitions and grenades.

1.2.1 The award of this contract will be based on the price for these items, and the delivery time. The City may award one or more contracts in any manner that is in the best interest of the City of Columbus.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

SA002809 - VENDING MACHINE SERVICES RFP

THE CITY BULLETIN
BIDS WANTED - PURCHASING OFFICE AND OTHER DIVISIONS

Scope: The City of Columbus, Department of Finance and Management is seeking proposals for Vending Machine Services. The City has vending machines located in buildings throughout the City. Currently, these vending machines are stocked and serviced by multiple vendors. At this time, the City is addressing the placement of a total of forty-eight (48) machines by a single vendor in the specific buildings and locations. The proposed contract will allow the City to replace approximately 130 additional machines at approximately 38 locations. The vendor chosen must have the capacity to provide the additional machines and adequately service the additional machines and locations.

Classification: Bids must be submitted with the bidder's proposed rate of commission paid on gross sales of vended product. The City requires that every non-perishable beverage vending machine and snack vending machine utilized be: ENERGY STAR? rated; equipped with a device that reduces energy consumption such as VendingMiser™, SnackMiser™ or equivalent; or any other type perishable merchandiser (frozen, cold , hot) be the most energy efficient model of machine available.

For additional information concerning this bid, including procedures for obtaining a copy of the bid document(s) and how to submit a proposal, you must go to the City of Columbus Vendor Services web page (<http://vendorservices.columbus.gov>) and view this bid number in the open solicitations listing.

Notice/Advertisement Title: Request for Purchase Proposals, Approximately 2.447 acres SE Corner Neil Avenue & Vine Street, Columbus, Ohio 43215

Contact Name: Real Estate Management Office

Contact Telephone Number: 614-645-5189

Contact Email Address: aekelly@columbus.gov

Body

REQUEST FOR PURCHASE PROPOSALS

**APPROXIMATELY 2.447 ACRES
SE CORNER NEIL AVENUE & VINE STREET
COLUMBUS, OHIO 43215**

REQUEST FOR PURCHASE PROPOSALS

The **City of Columbus** is inviting purchase offers for a subject site of vacant land approximately 2.447 acres in size, Franklin County Auditor's Parcels 010-251236 and 010-251240, located at the southeast corner of Neil Avenue and Vine Street, Columbus Ohio, in the neighborhood area commonly known as the "Arena District".

SUBMISSION AND REVIEW OF PROPOSALS

Proposals for the purchase and development of the property must be submitted on or before **February 28, 2008** (the "Submission Date"). The City of Columbus reserves the right to extend the Submission Date at its sole discretion. The request for proposals shall not obligate the City of Columbus to award, transfer, or convey the subject real property. The City of Columbus hereby reserves the absolute right to accept or reject any and all proposals submitted.

Proposals may be submitted via U.S. Mail or courier to:

Department of Finance and Management
Real Estate Management Office, Attn. Administrator
90 W. Broad Street, Room 425
Columbus, Ohio 43215

Proposals may be submitted electronically via email to:

aekelly@columbus.gov <<mailto:aekelly@columbus.gov>>

All Proposals must contain, at a minimum:

- The proposed purchase price for the property. The minimum purchase price is **\$5,862,500.00**.
- A full description of the proposed use and the development of the property. Prospective purchasers shall include a schematic or conceptual rendering of the proposed development, in order to aid the City in its review.
- A proposed schedule for the development of the property.

SITE DESCRIPTION

The site is proximate to the North Market, Nationwide Arena, Lifestyle Communities Pavilion, and the new Huntington Park baseball stadium that opens in Spring 2009.

The site is an irregular rectangular shape, approximately ten feet above grade at Neil Avenue, and generally level throughout. The total land area is approximately 2.447 acres.

All utilities are present at the site.

