Trade Name		Nature of Business			<b>Annualize Installment Method Not Permitted.</b> Neither Columbus nor Prairie-Obetz JEDZ allow for calculating estimated tax payments based on an "annualized income installment method". The Columbus City Codes [§361.25] and Obetz Codes [§181.09] governing the JEDZ requires that each estimated tax payment "be accompanied by a payment of at least one-fourth (1/4) of the estimated annual tax" and that a declaration of estimated tax which is less than <b>80%</b> of the tax shown on the final return shall not be considered filed in good faith. Thus, even if your business is seasonal, estimated tax payments must be based on estimated annual taxable income.