The site has approximately 130 feet of frontage on Neil Avenue, and approximately 432 feet of frontage on Vine Street, and 254 feet of frontage on Kilbourne Street. The site has excellent visibility from Neil Avenue and Goodale Boulevard. Traffic counts from Mid-Ohio Regional Planning for 2002 (latest available) reflect that the average daily traffic count for this section of Neil Avenue is 26,600 vehicles per day. The site has easy access to SR 315 via Vine Street, Access to I-670 is via the entrance ramp just the north of the property at Spruce Street and the exit ramp at Neil Avenue and Goodale Street. Traffic counts from Mid-Ohio Regional Planning for 2004 (latest available) indicate that this section of I-670 carries 62,900 vehicles per day.

The site is Zone X per FEMA Flood Panel 39049C0232H, Effective 3/16/2004.

ZONING

The property is located within the Downtown District as defined by Title 33, Chapter 3359.03 of the Columbus City Code. The property is currently zoned DD, Downtown Development District. This zoning is a mixed-use with most land uses permitted through design review. The concept of mixed-use zoning allows the market to determine the location of various land uses and design review determines if the overall design contributes to the vitality of Downtown. The nine-member Downtown Commission is the approval authority for Downtown planning, zoning, graphics and design review issues and is supported by the staff of the City's Department of Development - Downtown Development Office.

PROPERTY SURVEY

A copy of a survey of the property, dated October 7, 2007 is available upon request.

Questions regarding this [Request For Purchase Proposals](#) may be referred to the Real Estate Management Office at 614-645-5189.

OFFICIAL NOTICE
DEPARTMENT OF PUBLIC SAFETY
PUSHCART RULES AND REGULATIONS
February, 2008

Pursuant to the requirements of Chapter 121 of Columbus City Codes, 1959, this notice is submitted as a certified copy of the rules and regulations published December 13, 1997, with an amendment to Section B(9); and amendment to Section B(9)b thru g; and to amend the SUMMARY OF CHANGES PUSHCART PLACEMENT ON PUBLIC RIGHTS-OF-WAY.

A. Pushcart Standards

1. Generators on pushcarts powered by gasoline are prohibited. Only generators powered by propane are acceptable. Generators shall not be placed on the ground, or placed so as to extend the allowable dimensions of the cart.
2. The braking mechanism on a pushcart shall be affixed in such a manner that it is not readily removable. The use of ropes and chocks as the sole braking mechanism is prohibited.
3. Unsecured weatherguards on pushcarts are prohibited. Weatherguards shall be included as part of the allowable measurements of the cart.
4. With the exception of merchandise or food items to be sold, pushcarts presented for inspection shall be exactly as they will appear when operating on a public right-of-way, including any food rack.
5. No modification, even if such modification does not violate measurement requirements, shall be made to a pushcart that violates any health or safety regulation or law.
6. Umbrellas, canopies, or other covers used on pushcarts shall be clean and well maintained, with no holes or tears. Pushcart owners shall have ninety (90) days to comply with this requirement where it is necessary to replace the umbrella or canopy. Pushcart owners shall have a period of five (5) days to comply with this requirement where it is necessary only to repair or clean an umbrella or canopy. These time frames shall not apply where holes, tears, and cleanliness are found to be a violation of the Health Code. In these cases, pushcart owners shall comply as ordered by the Health Department.
7. Pushcarts shall be maintained in such a manner that prevents the spilling or splattering of grease, water, food, or trash on any public right-of-way where the cart is placed.
8. Unsecured menu boards are prohibited on pushcarts. The measurements of the menu board shall be included as part of the allowable size of the pushcart.

9. A three foot by five foot (3' x 5'), National Sanitation Foundation (NSF) approved mat shall be used with pushcarts from which foodstuff is sold. The mat shall be placed flush with the pushcart, beneath the food preparation area in such a manner to prevent any foodstuff or grease spillage.
10. Pushcarts shall have a clean appearance at all time.

B. Pushcart Operations

1. No pushcart shall be left unattended on a public right-of-way for longer than thirty (30) minutes.
2. Pushcart owners shall be responsible for the cleaning and repair of any public right-of-way soiled, stained, or damaged by the placement and operation of their pushcarts. Such cleaning or repair shall be done in such a manner so as to return the area to its original state, and shall be at the expense of the pushcart owner. The License Section may conduct an inspection of any such area to determine if the repair or cleaning is satisfactory.
3. Pushcarts are prohibited from operating on any public right-of-way where public safety is jeopardized, as determined by the Director of Public Safety or the Divisions of Police or Fire.
4. Any pushcart found to cause consistent, justified complaints from the general public in the area where operating, shall be prohibited from operating in that area. This shall include, but not be limited to failing to maintain a clean working area, damaging sidewalks or buildings with foodstuff and wrappers, spilling of grease on the sidewalk, or failing to respect the rights of building occupants. Any finding against a pushcart owner shall be made through the process of investigations and a hearing before the License Section Manager.
5. Pushcarts with propane tanks are prohibited from operating under any skywalk or roof extended over a sidewalk from a building.
6. Propane tanks on pushcarts shall not be changed while resting on any public right-of-way.
7. No pushcart shall carry more than a forty (40) pound supply of propane on a public right-of-way. This maximum supply of propane must be manifolded to appliances where such supply is contained in more than one tank.
8. No pushcart shall be placed within ten (10) feet of any fire hydrant.
9. Pushcart placement on public rights-of-way in the Brewery District, Franklin County Courthouse and the Nationwide Arena area shall be designated and distributed through a computerized lottery system supervised by the License Section Manager.

a. BREWERY DISTRICT

- The Brewery District shall include the area bordered by Sycamore Street on the south, I-71 on the north, Short Street on the west, and Pearl Street on the east.
- The following designated spaces shall be distributed through a computerized lottery system:
 - Four (4) spaces shall be designated on the west side of Front Street between the streets of Livingston and Beck.
 - Three (3)spaces shall be designated on the east side of Front Street between the streets of Livingston and Beck.
 - Three (3) spaces shall be designated on the west side of S. High Street between the streets of Livingston and Hoster.
 - One (1) space shall be designated on the east side of S. High Street between the streets of Livingston and Hoster.

b. FRANKLIN COUNTY COURTHOUSE

- The Franklin County Courthouse area shall include the area bordered by I-71 on the south, Mound Street on the north, Front Street on the west, and Third Street on the east.
- The following designated spaces shall be distributed through a computerized lottery system:
 - Four(4) spaces shall be designated on the west side of S. High Street between the streets of Fulton and Mound, in front of the Franklin County Courthouse.
 - Four (4) spaces shall be designated on the east side of S. High Street between the streets of Fulton and Mound, directly across from the Franklin County Courthouse.

c. NATIONWIDE ARENA AREA

- The Arena District shall include the area bordered by Goodale Avenue on the north, Spring Street on the south, Neil Avenue on the west and N. High Street on the East. Spaces as designated.

- d. No person shall place or operate any pushcart in any undesignated Area.
- f. No person shall occupy any designated space not awarded to that pushcart owner through the lottery system.
- g. The number of designated spaces in all specified areas are subject to change where public safety concerns exist as determined by the Director Public Safety or designee.
- h. Maps of the designated areas shall be available in the License Section.

C. Lottery Procedures

- 1. A separate lottery shall be conducted for each of the following locations:

Brewery District
Franklin County Courthouse Area
Nationwide Arena Area

- 2. The computer will randomly select the designated position for each pushcart.
- 3. Each space awarded shall be occupied for the following time periods:

Brewery District – One (1) Month
Franklin County Courthouse – Two (2) Weeks
Nationwide Arena Area – Two (2) Weeks

- 4. Eligible pushcart owners may register for one or all of the lotteries.
- 5. Only one (1) pushcart per owner or business may be registered for each lottery.
- 6. No pushcart owner shall register for another owner for any lottery.
- 7. All eligible pushcart owners shall be provided with a copy of the registration procedures for entering the lotteries.
- 8. All pushcart owners awarded a space in the lottery shall sign a “Notice of Policy” acknowledging that they received, understand, and agree with the policies and penalties regarding pushcart operations in all designated areas.

D. At no time shall any person operate or cause to be operated any pushcart upon any public right-of-way constructed of brick, marble, or granite.

E. Penalties

Failure to comply with these rules and regulations shall be cause for a hearing before the License Section Manager for the possible suspension or revocation of the pushcart license.

SUMMARY OF CHANGES PUSHCART PLACEMENT ON PUBLIC RIGHTS-OF-WAY

- Amended rules and regulations address pushcart placement in the following locations:

Brewery District
Franklin County Courthouse
Nationwide Arena

- Each area and designated space is geographically defined.
- A specific number of spaces is designated for each area as follows:

Brewery District - 11 spaces
Franklin County Courthouse - 8 spaces
Nationwide Arena - 18 spaces

- All designated spaces in these areas will be awarded through a computerized lottery system.
- Rules for occupancy are defined.
- Number of designated spaces subject to change where safety concerns exist as determined by Safety Director.
- Lottery procedures are defined.
- Pushcarts cannot be operated on any public rights-of-way constructed of brick, marble or granite.
- License can be suspended/revoked for violations.

Body

Summary: In order to ensure the welfare and safety of both park visitors and the permitted users, and to preserve and protect both the aesthetic and natural values of the resource, these administrative rules establish requirements and limitations on the installation , use and maintenance of private floating boat docks and boat stakes on City of Columbus park lands and reservoirs pursuant to the authority granted by Columbus City Code.

Columbus Recreation and Parks Permit and Rental Services Section

Revised November, 2007

Administrative Rules for private boat docks and stakes on City Reservoirs (not to include boat club leased properties):

Columbus City Code, section 921.01-8 (O)(1) provides that: **“The Recreation and Parks Commission may adopt administrative rules for floating boat dock construction, maintenance and other privileges pertaining to the use of undeveloped city parkland. Violation of administrative rules shall result in the temporary or permanent revocation of docking privileges and/or impoundment of vessel(s) and removal of associated structures on parkland.”** Pursuant to the above-mentioned authority, the Recreation and Parks Commission does hereby approve and adopt the following administrative rules listed below.

These Administrative Rules shall be effective thirty days after being approved and signed by the Recreation and Parks Commission and the Director of the Recreation and Parks Department and published in the City Bulletin. These Rules may be superseded by an act of City Council.

Existing authorized docks exceeding design limitations as specified in these rules, may continue to be authorized until such time as the property owner fails to **renew the annual permit or transfers title of the property.**

As used in these Rules, the following definitions shall apply:

1. Abandoned - means any personal property, including a dock or other encroachment, that has remained on or attached to City property or in a waterway owned or controlled by the City for at least 48 hours that does not have a valid dock permit or other written permission from the City regardless of whether it is being actively used by a contiguous property owner.
2. Header dock - The primary structure of a floating dock. The section of dock in which other dock sections or a ramp is attached to.
3. Finger dock - A secondary dock extension from the header dock.
4. Mooring - buoy or float providing a tie off for a boat, set to an anchor to hold the boat secure.
5. Ramp - The section of the dock that connects the floating portion of the dock to the shore (some docks may be on feet or wheels).
6. “I” Dock - For purposes of these administrative rules, an “I” dock shall mean a dock extending from shore in a straight line, generally perpendicular to the shoreline, with no sections attached to the header dock.
7. “T” Dock - For purposes of these administrative rules, a dock generally consisting of a header dock with a finger dock attached in the shape of a “T”, or can be an inverted “T” shape.

8. “L” Dock - For purposes of these administrative rules, an “L” dock is a dock shaped like an “L”, with one side being the header dock and the other side a finger dock, and can be placed in several positions according to need or preference.
9. “U” Dock - For purposes of these administrative rules, a “U” dock consists of a header dock generally parallel to the shore (but may be perpendicular), with at least two finger docks extending from the header dock into the shape of a “U”, “F”, “E” or similar type shape.
10. Platform Dock - For purposes of these administrative rules, a platform dock is a dock that is attached to shore by a ramp, and generally is described as a square or rectangular shape (although it may take different shapes), and can moor multiple vessels from respective sides.
11. Spuds - For the purpose of these administrative rules, spuds are defined as metal posts, no wider than 4” in diameter, inside a sleeve attached to the dock that stabilize the dock by use of friction against the riverbed and not by being driven, drilled, augured or pushed into the riverbed. The “foot” end of the spud (the portion against the river bottom) must be capped or otherwise closed and not be an open pipe. Spuds should not have chisel shaped or pointed ends.
12. Stake - A metal or wood post, not to exceed four (4) inches in diameter, extending a minimum of four (4) feet and a maximum of six (6) feet above the ground, to secure a watercraft to shore.
13. Rip rap – The placement of rocks or other similar materials as approved by the Division of Power and Water in accordance with United States Army, Corps of Engineers regulations to prevent or reduce shoreline erosion.
14. Director – “Director” shall mean the Director of Recreation and Parks or his or her duly authorized designee.
15. Structure – “Structure” means a combination of materials, other than a building, to form a construction that is safe and stable including, but not limited to, docks, stadium, gospel or circus tent, reviewing stand, platforms, staging, observation tower, shed, coal bin, or fence in excess of six (6) feet in height. The term “structure” shall be construed as if followed by the words “or parts thereof.”
16. Building – “Building” means any structure having a roof supported by columns or walls, or any series of structures separated only by “fire separations” but contained under a common roof or within common walls, and requiring a building permit in accordance with Title 41 of the Building Code that is used for shelter, occupancy, enclosure, or support of persons, animals, or property.
17. Encroachment – “Encroachment” means any building, structure, or personal property placed on, or attached to, City owned or controlled property without prior written permission from the City.

Administrative Rules:

- 1) Plans for proposed docks and stakes must be submitted to the Columbus Recreation and Parks, Permit and Rental Services Section. All structures must comply with existing City of Columbus rules in addition to all specifications authorized by the

United States Army Corps of Engineers under federal regulation. When in conflict, whichever code is more restrictive takes precedence. In cases where private property meets the water's edge, dock permits are still required pursuant to the following rules, as the City of Columbus regulates all City waterways. A valid Land Stewardship Agreement must be on file with the City of Columbus prior to the issuance of any dock or stake permit.

- 2) Proposed plans must include the following:
 - a) Plat plan of the property with the owner's name and address and the proposed location of the dock or stake plainly marked.
 - b) Detailed plan of the dock illustrating:
 - i) Dimensions
 - ii) Materials
 - iii) Method of attachment to shore
 - c) Proposed dates for construction and installation (which must be at least 10 business days later than the date of submission)
- 3) The overall width of any section of any private floating dock may not be less than four (4) feet, with the exception of finger docks, which may not be less than three (3) feet.
- 4) The overall width of any Finger dock may not exceed six (6) feet.
- 5) The overall width of any header dock may not exceed eight (8) feet.
- 6) The overall width of any platform dock may not exceed eight (8) feet.
- 7) Flotation for the floating docks must meet or exceed Federal and Ohio Department of Natural Resources standards. Metal drums are not permitted. Treated wood materials used for decking and/or walkways shall meet compliance to Federal and State Environmental Protection Agency recommendations and regulations. Galvanized or plated hardware should be used in dock construction.
- 8) The dock (including any ramp, attachment(s) and including any vessel(s)) may not extend greater than forty (40) feet from the on shore platform or twenty five percent (25%) of the width of the channel at that point, whichever is less. The overall area of any dock, including any vessel(s) docked at that location, may not exceed twenty-four (24) feet in width (parallel to shore) The forty (40) feet in length will be measured along the surface of the ramp and dock structures. The forty (40) feet will be the measurement of the length of the structure and not the distance it extends into the reservoir due to the angle of attachment.
- 9) The floating dock structure shall not have any walls or enclosed areas. An open sided canopy may be permitted provided that the overall height of the canopy structure does not exceed twelve (12) feet from the surface of the dock. Canopy covers must be canvas, nylon or other fabric of a solid, earth tone color (not striped, plaid, multicolored, etc.). No advertising, writing or design may be displayed on the canopy.

- 10) As part of the floating dock permit there may be a landing platform area on shore, not to exceed thirty six (36) square feet in size. The only purpose of this platform is to provide a secure structure to serve as an attachment point for the floating dock. No concrete, cement or mortar is permitted as part of this platform. This structure may not include any walls, roofs or other improvements except an approved handrail if desired. The landing platform shall be constructed at ground level unless the terrain is not even, then only elevated enough so that the platform may be level as close to the ground as possible. The specific site of the landing platform will be determined by the Director based upon best management practices.
- 11) No part of the floating dock, stake(s), or permitted landing platform may be constructed from any materials or constructed in any manner to be considered a permanent structure. (i.e. there will be no use of concrete and all sections must be removable by use of common hand tools). Tying to trees (either the dock or any watercraft) or attachment to any natural feature (rocks, stumps, etc.) is strictly prohibited.
- 12) Each qualified, contiguous, private property owner will be permitted a maximum of one private floating dock permit. Each private floating dock may be permitted to moor no more than three vessels registered to that private property owner (provided that all three vessels and dock fit into the area described in item 8).
- 13) The proposed location of the private floating dock, stake(s) or mooring shall be contained within the area of City of Columbus owned shoreline defined by an extension of the contiguous, private property owner's sidelines. In cases where the angles are not perpendicular, or nearly perpendicular, this area will be determined by drawing a line perpendicular to the shoreline back to the contiguous, private property owner's sideline. In the case of private moorings, the length of the mooring rope/chain/cable shall not allow the vessel to exceed this area. If there is not a suitable site within this area, the request may be denied.
- 14) When permitted, private moorings must be located no farther than fifty (50) feet from the normal pool shoreline, but may not be any further than 25% of the width of the channel at that point. Moorings will only be considered for use on Hoover and O'Shaughnessy Reservoirs. Mooring anchors must be approved before placement and should be properly sized for the boat being moored (items such as used engine blocks are specifically prohibited). Each private mooring must be marked with at least a twelve (12) inch round diameter, orange marine buoy. The owner's address must be clearly marked upon the buoy.
- 15) When an application is approved, a contiguous, private property owner may install a boat stake or stakes. The stake(s) shall be driven or set into the ground by the permit holder at a site designated by the Director. No concrete or cement may be used. The stake(s) shall have a space for the permit decal and owner's address to be displayed, facing the water. The stake(s) shall be maintained in a safe condition by the permit holder and removed by the permit holder in the event that the stake permit is not renewed for any succeeding year. Boat stake(s) may not be relocated (due to low

water levels, better access or any other reason) without written permission from the Director.

- 16) If the Director determines that any dock, structure, stairs, or other encroachment (collectively referred to herein as “encroachment”) located on or attached to City property has become a detriment to the City, the person who installed such encroachment shall remove it at their expense upon receiving written notice of the Director’s determination. If the person who installed the encroachment is no longer the contiguous property owner, the City may remove and dispose of said encroachment.

If the current contiguous property owner wishes to continue to use the encroachment in conjunction with a pre-existing dock or stake, that property owner (referred to herein as the “responsible party”) may submit a request to the Director to allow the encroachment to remain. If the Director allows the encroachment to remain, the responsible party must do all of the following:

- 1.) Submit a new or renewal dock/stake permit application
- 2.) Submit a signed Responsibility Form
- 3.) Keep the dock or stake permit current and valid.

If at any time the responsible party fails to renew their dock or stake permit by the March 15th deadline, the encroachment shall no longer be approved and must be removed at the expense of the responsible party. No stairs, stairways with landings or other similar structures will be approved for new dock/stake applicants where no dock, stake, or mooring had previously existed.

- 17) The five (5) foot wide path to allow access to the private dock or stake (as described in Columbus City Code 921.01-8 (N) may be mown, but must be maintained in as natural a condition as possible and may not include cement, mortar, bricks or boardwalks. Limestone or sandstone flagstones, not to exceed sixteen (16) inches in diameter and set not closer than six (6) inches together, may be approved by written request in advance of installation. The Director must approve the location of this path. The path must follow the most direct line to the shoreline that affects the least amount of vegetation or natural features of the City of Columbus property. Permission to cut down trees or alter the landscape to create a path will not be granted, except that cutting of trees and brush less than 1” in diameter at the ground may be approved on a limited basis with permission.

a) Paths may not be approved if the following conditions exist:

- i) If slope of the area (measured from the private property line to the shoreline) exceeds a ratio of 6.67:1 (15% slope).
- ii) If location of the path would threaten rare or endangered species of plants or wildlife. The Ohio Department of Natural Resources shall be considered the naming authority for these species.
- iii) If paths would cross sensitive shoreline habitats, as defined in Columbus City Code.

- b) Areas of shoreline that are within designated Nature Preserve areas will not be permitted any modifications to accommodate a dock or path, but may be approved if the naturally existing conditions are acceptable (pursuant to City Code (Title 9, Chapter 921.01-8 (A)(2))).
- 18) The installation of facilities conducive to human habitation; including but not limited to household furnishings, water or electrical lines or hook ups, living quarters, sewers, toilets, or fueling facilities are not permitted on any private floating or permanent dock.
- 19) Electrical service existing as of the effective date of these Rules on City of Columbus property that was authorized by the City of Columbus in writing will be allowed to remain only as long as the current property owner maintains the service and renews their dock permit annually. If/when the title of the property transfers or if the permit is not renewed on time in any season then the electrical service must be removed by the contiguous property owner at their expense. If the contiguous property owner fails to remove the electrical service the City may do so. Future permits will not be considered until the electrical service is removed.

For as long as the electrical service remains, the adjacent property owner must provide and maintain a lath marker where the electric line crosses the private property line onto City property and a like marker near the dock marking the same. The marker should indicate, in writing, "under-ground electric - do not dig". The material for the marker should be the same as markers used for roads and highways that is flexible plastic, which would not pose any threat of impaling a person. Failure to maintain these markers in accordance with this section at all times will be cause for immediate suspension or revocation of the dock permit.

In the event that there is any question as to whether the installation or the device meets all codes, the permit holder will be required to submit a letter from a licensed electrical contractor stating that he/she has personally inspected the device and installation and affirming that the installation and the device meets all City, State and Federal codes.

Solar powered, battery operated or self contained generator operated devices may be approved by the Director. Before any such device is installed the property owner must provide a sketch of the proposed electrical devices to be installed in connection with the dock permit. This sketch must include all lights, outlets, and related accessories. If the permit holder elects to use an extension cord to power a permitted electrical device at a dock then the cord may only be used when the permit holder is at the dock actively using the device. Extension cords must be plugged into a GFCI (ground fault circuit interrupter) outlet on the contiguous private property. At all other times the extension cord must be removed from the park property.

The quantity of lights must be kept to a minimum, and are limited to the path and dock/stake/mooring. All lights must be directed downward and not toward the water, other residences or parks areas.

- 20) A hand powered or mechanical boatlift will be permitted so long as all other rules pertaining to docks are followed. Lifts that require electricity must comply with the established electric service rules contained within these Administrative Rules (item #19). Application for a boatlift must be **in writing** as part of the proposed dock plan and include specifications of the lift device.
- 21) No pilings may be driven through the water into the riverbed. Guide or support poles attached to the dock (or lift device) must have flat *feet* that rest on the riverbed or use non-driven spuds. Spuds must be removable using common hand tools and the permit holder must be able to demonstrate this upon request of the Recreation and Parks Department. Failure or inability to remove the spuds will be considered grounds for revoking dock privileges.
- 22) All floating docks, stakes and associated structures must be designed and constructed to have the least impact visually and physically upon the City of Columbus owned property. The dock must be maintained in a safe condition. Permittees must make every reasonable effort to construct and operate the authorized dock or stake(s) in a manner so as to minimize any adverse impact on fish, wildlife and natural environmental values including water quality.
- 23) Permitted docks and stakes must properly display the annual permit and property address (address must include at least the house numbers in three (3) inch high letters) on the dock structure or stake(s). The permit and address shall be placed on the dock or stake and face the open navigable water, visible to patrol watercraft.
- 24) The sole purpose of the private floating dock structure shall be as a safe mooring for permitted watercraft. This regulation does not exclude the permit holder, his/her family and guests from legally fishing from the dock. Personal property used in connection with recreational water activities, such as chairs, dock boxes, mooring lines, and so forth, shall be permitted on dock structures so long as such property is not otherwise prohibited by paragraph 18, this Section or other Sections of these Rules. Private docks may not have grills, athletic courts, ladders or swim platforms attached to them or be used for such purposes. Guest watercraft meeting code requirements, may moor to the permit holder's dock, however if the duration exceeds sixteen (16) hours on any date, the permit holder must obtain a temporary permit from the Columbus Recreation and Parks Permit and Rental Services Section, and all related regulations apply.
- 25) Requests for modifications or renovations to an existing dock must be in writing and approved by the Director. No work shall commence until the Director's written approval is received by the property owner. The property owner is hereby authorized to make minor repairs to the dock and associated structure when necessary to ensure the safety of the users. These repairs must use identical replacement materials and may not alter the appearance or dimensions of the permitted structure. No chemical treatments may be applied (paint, waterproofing, etc.) while the dock structure is in the water or sitting on City of Columbus owned property.

26) Private boat docks, stakes, associated structures and fixtures, other encroachments or private property discovered on or attached to City of Columbus park land without permission or in violation of Columbus City Code or these Rules will be considered abandoned and may be removed and disposed of by the Recreation and Parks Department; the Columbus Division of Power and Water acting as an agent of the Recreation and Parks Department under the terms of the "Water Supply Reservoir Cooperative Management Agreement", or by any law enforcement officer within their jurisdiction.

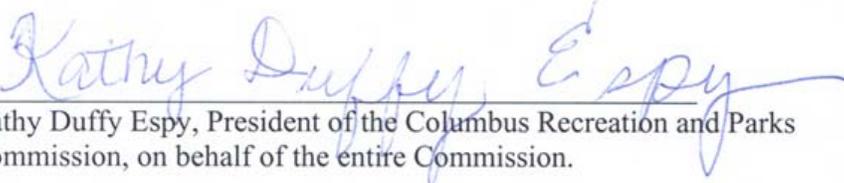

- a) Prior to removing abandoned private, personal property from City of Columbus property, the City will send notice to the contiguous property owner to allow them the opportunity to remove the personal property on their own. A letter sent via first class, U.S. mail to the name and address listed on the county auditor's web site for the contiguous property requesting removal within 30 days shall be deemed sufficient notice.

The Recreation and Parks Commission and the Director of the Columbus Recreation and Parks Department hereby adopt and authorize these Administrative Rules.

Alan D. McKnight, Director of Columbus Recreation and Parks
